## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator  
AssuredPartners 401(k) Plan  
Orlando, Florida

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of AssuredPartners 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### *Basis for Opinion*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### *Auditor's Responsibilities for the Audit of the Financial Statements*

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

*Other Matter — Supplemental Schedules Required by ERISA*

The supplemental schedules, Form 5500 Schedule H Line 4a - Schedule of Delinquent Participant Contributions, and Form 5500 Schedule H Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### 1. **Summary Plan Description:**

The following description of the AssuredPartners 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

##### *General*

The Plan is a defined contribution plan covering all employees of AssuredPartners, Inc. (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan was restated effective April 1, 2022, to comply with Internal Revenue Service restatement requirements. The restatement of the Plan incorporated all prior Plan amendments.

##### *Eligibility*

An employee is eligible to participate in the Plan on the first entry date following the attainment of age 21 and the completion of one month of service. The Plan allows for entry into the Plan on the first day of each month.

##### *Contributions*

Each year participants may elect to contribute up to 90% of their annual compensation, as defined by the Plan up to the maximum allowable under the Internal Revenue Code. The Company determines its matching contribution on an annual basis. For the years ended December 31, 2022 and 2021, the Company made a matching contribution of 50% of the first 6% of annual compensation that a participant contributed to the Plan.

##### *Participant Accounts*

Each participant's account is credited with the participant's contributions, allocations of Company matching contributions, and Plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings and account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investment of their account balances into various investment options offered by the Plan.

##### *Investment Options*

The Plan permits every participant to direct their investments under the Plan. The Plan offers mutual funds, pooled separate accounts and common collective trusts as the primary investment options.

The Plan also allows participants to invest in the Principal Self-Directed Brokerage Account. If elected, a participant-directed brokerage account allows a participant to direct the investment of the participant's contributions to the Plan into a full range of investment options, including publicly traded stocks and bonds, as well as over 800 mutual funds.

**1. Summary Plan Description (Continued):**

*Notes Receivable from Participants*

Participants may borrow from their fund accounts a minimum of \$1,000 up to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and must be repaid in level payments through payroll deductions over a five-year period, except for loans for the purchase of a principal residence which may be repaid over a reasonable period of time that may be longer than five years. The loans bear interest at the prime rate, as published by the Wall Street Journal, plus one percentage point, and interest rates on loans currently range from 3.25% to 9.25%.

*Vesting*

Participants are immediately vested in their voluntary contributions plus actual earnings thereon and rollover contributions. Participants have a right to a percentage of their account resulting from employer contributions. Participants' vesting percentage will be 100% once retirement age is reached, upon death, or upon the date a participant becomes totally disabled. Before that date, the schedule below determines a participants' vesting percentage:

| <u>Years of Service</u> | <u>Vesting Percentage</u> |
|-------------------------|---------------------------|
| 1 year                  | 20%                       |
| 2 but less than 3       | 40%                       |
| 3 but less than 4       | 60%                       |
| 4 but less than 5       | 80%                       |
| 5 or more               | 100%                      |

*Payment of Benefits*

After termination of employment, if a vested account balance does not exceed \$5,000, a distribution will be made in a lump sum. If the vested balance exceeds \$5,000 the participant must elect how to receive benefits.

Upon attainment of age 59½, participants may withdraw funds from their account in the form of lump sum distributions or flexible installment distributions based on an amount and frequency chosen by the participant for a period of up to nine years.

Prior to a participants' retirement, death, disability, separation from service or attainment of age 59½, participants may receive a lump sum withdrawal from their account, provided that such withdrawal is due to a hardship (necessary in light of immediate and heavy financial needs).

*Forfeited Accounts*

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$920,866 and \$103,933, respectively. These forfeited non-vested accounts may be used to reduce employer contributions and to pay Plan expenses.

During 2022 and 2021, Company contributions were reduced by \$94,734 and \$37,897, respectively, from forfeited non-vested accounts. Also, during 2022 and 2021, Plan expenses of \$460 and \$744,667 respectively, were paid from forfeited non-vested accounts.

**2. Summary of Accounting Policies:**

*Basis of Accounting*

The accompanying financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

*Use of Estimates*

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets and changes therein. Actual results could differ from those estimates.

*Investment Valuation and Income Recognition*

Cash and cash equivalents are recorded at cost, which approximates fair value. Certain investments of the Plan are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). See Note 3 for a discussion of fair value measurement. Investments in fully benefit-responsive investment contracts are reported at contract value which is the relevant measure because this is the amount received by participants if they were to initiate permitted transactions under the terms of the contract.

Purchases and sales of the investments within the Plan are reflected on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

*Plan Expenses*

Investment management fees are deducted from investment income and allocated to participants based on a percentage of the net asset value of a participant's account balance.

For Plan years 2022 and 2021, the Plan paid fees for administrative expenses, including recordkeeping, reporting, compliance services, and financial professional services, totaling \$506,606 and \$751,514 respectively. These fees were allocated to participants proportionally based on a participant's account balance.

For Plan years 2022 and 2021, participant transaction fees of \$124,757 and \$136,968, respectively, were charged directly to participant accounts related to distributions, hardship withdrawals, loan setup, and qualified domestic relations orders, and for transactions within the self-directed brokerage account.

Certain other expenses to maintain the Plan were paid by the Company.

*Payment of Benefits*

Benefits are recorded when paid.

**2. Summary of Accounting Policies (Continued):**

*Notes Receivable from Participants*

Notes receivable from participants are valued at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans, if any, are reclassified as distributions to participants based upon the terms of the Plan document.

*Risks and Uncertainties*

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risk in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

**3. Fair Value Measurements:**

Financial Accounting Standards Board Statement of Accounting Standards Codification Topic 820 (ASC 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly.

Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

In many cases, a valuation technique used to measure fair value includes inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy. The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments apply to investments held directly by the Plan.

**AssuredPartners 401(k) Plan**  
Notes to Financial Statements

---

**3. Fair Value Measurements (Continued):**

*Mutual funds:* The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

*Self-directed brokerage accounts:* The self-directed brokerage accounts are valued based on the fair value of the underlying investments. The underlying investments are carried at fair value based on quoted market prices.

*Pooled separate account:* The pooled separate account invests in a single mutual fund. The value of the units held in the pooled separate account is based on the net asset value (“NAV”) of the units, determined by the security prices of the underlying investments which is readily available to current investors.

*Common/collective trusts:* Stated at fair value as determined by the issuers of the funds on the fair market value of the underlying investments, which is valued at net asset value (NAV) as a practical expedient to estimate fair value. The practical expedient would not be used if it is determined to be probable that the funds will sell the investment for an amount different from the reported NAV.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan investment assets at fair value as of December 31, 2022 and 2021:

| <i>December 31,</i>                          | Fair Value |                |                |
|----------------------------------------------|------------|----------------|----------------|
|                                              | Level      | 2022           | 2021           |
| Mutual funds                                 | 1          | \$ 60,541,490  | \$ 138,303,788 |
| Self-directed brokerage account              | 1          | 8,132,544      | 8,550,616      |
| Pooled separate account                      | 1          | 8,582,885      | 10,886,293     |
| Total                                        |            | 77,256,919     | 157,740,697    |
| Common collective trusts measured at NAV (a) |            | 601,255,330    | 618,360,124    |
| Total investments at fair value              |            | \$ 678,512,249 | \$ 776,100,821 |

(a) In accordance with ASC Subtopic 820-10, investments that were measured at net asset value have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line-item Investments at fair value, in the Statement of Net Assets Available for Benefits.

**4. Fully Benefit Responsive Contract:**

During 2022 and 2021, the Plan held an interest in the New York Life Anchor Account (the Anchor Account), a stable value fund that is a pooled account with New York Life Insurance Company (New York Life), made available to participating plans through a group annuity contract. New York Life is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

AssuredPartners 401(k) Plan  
Notes to Financial Statements

---

**4. Fully Benefit Responsive Contract (Continued):**

The Anchor Account is a fully benefit-responsive investment contract and is reported at contract value. Benefit responsiveness is defined as the extent to which a contract's terms permit participant-initiated withdrawals at contract value. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals and administrative expenses. Generally, participants may direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. Certain events limit the ability of the Plan to transact at contract value however the occurrence of any such events is not considered probable.

**5. Information Certified by the Plan Trustee:**

The following investments included in the statements of net assets available for benefits as of December 31, 2022 and 2021 and the interest, dividends, and net appreciation in fair value of investments included in the statement of changes in net assets available for benefits for the years then ended, have been derived from information certified as complete and accurate by Principal Trust Company, the trustee at December 31, 2022 and 2021, in accordance with 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related financial statements and supplemental schedules.

**6. Related Party Transactions:**

Certain Plan investments were managed by Principal Life Insurance Company (Principal) during 2022 and 2021 and therefore transactions with Principal have been identified as party-in-interest transactions. Substantially all Plan expenses were paid to Principal during 2022 and 2021.

Notes to Financial Statements

---

**7. Plan Termination:**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants become 100 percent vested in their accounts.

**8. Tax Status:**

The Plan operates under a Principal Volume Submitter Profit Sharing Plan. The submitter plan received a favorable opinion letter from the Internal Revenue Service on June, 30, 2020 which stated the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Management has evaluated the Plan's tax positions and concluded that the Plan has taken no uncertain tax positions that require recognition of liability (or asset) in the accompanying financial statements. With few exceptions, the Plan is no longer subject to income tax examination by the U.S. federal, state or local tax authorities for years before 2019.

**9. Reconciliation of Financial Statements to Form 5500:**

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2022 and 2021:

| Net (decrease) increase per the financial statements | <u>\$ (82,914,920)</u> | <u>\$ 135,468,708</u> |

**10. Acquisitions:**

As a result of certain Company acquisitions, the Plan received \$42,910,980 and \$43,559,957 in rollover contributions during the years ended December 31, 2022 and 2021, respectively. Also due to acquisitions, the Plan received \$233,303 and \$263,526 in loan transfers from other plans during the years ended December 31, 2022 and 2021, respectively. New employees from acquisitions were offered an opportunity to become participants in the Plan with an effective date as defined in the terms of the respective acquisition.

**AssuredPartners 401(k) Plan**

**11. Nonexempt Transactions:**

During the Plan year ended December 31, 2022 employee deferrals of \$13,747 were not remitted to the Plan within the appropriate time frame specified by the Department of Labor, which were corrected under the Voluntary Fiduciary Correction Program (VFCP) during the year ended December 31, 2022. During the Plan year ended December 31, 2021 employee deferrals of \$1,732 were not remitted to the Plan within the appropriate time frame specified by the Department of Labor, of which \$1,618 was fully corrected under the VFCP during the year ended 2022.

Late remittances constitute nonexempt transactions between the Plan and the Company and are included in the accompanying supplemental Schedule H, Line 4a – Schedule of Delinquent Participant Contributions.

**12. Recent Legislation:**

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains approximately 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the Plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2022 financial statements.

**13. Subsequent Events:**

Effective May 1, 2023, Empower Trust Company, LLC became the custodian and third-party administrator of the Plan, succeeding Principal Trust Company, and the Plan transferred all assets of approximately \$773 million to Empower Trust Company, LLC.

Management has evaluated subsequent events through October 11, 2023, the date the financial statements were available to be filed, and has determined that, other than the item discussed above, there were no material events requiring recognition or disclosure.
