Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: HOOD & STRONG LLP

(2) EIN: 94-1254756

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

THE TRUSTEES
FUERST GROUP 401(k) PLAN
Menlo Park, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of **FUERST GROUP 401(k) PLAN (the Plan)**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date of this report.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Fuerst Group 401(k) Plan

Notes to the Financial Statements

Note 1 - Plan Description:

The following description of the Fuerst Group 401(k) Plan (the Plan), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

a. General

The Plan is a defined contribution plan that was established on September 14, 2005 and restated effective January 1, 2009. The Plan is sponsored by Fuerst Group, Inc., formerly known as Fuerst Corporation, and includes Fuerst Group, Inc. and KEEN, Inc. and its subsidiary as a participating employer (collectively, the Company) to provide benefits to eligible employees, as defined in the Plan agreement. Effective October 1, 2013, the Plan was amended to include employees of Chrome Industries and ROFU Accessories Group. Effective, January 1, 2015 the Plan was amended to include employees of ROFU Chico. The Plan Administrator believes that the Plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code (IRC) and the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act (CARES Act) was enacted and signed into law. The CARES Act provided plan sponsors the ability to offer participants penalty-free distributions up to \$100,000, increased loan limits and deferment of loan payments. The CARES Act also temporarily waived required minimum distributions for terminated participants in calendar year 2020. The Plan has implemented these provisions by executing an amendment to the Plan effective May 1, 2020.

On February 5, 2021, the Plan was amended to clarify the acceptance of rollovers into the Plan from other qualified plans.

b. Eligibility

Employees become eligible to enter the Plan on the first day of the month coinciding with or the next month following the date of employment with the Company. In order to be eligible to receive the employer discretionary profit-sharing contribution, the employee must be employed on the last day of the year and have surpassed 1,000 hours. Participants may become eligible for qualified nonelective contributions based on calculations by the third party administrator for purposes of Plan compliance. Participants who are non-highly compensated employees, as defined by the Plan, and who receive an allocation of employer contributions during a plan year are eligible for gateway contributions.

Fuerst Group 401(k) Plan

Notes to the Financial Statements

c. Contributions

Participants may make salary deferral contributions up to the maximum amount of their eligible pre-tax compensation, not to exceed the amount allowable under current income tax regulations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans, subject to approval by the Plan Administrator.

The Company may make a discretionary matching contribution. For 2022, the Company matched employee contributions of up to 50% of the first 6% of participant's eligible compensation on a per pay period basis. The Plan allows for discretionary profit-sharing contributions by the Company. For 2022, the Company contributed 4% of eligible compensation. The Plan allows for nonelective contributions representing discretionary amounts to each participant paid by the Employer. The Plan also permits gateway contributions in an amount necessary to satisfy the minimum allocation gateway requirement as defined by the Plan.

d. Payment of Benefits

Upon termination of employment, the participants or their designated beneficiaries may elect to leave their account balances in the Plan, roll their account balance over into another qualified plan or IRA, or receive their total benefits in a lump-sum amount equal to the value of the participant's vested interest in his or her account. The Plan provides that if interest in the Plan is \$5,000 or less, regardless of consent, a lump-sum distribution will be made to the participant. The Plan also allows for hardship withdrawals by the participant as outlined in the Plan document. There were no participant requests to withdraw from the Plan as of December 31, 2022 and 2021 that had not been paid as of those dates.

e. Participant Accounts

Each participant's account is credited with the participant's salary deferral contributions, the participant's qualified rollover contributions, the Company's discretionary matching contributions, the Company's discretionary profit-sharing contributions, qualified nonelective contributions, Plan earnings or losses, and reduced by administrative costs.

f. Participant Investment Options

Upon enrollment in the Plan, a participant may direct their contributions and the Company's discretionary matching contributions in any of the selected investments offered by the Plan. Otherwise, these contributions will be automatically directed into a default investment per the Plan. Participants may change their investment options any time throughout the year, subject to specific limitations placed by certain investment funds, via the John Hancock Internet website, except for those investments in the frozen asset account. See Note 6 for details.

Fuerst Group 401(k) Plan

Notes to the Financial Statements

g. Vesting

Participants are immediately vested in their contributions, including rollovers of funds from other qualified retirement plans and earnings thereon. The portion of the participants' accounts attributable to the Company's discretionary matching contributions and profit-sharing contributions becomes 100% vested over three years of credited service as defined in the Plan. Participants are 100% vested in all qualified nonelective contributions amounts, regardless of years of credited service.

h. Forfeitures

Forfeitures are credited when participants separate from service before they are 100% vested in the Company's discretionary matching contribution or discretionary profit-sharing contribution portions of their accounts plus actual earnings thereon. Forfeitures may be used to reduce employer contributions that may be required or be used to pay any administrative expenses of the Plan. As of December 31, 2022 and 2021, forfeited accounts totaled \$66,438 and \$44,819, respectively. There were no forfeited amounts used by the Plan during the year ended December 31, 2022.

i. Notes Receivable from Participants

Participants may borrow up to the lesser of \$50,000 or 50% of the individual participant's account balance. The loans are secured by the participant's balance. Such loans bear a reasonable interest at the available market financing rates and must be repaid to the Plan within a reasonable period of time. The Plan Administrator establishes the specific terms and conditions of such loans. Outstanding loans as of December 31, 2022 carried interest rates from 4.25% to 8.5% per annum.

j. Administration

The Company has appointed Brady Fuerst, Traci Reandeau, and Tommy Wong, as the Trustees of the Plan, and contracted with John Hancock Life Insurance Company (U.S.A.) (the Custodian) as the Custodian and with Improved Funding Techniques, Inc. as the third-party administrator. Wells Fargo Advisors is the custodian of certain nonparticipant-directed investments.

