INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the
Plumbers and Pipefitters
Local Union No. 74 Annuity Plan
Wilmington, Delaware

Opinion

We have audited the financial statements of Plumbers and Pipefitters Local Union No. 74 Annuity Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Plumbers and Pipefitters Local Union No. 74 Annuity Plan as of December 31, 2022 and 2021, and the changes in net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Plumbers and Pipefitters Local Union No. 74 Annuity Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Responsibilities of Management for the Financial Statements (Continued)

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Plumbers and Pipefitters Local Union No. 74 Annuity Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Plumbers and Pipefitters Local Union No. 74 Annuity Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Plumbers and Pipefitters Local Union No. 74 Annuity Plan's ability to continue as a going concern for a reasonable period of time.

To the Board of Trustees of the
Plumbers and Pipefitters
Local Union No. 74 Annuity Fund

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the
Plumbers and Pipefitters
Local Union No. 74 Annuity Plan
Wilmington, Delaware

Opinion

We have audited the financial statements of Plumbers and Pipefitters Local Union No. 74 Annuity Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Plumbers and Pipefitters Local Union No. 74 Annuity Plan as of December 31, 2022 and 2021, and the changes in net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Plumbers and Pipefitters Local Union No. 74 Annuity Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Responsibilities of Management for the Financial Statements (Continued)

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Plumbers and Pipefitters Local Union No. 74 Annuity Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Plumbers and Pipefitters Local Union No. 74 Annuity Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Plumbers and Pipefitters Local Union No. 74 Annuity Plan's ability to continue as a going concern for a reasonable period of time.

To the Board of Trustees of the
Plumbers and Pipefitters
Local Union No. 74 Annuity Fund

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PLUMBERS AND PIPEFITTERS LOCAL UNION NO. 74 ANNUITY FUND

NOTES TO FINANCIAL STATEMENTS

NOTE A - PLAN DESCRIPTION

General

The Plan is a deferred income plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility Requirements

A participant working in covered employment becomes an eligible participant in the Plan as of the first day of employment. There is no waiting period required for participation based on age, length of service, and hours of service.

Retirement Benefits

When a participant reaches normal retirement age, the participant is eligible to receive the accumulated share determined as of the date of the event.

- The balance in the participant's individual account.
- Participants are 100% vested in their account balances.

Disability Benefit

If a participant less than sixty-five (65) years of age becomes totally and permanently disabled from performing work in the plumbing or pipefitting industry, the participant is entitled to receive the accumulated share on the same terms and conditions provided in the Plan. Total and permanent disability shall be determined by the sole discretion of the Trustees, and they may enact such rules and regulations involving medical examinations, documentary proof and other matters as they shall determine.

Vesting

Participants are immediately vested in the employer contribution plus actual earnings thereon.

Contributions

Contributions to the Plan are based on an agreed-upon rate per hour in the collective bargaining agreement as negotiated between the Plumbers and Pipefitters Local Union No. 74 and participating employers.

NOTES TO FINANCIAL STATEMENTS

NOTE A - PLAN DESCRIPTION (CONTINUED)

Participant Accounts

Each participant's account is credited with employer's contributions and account earnings and charged an allocation of administrative expenses.

Participants are able to allocate contributions to the following investment options:

- *Reliance/MetLife Stable Value Fund:* Seeks to preserve principal while generating earnings at rates competitive over time with short-term high-quality fixed income investments.
- *American Century Mid Cap Value Fund:* Seeks long-term capital growth.
- *American Funds Washington Mutual Investors Fund:* Seeks current income and an opportunity for growth of principal consistent with sound common-stock investing.
- *Delaware Small Cap Value Fund:* Seeks capital appreciation.
- *First Eagle Global Fund:* Seeks long-term growth of capital by investing in a range of asset classes from markets in the U.S. and around the world.
- *Metropolitan West Total Return Bond Fund:* Seeks total return consistent with preservation of capital. Fund invests primarily in debt securities.
- *PIMCO Income Fund:* Seeks to maximize current income. Long-term capital appreciation is a secondary objective.
- *PIMCO StocksPLUS International U.S. Dollar-Hedged Fund:* Seeks total return which exceeds that of its benchmark index consistent with prudent investment management.
- *Principal Blue Chip Fund:* Seeks long-term growth of capital.
- *T. Rowe Price Dividend Growth Fund:* Seeks dividend income and long-term capital growth primarily through investment in stocks.
- *T. Rowe Price Mid-Cap Growth Fund:* Seeks to provide long-term capital appreciation by investing in mid-cap stocks with potential for above-average earnings growth.

