Report of Independent Auditors

The Plan Administrator
News Corp 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of News Corp 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes (collectively referred to as the financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

A member firm of Ernst & Young Global Limited

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a

A member firm of Ernst & Young Global Limited

material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, (referred to as the supplemental schedule), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

News Corp 401(k) Savings Plan

Notes to Financial Statements

December 31, 2022

1. Description of Plan

The following description of the News Corp 401(k) Savings Plan (the Plan) provides general information about the Plan's provisions. The Plan was amended and restated in its entirety, effective January 1, 2022. The Plan is intended to qualify as a profit sharing plan under Code Section 401(a), and includes a cash or deferred arrangement that is intended to qualify under Code Section 401(k). The Plan is maintained for the exclusive benefit of eligible employees and their beneficiaries, as defined by the Plan. Participants should refer to the plan document and summary plan description for a more complete description of the Plan's provisions, copies of which may be obtained from the Plan Sponsor.

General

The Plan is a defined contribution plan and meets the requirements of Section 401(k) of the Internal Revenue Code of 1986, as amended (the Code), which permits employees to exclude contributions to the Plan from their current taxable income, subject to certain limits. The Plan is sponsored by NC Transaction, Inc. (the Company or the Plan Sponsor). It is subject to the regulations of the Employee Retirement Income Security Act of 1974, as amended (ERISA), and the Code.

Assets Held in Trust

The Plan's investments are held in trust with Fidelity Management Trust Company (Fidelity or Trustee). Among other duties, Fidelity is responsible for the custody, recordkeeping and investing of Plan assets and for the payment of benefits to eligible participants. All contributions are invested by the Trustee as designated by the Plan participants.

401(k) Eligibility for all but New York Post Union Employees

All full-time employees, with the exception of New York Post Union employees, are eligible for Plan participation immediately upon their date of hire. Part-time Dow Jones employees may enroll in the Plan on the first day of the month after completing 500 hours and six months of employment; all other part-time employees may enter the Plan on the first day of the month following the completion of 1,000 hours of service within 12 months of employment. Participants can elect within the applicable timeframe not to enroll in the Plan.

1. Description of Plan (continued)

New York Post Union Eligibility

Except for employees of the Newspaper and Mail Deliverers Union of New York and Vicinity, all New York Post employees who are members of the Engineers Union, Machinists Union, Mailers Union, Paperhandlers Union, Pressmens Union, Stereotypers Union, and Typographical Union, who have completed six months of service, along with the completion of 500 or more hours with the Company, are eligible to participate in the Plan, unless the employee is a transition employee, as defined by the Plan. Transition employees must complete 500 hours of service in any six-month period with either the Company or an affiliate of the Company. Transition employees will receive credit for years of service credited under the predecessor plan.

401(k) Contributions and Vesting for all but New York Post Union Employees

Each year, Plan participants are entitled to contribute, subject to certain Internal Revenue Service (IRS) regulations, a total of pretax, Roth, and after-tax contributions from 1% to a maximum of 70% of their compensation, as defined. The Plan also permits catch-up contributions up to the IRS maximum ($6,500 in 2022). Effective September 1, 2022, eligible employees may also elect to make after-tax contributions to the Plan.

The Plan is a safe harbor plan. The employer matching contribution on eligible employee deferrals is 100% of the first 1%, plus 50% of the next 5% of eligible compensation contributed. The Company also makes a 2% non-elective contribution of eligible compensation for all participants, other than participants employed by a Move Employer (as defined in the Plan document). Certain grandfathered Dow Jones employees receive a non-elective contribution up to 4%, based on date of hire.

Participants' voluntary contributions and actual earnings thereon become vested immediately. Participants' interest in the employer matching contribution shall follow a two-year cliff vesting. Participants' interest in the employer non-elective contribution shall follow a two-year cliff vesting, except the contributions pursuant to provisions of the Plan that are no longer in effect, which follow a three-year cliff vesting.

401(k) Contributions and Vesting for New York Post Union Employees

Each year, Plan participants are entitled to contribute, subject to certain IRS regulations, a total of pretax, Roth, and after-tax contributions from 1% to a maximum of 70% of their compensation, as defined.

1. Description of Plan (continued)

The Plan also permits catch-up contributions up to the IRS maximum ($6,500 in 2022). Effective September 1, 2022, eligible employees may also elect to make after-tax contributions to the Plan.

The Company contributes a profit-sharing contribution to each eligible employee's account based on each specific participating union's bargaining agreement. Some of the unions are based on an amount per shift up to a maximum per week and per year. Other unions use a percentage of eligible pay up to an annual maximum. These contributions are independent of the employee's deferral election and are immediately vested, along with the earnings thereon.

Participant Accounts

A separate account is maintained by the recordkeeper for each participant to record his or her employer and employee contributions and the participant's allocation of Plan earnings/losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeitures

Forfeitures (normally unvested interests of terminated participants' matching contribution accounts) are used to reduce future matching contributions or to pay administrative expenses. Forfeitures used during the year ended December 31, 2022 totaled approximately $2,065,000 and $411,000 for reduction of employer matching contributions and payment of administrative expenses, respectively. The total unallocated forfeitures in the Plan at December 31, 2022 and 2021 were approximately $1,168,000 and $1,189,000, respectively.

