INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
H. Eikenhout & Sons, Inc. 401(k) Plan
Grand Rapids, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of H. Eikenhout & Sons Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of H. Eikenhout & Sons Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Empower Annuity Insurance Company of America and Empower Trust Company, LLC, qualified institutions, as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

INDEPENDENT AUDITOR’S REPORT (CONTINUED)

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of H. Eikenhout & Sons Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Responsibilities of Management for the Financial Statements (continued)

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about H. Eikenhout & Sons Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of H. Eikenhout & Sons, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about H. Eikenhout & Sons, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

H. EIKENHOUT & SONS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the H. Eikenhout & Sons Inc. 401(k) Plan (Plan) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of H. Eikenhout & Sons, Inc., the Plan sponsor. Employees become eligible to participate in the Plan on the first day of the calendar month following three months of employment and attaining age 18. Upon meeting eligibility requirements to participate in the Plan, an employee becomes eligible to receive employer safe harbor matching contributions. The Plan is subject to the provisions of the Employer Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may elect to make contributions to the Plan, up to 75% of compensation, through payroll deductions from each participant's compensation, as defined, subject to statutory limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan also allows participants to transfer funds from other employer qualified plans into the Plan.

For the 2022 plan year, the Company provided a safe harbor matching contribution up to 4 percent of eligible compensation to all eligible employees.

Plan Operations

The Company has appointed Empower Annuity Insurance Company of America and Empower Trust Company, LLC (trustees) to act as trustees and the Company to act as Plan administrator. The trustees are responsible for holding the investment assets of the Plan, executing investment transactions and making distributions to participants. The Plan administrator interprets and communicates the provisions of the Plan and ensures that all government and participant reporting requirements are fulfilled.

(CONTINUED)

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions and Company safe harbor matching contributions, as well as allocations of the Company's profit-sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary and employer safe harbor contributions plus actual earnings thereon. Vesting in employer profit sharing contribution accounts is based on years of continuous service, as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Effective January 1, 2021 any new employer safe harbor matching contributions are subject to a two year cliff vesting.

A participant also becomes fully vested at the time of the participant's death, if the participant becomes disabled while employed or upon attainment of normal retirement age.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. The loans are secured by the balance in the participant's account and bear interest at an interest rate of 4.25% – 9%, which are commensurate with local prevailing rates as determined by the Trustee. Principal and interest is paid ratably through payroll deductions.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Payment of Benefits

On termination of service a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. In-service withdrawals are permitted upon attaining age 59½ and in cases of financial hardship. The normal form of benefit payment is a lump sum payment or installment payments over a period not to exceed the participant's life expectancy.

Forfeited Accounts

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$14,022 and \$6,986, respectively. These accounts may be used to pay Plan expenses, reduce future employer contributions or be redistributed to Plan participants. During 2022, \$4,096 from the forfeited non-vested accounts was used to reduce employer contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accounting records of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. While management believes it has consistently applied its best judgment in those areas requiring estimates, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. Insurance policies held by the Plan are excluded from the investment assets in the accompanying financial statements.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Payments of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of benefits paid to participants are charged directly to the participant's account. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

For the year ended December 31, 2022, plan management has evaluated subsequent events for potential recognition and disclosure through October 12, 2023, the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS AND DISCLOSURES

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Mutual funds have been valued using unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. Using unadjusted quoted prices for identical investments in an active market is defined as a level 1 measurement method.

The guaranteed annuity contract has been valued using quoted prices that are observable for the asset either directly or indirectly. These include quoted prices for similar assets in active markets, quoted prices for identical assets in inactive markets, inputs that are observable for the asset, or inputs that are derived principally from or corroborated by observable market data. Using such quoted prices is defined as a level 2 measurement method.

NOTE 3 - FAIR VALUE MEASUREMENTS AND DISCLOSURES (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value.

Description of Plan Investments	Assets at Fair Value as of December 31, 2022			
	Total	Level 1	Level 2	Level 3
Mutual funds	\$10,901,995	\$10,901,995	\$ -	\$ -

Investments at fair value	<u>\$13,037,705</u>	<u>\$10,901,995</u>	<u>\$2,135,710</u>	<u>\$ -</u>

Description of Plan Investments	Assets at Fair Value as of December 31, 2021			
	Total	Level 1	Level 2	Level 3
Mutual funds	\$11,933,380	\$11,933,380	\$ -	\$ -

Investments at fair value	<u>\$14,745,457</u>	<u>\$11,933,380</u>	<u>\$2,812,077</u>	<u>\$ -</u>

NOTE 4 - RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Empower Trust Company, LLC. They act as the trustee, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the plan for the investment management services are included in net depreciation in fair value of the investments, as they are paid through revenue sharing rather than a direct payment. The Plan made direct payments to the third party administrator of \$61,690 which was not covered by revenue sharing. The Plan Sponsor pays directly any other fees related to the plan's operations.

NOTE 5 - TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would remain 100% vested in their accounts.

NOTE 6 - INCOME TAX STATUS

The IRS has determined and informed the Company by a letter dated June 30, 2020 the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 8 - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEES

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2022 and 2021, and the net appreciation (depreciation) in fair value of investments and interest and dividends for the year ended December 31, 2022, were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the trustee.