PLUMBERS AND PIPEFITTERS LOCAL UNION NO. 74 ANNUITY FUND

NOTES TO FINANCIAL STATEMENTS

NOTE A - PLAN DESCRIPTION (CONTINUED)

Participant Accounts (Continued)

- *T. Rowe Price Retirement Funds:* Seeks growth through capital appreciation based on targeted retirement dates.
- *Vanguard 500 Index Fund:* Seeks to track the performance of a benchmark index that measures the investment return of large-capitalization stocks.
- *Vanguard Total International Bond Fund:* Seeks to track the performance of an index that includes international government, agency, and corporate securities, mostly from developed countries, but also some emerging markets countries.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's policy is to prepare its financial statements on the accrual basis of accounting; consequently, revenue is recognized when earned and expenses when incurred.

Use of Estimates

Preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, the actual results could differ from those estimates.

Receivables – Employers' Contributions

Anticipated uncollectables are considered to be negligible by management, and accordingly, no provision for bad debts has been included for the years ended December 31, 2022 and 2021.

Investment Valuation and Income Recognition

Investments are reported at fair value except for the fully benefit-responsive investment contract (Collective Trust), which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for a discussion of fair value measurements.

PLUMBERS AND PIPEFITTERS LOCAL UNION NO. 74 ANNUITY FUND

NOTES TO FINANCIAL STATEMENTS

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Tax Status

The Internal Revenue Service has determined and informed the Plan by a letter dated April 27, 2012, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Fund administrator and the Plan's tax counsel believe that the Fund is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.

The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator has a high level of confidence that the Plan is no longer subject to income tax examinations for years prior to 2019.

Payment of Benefits

Benefits are recorded when paid.

PLUMBERS AND PIPEFITTERS LOCAL UNION NO. 74 ANNUITY FUND

NOTES TO FINANCIAL STATEMENTS

NOTE C - FUNDING POLICY

The Plan is funded through contributions by union employers for union employees who work within the jurisdiction of the union based on the number of hours worked during each monthly reporting period.

NOTE D - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value, except for fully benefit-responsive investment contracts, in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement as of the reporting date.

The fair value measurements accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs were used only when Level 1 inputs were not available. Investments are presented at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Investment policies have been established by management of the Fund. The changes in the difference between the fair value and the cost of investments and the realized gain (loss) on sale of investments are reflected in the statements of changes in net assets available for benefit as net appreciation in fair value of investments. Investment transactions are recognized as of the trade date, and the cost of investments sold is determined on a weighted average basis. Interest income is recorded on the accrual basis and dividend income is recognized as of the ex-dividend date. There have been no changes in the methodologies used at December 31, 2022 and 2021.

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

Investment fair value measured on a recurring basis at December 31 is:

	Fair Value	Fair Value Measurements Using		
		Level 1	Level 2	Level 3
December 31, 2022				
Mutual funds	\$ 70,581,733	\$ 70,581,733	\$ -	\$ -

Total investments	<u>\$ 87,981,584</u>	<u>\$ 84,079,009</u>	<u>\$ 3,902,575</u>	<u>\$ -</u>

The assets included in narrative are as follows:

Level 1-	The fair value of mutual funds is based on quoted net asset value of the share held by the Fund at year end.
Level 2-	The collective trust is a fully benefit-responsive investment contract. The net asset value of the contract is determined by MetLife based on quoted market prices of the underlying investments owned by MetLife.
Level 3-	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE F - RISKS AND UNCERTAINTIES

The Plan invests in various registered investment companies (mutual funds). Mutual funds are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain mutual funds, it is at least reasonably possible that changes in the values of mutual funds will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

On January 20, 2020, the World Health Organization ("WHO") announced a global health emergency due to a new strain of coronavirus (the "COVID-19 outbreak") and the risks to the international community as the virus spread globally and throughout the United States beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

The full impact of the COVID-19 outbreak continues to evolve as of September 28, 2023. It is uncertain as to the full magnitude it will have on the Fund's financial condition, liquidity and fair value of investments and future results of operations. Given the daily evolution of the COVID-19 outbreak and the global and United States' responses to curb its spread, the Fund is unable to estimate the ultimate effects of the pandemic on its future financial condition and results of operations for 2023 and beyond.

The Fund is dependent on the continuity of its union member workforce being employed by the participating employers. Developments such as social distancing and shelter-in-place directives have a direct impact on an employer's ability to deploy its workforce effectively. Prolonged workforce disruptions may negatively impact employer contributions as well as liquidity and the fair value of investments.

NOTE G - CONCENTRATIONS

Contributions can vary annually among participating employers depending on the quantity and extent of contracted services performed. During the years ended December 31, 2022 and 2021, two major contributing employers provided approximately 45% and 51% of employer contributions and total contributions, respectively.

NOTE H - PLAN TERMINATION

The Union and the Association reserve the right to terminate this Plan at any time by an instrument in writing executed by both parties and delivered to the Trustees.

Upon termination or partial termination of this Plan, or upon complete discontinuance of contributions under this Plan, the vested interest of each employee in the employee's individual account as of the date of such termination, partial termination or discontinuance shall be equal to one hundred percent (100%) of such individual account.

