Independent Auditor's Report

Board of Directors Watts Healthcare Corporation Money Purchase Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed an audit of the financial statements of Watts Healthcare Corporation Money Purchase Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2022 financial statements.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2022 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2022 financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We performed an audit of the 2021 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, our audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. In our report dated October 14, 2022, we indicated that in our opinion, except for the matter described below, (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Our report also indicated that except for the matter described below, the form and content of the 2021 supplemental schedule, other than the information in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the

information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

The Plan was not audited and was not able to file audited financial statements with Form 5500 from 2016 through 2020. Moreover, there was a turnover in the Human Resources Department in 2021. Due to these circumstances, certain employee and contribution information are no longer available as audit evidence during our audit. We were unable to determine the accuracy of participant information, evaluate the proper inclusion or exclusion of employees from the Plan, and calculate and reconcile employer contributions for certain participants selected for testing. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the contributions and the contributions receivable reported in the financial statements have been affected by these conditions and evaluate whether there are delinquent contributions that should have been reported and contributed to the Plan.

NOTE 1 DESCRIPTION OF THE PLAN

The following description of the Watts Healthcare Corporation Money Purchase Plan (Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan, which became effective April 1, 2003, is a defined contribution pension plan covering all employees who have completed at least 1,000 hours of service during a consecutive twelve-month period and attained a minimum age of 21. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

The amount of annual contributions to be made with respect to any particular participant by the Watts Healthcare Corporation (WHC) shall be equal to 5% of the participant's eligible compensation, as defined in the Plan agreement. WHC is the sole contributor to the Plan, and all of the Plan's administrative costs are paid by WHC as the Plan Administrator. Contributions by WHC are designed to fund the Plan on a current basis.

Annual additions, as defined, to each participant's account may not exceed the lesser of \$61,000 or 100% of the participant's compensation for 2022 and \$58,000 or 100% of the participant's compensation for 2021.

Participant Accounts

Each participant's account is charged or credited with the contributions, net earnings, gains, losses and expenses as well as any appreciation or depreciation in the fair value of investments. For assets in a participant's account that are accounted for as pooled assets or investments, the allocation of earnings, gains and losses of each participant's account shall be based upon the total amount of funds so invested in a manner proportionate to the participant's share of such pooled asset or investment. For assets in the participant's account that are accounted for as segregated assets, the allocation of earnings, gains and losses from such assets shall be made on a separate and distinct basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

A Plan participant shall become vested in his or her participant account under the following vesting schedule:

<u>Years of Service</u>	<u>Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Vesting (Continued)

A participant is 100% vested after five years of service or upon death, disability, or retirement.

Payment of Benefits

Participants are entitled to receive 100% of their account under the Plan upon reaching the normal retirement age of 65. Participants are also entitled to 100% of their account when they become disabled.

On distribution of benefits due to retirement, termination, or any other event, benefits may be distributed to the participant in various methods. The methods depend on the participant's marital status, as well as the election the participant and the participant's spouse make. All methods of distribution have equivalent values.

Investment Options

Participants may direct employer contributions, as desired, in any of several investment options held by the trustee and may change their investment options anytime.

Forfeitures

If a participant's employment with WHC is terminated under certain conditions, the participant will forfeit the non-vested portion of his or her account. Amounts forfeited by participants will be recorded in the forfeited non-vested accounts which will be used to offset future employer contributions.

The changes in the Plan's forfeiture account balance for the years ended December 31, 2022 and 2021 are as follows:

	<u>2022</u>	<u>2021</u>
Balance, January 1	\$ 202,039	\$ -
Forfeitures during the year	26,666	201,901
Investment gain	558	138
Forfeitures used during the year to reduce employer contribution	<u>(96,631)</u>	<u>-</u>
Balance, December 31	<u>\$ 132,632</u>	<u>\$ 202,039</u>

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of its assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates made.

Investment Valuation and Income Recognition

The Plan's investments in pooled separate accounts are stated at fair value. Fair value is the price that would be received if an asset is sold or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurement.

The annuity contract is stated at contract value. Contract value is the relevant measurement attribute for fully benefit-responsive investment contracts. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees. See Note 5 for discussion of investments at contract value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

Net Appreciation (Depreciation) in Fair Value of Investments

Realized and unrealized appreciation (depreciation) in the fair value of investments is calculated based on the difference between the fair value of the assets at the beginning of the year, or at the time of purchase for assets purchased during the year, and the related fair value on the day investments are sold with respect to realized appreciation (depreciation), or on the last day of the year for unrealized appreciation (depreciation).

Realized and unrealized appreciation (depreciation) is recorded in the accompanying Statements of Changes in Net Assets Available for Benefits as net appreciation (depreciation) in fair value of investments.

Benefits Paid to Participants

Benefits are recorded when paid.

Administrative Expenses

Non-investment costs and administrative expenses are paid by WHC which is a party-in-interest. These expenses, which are not reflected in the accompanying financial statements, constitute exempt party-in-interest transactions under ERISA. Fees paid by the Plan participants to the third-party administrators for administrative expenses amounted to \$4,339 and \$2,247 for the years ended December 31, 2022 and 2021, respectively.

NOTE 3 INCOME TAX STATUS

The Internal Revenue Service (IRS) has determined and informed WHC by a letter dated December 27, 2004, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 FAIR VALUE MEASUREMENT

The Plan has adopted Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*. This framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 4 FAIR VALUE MEASUREMENT (CONTINUED)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 and 2021.