Note 2 - Summary of Significant Accounting Policies:

a. Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Fuerst Group 401(k) Plan

Notes to the Financial Statements

b. Investment Valuation and Income Recognition

Investments in pooled separate accounts are held by the Custodian and invested based upon instructions received from the participants. Investments in interest-bearing cash, common stocks, and exchange-traded funds are deemed nonparticipant-directed investments. The Plan's investments in pooled separate accounts, common stock, and exchange-traded funds are valued at fair value as of the last day of the Plan year. Interest-bearing cash is valued at cost, which approximates fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. The net appreciation (depreciation) of investments in the Statement of Changes in Net Assets Available for Benefits includes both the unrealized appreciation (depreciation) in the aggregate fair value of investments held at year end and realized gains and losses on sale of investments purchased and sold during the year.

The market volatility of equity-based investments may substantially impact the value of such investments at any given time. It is likely that the value of the Plan's investments, both in total and in individual participant accounts, has fluctuated since December 31, 2022.

Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as an adjustment to net appreciation (depreciation) in fair value of investments.

c. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent loans are treated as distributions based upon the terms of the Plan document.

d. Interest-Bearing Cash

Interest-bearing cash consists primarily of cash and money market funds. The Plan considers investments with maturities of three months or less at the time of purchase which are not held for long-term investment as cash equivalents.

Fuerst Group 401(k) Plan

Notes to the Financial Statements

e. Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

f. Benefits to Participants

Benefits are recorded when paid.

g. Subsequent Events

The Plan Administrator evaluated subsequent events from December 31, 2022 through October 11, 2023, the date the financial statements were available to be issued, and has determined that there were no material subsequent events that required recognition or disclosure.

Note 3 - Certified Information:

Certain information disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments, noninterest-bearing cash, and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividend income, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by the Custodian.

Note 4 - Fair Value Measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets

Fuerst Group 401(k) Plan

Notes to the Financial Statements

- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement on a recurring basis and recognized in the accompanying Statement of Net Assets Available for Benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled Separate Accounts: the number of units in pooled separate accounts that are outstanding on the calculation date is derived from observable purchase and redemption activity in the respective accounts. Unit values are calculated based on a compilation of observable market information. These accounts are valued using the net asset value (NAV) practical expedient as reported by the Custodian. NAV is based on the fair value of the underlying assets owned by the respective account, minus its liabilities, and then divided by the number of units outstanding.

Interest-Bearing Cash: short-term money market instruments are valued at cost, which approximates fair value based on quoted market prices available on an active market.

Common Stock: valued at the closing price reported on the active market on which the individual securities are traded.

Exchange-Traded Funds: valued based on quoted prices in markets on which the funds are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to the Financial Statements

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

December 31, 2022	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Nonparticipant directed:				
Interest-Bearing Cash	\$ 11,600		\$	11,600

Investments measured at NAV using practical expedient (a)				47,128,702
Investments, at fair value				\$ 48,756,723

(a) Certain investments that are measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statement of Net Assets Available for Benefits.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

(a) Significant investments include 1) the John Hancock USA Multi-Index Lifestyle Balanced Portfolio fund which provides a balance between a high level of current income and growth of capital with a greater emphasis given to income and capital growth, respectively; 2) John Hancock USA Multi-Index Lifestyle Growth Portfolio fund which seeks to provide long term growth of capital by investing in stocks of domestic and international issuers; and 3) Vanguard Target Retirement funds which use asset allocation strategies designed for expected retirement dates.

Note 5 - Investments:

During 2022, the Plan's investments, including investments bought, sold, and held during the year, depreciated in fair value by \$8,435,206 as follows:

Participant directed:	
Pooled Separate Accounts	\$ 8,151,549
Nonparticipant directed:	
Common Stock	209,317
Exchange-Traded Funds	74,340
	\$ 8,435,206

Note 6 - Frozen Asset Account:

Certain pre-2005 participants of the Plan were allocated certain investments in common stock, exchange-traded funds, and money market funds. To obtain full realization on these investments, the Trustees elected not to liquidate these funds when the Plan merged with another qualified plan on January 1, 2005 and then again on December 31, 2019. The nonliquidated assets are maintained in Frozen Asset Accounts and the affected participants are restricted from additional investments to these funds. These assets are nonparticipant directed.

Fuerst Group 401(k) Plan

Notes to the Financial Statements

Note 7 - Income Tax Status:

The Internal Revenue Service has determined and informed the Plan Administrator by a letter dated March 8, 2016 that the Plan is designed in accordance with applicable sections of the IRC. The Plan has been amended since receiving the determination letter; however, the Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable provisions of the IRC and therefore believes that the Plan is qualified and the related trust is tax exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.

Note 8 - Plan Termination:

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, all participants immediately become 100% vested in their entire account.

Note 9 - Related Party and Party-in-Interest Transactions:

The Plan investments in pooled separate accounts are managed by the Custodian. The Plan investment in interest-bearing cash is managed by Wells Fargo Advisors. Any purchases and sales of these funds are open market transactions at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Certain other administrative expenses are paid directly by the Company.

Fuerst Group 401(k) Plan

Notes to the Financial Statements

Note 10 - Risks and Uncertainties:

The Plan provides for various investment options in any combination of the pooled separate accounts, common stock, exchange-traded funds, and other investments offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market fluctuations and credit risks. Due to the nature of risk associated with investment securities, it is at least reasonably possible that changes in the level of risk in the near term would materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits.

All of the Plan's investments are held by the Custodian and Wells Fargo Advisors.

The following table identifies certain significant investments of the Plan at December 31:
