INDEPENDENT AUDITOR'S REPORT

To the Trustees
Citizens Bank of Las Cruces ESOP & Profit Sharing
Las Cruces, New Mexico

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Citizens Bank of Las Cruces ESOP & Profit Sharing (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statements of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of schedule H, Item 4i- Schedule of Assets Held for Investment Purposes as of or for the year ended December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in

accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CITIZENS BANK OF LAS CRUCES EMPLOYEE STOCK OWNERSHIP & PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description

The following description of the Citizens Bank of Las Cruces ESOP & Profit Sharing (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is defined contribution plan covering all full-time employees of Citizens Bank of Las Cruces (the "Company") who have one year of service and 18 years of age or older. The Plan was adopted and became effective January 1, 1977. The Plan operates as a non-leveraged employee stock ownership plan and is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of Section 4975(e)(7) and the regulations thereunder of the Internal Revenue Code of 1986, as amended, and the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan's trustees are responsible for the management of the Plan's assets.

Eligibility: Employees of the Company who have reached 18 years of age and have completed one year of continuous service are eligible for participation in the Plan. Following obtainment of one year of service and being 18 years of age, participants enter the Plan on either January 1 or July 1, whichever comes first.

Participant Contributions: Participants in the Plan may make elective contributions based on a percentage of their total annual compensation or a fixed amount each per pay period, as limited by IRS regulations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Employer Contributions: Qualified matching and non-elective contributions are made at the discretion of, and in amounts determined by, the Company's Board of Directors. The qualified employer match is allocated to participants proportionate to their elective deferrals. The profit-sharing contributions are allocated to participants proportionate to the integrated social security formula and proportionate to their salary. Additionally, the Company may elect to make discretionary ESOP contributions to the Plan, at the option of the Company's Board of Directors. ESOP contributions are allocated to participants based on the relation of the participant's compensation to total compensation for all participants in the plan year. Contributions are subject to certain limitations.

Payment of Benefits: Upon retirement, death or termination of service, a participant and his or her beneficiaries may elect to receive either a lump-sum amount equal to the value of his or her vested account balance or an optional form of payment as specified in the Plan agreement. Distributions are made in cash.

The Trustee, as allowed by Internal Revenue Code Section 411(a)(11), shall distribute any terminated participant's entire vested benefit that does not exceed \$5,000. If the vested benefit is less than \$5,000 and the terminated participant has not elected a distribution rollover to an eligible individual retirement plan or to receive the distribution in a cash distribution, the Trustee shall pay such amount to the participant in a single lump sum cash payment.

CITIZENS BANK OF LAS CRUCES EMPLOYEE STOCK OWNERSHIP & PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description (continued)

Participant Accounts: Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution, (b) the Company's profit-sharing contribution, (c) the Company's employer stock contribution, and (d) plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Each participant's account is credited with an allocation of shares of the Company's common stock released by the Trustee from the unallocated account and forfeitures of terminated participants' nonvested accounts. Only those participants who are eligible employees of the Company as of the last day of the plan year with at least 1,000 hours of service during the plan year will receive an allocation. Stock allocations are based on a participant's eligible compensation, relative to total eligible compensation. Compensation in excess of \$305,000 is excluded.

Vesting: Participants are immediately vested in their contribution. If a participant's employment with the Company ends for any reason other than retirement, permanent disability, or death, he or she will vest in the balances in his or her account based on total years of service with the Company. Vesting in the Company's contributions is based on years of continuous service as follows:

<u>Full years of service</u>	<u>Percent vested</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Voting Rights: The Trustee shall vote all Company stock held by the Plan as notified by participants of the Plan, provided, however, that if any agreement entered into by the Trust provides for voting of any Company stock pledged as security for any obligation of the Plan, then such shares of Company stock shall be voted in accordance with such agreement. If the Trustee does not receive timely voting directions from a participant or beneficiary with respect to any Company stock allocated to that participant's or beneficiary's account, the Trustee shall vote such Company stock.

Put Option: Under federal income tax regulations, the Company stock that is held by the Plan and its participants and that is not readily tradable on an established market includes a put option. The put option is a right to demand that the Company buy any shares of its stock distributed to participants for which there is no market. The put price is representative of the fair market value of the stock. Payment of a put option must not be restricted by the provisions of a loan or any other arrangement.

Diversification: Diversification is offered to participants who have attained age 55 and completed at least 10 years of participation in the Plan so that they may have the opportunity to move part of the value of their investment in Company stock into other investments. Upon attaining eligibility to do so, a participant may elect to diversify up to 25% of the number of shares allocated to their account, less any shares

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description (continued)

previously diversified. In the last plan year where a participant may make an election, the percentage changes to 50%.

Forfeitures: Forfeited non-vested accounts are allocated to each participant's account based upon the relation of the participant's compensation to total compensation for all participants in the plan year. At December 31, 2022, forfeited non-vested accounts totaled \$35,235.

Administrative Expenses: Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Administrative expenses of maintaining the Plan are paid directly by the Plan.