Pooled separate accounts: Valued on a net unit value basis as determined by the custodian on the last business day of the Plan year. Net asset value is quoted by the funds as derived from the fair value of the funds' underlying investments. In 2022, the underlying investments of the Plan's pooled separate accounts consist solely of investments in mutual funds registered with the Security and Exchange Commission. In 2021 the pooled separate accounts primarily included domestic and international equities and domestic fixed income securities. The trustee may make adjustments to achieve a price believed to be more reflective of fair value.

The preceding method described above may produce a fair value calculation that may not be indicative of a net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

December 31, 2022				
Investment Category	Level 1	Level 2	Level 3	Total
Pooled separate accounts \$	<u><u>6,451,694</u></u>	<u><u>-</u></u>	<u><u>-</u></u>	<u><u>6,451,694</u></u>

December 31, 2021				
Investment Category	Level 1	Level 2	Level 3	Total
Pooled separate accounts \$	<u><u>-</u></u>	<u><u>8,179,104</u></u>	<u><u>-</u></u>	<u><u>8,179,104</u></u>

In regard to the classification of investment options offered by the Plan, there was a reclassification between Levels 1 and 2 during the year ended December 31, 2022, due to the change in the underlying investments held by the Plan's pooled separate accounts described above. There was no reclassification between levels during the year ended December 31, 2021.

NOTE 5 INVESTMENTS AT CONTRACT VALUE

The Plan has an annuity contract with Mutual of America. The funds held in the Interest Accumulation Account of Mutual of America's General Account are credited with Current Rate of Interest as determined by Mutual of America. Mutual of America reserved the right to change the interest rates applicable to the amounts held in the annuity contract at its discretion. The annuity contract meets the definition of a fully benefit-responsive investment contract and accordingly reported at contract value. The contract value equals the accumulated cash contributions and interest credited to the Plan's contract, less any withdrawals.

The investments in annuity contract are presented in the Statements of Net Assets Available for Benefits at contract value. As of December 31, 2022 and 2021, the Plan's investment in annuity contract amounted to \$1,409,068 and \$797,147, respectively.

NOTE 6 FINANCIAL INFORMATION CERTIFIED BY THE CUSTODIAN

The Plan's asset information as of December 31, 2022 and 2021, and for the years then ended, included throughout the Plan's financial statements and ERISA-required supplemental schedule, were obtained by management and agreed to or derived from information certified by Mutual of America Life Insurance Company, the custodian of the Plan. The Plan Administrator has obtained certifications from the custodian that information provided to the Plan Administrator by the custodian related to the Plan's assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following:

- Investments, as reflected in the Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021;
- Investment activity, as reflected in the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2022 and 2021;
- Investment information disclosed in Notes 4 and 5 to the Plan's financial statements; and,
- Investments, as reflected in Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022.

NOTE 7 RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments consist of pooled separate accounts, and an annuity contract issued and managed by Mutual of America. Mutual of America is the custodian and third-party administrators of the Plan and, therefore, the transactions in these investments, while considered party-in-interest transactions under ERISA regulations, are permitted under the provision of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

WHC provides to the Plan certain accounting and administrative services for which no fees are charged.

NOTE 8 CHANGE IN PLAN CUSTODIAN

Effective on December 1, 2021, the Plan changed its custodian and third-party administrator from PRIAC to Mutual of America Life Insurance Company. Consequently, the Plan assets amounting to \$8,669,866 were transferred from PRIAC to Mutual of America Life Insurance Company on December 1, 2021.

NOTE 9 DELINQUENT CONTRIBUTIONS

Certain findings in the prior year's audit resulted in the Plan making correction during the year 2022. On October 31, 2022, the Plan Sponsor remitted the contribution and lost earnings to the Plan amounting to \$10,236. The correction did not result in the restatement of the 2021 financial statements.

NOTE 10 RISKS AND UNCERTAINTIES

The Plan invests in various types of investment securities. Investments securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 11 PLAN TERMINATION

Although it has not expressed any intent to do so, the WHC has the right under the Plan to discontinue its contribution at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become one hundred percent (100%) vested in their accounts and the net assets of the Plan will be allocated among the participants and their beneficiaries after payment of any expenses chargeable to the Plan, in accordance with the provisions of ERISA.

NOTE 12 NEW LAWS AND REGULATIONS

On December 29, 2022, the SECURE 2.0 Act of 2022 (SECURED 2.0) became law. The new law makes changes to include provisions intended to expand coverage, increase retirement savings, and simplify and clarify retirement plan rules. SECURED 2.0 changed the retirement plan rules for long-term, part-time employees. The 401(k) plan requirement to allow employees to contribute elective deferral was expanded to 403(b) plans. For plan years beginning in 2024, if an employee has three consecutive 12-month periods with more than 500 hours of service in each, the employee must be eligible to enter the plan, and the period of service was reduced from three to two consecutive 12-month periods, for plans years beginning after December 31, 2024.

NOTE 13 SUBSEQUENT EVENTS

The Plan has evaluated subsequent events to December 31, 2022 to assess the need for potential recognition and/or disclosure in the financial statements. Such events were evaluated through October 10, 2023, the date on which the accompanying financial statements were available to be issued. Based upon this evaluation, management determined that no subsequent events required disclosure or adjustment to the accompanying financial statements.
