INDEPENDENT AUDITOR'S REPORT

To the Administrator of the
Thrive PEO 401(k) Plan
Tulsa, Oklahoma

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of Thrive PEO 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 Thrive PEO 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Thrive PEO 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Thrive PEO 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Thrive PEO 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Thrive PEO 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2022 financial

statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THRIVE PEO 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2022 and 2021

NOTE 1 - Description of the Plan

The following description of the Thrive PEO 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution 401(k) plan established February 20, 2020 and is a multiple employer plan with 18 participating employers as of December 31, 2022. Each employer has its own executed adoption agreement. The Plan Administrator maintains all necessary employment records and determines participant eligibility. The Plan is subject to the provisions of the Employee Retirement Security Act of 1974 (ERISA), as amended, and Section 401(k) of the Internal Revenue Code ("IRC"). The trustee of the Plan is Transamerica Financial Life Insurance Company.

Eligibility - The Plan allows each participating employer to choose eligibility options for participants who have fulfilled the age requirement, which ranges from 18 to 21 years of age or no age minimum age requirement, based on the adoption agreement.

The service requirement per the adoption agreements ranges from immediate participation to one year of service.

Contributions - Participants may contribute a percentage of their earnings to the Plan based on the employer adoption agreements. The percentages range from up to 90 percent to 100 percent of their earnings. They may choose to do this as either a pre-tax deferral, a Roth deferral, or a combination of both. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make rollover contributions representing distributions from other qualified plans. Participating employers may elect to make 401(k) safe harbor, discretionary matching, and discretionary profit-sharing contributions in accordance with the provisions of each Plan agreement. Participating employers' contributions are invested pursuant to the participant's investment elections. Contributions are subject to certain IRC limitations.

Participant Accounts - Each participant's account is credited with the participant's contributions and allocations of the participating employer's contribution, if applicable, and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their contributions, 401(k) safe harbor contributions, and related earnings thereon. Vesting in discretionary employer contributions and related earnings thereon are based on the following options:

- Immediate
- 100% after two years
- 100% after three years
- 100% after five years
- 100% after six years

THRIVE PEO 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) December 31, 2022 and 2021

NOTE 1 - Description of the Plan (Continued)

Vesting (Continued) - In addition, a participant becomes 100 percent vested upon death, disability, or attainment of retirement age, which ranges from 60 to 65 based on the employer adoption agreement.

Investment Options - Upon enrollment in the Plan, a participant may direct contributions in one percent increments in any of the Plan's 31 investment options. Participants may change their investment options at any time. These options consist of an insurance contract and pooled separate accounts that vary in their respective strategies, risks, and goals.

Notes Receivable from Participants - The Plan allows participants to borrow up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans must be repaid within five years, except for loans used to purchase the participant's principal residence. The loan is collateralized by the balance in the participant's account and bears interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid through payroll deductions.

Payment of Benefits - After separation from service due to termination, death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, a partial distribution, or a series of annual installments. While employed, a participant may make in-service and hardship withdrawals in accordance with the Plan's provisions.

Distribution of the vested portion of a participant's account shall be made upon termination of employment. The vested portion of the account is payable to the participant or the beneficiary. If the vested portion of the account is less than \$5,000, the administrator has the option of a distribution without the participant's consent. If the vested portion of the participant's account exceeds \$5,000, a distribution before normal retirement age can only be made with the participant's consent. The non-vested portion of a participant's account shall be forfeited and used to pay Plan expenses.

Forfeitures - Forfeitures were \$24,390 in 2022. No forfeitures were used to pay plan expenses by in 2022. The value of forfeited non-vested accounts totaled \$34,459 at December 31, 2022 and \$10,387 at December 31, 2021.

SECURE Act and CARES Act - The Plan has implemented certain provisions of the SECURE Act, which was effective January 1, 2020, and the CARES Act, which was signed into law in March 2020. The Plan has until December 31, 2025 to adopt amendments to reflect these provisions.

THRIVE PEO 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) December 31, 2022 and 2021

NOTE 2 - Significant Accounting Policies

Basis of Accounting - The financial statements of the Plan were prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are stated at fair value, except for a fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions - Contributions to the Plan from employees and from the participating employers, as defined in the plan, are recorded on an accrual basis.

Notes Receivable from Participants - Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. If a participant ceases to make loan repayments and the plan administrator deems the loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - The Plan's administrative expenses are primarily paid by the Plan sponsor and participating employers and are excluded from these financial statements. Fees for the administration of notes receivable from participants and processing of benefit payments are charged directly to the participant's account and are included in administrative expenses. Administrative expenses also include fees for professional services provided to the Plan. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Subsequent Events - Management has evaluated events and transactions through October 5, 2023, the date the financial statements were available to be issued.

