MANAGEMENT 401(K) PLAN**

**FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

WITH INDEPENDENT AUDITOR'S REPORT

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Goldmark Property Management 401(k) Plan
Fargo, North Dakota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of **Goldmark Property Management 401(k) Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **Goldmark Property Management 401(k) Plan's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Goldmark Property Management 401(k) Plan** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Goldmark Property Management 401(k) Plan's** ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Goldmark Property Management 401(k) Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Goldmark Property Management 401(k) Plan's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

Supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Schedule H, line 4a – Schedule of Delinquent Participant Contributions as of the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GOLDMARK PROPERTY MANAGEMENT 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Goldmark Property Management 401(k) Plan (the Plan) provides only general information. Participants should refer to the defined contribution volume submitter plan document and related adoption agreement for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering employees of Goldmark Property Management (the Company) who have six months of service with a minimum of 500 hours and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On March 16, 2021 the Sterling Management, LLC Plan was merged into the Plan. Sterling Management, LLC Plan assets are reflected on the statement of changes in net assets as transferred in the adoption agreements restated effective March 16, 2021.

Contributions

Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan, limited to the maximum allowed under the Internal Revenue Code (IRC). Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions, limited to the maximum amount allowed under the IRC. Participants may also contribute amounts representing contributions from other qualified plans. The Companies can make a discretionary contribution that is determined on an annual basis. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (1) Company's contribution, and (2) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and employer Safe Harbor match contributions plus actual earnings thereon. Additional discretionary contributions made by the Company vest based on years of continuous employment. Participants who receive discretionary contributions are fully vested after six years.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in any of the offered investment options. Participants may change their investment options daily.

GOLDMARK PROPERTY MANAGEMENT 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

Notes Receivable from Participants

Participants may borrow from their funds up to a maximum not to exceed the lesser of (1) \$50,000 reduced by the excess, if any, of the highest outstanding balance of loans during the one year period ending on the day before the loan is made, over the outstanding balance of loans from the Plan on the date the loan is made or (2) one-half of the fair market value of a participant's vested account balance built up from employer contributions, voluntary contributions, and rollover contributions. The minimum loan amount that may be borrowed is \$500. Only three loans outstanding are permitted at any given time.

The term of such loan shall not exceed five years, except in the case of a loan for the purpose of acquiring a primary residence. Upon termination of employment, the maturity date of the loan will be accelerated to the participant's termination date, or the participant may request a direct rollover of the loan note to another qualified plan which agrees to accept a direct rollover of the loan note.

Any loan shall bear interest at the prime lending rate (as published in the Wall Street Journal) as of the second business day of the month the inception of the loan occurs plus one percentage point for all loan requests. Interest rates range from 4.25% to 6.50%. The loan agreement shall also provide that the payment of principal and interest be amortized in level payments not less than quarterly. The loans are secured by the participant's vested account balance.

Payment of Benefits

In the event a participant terminates employment due to separation of service, retirement, disability, or death, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or periodic installments over the participant's life expectancy. For termination of service due to other reasons, a participant may receive a distribution of all or any part of the value of the vested interest in his or her account. For participants whose age exceeds 72 years, the Internal Revenue Service required minimum distribution rules may apply.

If, upon termination of employment due to separation of service, retirement, or disability, if the account balance is less than \$5,000, the participant may elect to receive either a lump-sum distribution of the entire account balance or rollover the account into an IRA or to another qualified account. If no election is made and the balance is less than \$5,000 but greater than \$1,000, the funds will be rolled over into an IRA in the participant's name with a provider selected by the Plan administrator. If no election is made upon termination of service and the participant's account balance is less than \$1,000, the account balance will be distributed to the participant.

Administrative Fees

The Plan trustee assesses a per-transaction fee for loans and certain types of distributions. These fees were deducted from the individual participant's account balance and recorded as Plan administration expense. The Plan trustee also assesses a fee for the administration of the Plan. Administrative fees are deducted from individual participant's accounts based on account balance and recorded as Plan administration expenses in 2022 and 2021.

GOLDMARK PROPERTY MANAGEMENT 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

Forfeited Accounts

Employer contributions were reduced by \$-0- and \$3,666 in December 31, 2022 and 2021, from forfeited non-vested accounts.

At December 31, 2022 and 2021, forfeited non-vested accounts of terminated employees that have not withdrawn from the plan, totaling \$-0- and \$4,042, respectively, are available to reduce future employer contributions, as provided by the Plan.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Management determines the Plan's valuation policies. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investment bought and sold as well as held during the year.

The classification of investment earnings reported in the statements of changes in net assets available for benefits may differ from the classification of earnings on Form 5500 due to different reporting requirements on Form 5500.

Measurement of Notes Receivable – Participant Loans

Notes receivable from participants are measured at the loans' unpaid principal balance plus any accrued interest.

Payment of Benefits

Benefits are recorded when paid.

GOLDMARK PROPERTY MANAGEMENT 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

Subsequent Events

Management has evaluated subsequent events through the date of the auditor's report, which is the date the financial statements were available to be issued.

NOTE 3 – INFORMATION CERTIFIED BY THE TRUSTEE

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, as permitted under such election, no independent auditing procedures were performed with respect to the information certified as complete and accurate by the Trustee, Bell Bank.

The Plan Trustee has certified its statements of accounts as of December 31, 2022 and 2021 and for the year ended December 31, 2022. The statements of accounts include beginning and ending balances of investments held, notes receivable from participants, and detail of all transactions during the years, including interest income on notes receivable from participants and investment earnings.

NOTE 4 – FAIR VALUE MEASUREMENTS

The three levels of the fair value hierarchy in accordance with ASC 820 *Fair Value Measurements* are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active or inactive markets and inputs other than quoted prices that are observable for the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trust Funds – The valuation methodology for the common/collective funds is valued at the NAV of units of the bank common fund. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

Total	\$ <u>6,667,553</u>	\$ <u>8,063,711</u>			

The Federated Capital Preservation Fund seeks stability of principal and high current income. The fund invests in a variety of Guaranteed Investment Contracts (GIC), including traditional GICs, separate account GICs, and synthetic GICs. Participants may redeem units of the fund daily for purpose of funding a bona fide benefit payment, making a participant loan, honoring an employee-directed transfer of the employee's interest in the Plan to another investment election that is a non-competing investment, or paying Trustee fees. Employer initiated events may require 12 months' advance written notice to the Trustee.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the termination of the Plan, participants become immediately vested in all accrued benefits and are entitled to a distribution of those benefits.

NOTE 6 – TAX STATUS

On March 3, 2008, the Internal Revenue Service stated that the prototype adopted by the Plan, as then designed, qualifies under Section 401(a) of the IRC. The Plan has not received a determination letter specific to the Plan itself. The Plan has been amended and restated since adopting the prototype. However, the Plan administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the IRC.

Plan management is required to evaluate tax positions taken by the Plan and determine if the Company has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022, there are no uncertain tax positions taken.

GOLDMARK PROPERTY MANAGEMENT 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 7 – TRANSACTIONS WITH PARTIES-IN-INTEREST

The Company provides certain accounting and administrative services to the plan, for which no fees are charged.

Certain plan investments are in shares of investment funds managed by Bell Bank, the trustee, as defined by the plan and therefore, these transactions qualify as party-in-interest.

Fees incurred by the Plan to the third-party administrator, trustee, and independent auditors qualify as party-in-interest transactions. These transactions are considered exempt under ERISA.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

As of December 31, 2022, the Plan had no investment concentration in any fund. As of December 31, 2021, the Plan had no investment concentration in any fund.

NOTE 9 – NONEXEMPT TRANSACTIONS

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. During the year ended December 31, 2022 employee deferrals of \$288 were withheld from a payroll cycle and not remitted on a timely basis (as defined by the Department of Labor) by the Plan Sponsor. The Plan Sponsor has confirmed that all such deferrals, and lost earnings associated with such deferrals have been deposited to the trust. Inclusion of Note 9 and the schedule of delinquent contributions is to conform to required reporting on the Form 5500. Delinquent contributions are required to be reported on the Form 5500 until after the period in which they are corrected.
