INDEPENDENT AUDITOR'S REPORT

To Those Charged With Governance of
Champion Fiberglass, Inc. Profit Sharing Plan and Trust
Spring, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Champion Fiberglass, Inc. Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of July 14, 2022 and December 31, 2021, and the related statement of changes in net assets available for benefits for the period from January 1, 2022 to July 14, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of July 14, 2022 and December 31, 2021, and for the period from January 1, 2022 to July 14, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

(Continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the period from January 1, 2022 to July 14, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CHAMPION FIBERGLASS, INC. PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
January 1, 2022 to July 14, 2022

NOTE 1 – DESCRIPTION OF PLAN

Champion Fiberglass, Inc. Profit Sharing Plan and Trust (the Plan) was established by Champion Fiberglass, Inc. (the Company) effective June 1, 1995 as a qualified retirement plan, to provide employees the opportunity to save for retirement. The Plan was amended and restated effective February 1, 2022. The Plan was administered by the Company and was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The summary of significant provisions of the Plan presented below provides only general information. Participants should refer to the plan document and trust agreement for a more complete description of the Plan's provisions.

Effective July 15, 2022, employees of the Company were eligible to participate in the G&A Partners, Inc. Multiple Employer 401(k) Plan (Multiple Employer Plan), as defined in the plan documents. The Company merged all plan assets into the Multiple Employer Plan in 2022.

Eligibility: All non-excluded employees of the Company became eligible for the Plan the first day of each quarter after attaining the age of 21.

Contributions: Participants could elect to defer up to 100% of their compensation on a pre-tax basis as an elective deferral contribution to the Plan. The Internal Revenue Service (IRS) limits the amount a participant could defer in any tax year. Participants could elect to start, increase or reduce elections to contribute to the Plan effective as of the first day of the Plan year and the first day of the fourth, seventh, and tenth month of the Plan year. Participants could totally suspend elections at any time. In addition, participants who were projected to be age 50 or older before the end of a calendar year could elect to defer additional amounts to the Plan as catch-up contributions.

The Company would make a safe harbor matching contribution to the account of each eligible participant in an amount equal to the sum of 100% of the amount of the participant's elective deferrals that did not exceed 4% of the participant's compensation.

The Company could make a discretionary profit sharing contribution to the Plan for participants who had completed at least 1,000 hours of service during the Plan year and were employed by the Company on the last day of the Plan year. For 2022, the Company did not make any discretionary profit sharing contributions to the Plan.

The Company could make qualified nonelective contributions to the Plan, which were special contributions made by a company to help the Plan pass special discrimination tests established by ERISA and the IRS. For 2022, the Company did not make any qualified nonelective contributions to the Plan.

Participants were also permitted to deposit into the Plan distributions they had received from other retirement plans and certain IRA's as rollover contributions.

Participant Accounts: Each participant's account was credited with the participant's contributions and an allocation of (a) the Company's contributions and (b) Plan earnings and losses, and was charged with his or her withdrawals and an allocation of administrative expenses. Allocations were based on participant contributions, eligible compensation, participant account balances, or specific participant transactions, as defined. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account. Each participant directed the investment of his or her account to any of the investment options available under the Plan.

Retirement, Death, and Disability: A participant was entitled to 100% of his or her account balance upon retirement, death, or disability.

(Continued)

CHAMPION FIBERGLASS, INC. PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
January 1, 2022 to July 14, 2022

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Vesting: Participants were always 100% vested in their contributions, rollovers, safe harbor matching contributions, and any earnings thereon. Vesting in the employer's discretionary profit sharing contributions and any earnings or losses thereon was based on years of service. Participants would become 100% vested after six years of service.

Payment of Benefits: Participants whose employment terminated for any reason were entitled to receive the vested account balance in the form of a lump sum distribution payable in cash, net of applicable tax, or a direct rollover distribution to a qualified plan or IRA, or a combination of a cash distribution and direct rollover distribution. If the vested account balance payable to a participant exceeded \$1,000, a participant's consent was required to distribute their account. If a participant's account did not exceed \$1,000, consent was not required. In the event of a participant's death, the beneficiary, or beneficiaries would be entitled to receive the participant's account balance.

