Part I Service Provider Information (continued)

3. If you reported on line 2 receipt of indirect compensation, other than eligible indirect compensation, by a service provider, and the service provider is a fiduciary or provides contract administrator, consulting, custodial, investment advisory, investment management, broker, or recordkeeping services, answer the following questions for (a) each source from whom the service provider received \$1,000 or more in indirect compensation and (b) each source for whom the service provider gave you a formula used to determine the indirect compensation instead of an amount or estimated amount of the indirect compensation. Complete as many entries as needed to report the required information for each source.

(a) Enter service provider name as it appears on line 2	(b) Service Codes (see instructions)	(c) Enter amount of indirect compensation
(d) Enter name and EIN (address) of source of indirect compensation	(e) Describe the indirect compensation, including any formula used to determine the service provider's eligibility for or the amount of the indirect compensation.	
(a) Enter service provider name as it appears on line 2	(b) Service Codes (see instructions)	(c) Enter amount of indirect compensation
(d) Enter name and EIN (address) of source of indirect compensation	(e) Describe the indirect compensation, including any formula used to determine the service provider's eligibility for or the amount of the indirect compensation.	
(a) Enter service provider name as it appears on line 2	(b) Service Codes (see instructions)	(c) Enter amount of indirect compensation
(d) Enter name and EIN (address) of source of indirect compensation	(e) Describe the indirect compensation, including any formula used to determine the service provider's eligibility for or the amount of the indirect compensation.	

Part II Service Providers Who Fail or Refuse to Provide Information

4 Provide, to the extent possible, the following information for each service provider who failed or refused to provide the information necessary to complete this Schedule.

(a) Enter name and EIN or address of service provider (see instructions)	(b) Nature of Service Code(s)	(c) Describe the information that the service provider failed or refused to provide
(a) Enter name and EIN or address of service provider (see instructions)	(b) Nature of Service Code(s)	(c) Describe the information that the service provider failed or refused to provide

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: CROWE LLP

(2) EIN: 35-0921680

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)

	Yes	No	Amount
4a		X	

	Yes	No	Amount
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)			
4b		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)			
4c		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)			
4d		X	
e Was this plan covered by a fidelity bond?	X		10000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
4f		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4g		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4h		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
4i	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)			
4j		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?			
4k		X	
l Has the plan failed to provide any benefit when due under the plan?			
4l		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)			
4m		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			
4n			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

5b(1) Name of plan(s)	5b(2) EIN(s)	5b(3) PN(s)

5c Was the plan a defined benefit plan covered under the PBGC insurance program at any time during this plan year? (See ERISA section 4021 and instructions.) ☐ Yes ☐ No ☐ Not determined

If "Yes" is checked, enter the My PAA confirmation number from the PBGC premium filing for this plan year _____.

Provide explanation _____

INDEPENDENT AUDITOR'S REPORT

To the Retirement Plan Committee
TDIndustries, Inc. 401(k)/ESOP Retirement Plan
Dallas, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of TDIndustries, Inc. 401(k)/ESOP Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As discussed in Note 5, investments in TDIndustries, Inc. common stock amounting to \$100,570,763 and \$124,137,937 as of December 31, 2022 and 2021, respectively, have been reported at estimated fair values as determined by independent appraisals which have been reviewed and approved by Plan management. These amounts represent approximately 48.30% and 49.42% of net assets available for benefits as of December 31, 2022 and 2021, respectively. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

(Continued)

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Retirement Plan Committee
TDIndustries, Inc. 401(k)/ESOP Retirement Plan
Dallas, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of TDIndustries, Inc. 401(k)/ESOP Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As discussed in Note 5, investments in TDIndustries, Inc. common stock amounting to \$100,570,763 and \$124,137,937 as of December 31, 2022 and 2021, respectively, have been reported at estimated fair values as determined by independent appraisals which have been reviewed and approved by Plan management. These amounts represent approximately 48.30% and 49.42% of net assets available for benefits as of December 31, 2022 and 2021, respectively. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

(Continued)

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TDINDUSTRIES, INC. 401(k)/ESOP RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1 - DESCRIPTION OF PLAN

The following description of the TDIndustries, Inc. 401(k)/ESOP Retirement Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The TDIndustries, Inc. 401(k) Savings Plan and Trust (401(k) Plan) was established on September 1, 1989 and was a defined contribution profit sharing plan sponsored by TDIndustries, Inc. (Company). Effective January 1, 1998, the 401(k) Plan was amended and restated to allow for the merger of the TDIndustries, Inc. Employee Stock Ownership Plan and Trust (ESOP) into the 401(k) Plan. The Plan was renamed the TDIndustries, Inc. 401(k)/ESOP Retirement Plan (the Plan). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administration: The plan administrator is appointed by the Retirement Plan Committee ("Committee"). The Plan's investments are held in an investment trust maintained by Charles Schwab Trust Bank (the Trustee) under a trust agreement. The Trustee is responsible for the administration, management, and, subject to participant direction of investment, the investment of the trust funds. The Trustee maintains the records of the Plan on a calendar-year basis (the Plan Year).

Eligibility: Full-time employees become eligible for participation in the Plan upon or after completing thirty days of service with the Company. Participating employees may contribute 1% through 10% of their annual before tax compensation to their individual ESOP savings accounts and 1% through 100% of their annual before tax compensation to their individual 401(k) savings accounts. Such contributions are made through payroll deductions.

Effective January 1, 1994, the Company's Board of Directors established certain nonqualified ESOP and 401(k) plans (the Supplemental Plans) for certain employees. These nonqualified plans are not subject to the provisions of ERISA and their financial activities are not covered by this report.

Contributions: Company contributions (which may be in cash or other property) made to the Plan are discretionary and established by the Company's Board of Directors on an annual basis. For 2022, no Company matching contributions were made to the Plan.

The maximum annual amount an employee could invest in the Plan was \$20,500 in 2022. Employees who are over the age of 50 or turning age 50 on or before December 31, 2022 are eligible for an additional catch-up contribution of \$6,500 in 2022. Also, the total yearly allocation to an employee's accounts (the funds contributed by the employee and the Company in the Plan) could not exceed 100% of the employee's total compensation or \$61,000 in 2022, whichever is lower. These amounts are prescribed by law and are subject to change on an annual basis. The Company must further limit contributions based on the discrimination tests of Section 401(k) and 401(m) of the Internal Revenue Code of 1986. Contributions for 2022 did not exceed the maximum amounts allowed by law for the Plan.

Participants' Accounts: Each of the participant's accounts (401(k) and ESOP savings accounts) are credited with the participant's contributions and allocations of the Company's respective contributions and related Plan earnings. Company contributions are allocated among the participants in the proportion that each participant's contributions to the 401(k) and ESOP portions of the Plan for that year bear to the total contribution of all participants to the 401(k) and ESOP portions of the Plan for that same year. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

(Continued)

TDINDUSTRIES, INC. 401(k)/ESOP RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Participant 401(k) savings accounts are valued daily to reflect income earned. Plan participants are fully vested at all times in the Plan investments purchased with their own contributions, and in investments allocated to their account from contributions by the Company after completion of three years of service (as defined in the Plan). Also, all Plan participants who leave the Company because of normal retirement (at or after 65), death, or disability will be fully vested in investments allocated to their account from Company contributions (even if they have not completed three years of service).

Investment Options: With respect to the participant's 401(k) savings account contributions, Company 401(k) matching contributions, and rollover contributions, the Plan makes available an assortment of investment funds to meet the various savings and investment goals of all participants. These investment options have a variety of risks and return characteristics. Participants determine how these contributions are invested by allocating such contributions to one investment fund or by dividing them (in whole percentages) among any combination of the available funds. The following funds were available to participants during 2022:

- Dodge & Cox Balanced Fund – The fund seeks regular income, conservation of principal, and an opportunity for long-term growth of principal and income.
- Vanguard Mid-Cap Growth Index Fund Admiral Shares – The fund seeks to track the performance of a benchmark index that measures the investment return of mid-capitalization growth stocks.
- Allspring Growth Fund – The fund seeks long-term capital appreciation.
- Boston Partners Small Cap Value Fund II – The fund seeks to provide long-term growth of capital primarily through investment in equity securities.
- American Funds Capital World G/I Fund R-4 – The fund's investment objective is to provide long-term growth of capital while providing current income.
- Dodge & Cox Income Fund – The fund seeks a high and stable rate of current income, consistent with long-term preservation of capital.
- Morley Stable Value Fund – The fund seeks to provide preservation of capital, relatively stable returns consistent with its comparatively low risk profile, and liquidity for benefit responsive plan or participant payments.
- Fidelity 500 Index Fund – The fund seeks to provide long-term growth of capital primarily through investment in equity securities.
- JPMorgan Equity Income Fund R6 – The Equity Income Fund, which focuses on high-quality U.S. companies with healthy and sustainable dividends, seeks to provide lower volatility access to stock market growth.
- Federated Hermes International Equity Income Fund - The Fund seeks capital appreciation by investing in a portfolio of equity securities of foreign issuers.

The investment changes to the 401(k) plan are made through the internet or telephone hotline of the plan administrator. Participants may elect to change their investment mix on existing investments at any time; participants may also elect to change their investment mix on future contributions at any time. Any change to the investment mix of existing investments may take up to five business days to be initiated and several more business days to settle. Any investment mix changes regarding future contributions will be effective when contributions are next processed by the plan administrator. Participants may elect to change their contribution-deferred percentage at any time. In accordance with Dept. of Labor Reg. 2550.404(c)(1)(b)(2), the Plan is intended to qualify as an ERISA 401(c) plan which relieves plan fiduciaries of liability for any investment losses that result from investment decisions made by Plan participants.

(Continued)

TDINDUSTRIES, INC. 401(k)/ESOP RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Participants' ESOP savings account contributions and the Company ESOP matching contributions are invested in Company common stock at the value as determined as of the most recent valuation date (Notes 2 and 4). The participants have full voting rights with respect to any stock allocated to their ESOP savings accounts. The Company has historically not paid any cash dividends.

Notes Receivable from Participants: Participants may borrow from their Plan accounts, a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their individual savings account balances. Loan transactions are treated as a transfer to (from) investment funds from (to) participant notes receivable. Loan terms range from one to five years or up to fifteen years for the purchase of a primary residence. The loans are secured by the balance in the participant's accounts and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the 401(k)/ESOP Plan Committee. Interest rates are the prime rate in effect plus 1% and range from 4.25% to 9.75% as of December 31, 2022. Principal and interest on participant loans are paid ratably through weekly payroll deductions. The range of current loan maturities extends through 2036.

Payment of Benefits: A participant's 401(k) accounts shall be distributed in a lump sum in cash as soon as practicable following separation from service. A participant's ESOP account, at the Committee's discretion, shall be distributed in a lump sum in cash or in the form of whole shares of stock (with cash for fractional shares). If shares are distributed to the participant, the put option is then exercised. If ESOP participants present (put) their ESOP stock to the Company within 60 days of receiving it, the Company is required to buy it immediately at the value of the stock as determined by the most recent valuation. Upon distribution from the Plan, when the participant exercises the put option, the Company may issue the participants an interest-bearing promissory note which is payable over a five-year period or buy the shares in cash. If ESOP participants do not put their ESOP stock to the Company within 60 days of receiving it, they are required to contact the ESOP administrator about the Company's obligation to purchase their ESOP stock at a later date. All distributions from ESOP accounts in 2022 were made in shares.

Distributions from the Plan to participants are taxed as ordinary income to the participants in the year of distribution. Depending on when and why the distribution took place, the Plan participants may also be subject to an additional 10% income tax penalty (for early withdrawal of Plan funds). Under certain circumstances, participants who receive a Plan distribution may transfer all or part of this distribution to another tax-deferred type plan and defer the payment of income taxes.

Effective May 6, 2020, the Committee adopted a Distribution Policy which provides the Committee the ability to defer the initial payment of large ESOP account distributions and stretch the payment of such distributions over multiple annual installments. Specifically, the Distribution Policy defers the commencement of distributions for certain ESOP accounts with a balance greater than \$100,000 for either one or three years, depending on the reason for termination. Additionally, the Distribution Policy provides that the distribution of certain ESOP distributions for accounts with a balance greater than \$200,000 will be made in installments over a period of up to three years.

Forfeited Accounts: Forfeitures (totaling \$171,551 in 2022) of non-vested Plan participants who received a Company contribution are allocated among the accounts of the Plan participants who are eligible to receive Company contributions for such year in proportion to what they invest in the Plan during the year as compared to what all eligible people invested in the Plan during the same year. There were \$67,993 and \$190,546 of unallocated forfeitures at December 31, 2022 and 2021, respectively.

(Continued)

TDINDUSTRIES, INC. 401(k)/ESOP RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Vesting: Participants are immediately vested in their own contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of service. A participant becomes 33% vested after one year of service, 66% after two years of service, and 100% after three years of service. However, if an active participant dies prior to attaining the normal retirement age, the participant's account becomes 100% vested.

Diversification: After participating in the Plan for ten years and attaining the age of 55, a participant will qualify for a diversification election. A participant, during each election period occurring within the initial or secondary election periods, may elect that a portion of the aggregate account balance in their ESOP Accounts (with such balance as determined as of the beginning of his election period) be transferred to and invested at his or her election in their 401(k) Savings Accounts, 401(k) Matching Accounts and/or 401(k) Roll Over Accounts, as the case may be. The maximum amount of the Participant's aggregate account balance available for such election shall be: (a) during the Participant's Initial Election Period, twenty-five percent (25%) of such aggregate balance, reduced by amounts previously so invested, in the case of each Election Period; or (b) during the Participant's Secondary Election Period, fifty percent (50%) of such aggregate balance, reduced by amounts previously so invested, in the case of each Election Period.

The initial election period for a participant will be the period (i) beginning with the year in which the participant has both completed at least ten years of participation in the Plan and attained the age of fifty-five years and (ii) ending when the participant begins his or her secondary election period or terminates employment with the Company. The secondary election period for a participant will be the period (i) beginning with the year in which the participant both has completed at least ten years of participation in the plan and attained the age of sixty years and (ii) ending when the Participant terminates his employment with the Company.

Plan Amendment: Effective May 6, 2020, an amendment to the Plan document was adopted. The amendment authorizes the Committee to adopt, and amend from time to time, a written Distribution Policy. The Distribution Policy provides the Committee the ability to defer the initial payment of large ESOP account distributions and stretch the payment of such distributions over multiple annual installments.

Basis of Presentation: The accompanying financial statements are presented on the accrual basis in accordance with accounting principles generally accepted in the United States of America.

Payment of Benefits: Benefits are recorded when paid.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Concentrations and Credit Risk: The Plan has a concentration in Company common stock (Note 4).

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Notes Receivable from Participants: Notes receivable from participants are reported at their unpaid principal balance plus any unpaid interest, with no allowance for credit losses, as repayments of principal and interest are paid through payroll deductions and participants' account balances serve as collateral for the notes. Related fees are recorded as administrative expenses and are expensed as incurred.

(Continued)

TD INDUSTRIES, INC. 401(k)/ESOP RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Other Additions and Deductions: Substantially all administration expenses incurred by the Plan are paid for by the Company and are not charged to the Plan. Administrative fees paid by participating employees primarily include fees charged to issue loans and certain other distributions.

Valuation of Investments and Income Recognition: The Plan's investments are reported at fair value. Investment transactions for the investments in shares of mutual funds are recorded on a trade-date basis and stated at fair value based on quoted market prices. The fair values of participation units held in the collective trust are based on the net asset values per unit as reported by the fund manager. There is no established public trading market for the common stock of the Company. The Company common stock is recorded at fair value as determined by annual independent appraisals (most recently completed as of December 31, 2022).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Plan Termination: While it has no present intention to do so, the Company has the right under the Plan to discontinue contributions and terminate the Plan at any time. Upon termination of the Plan, all participants would become fully vested.

Risks and Uncertainties: The Plan offers a number of investment options to participants that are exposed to various risks, such as interest rate, credit, overall market volatility risk, global pandemic and international conflicts. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and participant account balances.

NOTE 3 - CERTIFIED INVESTMENTS AND NOTES RECEIVABLE FROM PARTICIPANTS

Except for the fair value of the Plan's investment in TD Industries, Inc. common stock of \$100,570,763 and \$124,137,937 at December 31, 2022 and 2021, respectively, and the related net depreciation in the fair value of this investment during the year ended December 31, 2022 of \$22,338,683, certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Charles Schwab Trust Bank, the trustee of the Plan, (not including TD Industries, Inc. common stock).

NOTE 4 - NONPARTICIPANT-DIRECTED INVESTMENTS

Participants can elect to have their deferrals, or a portion of their deferrals directed to the TD Industries, Inc. common stock. The shares of stock purchased from these deferrals are considered participant-directed investments. However, all shares related to the allocation of Employer contributions to the ESOP are considered nonparticipant-directed investments.

Net decrease	<u>\$ (23,567,174)</u>	<u>\$ (39,143,710)</u>

NOTE 5 - FAIR VALUE MEASUREMENTS

Codification topic 820, Fair Value Measurements, establishes a consistent framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 – Valuations are based upon unadjusted quoted prices in active exchange markets involving identical assets and liabilities.

Level 2 – Observable inputs other than Level 1 prices, such as quoted prices for similar instruments in active markets; quoted prices and valuations for identical or similar instruments in markets that are not active; and model-based valuation techniques with significant assumptions and inputs that are observable in the market or can be derived principally from or corroborated by observable market data.

Level 3 – Valuations are derived from model-based techniques that use inputs and significant assumptions that are supported by little or no observable market data. Valuation techniques include the use of pricing models, discounted cash flow models and similar methodologies.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Mutual Funds: Valued at the closing price reported on the active market on which the individual securities are traded (Level 1).

NOTE 5 - FAIR VALUE MEASUREMENTS (Continued)

Collective Trust: Valued at the cumulative net asset value of the trust as of the reporting date. This investment requires 12-months advance written notice for full or partial withdrawal of assets from plan sponsor directed actions. Such plan sponsor directed actions include, but are not limited to: (i) trustee or plan sponsor directed reallocation of investments; (ii) company sponsored layoffs/termination of groups of employees; (iii) disposing of or selling a component of the business which involves the transfer or termination of employees; (iv) terminating the Fund as an investment option of the plan; and (v) terminating the Plan. Plan sponsors are prohibited from intentionally and specifically advising participants, or releasing participant communication, that is intended to encourage participants to not contribute to the Fund, or to withdraw part of all of their contributions from the Fund. This investment has no redemption restrictions or advance notification provisions to participants in the Plan.

TDIndustries, Inc. Common Stock: The fair value of TDIndustries, Inc. common stock is estimated annually, as of the financial statement date, based upon the results of an independent third party appraisal performed by a business appraiser who is accredited by the American Society of Appraisers and selected by the plan fiduciary. The appraisals are performed using a combination of the discounted cash flow method, and the market approach based upon valuation multiples of guideline public companies method. The discounted cash flow (DCF) method is a standard method in financial economics used to estimate the value of an investment based on its expected future cash flow. The DCF method attempts to determine the net present value of an investment by discounting an investment's expected future cash flow to the reporting date. The guideline public company method (GPC) is a market approach, based upon valuation multiples of guideline public companies (Level 3 inputs), which identifies pricing multiples of public companies deemed to be comparable to the Company. The estimated fair value derived in the 2022 and 2021 appraisal reflected a weighting of 70% using the discounted cash flow method and 30% using the guideline public company method. Additionally, a discount of 5% for a lack of marketability is applied, since the Company's stock is not readily tradable on an established market.

The historical and projected financial information of the Company used by the appraiser is provided to the appraiser by the Company's Chief Financial Officer (CFO).

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

During the year ended December 31, 2022 the Plan had purchases of \$6,512,486 related to TDIndustries, Inc., Common Stock.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 90,018,850	\$ -	\$ -	\$ 90,018,850
TDIndustries, Inc. common stock**	-	-	100,570,763	100,570,763
Total assets in fair value hierarchy	\$ 90,018,850	\$ -	\$ 100,570,763	190,589,613
Collective trust fund*				8,781,231
Investments at fair value				<u>\$ 199,370,844</u>

NOTE 5 - FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 110,082,953	\$ -	\$ -	\$ 110,082,953
TDIndustries, Inc. common stock**	<u>-</u>	<u>-</u>	<u>124,137,937</u>	<u>124,137,937</u>
Total assets in fair value hierarchy	<u>\$ 110,082,953</u>	<u>\$ -</u>	<u>\$ 124,137,937</u>	234,220,890
Collective trust fund*				<u>8,444,021</u>
Investments at fair value				<u>\$ 242,664,911</u>

*Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statements of net assets available for benefits.

**Nonparticipant-directed investment

NOTE 6 - INCOME TAX STATUS

The Plan received a favorable determination letter from the Internal Revenue Service (IRS) dated November 1, 2013. Although the Plan has been amended from the original plan document, plan management believes the Plan and related trust is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code (IRC). Therefore, no provision for income taxes has been included in the Plan's financial statements. Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examination for years prior to 2019.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer and certain others.

The Plan invests in common stock of the Company, which is considered a party-in-interest investment. As of December 31, 2022 and 2021, the Plan held 359,143 and 362,733 shares of Company common stock with an estimated fair value of \$100,570,763 and \$124,137,937, respectively. The Plan did not recognize any dividend income from the Company stock during the year ended December 31, 2022.

Fees paid for by the Plan qualify as party-in-interest transactions. Personnel and facilities of the Company have been used to perform administrative functions for the Plan at no charge to the Plan. In addition, certain plan participants have notes receivable from the Plan, which qualify as party-in-interest transactions. As well, the Plan pays fees to their Plan administrator and its affiliate. As such, the transactions with the Plan administrator and its affiliate qualify as party-in-interest transactions.