THRIVE PEO 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) December 31, 2022 and 2021

NOTE 3 - Fair Value Measurements

The following table sets forth by level within the fair value hierarchy the Plan's assets at fair value as of December 31, 2022 and 2021:

	<u>December 31, 2022</u>	
	<u>Level 1</u>	<u>Total</u>
Pooled separate accounts	<u>\$ 13,618,795</u>	<u>\$ 13,618,795</u>
	<u>December 31, 2021</u>	
	<u>Level 1</u>	<u>Total</u>
Pooled separate accounts	<u>\$ 6,677,929</u>	<u>\$ 6,677,929</u>

The Plan's investments are reported at fair value in the statements of net assets available for benefits, except for a fully benefit-responsive investment contract, which is reported at contract value. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels which are described below. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

Level 1 Fair Value Measurements

Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

The fair value of money market and mutual funds is based on quoted net asset values of the shares held by the Plan at year end. The fair value of common stock is based on the closing price reported on the active market where the individual securities are traded.

THRIVE PEO 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) December 31, 2022 and 2021

NOTE 3 - Fair Value Measurements (Continued)

Level 2 Fair Value Measurements

Level 2 inputs consist of quoted prices for similar assets in active and inactive markets and other observable corroborated market data. Level 2 inputs were only used when Level 1 inputs were not available. This includes, but is not limited to, quoted prices for similar assets or liabilities in markets that are not active. There are no Level 2 assets.

Level 3 Fair Value Measurements

Level 3 assets have the lowest priority. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. The Level 3 fair value measurement is based on other unobservable inputs. There are no Level 3 assets.

Gains and losses included in statement of changes in net assets available for benefits for the year ended December 31, 2022 are reported in net appreciation (depreciation) in fair value of assets.

NOTE 4 - Investments

The Plan's investments include the Transamerica Stable Value Core Account, which is considered a fully benefit-responsive investment contract offered by Transamerica Financial Life Insurance Company (Transamerica). Transamerica maintains the contributions in a general account. The account is credited with actual earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

Because the contract is fully benefit-responsive, contract value is the relevant measurement attribute. The contract is included in the respective statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by Transamerica, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise.

There are no events that allow Transamerica to terminate the contract and which require the Plan to settle at an amount different than contract value, and generally there are no events that could limit the ability of the Plan to transact at contract value.

NOTES TO FINANCIAL STATEMENTS (CONTINUED) December 31, 2022 and 2021

NOTE 5 - Net Change in Fair Value of Investments

The Plan's investments, including gains and losses on investments bought and sold, as well as held during the year, depreciated in value by \$1,246,694 in 2022.

NOTE 6 - Information Certified by Trustee

The financial statements, accompanying notes, and Schedule of Assets (Held at End of Year) were prepared in part from information certified by Transamerica Financial Life Insurance Company, the trustee, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). The information certified includes: investments, notes receivable from participants, investment income, and participant loan interest.

NOTE 7 - Parties-in-Interest Transactions

Plan investments include pooled separate accounts and an unallocated insurance contract managed by entities related to Transamerica Financial Life Insurance Company, the Plan's trustee. Therefore, these investments qualify as party-in-interest transactions. In addition, Transamerica Retirement Solutions provides recordkeeping services to the Plan and would be considered a party-in-interest. The employers participating in the Plan are considered parties-in-interest. The administrative expenses paid by the Plan include plan administration and investment advisory services, and the service providers are considered parties-in-interest.

NOTE 8 - Plan Termination

Although it has not expressed any intent to do so, the sponsor has the right under the Plan agreement to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions and the administrator shall direct the Plan trustee to distribute to the participants all assets of the Plan, net of any expenses chargeable to the Plan, which will be prorated among the participants accounts.

NOTE 9 - Trust Agreement

Transamerica Financial Life Insurance Company is the trustee of the Plan. In accordance with the powers and duties of the trustee as designated in the trust agreement, the trustee invests the Plan's assets and the income therefrom for the benefit of the Plan participants. At the employers' discretion, trustee fees may be paid from the Plan's assets.

NOTES TO FINANCIAL STATEMENTS (CONTINUED) December 31, 2022 and 2021

NOTE 10 - Tax Status

The Plan is a prototype plan sponsored by Nova 401(k) Associates, Inc. The Internal Revenue Service has determined and informed the plan sponsor, by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan administrator has concluded that as of December 31, 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. There are currently no audits in progress for any tax periods. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE 11 - Risks and Uncertainties

The Plan provides for various investment options whose underlying investment securities include stocks, bonds, and fixed income securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 12 - Plan Transfers

During 2022, five employers elected to participate in the Plan, resulting in the transfer of assets totaling \$10,309,611 from other qualified plans into the Plan. Two employers elected to end their participation in the Plan, resulting in the transfer of assets totaling \$1,421,034 to other qualified plans.
