INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Administrator of the
Looking Upwards, Inc. 401(k) Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Looking Upwards, Inc. 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statements of Net Assets Available for Plan Benefits as of December 31, 2022 and 2021, and the related Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LOOKING UPWARDS, INC. 401(K) RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2022 and 2021

1. Description of Plan

The following description of the Looking Upwards, Inc. 401(k) Retirement Plan (the Plan) is intended to provide only general information regarding the Plan. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a participant-directed defined contribution 401(k) plan that covers substantially all full-time employees except leased employees of Looking Upwards, Inc. (the Organization), who are twenty-one (21) years old or older and have completed 60 days of service. The Plan also covers certain employees who work less than 35 hours a week and have completed one year of service. The Organization serves as the Plan administrator and Ascensus Trust Company serves as the Plan's trustee. The Plan was established on January 1, 1985 and restated on January 1, 2022, under Sections 401(a) and 401(k) of the Internal Revenue Code (IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective October 4, 2022, The Keystone Group (Keystone) merged into the Organization. Prior to the merger, employees of Keystone were participating in the AccessPoint RI Retirement Plan (AccessPoint) (a plan formerly under common ownership with the Organization). During 2022, the AccessPoint plan transferred approximately \$43,300 of participant notes receivable to the Plan. In April 2023, the AccessPoint plan transferred assets of approximately \$781,200 to the Plan.

Contributions

Participants may elect to contribute any percentage of their annual pretax compensation, not to exceed annual limitations as provided by the IRC. The Plan allows for Roth contribution deferrals. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions up to annual limits provided by the IRC. Participants may also make rollover contributions from other qualified retirement plans.

The Plan provides for the Organization to make discretionary matching contributions and discretionary profit-sharing contributions. To be eligible to receive the discretionary profit-sharing contribution, an employee must have worked a minimum of 1,000 hours and must be employed on the last day of the Plan year except upon death, disability, or early retirement. For the year ended December 31, 2022, the Organization, at its discretion, elected not to make a contribution to the plan. Contributions are limited in accordance with the Internal Revenue Service (IRS) rules and regulations.

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2022 and 2021

Participant Accounts

Each participant's account is credited with the participant's contribution, the Organization's matching contribution, if any, an allocation of the Organization's profit-sharing contribution, if any, Plan earnings and losses and any administrative expenses incurred. Allocations are based on individual participant account balances or participant compensation, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants become fully vested in the employer contributions and the annual allocation of Plan earnings on those contributions after six years of service, or if a participant reaches early retirement age as an employee, dies or becomes disabled before retirement. Participants are partially vested in the Employer contributions as follows: 20% after 2 years, 40% after 3 years, 60% after 4 years, 80% after 5 years, and 100% after 6 years.

Participant Notes Receivable

Participants may borrow from their fund account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Note terms range from 1 to 5 years, or up to 15 years for the purchase of a primary residence and only one loan can be outstanding at a time. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

On retirement, death, or termination of service, a participant or beneficiary may elect to receive an amount equal to the vested value of the participant's account as a lump-sum amount. Alternatively, in certain cases, the participant may elect to defer the distribution. The Plan provided for mandatory distributions to participants upon reaching age 70 ½ or participants who separate from service with account balances less than \$5,000. Effective January 1, 2022, the Plan was amended to implement provisions of the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE), which increased the age the required minimum distributions must begin from 70 ½ to 72.

Early Withdrawals

Participants, by written notice, may request a financial hardship withdrawal from their vested accounts, subject to the limitations imposed by the IRC. Participants who have attained normal retirement age, as defined by the Plan, may elect to withdraw all or a portion of their accounts.

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2022 and 2021

Forfeitures

Participants in the Plan who leave the employment of the Organization before completing six years of service forfeit the non-vested portion of their accounts. Forfeitures are used to reduce Employer contributions, pay administrative expenses related to the Plan or may be reallocated to employees as a profit sharing contribution. As of December 31, 2022 and 2021, forfeited non-vested accounts totaled \$459 and \$94,961, respectively. During 2022, \$95,877 of forfeitures were reallocated to participants.

Subsequent Events

Management has evaluated subsequent events through October 12, 2023, which is the date these financial statements were available to be issued.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (Note 3). The Plan Administrator determines the Plan's valuation policies, utilizing information provided by the investment advisor and Reliance Trust fund trustee.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded at the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Participant Notes Receivable

Participant notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Interest income on participant notes receivable is recorded when it is earned. A receivable is considered past due if payment has not been received within stated terms. Delinquent participant notes receivable are reclassified as distributions based on terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2022 and 2021

Excess Contributions Refundable

Amounts refundable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the excess contributions to the applicable participants subsequent to year end.

Contributions

Participant contributions are recorded weekly when the Organization remits payroll deductions for investment into the Plan.

Payment of Benefits

Benefits are recognized when paid to participants or their designated beneficiaries.

