INDEPENDENT AUDITOR'S REPORT

To the Employee Benefit Committee of
PG&E Corporation and Participants of
PG&E Corporation Retirement Savings Plan for Union-Represented Employees

Opinion

We have audited the accompanying financial statements of the PG&E Corporation Retirement Savings Plan for Union-Represented Employees (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the PG&E Corporation Retirement Savings Plan for Union-Represented Employees as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the PG&E Corporation Retirement Savings Plan for Union-Represented Employees and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

601 MONTGOMERY, SUITE 800, SAN FRANCISCO, CA 94111, www.mahllp.com, email@mahllp.com, FAX 415 982 1111 TEL 415 981-1111

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PG&E CORPORATION
RETIREMENT SAVINGS PLAN
FOR UNION-REPRESENTED EMPLOYEES

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1: DESCRIPTION OF THE PLAN

General

The following is an overview of the PG&E Corporation Retirement Savings Plan for Union-Represented Employees ("Plan" or Union RSP). The Plan document provides a more complete description of the Plan's provisions.

The Plan is a defined contribution plan covering all union-represented employees of PG&E Corporation and all companies owned by PG&E Corporation (collectively "PG&E Corporation Group"), as designated by PG&E Corporation. The Employee Benefit Committee ("EBC") of PG&E Corporation has oversight over the administration and financial management of affiliated company employee benefit plans, including this Plan. The EBC retains Fidelity Management Trust Company as the Trustee of the Plan ("Trustee"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

The PG&E Corporation Retirement Savings Plan Master Trust ("Master Trust") holds the investment assets of both the Plan and the PG&E Corporation Retirement Savings Plan ("RSP"). The accompanying financial statements present the assets and liabilities of the Plan only.

Eligibility

In general, all union employees of participating employers within the PG&E Corporation Group are eligible to participate in the Plan, excluding independent contractors, leased employees, and individuals who have a written contract or agreement that excludes participation in the Plan.

Contributions

Participants may elect to contribute any amount in 1 percent increments from 1 to 20 percent of their eligible compensation on a pre-tax basis, on an after-tax basis, or a combination of both. Participants may also contribute amounts representing distributions from other qualified plans into the Plan. Such "rollover" contributions are not subject to federal or state income taxes until withdrawn or distributed from the Plan.

As provided by the Internal Revenue Code ("Code"), the following table provides the dollar limitations under a 401(k) retirement plan for 2022 and 2021. Section 415(d) of the Code requires the limits to be adjusted annually for cost-of-living increases.

	2022 Limits	2021 Limits
Annual compensation [1]	$305,000	$290,000
Defined contribution limits [2]	$61,000	$58,000
Elective deferral [3]	$20,500	$19,500
Catch-up contributions [4]	$6,500	$6,500

[1] Annual compensation is eligible compensation for the purposes of the Plan and is limited by the Code.

[2] All Plan contributions, including pre-tax and after-tax participant contributions and all employer contributions, may not exceed the lesser of 100 percent of the participant's eligible compensation or Code limits.

[3] Participant pre-tax contributions are considered elective deferrals and are limited by the Code.

[4] Participants age 50 and older are permitted to make additional pre-tax contributions (catch-up contributions) according to the Code.

All participants hired on or after January 1, 2013 or rehired after January 1, 2013 and originally hired prior to January 1, 2013 and who had a break in service after January 1, 2013, are eligible for 75 percent matching employer contribution of their elective employee contributions up to 8 percent of eligible compensation.

All other participating employees hired before January 1, 2013 are eligible for a matching employer contribution according to the following years of service:

Length of Service	Matching Employer Contribution
Less than 1 year of service	None
1 to 3 years of service	60 percent matching employer contributions of the participant's pre-tax and/or after-tax contributions that do not exceed 3 percent of the employee's eligible compensation
3 years of service or more	60 percent matching employer contributions of the participant's pre-tax and/or after-tax contributions that do not exceed 6 percent of the employee's eligible compensation

In December 2013, these participants were given a one-time opportunity to continue participating in the Final Average Pay Pension under the Pacific Gas and Electric Company Retirement Plan ("Retirement Plan") or elect, beginning in 2014, to participate in the Cash Balance Pension feature of the Retirement Plan. Participants who elected to participate in the Cash Balance Pension receive a 75 percent matching employer contribution of their elective employee contributions not to exceed 8 percent of eligible compensation beginning January 1, 2014.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each account is credited with the participant's elective contributions through payroll deductions, monthly employer contributions, and an allocation of the net investment gains (losses) and certain investment management fees of the Master Trust. Allocations of net investment gains (losses) and fees are based on participant account balances as defined in the Plan Document.

