INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Natural Alternatives Partnership for Profits Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Natural Alternatives Partnership for Profits Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Natural Alternatives Partnership for Profits Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Natural Alternatives Partnership for Profits Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Natural Alternatives Partnership for Profits Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Natural Alternatives Partnership for Profits Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Natural Alternatives Partnership for Profits Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NATURAL ALTERNATIVES PARTNERSHIP FOR PROFITS PLAN

NOTES TO THE FINANCIAL STATEMENTS

For the Years Ended December 31, 2022 and 2021

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Natural Alternatives Partnership for Profits Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan's date of inception was July 1, 1987. The Plan is a defined contribution plan covering all eligible employees of the Natural Alternatives International, Inc. and subsidiary (the "Company"). An eligible employee is a regular, full-time employee of the Company who has six months of service. The Plan provides participants with a salary deferral option pursuant to Section 401(k) of the Internal Revenue Code. The Company serves as the Plan Sponsor and Administrator of the Plan. The Plan engages Fidelity Management Trust Company (trustee) to hold and invest certain Plan assets and execute certain Plan transactions. The Plan was restated effective July 22, 2015. The Plan was amended on June 1, 2018 to allow Plan expenses including legal, accounting and employee communication fees to be paid from forfeitures, if available, or allocated to the Plan participants.

The latest Plan amendment was effective January 1, 2022, to allow discretionary employer profit sharing contributions, reduce the service requirement for plan eligibility from 6 months to 1 month, increase the safe harbor match to 100% up to 5% of eligible compensation, reduce the vesting of non-elective contributions to immediate, and remove the 1,000 hours work requirement for non-elective contributions. The Plan is subject to the provision of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Employee Contributions:

Participants may make pre-tax elective deferral contributions subject to an annual limit of 100% of eligible compensation, as defined in the Basic Plan Document, or the annual maximum as determined by the Internal Revenue Code. Under the Plan, the employer may make a discretionary Company contribution on behalf of each eligible participant in accordance with the Basic Plan Document based on the participant's compensation contributed to the Plan each payroll period.

Safe Harbor Matching Contributions:

As of December 31, 2021, the Company has elected to make matching contributions to all participants in an amount equal to 100% of the first 3% of the participant's eligible compensation and 50% of the next two percent of the participant's eligible compensation contributed to the Plan as deferral contributions. Effective January 1, 2022, the Plan was amended to increase the safe harbor match to 100% up to 5% of eligible compensation.

Discretionary Matching Contributions:

The Company may make a discretionary additional matching contribution. If the Company makes a discretionary additional matching contribution, the discretionary additional matching contribution will be based on the participant's eligible compensation deferred into the Plan each Plan year. Discretionary matching contributions are limited to 4% of eligible compensation contributed to the Plan as of December 31, 2021. Effective January 1, 2022, the Plan was amended to increase the matching contribution limit to 5%. For the year ended December 31, 2022, the Company made \$291,889 in discretionary employer profit sharing contributions. There were no discretionary matching contributions for the year ended December 31, 2021.

Discretionary Nonelective Company Contributions:

In addition, the Company may make discretionary nonelective contributions in an amount to be determined by the Board of Directors for each Plan year. Participants must complete at least 1,000 hours of service during the Plan Year and be employed as of the last day of the Plan Year to be eligible to receive any nonelective contributions that may be made for that Plan Year as of December 31, 2021. Effective January 1, 2022, the Plan was amended to remove the 1,000 hours work requirement for non-elective contributions. There were no discretionary nonelective matching contributions for the years ended December 31, 2022 and 2021.

NATURAL ALTERNATIVES PARTNERSHIP FOR PROFITS PLAN

NOTES TO THE FINANCIAL STATEMENTS

For the Years Ended December 31, 2022 and 2021

NOTE 1. DESCRIPTION OF THE PLAN (continued)

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's matching contribution, plan earnings and charged with an allocation of administrative expenses. Allocations are made by the Plan Administrator in a manner which recognizes each participant's account balance, investment selection and timing of contributions and withdrawals. The benefit a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants may make direct contributions, including Company matching and nonelective discretionary contributions, in any of a variety of investment options held by Fidelity Management Trust Company.

Vesting

Participants are 100% vested in their deferral contributions, safe harbor matching employer contributions, rollover contributions, employer matching contributions, qualified nonelective contributions, and any earnings thereon. As of December 31, 2021, employer nonelective contributions and earnings shall be vested in accordance with the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1	33%
2	67%
3	100%

Any amount not vested upon a participant's separation from service is forfeited and used to pay Plan expenses or reallocated to remaining participants. Effective January 1, 2022, the Plan was amended to reduce the vesting of non-elective contributions to immediate.

