INDEPENDENT AUDITOR'S REPORT

Plan Administrator and Trustee of the
FRONTLINE AG SOLUTIONS, LLC 401(k)
Conrad, Montana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Frontline Ag Solutions, LLC 401(k) plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Frontline Ag Solutions, LLC 401(k) plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Frontline Ag Solutions, LLC 401(k) plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Frontline Ag Solutions, LLC 401(k) plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Frontline Ag Solutions, LLC 401(k) plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Frontline Ag Solutions, LLC 401(k) plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Assets Held for Investment Purposes are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FRONTLINE AG SOLUTIONS LLC 401(k)

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Frontline Ag Solutions, LLC 401(k) plan provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Company established the Plan to provide employees with a systematic means of savings and investing for the future. Eligible employees of the Company, as defined by the Plan document, can enroll on the first day of each month of the Plan Year coinciding with or immediately following the date the employee satisfies the eligibility requirements.

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Assets of the Plan are allocated to participant accounts based on specific contributions made by each participant and respective match made by the Company. Investment income (loss) is credited to each account based on appreciation (depreciation) of specific assets held in each participant account and any earnings thereon.

Automatic Enrollment

The Plan has an automatic enrollment feature. An initial pre-tax deferral contribution of 3% of each eligible employee's compensation is made for all participants who do not specify a deferral percentage or opt out of the Plan. If a deferral election is not made, the initial deferral percentage is increased on the first day of each plan year in accordance with the following schedule:

<u>Years of Participation</u>	<u>Automatic Deferred %</u>
Year 1	3%
Year 2	4%
Year 3	5%
Year 4	6%

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the company's matching contributions, Plan gains or losses, and charged with an allocation of any administrative expenses paid by the plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the vested benefit that can be provided from the participant's accounts.

NOTE 1 – DESCRIPTION OF THE PLAN - CONTINUED

Participant Accounts – Continued

Participants are immediately 100% vested in their elective deferrals and rollover contributions, plus actual earnings thereon. Participants vest in Qualified Automatic Contribution Arrangement (QACA) safe harbor matching contributions based on year of service as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
One year	0%
Two years or more	100%

Participants vest in discretionary matching contributions and discretionary profit-sharing contributions based on years of service as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Contributions

Upon meeting the eligibility requirements, participants may contribute a minimum of 1 percent of their compensation, as defined by the Plan, by means of payroll deductions on a pre-tax or Roth basis. Contributions are subject to certain discrimination tests prescribed by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. These catch-up contributions are subject to certain statutory limitations.

Sponsor Contributions

Each year the Plan Sponsor may make discretionary matching contributions and discretionary profit-sharing contributions to participants who have met plan eligibility requirements. The Plan Sponsor elected not to make any profit-sharing contributions for the plan years ended December 31, 2022 and 2021. The Plan Sponsor also elected not to make any discretionary matching contributions for the plan years ended December 31, 2022 and 2021.

The Plan Sponsor made QACA safe harbor matching contributions using the following matching rates for the plan years ended December 31, 2022 and 2021.

NOTE 1 – DESCRIPTION OF THE PLAN – CONTINUED

Sponsor Contributions – Continued

Participant Elective <u>Deferral</u>	Sponsor Matching <u>Contribution</u>
1%	1%
2%	1.5%
3%	2%
4%	2.5%
5%	3%
6%	3.5%
>6%	3.5%

Investment Options

Upon enrollment in the Plan, participants direct the investment of their contributions and Company contributions into various investment options offered by the Plan. The Plan currently offers variable investment funds for participants.

Payment of Benefits

Upon termination of service, death, disability, or retirement, participants may elect to receive a lump-sum amount equal to the vested value of their account or may transfer the vested value of their account to another retirement investment vehicle. If the participant does not initiate a withdrawal and the value of their vested account is less than \$1,000, the vested balance is distributed to the participant, regardless of consent. If the participant's vested account balance is between \$1,000 and \$5,000, the participant must withdraw the vested balance from the Plan or the Plan Sponsor will roll it to an individual retirement account. Participants with vested account balances greater than \$5,000 may delay distributions until required by law to receive required minimum distributions. Hardship withdrawals are permitted for certain situations.

Notes Receivable from Participants

Participant loans are not permitted from the Plan.

Participant Investment Rollovers

Participants are allowed to transfer or rollover funds into the Plan from other qualified plans.

Forfeited Accounts

Forfeited accounts are used to offset the employer's contribution. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$0 and \$141, respectively. Employer contributions were reduced by \$3,426 and \$3,201 for the years ended December 31, 2022 and 2021.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Investment held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would normally receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Accounting Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of certain assets and liabilities and changes therein, disclosure of contingent assets and liabilities. Accordingly, the actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company. See Note 4 for discussion of fair value measurements.

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expense charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of net appreciation in fair value of investments.

Contributions

Contributions from employees are recorded as they are withheld from the participant's wages.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as accounts payable, with a corresponding reduction to contributions. There were no excess contributions for the years ended December 31, 2022 and 2021.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the company. Expenses that are paid by the Company are excluded from these financial statements. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

NOTE 3 – INVESTMENTS (UNAUDITED)

The Plan's investments were held in trust and administered by the trustee, Ascensus Trust Company for the years ended December 31, 2022 and 2021. All investment information disclosed in the accompanying financial statements and supplemental schedules, including investments held and net appreciation (depreciation) in fair value of investments and interest and dividends, were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the trustee.

NOTE 4 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

NOTE 4 - FAIR VALUE MEASUREMENTS – CONTINUED

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value for investment options offered by Ascensus Trust Company. The level classifications and descriptions discussed below are based on the judgment of Ascensus Trust Company. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

Mutual Funds: Valued at the net asset value (NAV) of shares held by the plan at year end and are classified in Level 2 of the fair value hierarchy.

These funds are considered open-end mutual funds, meaning that the fund is ready to redeem its shares at any time and offers its shares for sale to the public, either through retail outlets or through institutional investors continuously. For institutional funds, NAV's are received daily from fund managers, and the managers stand ready to transact at these quoted amounts. The custodian transacts in these funds on a daily basis.

Money Market Funds: Classified in Level 1 of the fair value hierarchy as fair value is based on quoted prices in active markets for identical securities.

NOTE 4 - FAIR VALUE MEASUREMENTS – CONTINUED

The following table presents the financial instruments carried at fair value as of December 31, 2022 and 2021:

	Assets at Fair Value			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
December 31, 2022				
Mutual funds	\$ -	\$ 8,355,973	\$ -	\$ 8,355,973
Money market funds	<u>685,462</u>	<u>-</u>	<u>-</u>	<u>685,462</u>
Total assets at fair value	<u>\$ 685,462</u>	<u>\$ 8,355,973</u>	<u>\$ -</u>	<u>\$ 9,041,435</u>
December 31, 2021				
Mutual funds	\$ -	\$ 9,873,893	\$ -	\$ 9,873,893
Money market funds	<u>402,728</u>	<u>-</u>	<u>-</u>	<u>402,728</u>
Total assets at fair value	<u>\$ 402,728</u>	<u>\$ 9,873,893</u>	<u>\$ -</u>	<u>\$10,276,621</u>

Gains and losses (realized and unrealized) included in changes in net assets for the period above are reported in net appreciation (depreciation) in fair value of investments in the Statement of Changes in Net Assets Available for Benefits.

NOTE 5 – RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Ascensus Trust Company, the trustee of the Plan and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services were included as a reduction of the return earned on each fund. Certain administrative fees related to the administration of the Plan were paid by the Plan or by the Company. These transactions qualify as party-in-interest transactions.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 7 – INCOME TAX STATUS

The Company has adopted a prototype non-standardized plan pre-approved by the IRS. The IRS issued an opinion letter dated June 30, 2020, that the prototype non-standardized plan is acceptable with the applicable section of the IRC. Although the Plan has been amended since receiving the opinion letter, the Company and the Plan administrator believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC and the Plan and related trust continue to be tax-exempt.

Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of American require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of the change in net assets available for benefits per the financial statements for the years ended December 31, 2022 and 2021 to net income per Form 5500:

	2022	2021
Net increase (decrease) in assets available for benefits per the financial statements	\$ 368,517	\$ 345,288
Prior year forfeitures used to fund matching contributions	-	5,741
Self-correcting contribution adjustment	<u>-</u>	<u>575</u>
Net income per Form 5500	<u>\$ 368,517</u>	<u>\$ 351,604</u>

NOTE 10 - SECURE ACT 2.0

On December 29, 2022, the Consolidated Appropriations Act of 2023 was signed into law, which includes the package of retirement provisions referred to as “SECURE 2.0.” These provisions continue the themes and reforms that began with the 2019 SECURE Act, focusing on getting participants into the retirement system and finding ways for them to accumulate more assets. These changes have various effective dates starting 2023 and forward. Since the provisions include both required and optional elements, the Plan administrator will determine the optional provisions to elect. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan’s 2022 financial statements.

NOTE 11 – SUBSEQUENT EVENTS

The Plan did not have any subsequent events through October 5, 2023, which is the date the financial statements were available to be issued, requiring recording or disclosure in the financial statements for the year ended December 31, 2022.