Vesting

Employer and participant elective contributions and their related accumulated earnings and losses are 100 percent vested at all times.

Investment Options

The EBC is responsible for the selection of the Plan's investment fund managers and the selection of the range of investment options. Neither the EBC nor any of the companies within the PG&E Corporation Group is involved in the investment funds' day-to-day investment operations. Individual participants may select from a suite of target date funds, core funds, and a self-directed brokerage account. Approximately every 5 years, a new target date fund is added to maintain a complete target date horizon. Target date funds with target retirement dates that have passed will merge into the retirement income fund. Individual participants designate the way in which their contributions are invested and may generally change their investment designation at any time. Currently, employer matching contributions are made in cash and initially invested in accordance with a participant's investment fund directions, or if no directions have been given, any such contributions will be allocated to the participant's account in the Plan's Target Date Fund with a target date closest to the participant's 65th birthday.

The Plan also contains an Employee Stock Ownership Plan. This enables the Plan to pay any dividends directly to participants when declared on the PG&E Corporation common stock held in the PG&E Corporation Stock Fund. Participants may elect to receive their dividends earned from this fund in cash, reinvest their dividends earned from this fund back into the fund, or a combination of both.

On December 20, 2017, the Boards of Directors of PG&E Corporation and the Utility suspended quarterly cash dividends on PG&E Corporation's and the Utility's common stock, beginning the fourth quarter of 2017. On June 15, 2022, the Board of Directors of the Utility reinstated the dividend on the Utility's common stock. It is uncertain as to when PG&E Corporation will commence the payment of dividends on its common stock.

In January 2019, the EBC appointed Gallagher Fiduciary Advisors, LLC ("Gallagher") to serve as an independent fiduciary and investment manager of the Plan with respect to the Plan's PG&E Corporation Stock Fund and its holdings of PG&E Corporation common stock. As an independent fiduciary, Gallagher has the sole discretionary authority with respect to the operation, including, but not limited to, any potential ongoing maintenance, suspension, freezing, or termination of the PG&E Corporation Stock Fund maintained in the Plan.

In November 2019, Gallagher imposed a limit on the percentage of a participant's account that may be invested in the PG&E Corporation Stock Fund. Pursuant to Gallagher's action, a participant may not direct his or her own contributions or employer contributions, or transfer funds from other Plan investment options, to the PG&E Corporation Stock Fund until the value of the participant's units in the fund represents less than twenty percent (20%) of the total value of the participant's Plan account. Participants are restricted from creating any new or changed deferrals into the plan with a greater than 20% allocation to the PG&E Corporation Stock Fund. Pre-existing deferrals (contributions) and transfers to the PG&E Corporation Stock Fund may be made until the value of the participant's units in the fund equals twenty percent (20%) of the participant's total account value.

Notes Receivable from Participants

Participants may borrow from their account a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of the market value of the participant's account balance. Loans for general purposes have terms ranging up to 5 years and loans for the purchase of a primary residence have terms ranging up to 15 years. The loans are secured by the balance in the participant's account and bear interest at a rate equal to the prime rate plus 1 percent, as determined by the Trustee, for the month in which the loan is requested. The rate is set when participants apply for a loan and remains fixed throughout the duration of the loan term. Principal and interest are paid primarily through payroll deductions and are returned to the participant's account. Participants pay a one-time origination fee and quarterly maintenance fees for each loan. Participants may have up to three outstanding loans at any time.

Payment of Benefits

Upon termination of service from all employers within the PG&E Corporation Group, a participant with an account balance greater than $5,000 may elect to leave the assets in the Plan, take a lump-sum or partial distribution in cash, or roll the entire or partial balance to an Individual Retirement Account ("IRA") or other tax-qualified plan. If the account balance is $1,000 or less and the participant does not make an active election to take a lump-sum cash distribution or rollover the account balance to an IRA or another tax-qualified plan, the account balance will be automatically distributed in cash (subject to applicable taxes and penalties). If the account balance is greater than $1,000 but less than $5,000 and the participant does not make an active election to take a lump-sum cash distribution or rollover the account balance to an IRA or another tax-qualified plan, the distribution will be automatically rolled over to a Fidelity IRA and invested in the Fidelity Cash Reserve Fund. In the event of a participant's death, the participant's beneficiaries will receive the value of the participant's account balance in a lump-sum payment or may roll the Plan balance over directly into an inherited IRA.

As previously disclosed, the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act) increased the required minimum distribution (RMD) age from 70 1/2 to 72. In December 2022, SECURE Act 2.0 was enacted and increased the RMD age to 73 effective 2023 and as late as 75 effective 2033. Additionally, hardship withdrawals and certain in-service withdrawals are permitted subject to Plan provisions.

Administrative Expenses

Certain costs of administering the Plan, including recordkeeping fees and certain expenses of the Trustee, are paid by the participating companies of the PG&E Corporation Group. Investment management fees, used to cover the expenses related to running an investment fund, are paid by participants and are netted against investment returns. Expenses associated with the individual participant brokerage accounts and professional financial advisory services are paid by the participants enrolled in these services. Loan origination and maintenance fees are also paid by participants.

Voting Rights

Each participant is entitled to exercise voting rights based on the equivalent number of PG&E Corporation Stock Fund shares allocated to the participant's account. Each participant is notified by the Trustee prior to the time that such rights are to be exercised. The Trustee is not permitted to exercise voting rights for any share without instructions from the participant. However, the Trustee is required to vote any unallocated shares on behalf of the collective best interest of the Plan participants and beneficiaries.

Plan Termination

PG&E Corporation, acting through the Board of Directors or any duly authorized Committee of the Board, reserves the right to amend, freeze or terminate the Plan at any time subject to the provisions of ERISA. In the event the Plan is terminated, net assets of the Plan will be distributed to participants. Participants will receive full payment of the balance in their accounts.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles ("GAAP").

Use of Estimates

The preparation of financial statements, in conformity with GAAP, requires Plan management to make estimates and assumptions. These estimates and assumptions affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingencies. Actual results could differ from these estimates.

Fair Value Measurements

The Plan's management determines the fair value of certain assets and liabilities based on assumptions that market participants would use in pricing the assets or liabilities. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, or the "exit price." The Plan's management utilizes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value and give precedence to observable inputs in determining fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Assets and liabilities are classified based on the lowest level of input that is significant to the fair value measurement.

Investment Valuation and Income Recognition

A participant's interest in the investment funds is represented by participation units allocated on the basis of contributions and assigned a unit value on the basis of the total value of each fund.

Interest income, dividends, investment management fees where appropriate, and the net appreciation or depreciation in the fair value of the investments held by the Plan are allocated to the participant's account each day based upon the account's proportional share of the fund balance.

Interest income is recognized as it is earned. Dividends are recorded on the ex-dividend date, the date before which a participant must hold the underlying investment in order to be entitled to dividends. Net appreciation or depreciation in the fair value of the Plan's investments consists of: (1) the net change in unrealized appreciation or depreciation on investments held during the year, and (2) the realized gain or loss recognized on the sale of investments during the year.

Purchases and sales of securities are recorded on a trade date basis. Realized gains and losses from security transactions are reported on the average cost basis.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions upon default.

Derivative Investments

Subject to certain guidelines, the EBC allows the plan investment managers to use derivative instruments to achieve investment objectives. During the years ended December 31, 2022 and 2021, the Plan and the Master Trust held no direct investments in derivative instruments.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

NOTE 3: MASTER TRUST INVESTMENTS

The Plan's investment funds are managed by the Trustee or an investment manager, who has discretionary investment authority over the funds. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits. The following tables present the Master Trust net assets and the Plan's interest in the Master Trust net assets as of December 31, 2022 and 2021:

	2022

NOTE 4: FAIR VALUE MEASUREMENTS

The Master Trust measures certain assets at fair value. A three-tier fair value hierarchy is established as a basis for considering fair value assumptions and for inputs used in the valuation methodologies in measuring fair value:

Level 1 – Observable inputs that reflect quoted prices (unadjusted) for identical assets or liabilities in active markets.

Level 2 – Other inputs that are directly or indirectly observable in the marketplace.

Level 3 – Unobservable inputs which are supported by little or no market activities.

The fair value hierarchy requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. Investments measured at fair value on a recurring basis for the Master Trust are summarized below.

	Fair Value Measurements as of December 31, 2022		
(in thousands)	**Level 1**	**Level 2**	**Total**
Master Trust investments:			
Brokerage Link Account	$ 730,265	$ —	$ 730,265
Money Market Fund	464,603	—	464,603
PG&E Corporation Stock Fund	401,748	—	401,748

Fixed Income Funds	—	762,333	762,333
Target Date Funds measured at NAV	—	—	1,859,332
Total Master Trust investments, at fair value	**$ 1,596,616**	**$ 3,701,654**	**$ 7,157,602**

	Fair Value Measurements as of December 31, 2021		
(in thousands)	**Level 1**	**Level 2**	**Total**
Master Trust investments:			
Brokerage Link Account	$ 923,329	$ —	$ 923,329
Money Market Fund	437,336	—	437,336
PG&E Corporation Stock Fund	328,021	—	328,021
Equity Funds	—	3,731,826	3,731,826
Fixed Income Funds	—	929,030	929,030
Target Date Funds measured at NAV	—	—	2,158,864
Total Master Trust investments, at fair value	**$ 1,688,686**	**$ 4,660,856**	**$ 8,508,406**

The fair value measurements incorporate various factors, such as the credit standing of the counterparties involved, the applicable exit market, and specific risks inherent in the financial instrument. As of December 31, 2022 and 2021, the following is a description of the valuation methodologies used for the financial instruments at fair value:

- Mutual funds offered to participants either through the brokerage link account or as direct investment options are valued based on unadjusted prices in active markets for identical transactions. The PG&E Corporation stock fund invests in PG&E stock. These investments are actively traded on a public exchange and are therefore considered Level 1 assets.

- The money market fund is a commingled fund of U.S. government short-term securities that are valued using unadjusted prices in an active market for identical assets and are therefore considered Level 1 assets.

- The equity funds and fixed income funds are stated at estimated fair value as determined by the issuer based on the unit values of the funds. Unit values are determined by dividing the fund's net assets, which represent the unadjusted prices in active markets of the underlying investments, by the number of units outstanding at the valuation date. Equity funds and fixed income funds are maintained by investment companies for large institutional investors and are not publicly traded. They are comprised primarily of underlying securities represented by a variety of asset classes that are publicly traded on exchanges or over-the-counter, and price quotes for the assets held by these funds are readily observable and available. As of December 31, 2022 and 2021, equity funds and fixed income funds are categorized as Level 2 assets.

Equity funds, and fixed income funds are reported using net asset value as an estimate of fair value. The equity funds invest in common stock and securities convertible into common stock from companies of various sizes and geography, with each fund seeking to match the performance of a specified index. The fixed income funds invest in diversified portfolios of bonds, with each fund seeking to match the performance of a specified index. Each of these funds is able to be purchased or redeemed daily based on the unit value determined on the respective transaction date. These funds have no unfunded commitments, required notice period for redemption, or other redemption restriction.

Investments Measured at Net Asset Value (NAV)

In accordance with FASB ASU No. 2015-07, *Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities that Calculate Net Asset Value per Share (or Its Equivalent)*, investments that are measured at fair value using the NAV per share practical expedient have not been classified in the fair value hierarchy table above. The fair value amounts are included in the table above in order to reconcile to the amounts presented in the Statement of Net Assets Available for Benefits. These investments include the target date funds. There are no restrictions on the terms and conditions upon which the investments may be redeemed.

Transfers Between Levels

There were no transfers between levels for the years ended December 31, 2022 and 2021. However, certain investments were moved from the fair value hierarchy to net asset value and from net asset value to the fair value hierarchy based on re-evaluation of the underlying assets.

Level 3 Rollforward

There were no assets classified as Level 3 in the fair value hierarchy for the years ended December 31, 2022 and 2021.

NOTE 5: RELATED PARTY TRANSACTIONS

Certain Plan investments, including investments held in the Master Trust, are shares of funds managed by the Trustee. The Plan also invests in PG&E Corporation common stock. These transactions qualify as party-in-interest transactions under ERISA.

The party-in-interest transactions for the Plan are comprised of the following investments:

	As of December 31,	
(in thousands)	**2022**	**2021**
PG&E Corporation Stock Fund	$ 251,898	$ 206,626
Fidelity fund	199,006	202,058
Total party-in-interest investments	**$ 450,904**	**$ 408,684**

NOTE 6: FEDERAL INCOME TAX STATUS

The Plan has received a determination letter from the IRS dated January 22, 2016, stating that the Plan is qualified under Section 401(a) and Section 401(k) of the Code, and therefore the related trust is exempt from taxation. Although the Plan has been amended since receiving the determination letter, PG&E Corporation believes that the Plan is designed and continues to operate in accordance with the applicable requirements of the Code and no provision for federal income taxes has been recorded in the Plan's financial statements. Furthermore, participating employees are not liable for federal income tax on amounts allocated to their accounts attributable to: (1) pre-tax participant contributions, (2) reinvested dividends, earnings, and interest income on either pre-tax and after-tax contributions, or (3) employer contributions, until the time that they withdraw such amounts from the Plan.

NOTE 7: SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through [June XX, 2023], the date the financial statements were available to be issued and noted no subsequent events which would have an impact on the Statements of Net Assets Available for Benefits and the related Statements of Changes in Net Assets Available for Benefits or require disclosure in the notes to financial statements.