Participants could take in-service distributions while still employed with the Company if they were age 59½ or older at the time of the distribution.

Forfeitures: Forfeitures could be used to pay Plan expenses or to offset employer contributions. At July 14, 2022 and December 31, 2021, forfeited accounts totaled \$0 and \$9,855, respectively. During 2022, there were no forfeitures used to pay Plan expenses or offset employer contributions.

Plan Transfer: Effective July 15, 2022, employees of the Company were eligible to participate in the G&A Partners, Inc. Multiple Employer 401(k) Plan (Multiple Employer Plan), as defined in the plan documents. The Company merged all plan assets into the Multiple Employer Plan in 2022. At the end of business December 29, 2022, participant balances of \$2,838,904 were transferred to the Multiple Employer 401(k) Plan.

Administrative Expenses: Certain expenses of maintaining the Plan were paid by the Plan, unless otherwise paid by the Company. Expenses that were paid by the Company are excluded from these financial statements. Investment related expenses were included in net depreciation in fair value of investments.

Subsequent Events: Plan management has evaluated subsequent events for recognition and disclosure through October 11, 2023 which is the date the financial statements were available to be issued.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value as further described in Note 4. Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability.

CHAMPION FIBERGLASS, INC. PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
January 1, 2022 to July 14, 2022

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits: Benefits are recorded when paid.

Risks and Uncertainties: The Plan holds various investments. Investments are exposed to various risks such as interest rate, market, liquidity, credit and risks related to global events. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the fair values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 3 – CERTIFIED INFORMATION

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments held at July 14, 2022 and December 31, 2021, and net depreciation in fair value of investments for the period from January 1, 2022 to July 14, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Matrix Trust Company.

NOTE 4 – FAIR VALUE MEASUREMENTS

Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy. The following presents the valuation methods and assumptions used by the Plan to estimate the fair values of investments.

Mutual Funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Common Collective Trust: The fair values of participation units held in collective trusts are based on the net asset values per unit as reported by the fund managers. The collective trusts provide for daily redemptions by the Plan at reported net asset values per share, with no advance notice requirement.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 1,277	\$ -	\$ -	\$ 1,277
Total investments at fair value	<u>\$ 1,277</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,277</u>
	2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,940,193	\$ -	\$ -	\$ 3,940,193
Total assets classified within fair value hierarchy	<u>\$ 3,940,193</u>	<u>\$ -</u>	<u>\$ -</u>	3,940,193
Collective trust measured at NAV as practical expedient*				<u>294,077</u>
Total investments at fair value				<u>\$ 4,234,270</u>

* Investment measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statement of net assets available for benefits.

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company. Matrix Trust Company is a service provider to the Plan and, therefore, these transactions and the Plan's payment of fees to Matrix Trust Company qualify as party-in-interest transactions

NOTE 6 – TAX STATUS

The Internal Revenue Service issued an opinion letter dated June 30, 2020, indicating that the non-standardized pre-approved profit sharing plan adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code. Although the Plan has been amended from the original non-standardized pre-approved profit sharing plan document, Plan management believes that the Plan is currently being operated in accordance with the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of July 14, 2022 and December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE 7 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements as of July 14, 2022 and December 31, 2021, to the Form 5500:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ -	\$ 4,234,595
Cash and cash equivalents	<u>-</u>	<u>(219)</u>
Net assets available for benefits per the Form 5500	<u>\$ -</u>	<u>\$ 4,234,376</u>

The following is a reconciliation of the change in net assets available for benefits for the period from January 1, 2022 to July 14, 2022, per the financial statements to the net loss reported in the 2022 Form 5500:

Net decrease in net assets available for benefits per financial statements	\$ (1,395,686)
Add: Cash and cash equivalents at December 31, 2021	<u>219</u>
Net loss per Form 5500	<u>\$ (1,395,467)</u>