Notes Receivable from Participants

A participant may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's account balance. The loan is secured by the vested balance in the participant's account and bears interest at a rate determined according to the Plan Document at the execution of the loan. Principal and interest are paid ratably through payroll deductions or through other regular payments authorized by the Plan Administrator if payroll deductions are not possible. Outstanding notes receivable must be repaid upon the participant's termination of employment with the Company. For participant loans that become delinquent and result in default, the amount of the unpaid loan principal and interest due to the Plan will be deemed a distribution. Deemed distributions are reported as a taxable distribution. A participant may have one note receivable outstanding at a time. Interest rates were 4.25% - 8.00% for the year ended December 31, 2022 and 4.25% - 6.50% for the year ended December 31, 2021, respectively.

Payment of Benefits

The Plan allows for participants to make withdrawals from the Plan upon reaching age 59 1/2 or in the case of serious financial hardship, as approved by the Administrator. Additionally, the value of participants' contributions and the value of all vested Company contributions are payable to participants or their designated beneficiaries upon death, disability, retirement or upon termination of employment with the Company. If the participant is an active employee at the time of his/her death or disability, the account balance will automatically become 100% vested. At the participant's election, payment may be made in cash as a single lump sum or in installments.

See accompanying independent auditors' report

NATURAL ALTERNATIVES PARTNERSHIP FOR PROFITS PLAN

NOTES TO THE FINANCIAL STATEMENTS

For the Years Ended December 31, 2022 and 2021

NOTE 1. DESCRIPTION OF THE PLAN (continued)

Payment of Benefits (continued)

Any distribution greater than \$1,000 that is made to a participant without the participant's consent before the participant's normal retirement age (or age 62, if later) will be rolled over to an individual retirement plan designated by the Plan Administrator. On termination of service due to death, disability or retirement, or for termination of service due to other reasons, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or may elect to direct or partially direct transfer to an individual retirement account (IRA), an individual retirement annuity, or another qualified plan.

Administrative Expenses

Plan expenses are deducted from participant accounts, investment income or forfeitures, if available.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP"), except for benefits paid to participants, which are recorded when paid.

Managements' Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, as well as disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. See Note 4 for discussion of fair value measurements.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan's Administrator deems the participant loan to be a distribution, the participant loan balance is reduced, and a benefit payment is recorded.

Forfeitures

Forfeitures of terminated participants' nonvested amounts are used to reduce administrative expenses under the Plan, if any. Any remaining forfeited balances are used to reduce future Company contributions. For the Plan year ended December 31, 2022, the ending forfeiture balance included in the Plan assets was \$726. For the Plan year ended December 31, 2022, the Plan Sponsor used forfeitures in the amount of \$718 toward matching contributions. For the Plan year ended December 31, 2021, there was no ending forfeiture balance included in the Plan assets. For the Plan year ended December 31, 2021, the Plan Sponsor used forfeitures in the amount of \$1,113 toward matching contributions.

See accompanying independent auditors' report

NOTES TO THE FINANCIAL STATEMENTS
For the Years Ended December 31, 2022 and 2021

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Coronavirus Aid, Relief, and Economic Security Act

On March 27, 2020, the President signed the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") into law. The CARES Act included provisions for eligible defined contribution plans, including availability of qualified coronavirus-related distributions, delay of repayments for existing plan loans, and other relief provisions. These CARES Act provisions were optional, and employers were permitted to choose whether, and to what extent, to provide the coronavirus-related distribution and/or loan provisions of the CARES Act. The Plan provided access to the new CARES Act distribution and loan deferral options to participants as soon as administratively feasible, in accordance with Internal Revenue Service ("IRS") guidance and other applicable requirements.

NOTE 3. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, Fidelity Management Trust Company, has certified as being complete and accurate certain investments on the statements of net assets available for benefits as of and for the years ended December 31, 2022 and 2021, and the investment activity reflected in the statements of changes in net assets available for benefits and the investment information included in the supplemental schedule as of and for the year ended December 31, 2022.

NOTE 4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC 820), *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and is measured according to a hierarchy that includes: "Level 1" inputs, such as quoted prices in an active market for identical assets or liabilities; "Level 2" inputs, which are observable inputs for similar assets; or "Level 3" inputs.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Equity: Valued at the closing price reported on the active market on which the individual securities are traded.