In the event that this Plan is terminated, the individual account of each employee shall be fully distributed in accordance with the provisions of the Plan. If there shall be a partial termination or complete discontinuance of contributions, the Trustees shall decide whether to terminate the Plan, making at that time full distribution of all individual accounts or to continue the Plan in which case distribution shall be made in accordance with the provision of the Plan in the usual manner.

NOTE I - RECONCILIATION OF FEDERAL FORM 5500 TO FINANCIAL STATEMENTS

Because the reporting requirements for the Federal Form 5500 differ in some respects from U.S. generally accepted accounting principles, there are certain variances between the financial statements and Federal Form 5500. Below is a reconciliation of such differences.

NOTES TO FINANCIAL STATEMENTS

NOTE J - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The contract is a guaranteed investment contract. The contract provides a fixed interest rate for a fixed period that will apply to the entire guaranteed value. The interest rate is reset every quarter as determined by MetLife with consideration of the fair value of the separate accounts, the anticipated market yields-to-maturity of benchmark indices of the separate accounts, expected payments into and out of the contract, amortization of the difference, if any, between the fair value of the separate accounts and the guaranteed value of the contract, and the fees allowed under the contract.

This contract meets the fully benefit-responsive investment contract criteria and is therefore reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan.

The average yield earned by the contract at December 31, 2022 and 2021 was 1.95% and 1.91%, respectively.

Events That Limit the Ability of the Fund to Transact at Contract Value

The contract is benefit-responsive at contract value for all participant-directed transactions.

As described in the *Declaration of Trust*, in certain circumstances, MetLife may make payments attributable to a participating plan or its sponsor (a Participating Plan-Directed Withdrawal), and all participant withdrawals deemed to be Participating Plan-Directed Withdrawals, as Market Value Adjusted Payments. Market Value Adjusted Payments means (1) if contract value is less than or equal to market value, the withdrawal's proportionate share of contract value, or (2) if market value is less than contract value, the amount of the withdrawal requested multiplied by the ratio that market value bears to contract value.

Events That Allow Termination of the Contract and Settle at an Amount Different from Contract Value

Participant-directed withdrawals (withdrawals that are made by a participant in a participating plan without advice, suggestion, guidance, or direction to do so by the plan sponsor, administrator, fiduciary record keeper or other plan service provider) are paid at the guaranteed value. However, if a withdrawal is made from the contract as a result of an employer or plan sponsor-initiated event or if a withdrawal is requested due to a complete or partial termination of a participating plan in the Trust before the contract ends, and the contract's fair value equals or exceeds the guaranteed value, payment is made in an amount equal to the amount of the guaranteed value which is attributable to the participating plan. If the contract's fair value is less than its guaranteed value, the amount paid is equal to the guaranteed value reduced by the amount of fair value deficit allocable to the participating plan.

NOTE K - PROHIBITED TRANSACTIONS

There were no prohibited transactions during 2022 or 2021.

NOTE L - SECURE ACT 2.0

SECURE Act 2.0. The SECURE Act 2.0, also known as the Setting Every Community Up for Retirement Enhancement Act 2.0, was enacted into law on December 29, 2022, and is aimed at improving retirement savings opportunities for individuals. The provisions of the law are expected to have a profound impact on nearly every aspect of retirement plan administration.

Section 101 of the SECURE Act 2.0 requires 401(k) and 403(b) plans to automatically enroll participants into the Plan upon reaching eligibility unless the employee opts-out, at a rate of at least 3 but no more than 10 percent, unless the employer has less than 10 employees, is a new business in operation for less than three years or is a church or governmental plan. However, all current 401(k) and 403(b) Plans are grandfathered in from this requirement.

Under the SECURE Act 2.0, starting in 2024, if the taxpayer has income of at least \$145,000 for the year, a catch-up contribution must be treated as a Roth contribution. That means these funds are contributed with after-tax dollars, so they will not reduce current taxable income, but can be withdrawn tax-free in the future. The \$145,000 income threshold will also be indexed for inflation in future years.

Starting in 2025, a new special catch-up contribution is permitted for taxpayers who are between ages 60 and 63. That contribution limit will be equal to the greater of (1) \$10,000 or (2) 150% of the standard catch-up contribution limit for 2024. The \$10,000 limit will also be indexed for inflation. Once the taxpayer reaches age 64, the regular (lower) catch-up contribution limit applies.

The SECURE Act 2.0 increases the age thresholds for required minimum distributions (RMD's) from age 72 to age 73 as of January 1, 2023. It additionally increases the age threshold to age 75 as of January 1, 2033.

Furthermore, the legislation includes provisions aimed at expanding access to retirement savings plans for part-time employees. It seeks to make it easier for these individuals to participate in employer-sponsored plans, thus promoting greater retirement preparedness among a broader range of workers.

Further provisions of the SECURE Act 2.0 will begin coming online in future plan years and their impact to the operation of 401(k) plans may be affected by future legislation.