Notes Receivable From Participants

Participants may borrow from the Plan a minimum of $1,000 and a maximum amount not to exceed the lesser of $50,000 or 50% of the participant's vested account balance. The loans are payable over a period not to exceed five years or, if the proceeds are used to purchase the participant's principal residence, the fixed rate loans are payable over a period not to exceed 20 years, and bear a reasonable interest commensurate with current interest rates charged for similar loans. The loans are secured by the pledge of the participant's interest in the Plan.

At December 31, 2022, interest rates ranged from 4.25% to 9.00%, with various maturities through September 2042. Participants may prepay their loans at any time without penalty.

1. Description of Plan (continued)

If a participant terminates employment with the Company they are required to repay their outstanding loan balances in full or may continue to make loan payments through a pre-authorized check agreement. If the loan is not repaid, it will automatically be treated as a taxable distribution to the participant after three months.

Payment of Benefits

Plan participants or beneficiaries are eligible to receive a benefit payment equal to their vested account balance upon termination of employment, retirement, death or permanent disability, as stipulated in the Plan document. Such benefits shall be made in a lump-sum payment, a qualified rollover to an individual retirement account or another employer's tax qualified retirement plan, or an installment payment for retirees, subject to certain restrictions as defined in the Plan. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan document. Hardship withdrawals are strictly regulated by the IRS and a participant must exhaust all available loan options and available distributions prior to requesting a hardship withdrawal.

Administrative Expenses

Recordkeeping fees and loan setup fees of the Plan were charged to the participants' accounts. Expenses may be paid by the Plan or the Company. Administrative fees paid by the Company are not reflected in the statement of changes in net assets available for benefits.

Investment Options

Upon enrollment in the Plan, a participant may direct employee and employer contributions in 1% increments among various investment options offered by the Plan. Additionally, participants may redirect their investment balances among these various investment options.

Plan Termination

Although it has not expressed any intent to do so, the Company may terminate the Plan at any time, subject to the provisions set forth in ERISA. In the event of Plan termination, the accounts of all participants affected shall become fully vested and non-forfeitable. Assets remaining in the trust fund will be distributed to the participants and beneficiaries in proportion to their respective account balances.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

Notes Receivable From Participants

Notes receivable from participants represent participant loans that are measured at unpaid principal balance, plus accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are recorded when they are incurred. No allowance for credit losses has been recorded.

Valuation of Investments

The Plan's investments are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (i.e., the exit price) in an orderly transaction between market participants at the measurement date.

In accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement* (ASC 820), investments have been classified based upon an established fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value (see Note 7). The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

2. Summary of Significant Accounting Policies (continued)

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The Plan assesses the levels of the investments at each measurement date, and transfers between levels are recognized on the actual date of the event or change in circumstances that caused the transfer in accordance with the Plan's basis of accounting.

Following is a description of the valuation methodologies used for assets measured at fair value by the Plan at December 31, 2022 and 2021:

Shares of registered investment company funds (or mutual funds) are valued at the net asset value (NAV) of shares held and are valued at the quoted closing price reported on the active market on which the individual securities are traded.

The short-term investment fund is valued at cost plus interest earned, which approximates fair value.

2. Summary of Significant Accounting Policies (continued)

Self-directed brokerage accounts primarily consist of mutual funds, common stocks, and interest bearing cash. Mutual funds are valued at the NAV of shares held by the Plan and common stock is valued at the quoted closing price, and both are reported on active markets on which the individual securities are traded. Interest bearing cash is valued at cost plus interest earned, which approximates fair value.

Units held in collective trusts are valued at the NAV of shares held by the Plan and are valued at the closing price as reported by the issuer, based on the fair market value of the trusts' underlying securities. There are no redemption restrictions or unfunded commitments on the collective trusts.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

3. Information Certified by the Trustee

Certain investment information disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Fidelity. Such information includes the Plan's investments held and notes receivable from participants at December 31, 2022 and 2021, and the net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022.

4. Risks and Uncertainties

The Plan's exposure to credit loss in the event of nonperformance of investments is limited to the carrying value of such instruments. The concentration of credit risk and market risk is dictated by the Plan's provisions, as well as those of ERISA and the participants' investment preferences.

The Plan holds various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risk in the near term could materially affect participants' account balances and the amounts reported in the financial statements.

5. Transactions With Parties-in-Interest

The Plan investments in mutual funds and certain funds in the self-brokerage account managed by the Trustee and loans are party-in-interest transactions. Fees paid by the Plan Sponsor for the year ended December 31, 2022 were not significant.

6. Tax Status

The Plan received a determination letter from the IRS, dated October 5, 2022, stating that the Plan is qualified under Section 401(a) of the Code. Subsequent to the receipt of the determination letter, the Plan was amended. The Plan Administrator believes that the Plan has been designed to comply with and is operating in accordance with the applicable requirements of the Code and, therefore, believes the Plan, as amended, is qualified and the related trust is tax exempt.

GAAP requires the Plan Administrator to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Fair Value Measurements

The following tables disclose, by level, the fair value hierarchy discussed in Note 2 of the Plan's investments as of December 31, 2022 and 2021:
