INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Air Craft, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Air Craft, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Air Craft, Inc. 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of and for the year ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Air Craft, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements

relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Air Craft, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Air Craft, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Air Craft, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess

whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

General – Air Craft, Inc. 401(k) Plan is a defined contribution plan covering all employees of the Employer. An employee becomes a participant in the Plan on the entry date coincident with or next following the date the employee has completed twelve months of service, attained age 18 and not be considered an excluded employee. The entry dates for this plan are January 1 and July 1. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan consists of employees of Air Craft, Inc.

Contributions – The Employer matches 100% of the participant's salary deferrals up to 4% of plan compensation. In order to receive a safe harbor matching contribution, the employee must be an employee who meets the eligibility conditions (as defined by the Plan). Safe harbor matching contributions are required by the Plan.

Participant Accounts – Each participant is credited annually with his own voluntary contributions and an allocation of (a) safe harbor matching contributions, (b) Plan earnings, and charged with (c) any withdrawals or payments from the participant's account and (d) the participant's proportionate share of any decrease in the fair market value of the fund since the last valuation date. Plan earnings are credited to each participant based on performance of investments held by the Plan for the individual participant's account.

Vesting – Participants are immediately vested in their voluntary contributions plus actual earnings thereon. When safe harbor matching contributions are made for the benefit of the Participants within the Plan, the Participants will also be 100% vested in theses contributions plus actual earnings accumulated. Vesting in the employer's contribution of their accounts plus actual earnings thereon is based on years of service. A participant is 20% vested after two years of credited service, increasing 20% per year until fully vested after six years of credited service.

Participant Loans – Participant loans are not permitted by the plan.

Payment of Benefits – Upon termination of service, death, or permanent disability, a participant or his or her beneficiary shall be entitled to receive the value of his or her account in either a lump-sum, periodic installments over a period of years, or in a rollover to another eligible retirement plan.

Forfeited Amounts – If an employee terminates service prior to being fully vested in employer contributions, the participant forfeits the amount in which the employee is not vested. Forfeitures will be used to reduce future employer contributions to the Plan. As of December 31, 2022 and 2021, $-0- and $-0-, respectively was forfeited.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared under the accrual method of accounting.

Nature of Investments – Investments consist of assets held by Fidelity Personal Trust Company.

Use of Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires the management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition – The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold during the year and on investments held during the year.

Payment of Benefits – Benefits are recorded when paid.

Expenses – Certain expenses of maintaining the Plan are paid directly by the employer and are excluded from these financial statements. Fees related to the administration of distributions to participants are charged directly to the participant's account. Investment related expenses are included in net appreciation/depreciation of fair value of investments.

NOTE 3 – INVESTMENTS AT FAIR VALUE

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows.

Level 1 — Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 — Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market date by correlation or other means.

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2022 and 2021. Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

		Fair Value Measurements at Reporting Date Using		
Description	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
December 31, 2022				
Mutual funds	$ 341,245	$ 341,245	$ -	$ -
December 31, 2021				
Mutual funds	$ 203,780	$ 203,780	$ -	$ -

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2022 and 2021 are reported in net appreciation (depreciation) in fair value of investments.

During 2022 and 2021, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value by ($39,881) and $6,361, respectively. There were realized capital gains (losses) of $4,337 and $1,253 and unrealized gains (losses) of ($35,544) and $5,108, respectively for the years ended December 31, 2022 and 2021.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue their contributions and to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, all amounts credited to the accounts of participants are vested and become non-forfeitable.

NOTE 5 – TAX STATUS

The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code, and accordingly the trust's net investment income is exempt from income taxes. The Plan has obtained a favorable tax determination letter dated March 31, 2014 from the Internal Revenue Service and the Plan's sponsor believes that the Plan continues to qualify and to operate as designed.

The Plan's annual returns are subject to examination by the Internal Revenue Service, generally for three years after they are filed.

NOTE 6 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information was obtained from data that has been prepared and certified as complete and accurate by the trustee.

	2022	2021
Investments, at fair value	$ 341,245	$ 203,780
Net appreciation (depreciation) in fair value of investments	(39,881)	6,361
Dividends	6,016	3,695
Interest	23	-
Contributions:		
Employers	72,844	80,860
Participants	121,696	123,918
Rollovers	-	4,899
Deductions:		
Benefits paid to participants	13,881	14,507
Administrative fees	3,477	1,446

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least possible that changes could affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 – PARTIES IN INTEREST

Certain plan investments are managed by Fidelity Personal Trust Company. Fidelity Personal Trust Company is the custodian. The employer participating in the Plan is Air Craft, Inc.

Employee Incentive Plan, Inc. is the Plan's third party administrator who provides certain accounting, administrative and investment services to the Plan.

NOTE 8 – PARTIES IN INTEREST (Continued)

Stephen Everage and Charles Henry are the Plan Trustees. Valerie Schimmel is the Controller of Air Craft, Inc., Ludwick, Montgomery, & Stapp, P.C. is the auditor.

NOTE 9 – SUBSEQUENT EVENTS/DATE OF MANAGEMENT'S REVIEW

Subsequent events were evaluated through October 6, 2023, which is the date the financial statements were available to be issued. No events requiring disclosure were noted.