Administration of Plan Assets: The Plan is administered by the Company's Chief Financial Officer appointed by the Company's Board of Directors. The Plan's assets, which consist principally of pooled separate accounts, are held by the custodian of the Plan. The Plan's asset of Employer Stock is held by the Trust Department of Citizen's Bank of Las Cruces. Contributions are held and managed by the Custodian, which invests cash received, interest, and dividend income and makes distributions to participants.

Note 2. Significant Accounting Policies

Basis of Accounting: The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition: The common shares of the Company are valued at estimated fair value on December 31, 2022. Fair value is determined by an annual independent appraisal. The remaining Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of Employer Stock securities are recorded on a settlement-date basis. Dividend income is accrued as of declaration date. Interest income is recorded on an accrual basis.

Purchases and sales of mutual fund securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on assets bought and sold as well as held during the year.

Payment of Benefits: Benefits are recorded when paid.

CITIZENS BANK OF LAS CRUCES EMPLOYEE STOCK OWNERSHIP & PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Note 2. Significant Accounting Policies (continued)

Subsequent Events: The Plan has evaluated subsequent events through October 10, 2023, the date the financial statements were available to be issued.

Note 3. Information Certified and Provided by the Custodian

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the value of mutual fund investments which were \$26,785,872 and \$29,680,490 as of December 31, 2022 and 2021, certified by Principal Financial Group, except for comparing such information certified by the trustee to information included in the Plan's financial statements and supplemental schedule.

Principal Financial Group also certified to the completeness and accuracy of interest income of \$1,534 from guaranteed interest accounts, dividend income of \$14,134 from registered investment companies, and net depreciation in fair value of assets of \$5,010,466, including gains and losses on investments bought and sold, as well as held during the year.

Note 4. Fair Value Measurements

The Fair Value Measurements and Disclosures Topic 820 of the FASB Accounting Standards Codification establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to the valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or the liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

CITIZENS BANK OF LAS CRUCES EMPLOYEE STOCK OWNERSHIP & PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Note 4. Fair Value Measurements (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022.

Insurance company guaranteed interest accounts: Valued at fair value.

Amador Bancshares, Inc. common shares: The fair value of the Sponsor Company common stock held by the Plan is valued at fair value based upon an independent appraisal. This appraisal was based upon a combination of the market and income valuation techniques consistent with prior years. In determining the fair value of the stock, independent appraiser considered the following:

- The nature of the business and the history of the Company from its inception.
- The economic outlook in general and the condition and outlook of the industry in which the Company operates.
- The book value of the stock and the financial condition of the Company.
- The earning capacity of the Company.
- The dividend-paying capacity of the Company.
- Whether goodwill or other intangible value exists within the Company.
- Previous sales of the Company's stock and the size of the block of stock to be valued.
- The market prices of stocks of corporations engaged in the same or a similar line of business having their stocks actively traded in a free and open market, either on an exchange or over-the-counter.

Pooled separate accounts: Valued at the net asset value (NAV) of shares, which is based on quoted prices for identical assets in active markets, held by the Plan at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31:

NOTES TO FINANCIAL STATEMENTS

Note 5. Tax Status

The Internal Revenue Service has determined and informed the Plan by a letter dated March 22, 2016, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service or Department of Labor. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions. See Note 9 of the financial statements for additional information. The Plan administrator believes that the Plan is no longer subject to income tax examinations for years prior to 2019.

Note 6. Administration of Plan Assets & Related Party Transactions

The Plan's Company common shares assets are held by the Trustees of the Plan. Company employer stock contributions are managed by Principal Financial Group (custodian), who invest cash received, interest and dividend income and make distributions to participants. The Plan's mutual fund assets are managed by the custodian and therefore, the transactions with the custodian qualify as exempt party-in-interest.

Certain expenses incurred in connection with the general administration of the Plan are paid by the Plan and are recorded in the accompanying statement of changes in net assets available for benefits as administrative expenses. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Except for after tax fees and express mail service, administrative expenses of maintaining the Plan are paid by the Company.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their entire account. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

Note 8. Related Party Transactions

Certain plan investments are shares of mutual funds managed by Principal Financial Group. Principal Financial Group is the Custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. The administrative fee paid to Principal Financial Group was \$1,169 for the year ended December 31, 2022.

NOTES TO FINANCIAL STATEMENTS

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with these investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 10. Reconciliation of Financial Statements to the IRS Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 and 2021, to Form 5500:

	2022	2021
Net assets available per the financial statements	\$ 32,847,642	\$ 35,299,741
Less: current year receivable for employer deferrals	-	(1,153,757)
Net assets available for benefits per the Form 5500	<u>\$ 32,847,642</u>	<u>\$ 34,145,984</u>

The following is a reconciliation of the net increase in assets available for benefits per the financial statements at December 31, 2022 to Form 5500:

Net decrease in assets available for benefits per financial statements	\$ (2,452,099)
Less: Receivable for employer contributions at December 31, 2021	<u>1,153,757</u>
Net decrease in assets available for benefits per the form 5500	<u>\$ (1,298,342)</u>