Mutual funds: Share Prices/Net Asset Values (NAVs) reported on the Plan Summary Reports for NAV mutual funds are generally obtained from a file feed from the National Securities Clearing Corporation, and/or directly from the fund house, or a secondary pricing source, such as Interactive Data Corporation (IDC).

Galliard Stable Return Fund C: The fair values of participation units in the stable value collective trust are based upon the net asset values per unit as reported by the fund manager. The fund invests 100% in Galliard Stable Return Fund C. The fund's objective is to protect principal while providing a higher rate of return than shorter maturity investments, such as money market funds without the price fluctuation of stock or bond funds. Galliard Stable Return Fund C primarily invests in investment contracts, including traditional guaranteed investment contracts (GICs) and security-backed contracts issued by insurance companies and other financial institutions. The fund will also hold cash in order to maintain sufficient liquidity. Units of the fund are issued and redeemed at the latest net asset value which is determined daily. There are no advance notification requirements for this fund.

NATURAL ALTERNATIVES PARTNERSHIP FOR PROFITS PLAN

NOTES TO THE FINANCIAL STATEMENTS

For the Years Ended December 31, 2022 and 2021

NOTE 4. FAIR VALUE MEASUREMENTS (continued)

Wells Fargo Stable Fund C: The fair values of participation units in the stable value collective trust are based upon the net asset values per unit as reported by the fund manager. The fund invests 100% in Wells Fargo Stable Value Fund C. The fund's objective is to protect principal while providing a higher rate of return than shorter maturity investments, such as money market funds or certificates of deposit. Wells Fargo Stable Value Fund C primarily invests in investment contracts, including traditional guaranteed investment contracts (GICs) and security-backed contracts issued by insurance companies and other financial institutions. Units of the fund are issued and redeemed at the latest net asset value which is determined daily. There are no advance notification requirements for this fund.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Although the Plan Administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments may result in a different fair value measurement as of the reporting date.

The following are the major categories of assets and liabilities measured at Level 1 fair value on a recurring basis during the years ended December 31, 2022 and 2021, respectively, using quoted prices in active markets for identical assets:

	2022	2021
Mutual funds		
Money market	\$ 577	\$ 369
Asset allocation	9,634,886	11,085,739
Bond	147,171	159,064

Large blend/growth	2,311,230	2,573,739
Mid cap	714,008	739,239
Natural resources	40,560	25,538
Real estate	36,864	47,266
Small cap	207,364	230,937
Total mutual funds	\$ 13,304,773	\$ 15,024,499
Common collective trust measure at net asset value ^(a)	1,379,451	1,069,382
Total investments at fair value	\$ 14,684,224	\$ 16,093,881

- a) The net asset values of the common collective trusts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTE 4. FAIR VALUE MEASUREMENTS (continued)

Investments Measured at Fair Value Using the Practical Expedient

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient for the Galliard Stable Return Fund C as of December 31, 2022, and Wells Fargo Stable Value Fund C as of December 31, 2021, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2022			
Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
\$ 1,379,451	N/A	Daily	Daily
December 31, 2021			
Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
\$ 1,069,382	N/A	Daily	Daily

NOTE 5. TRANSACTIONS WITH PARTIES IN INTEREST

As of December 31, 2022 and 2021, the Company was the Plan Sponsor, and Fidelity was the custodian and record-keeper as defined in the Plan document and, therefore, these transactions qualify as allowable party-in-interest transactions. Participant loans also qualify as exempt party-in-interest transactions.

Additionally, the Plan Sponsor is a party-in-interest to the Plan; however, there were no transactions with the Plan Sponsor other than the funding of contributions to the Plan and payment of certain administrative expenses of the Plan.

NOTE 6. ADMINISTRATION OF PLAN ASSETS

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

NOTE 7. TAX STATUS

The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate certain tax positions taken by the plan and recognize a tax liability (asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service.

The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to December 31, 2018.

See accompanying independent auditors' report

NATURAL ALTERNATIVES PARTNERSHIP FOR PROFITS PLAN

NOTES TO THE FINANCIAL STATEMENTS

For the Years Ended December 31, 2022 and 2021

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits and the statement of changes in net assets available for plan benefits.

The Plan invests through mutual funds in the securities of foreign companies, which involve special risks and considerations not typically associated with investing in U.S. companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlement practices, and possible adverse political and economic developments. Moreover, securities of many foreign companies and their markets may be less liquid and their prices more volatile than those of securities of comparable U.S. companies.

NOTE 9. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

NOTE 10. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 12, 2023, the date which the financial statements were available to be issued.