Administrative Expenses

Expenses incurred in the administration of the Plan are paid by the Organization unless the Organization directs that such expenses shall be paid by the Plan. Expenses that are paid by the Organization are excluded from these financial statements. Participant notes receivable set-up and maintenance fees and distribution processing fees are paid directly by the participants through a reduction in their account and are not included in administrative expenses. Investment management, recordkeeping fees, education and training and other third-party advisor fees are paid by the Plan through revenue sharing as a reduction of investment income (net appreciation or depreciation) from the related investment fund.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported changes in net assets. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options with various investment objectives. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits.

Financial Instruments with a Concentration of Credit Risk

The Plan's investments are held by a single trustee. The Plan's exposure to credit risk is associated with the outside entities' non-performance of its fiduciary responsibilities relating to these amounts as specified in the agreements. Benefits provided by the Plan are not insured or guaranteed by the Pension Benefit Guaranty Corporation.

3. Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy and inputs to the valuation methodologies are described as follows:

Level 1 inputs are unadjusted quoted prices in active markets for identical assets the Plan has the ability to access.

Level 2 inputs are other than quoted prices in active markets that are observable either directly or indirectly for the asset. Such inputs are derived principally from or corroborated by observable market data for similar assets by correlation or other means, over substantially the full contractual term of the asset, if applicable.

Level 3 inputs are unobservable and significant to the fair value measurement. Such inputs generally rely on the Plan's own assumptions about the assumptions that market participants would use in pricing the asset.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trust: The Plan invests in the Reliance Trust Company Collective Investment Trust for the Metlife Group Annuity Contract Series 25053 Class 0. It is valued at the NAV of units of a collective trust. The NAV, as provided by the fund manager, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

LOOKING UPWARDS, INC. 401(K) RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2022 and 2021

Were the Plan to initiate a full redemption of the collective trust, the trust reserves the right to temporarily delay withdrawals in order to ensure that liquidations of securities will be carried out in an orderly business manner. Unit values are determined by dividing the fund's net assets at fair value by its units outstanding at the valuation dates.

As of December 31, 2022 and 2021, the Plan's investments in mutual funds are reported at level 1 within the fair value hierarchy.

	<u>2022</u>	<u>2021</u>
Mutual funds at fair value	\$ 5,226,259	\$ 6,272,208
Collective investment trust fund measured at NAV(a)	<u>490,065</u>	<u>503,263</u>
Investments at fair value	<u>\$ 5,716,324</u>	<u>\$ 6,775,471</u>

(a) In accordance with Subtopic 820-10, the collective investment trust funds that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value to the line items presented in the Statements of Net Assets Available for Plan Benefits.

As of December 31, 2022 and 2021, the Plan held investments in collective investment trust funds for which NAV was employed to estimate fair value with daily redemption frequency and no redemption notice period.

4. Plan Termination

The Organization expects to continue the Plan indefinitely. However, the Organization reserves the right to amend the Plan or contributions thereto, at any time and in any manner that it deems advisable, provided that no amendment shall have the effect of diverting Plan assets for purposes other than for the exclusive benefit of the Plan participants and any Plan termination would be subject to the provisions of ERISA. If the Plan is terminated, the participants would become fully vested and entitled to receive all amounts credited to their accounts.

5. Income Tax Status

The Plan is a non-standardized pre-approved profit sharing plan sponsored by The Angell Pension Group, Inc. (Angell). Angell has obtained an opinion letter dated June 30, 2020, stating that the form of the Plan is acceptable under Section 401 of the IRC. Generally, the Plan Administrator and the Plan may rely on the opinion letter received by Angell as to the form of the Plan qualifying under the IRC. The Plan has been amended since the letter was obtained. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan Administrator believes the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Summary of Financial Data Certified by the Trustee's Agent

The following is a summary of financial information and data certified by the trustee's agent, Ascensus, LLC as an agent for Ascensus Trust Company:

Statements of Net Assets Available for Plan Benefits at December 31, 2022 and 2021, with the exception of contributions receivable and excess contributions refundable;

Investment income, interest income on participant notes receivable and net depreciation in the fair value of investments on the Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2022, and;
Investment information provided in the supplemental schedule, Schedule of Assets (Held at End of Year) at December 31, 2022.

7. Differences from Form 5500

Differences between the Annual Return/Report of Employee Benefit Plan, Form 5500, and these financial statements are a result of different classifications between line items. Total Plan assets are in agreement.

8. Related Party Transactions and Party-in-Interest Transactions

Certain Plan investments are held by the trustee's agent, Ascensus Trust, LLC, and recordkeeping administrative services are provided by The Vanguard Group, Inc. Therefore, these transactions qualify as party-in-interest transactions. For the year ended December 31, 2022, the Plan made direct payments to service providers for investment management and recordkeeping services of approximately \$38,100.
