Independent Auditors' Report

To the Plan Sponsor of
Bennett, Bricklin & Saltzburg LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Bennett, Bricklin & Saltzburg LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Bennett, Bricklin & Saltzburg LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section —

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Bennett, Bricklin & Saltzburg LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bennett, Bricklin & Saltzburg LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bennett, Bricklin & Saltzburg LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bennett, Bricklin & Saltzburg LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion —

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Bennett, Bricklin & Saltzburg LLC 401(k) Plan

Notes to Financial Statements Years Ended December 31, 2022 and 2021

1. Plan Description

The following brief description of the Bennett, Bricklin & Saltzburg LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan and operates under Section 401(k) of the Internal Revenue Code ("IRC"). The Plan was established on September 1, 1992, amended and restated effective January 1, 2021, and covers all eligible employees (as defined) of Bennett, Bricklin & Saltzburg LLC (the "Company" or "Employer"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

Every employee whom is age 18 or older, except for temporary employees (as defined), is eligible to enter the Plan on the first day of employment. Participants are eligible to receive employer matching contributions and profit-sharing contributions.

Contributions - Participant Salary Deferral

Participants in the Plan may make pre-tax and Roth contributions at a discretionary amount of their annual compensation and bonus provided that the participant's contribution does not exceed the maximum dollar amount determined by the Internal Revenue Service ("IRS") each year, which was \$20,500 for the year ended December 31, 2022. Employees 50 years or older may elect to defer additional amounts called "catch-up contributions," also subject to IRS limitations, which were \$6,500 for the year ended December 31, 2022, to the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans called rollover contributions. In addition, the Plan has an automatic enrollment feature whereby participants who have not completed an enrollment or opt out form are automatically enrolled into the Plan with a 2% deferral once they meet eligibility requirements. Automatically enrolled employees may subsequently elect not to defer compensation under the Plan and may request a refund of their contributions if certain IRS requirements are met.

Employer Contributions

The Employer matches 100% of participants' elective contributions with a maximum annual match of \$500. The Plan allows for discretionary profit-sharing employer contributions. The Company did not make any profit-sharing employer contributions for the year ended December 31, 2022.

Vesting

Participants are immediately 100% vested in their own contributions and employer matching contributions plus actual earnings thereon. A participant vests in profit sharing contributions and earnings thereon 20% after two years of credited service and 20% per year for each additional year of credited service and is fully vested after six years of credited service. A year of credited service is earned for each Plan year in which the participant completes at least 1,000 hours of service.

Forfeitures

A participant who terminates employment and is less than 100% vested in their account balance forfeits the non-vested portion of their account. Forfeitures are used to pay Plan expenses or to reduce matching contributions of the Employer.

Participant Accounts

Individual participant accounts are credited with applicable participant contributions and related employer matching contributions and allocations of 1) employer profit sharing contributions and 2) plan earnings or losses and charged with an allocation of administrative expenses. Allocations are based upon participant earnings or account balances or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is equal to the vested portion of the participant's account. Participants direct the investment of their contributions into various investment options offered by the Plan.

Bennett, Bricklin & Saltzburg LLC 401(k) Plan

Benefit Payments

The Plan provides benefits upon termination of employment, termination of service due to death, disability or retirement, or attainment of age 59½ while still employed. Generally, a participant may elect to receive the value of their vested interest in his or her account in either a lump-sum amount or a rollover to an eligible retirement plan. Plan provisions allow for involuntary distributions when a benefit election is not made as follows; participants who are no longer employed by the Company and who have a vested balance less than \$1,000 will receive a lump-sum payment, and participants who have balances between \$1,000 and \$5,000 will have their balances rolled into an Individual Retirement Account ("IRA"). Hardship withdrawals are available, as defined in the Plan Documents.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at the federal prime rate plus 1% at the date of the loan. Loans, other than those used for the purchase of a principal residence, must be repaid within a period not to exceed five years. Principal and interest are paid through payroll deductions. Interest rates on outstanding loans ranged from 4.25% to 7.25% at December 31, 2022.

On March 27, 2020, the "Coronavirus Aid, Relief, and Economic Security (CARES) Act" was signed into law. The CARES Act includes several relief provisions available to the Plan and its participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions:

- Loans taken during the 180-day period (between March 27, 2020, and September 22, 2020) related to COVID-19 will have an increased limit of the lesser of \$100,000 or 100% of participant's vested account balance;
- Special coronavirus distributions up to \$100,000. Such distributions must be processed and distributed by December 31, 2020.

Plan management intends to formally amend the Plan for these relief provisions no later than December 31, 2025.

2. Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Dividends are recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. The Plan presents, in the statement of changes in net assets available for benefits, the net change in the fair value of its investments which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative fees and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded (deemed distribution).

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain administrative expenses are paid by the Company.

Bennett, Bricklin & Saltzburg LLC 401(k) Plan

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of Plan income and expenses during the reporting period. Actual results may differ from those estimates.

Subsequent Events

Management evaluated subsequent events for the Plan through October 12, 2023, the date the financial statements were available to be issued.

3. Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, held as of December 31, 2022 and 2021, and net depreciation in fair value of investments, dividend income, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by John Hancock Trust Company LLC ("John Hancock"), the trustee of the Plan.

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value of measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Valuation techniques used to measure fair value fall into one of the three levels of the fair value hierarchy below and are defined as follows:

- **Level 1** - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- **Level 2** - Inputs to the valuation methodology include: (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability; and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- **Level 3** - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodology used for assets measured at fair value:

- *Pooled Separate Accounts* – Valued at fair value based on the underlying assets, which represent the net asset value, of units held by the pooled separate accounts.
- *Mutual Funds* – Mutual funds are valued at quoted market prices in an active market.

There have been no changes in the methodology used at December 31, 2022 and 2021.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes that its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Bennett, Bricklin & Saltzburg LLC 401(k) Plan

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

	Level 1	Level 2	Total
<u>December 31, 2022</u>			
Mutual funds	\$ 16,849,115	\$ -	\$ 16,849,115
Pooled separate accounts	-	2,463,906	2,463,906
Total investments at fair value	<u>\$ 16,849,115</u>	<u>\$ 2,463,906</u>	<u>\$ 19,313,021</u>
<u>December 31, 2021</u>			
Mutual funds	\$ 20,656,562	\$ -	\$ 20,656,562
Pooled separate accounts	-	588,760	588,760
Total investments at fair value	<u>\$ 20,656,562</u>	<u>\$ 588,760</u>	<u>\$ 21,245,322</u>

5. Tax Status

On June 30, 2020, the Internal Revenue Service stated that the approved prototype plan adopted by the Plan, as then designed, is acceptable under Section 401 of the IRC. The Plan has not received a determination letter specific to the Plan itself; however, the plan administrator believes that the Plan, as amended, is currently designed and being operated in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Company contributions.

8. Reconciliation of Financial Statements to Form 5500

The Form 5500 was prepared on the cash basis for the plan years ended December 31, 2022 and 2021 and the financial statements were prepared on the accrual basis of accounting. The following is a reconciliation of the differences between the financial statements and the amounts reported on the IRS Form 5500 as December 31, 2022 and 2021, and for the year ended December 31, 2022.

	2022	2021
Net assets available for benefits per the financial statements	\$ 19,502,797	\$ 21,487,872
Less: Adjustment for participant contribution receivable not reported on Form 5500	-	(33,732)
Less: Adjustment for employer contribution receivable not reported on Form 5500	-	(507)
Net assets per Schedule H of Form 5500	<u>\$ 19,502,797</u>	<u>\$ 21,453,633</u>
Net decrease in net assets available for benefits per the financial statements	\$ (1,985,075)	
Adjustment for change in participant contribution receivable	33,732	
Adjustment for change in employer contribution receivable	<u>507</u>	
Net loss per Schedule H of Form 5500	<u>\$ (1,950,836)</u>	

9. Party-in-Interest Transactions

John Hancock is the trustee and record keeper, as defined by the Plan. Fees paid by the Plan for the investment management and administrative services to John Hancock were \$28,632. In addition, the Plan paid \$37,565 for investment advisory services to AXA Advisors, LLC for the year ended December 31, 2022. These transactions qualify as party-in-interest transactions and are exempt under the prohibited transactions rules.
