INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of the
comScore, Inc. 401(k) Plan
Reston, VA, 20190

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of comScore, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of comScore, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of comScore, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about comScore, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of comScore, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about comScore, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COMSCORE, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
For the years ended December 31, 2022 and 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the comScore, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan under Section 401(k) of the Internal Revenue Code (IRC) adopted on January 1, 2000. The Plan covers all employees, age 20.5 or older, of comScore, Inc. and the following adopting employers: Rentrak Corporation and Hollywood software, Inc. (the Company). The Plan does not cover employees under a collective bargaining agreement, residents of Puerto Rico, leased employees, and nonresident aliens or employees who do not receive any U.S. source of income from the plan sponsor.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA)

The Plan is administered by the Company's 401(k) Plan Retirement Committee (the Committee), which is a committee comprised of executive team, and employee representatives. The Committee has overall responsibility for the operation and administration of the Plan. The Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Company's Board of Directors.

Contributions

Each year participants may contribute up to 100 percent of annual compensation, as defined in the Plan, as pre-tax or Roth contributions subject to the statutory limitations established by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants.

The Plan allows for discretionary matching contributions and nonelective contributions at the option of the Company's Board of Directors. The plan sponsor matches 20% of participants' contributions up to 6% of their eligible compensation. During the years ended December 31, 2022 and 2021, the Company's matching contributions totaled \$852,779 and \$725,701, respectively. Any discretionary nonelective contributions are determined by the Company on an annual basis. The Company did not make discretionary nonelective contributions to the Plan in 2022 or 2021.

Participant Accounts

Each participant's account is participant-directed and is credited with the participant's contribution and allocations of the Company's contribution, if any, and Plan earnings, and charged with an allocation of administrative expenses. Earnings are allocated by fund based on the ratio of a participant's account invested in a particular fund to all participants' investments in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Vesting

Participants are immediately vested in their elective deferrals, rollovers and all earnings thereon. Vesting in the employer matching contributions and discretionary nonelective contributions is based on years of continuous service. After one year of service, a participant becomes 50% vested in the employer matching contributions and discretionary nonelective contributions to the Plan; the vesting percentage increases to 100% after the second year of service. Vesting varies for different participating employers as follows:

- Participants who merged into this Plan from The Quality Measurement Company Profit Sharing Retirement Plan who do not accrue an hour of service on or after October 1, 2010, become 20 percent vested in the Company contributions to the Plan after two years of service; the vesting percentage for the participants increase by 20 percent each year until the participants become fully vested in their accounts after six years of service.
- The same vesting schedule applies for participants that merged into the Plan from the Rentrak Corporation 401(k) Plan who did not work an hour of service on or after July 1, 2016.
- Participants who merged into the Plan from Hollywood Software, Inc. The Connectme 401(k) Plan are fully vested in the Company contributions to the Plan.
- Participants who terminated from the Plan on or before January 1, 2020, become 25 percent vested in the Company contributions to the Plan after 1 year of service; the vesting percentage increases by 25 percent each year until the participants become fully vested in their accounts after four years of service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 (reduced by the balance of any prior loans from the Plan) or 50 percent of their vested account balance. A plan participant may have only one loan outstanding at any one time. The notes are secured by the balance in the participant's account and bear interest at reasonable rates as determined by the plan administrator based on the prevailing rates. The interest rates of the outstanding loans ranged from 4.25% to 8.00% as of December 31, 2022, and ranged from 4.25% to 6.50% as of December 31, 2021. Loan terms range from one to five years, or up to 10 years for the purchase of a principal residence. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service, retirement, death, or attaining age 65, a participant may elect to receive either a lump-sum amount equal to the value of his or her account, a direct rollover into a qualified retirement plan, or a combination of cash and direct rollover distribution. In-service distributions are available to Plan participants for financial hardship, rollover contributions, and once a participant reaches age 59 ½. Hardship withdrawals are subject to specific statutory and regulatory requirements.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Forfeited Accounts

Forfeitures resulting from terminated participants may be used to pay plan administrative expenses or reduce employer contributions. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$28,782 and \$121,952, respectively. During 2022 and 2021, the Plan used \$184,874 and \$265,410, respectively, from forfeited nonvested accounts to reduce employer contributions.

Reclassification

Certain reclassifications were made to the December 31, 2021 financial statements to conform to the December 31, 2022 presentation. Total net assets available for benefits and changes in net assets available for benefits are unchanged due to these reclassifications.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting standards generally accepted in the United States of America (U.S. GAAP).

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on an accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recognized on the accrual basis. Related fees are recognized as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recognized as of December 31, 2022 and 2021. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan agreement.

Benefit Payments

Benefits are recorded when paid.

COMSCORE, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
For the years ended December 31, 2022 and 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. The Plan is not required to reimburse the Company for expenses the Company pays on the Plan's behalf. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses.

Use of Estimates

The preparation of the financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 3 - CERTIFIED INFORMATION

Information regarding investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments and interest and dividend income for the years then ended, disclosed in the accompanying financial statements, and the investment information included in the supplemental schedule of assets (held at end of year) as of December 31, 2022, is derived from statements which have been certified by Fidelity Management Trust Company, the trustee of the Plan, as complete and accurate in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 4 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Federal Money Market Fund

The fund invests primarily in high-quality, short-term money market instruments and securities issued by the U.S. government and its agencies and instrumentalities, including repurchase agreements that are collateralized solely by U.S. government securities or cash. The fund maintains a dollar-weighted average maturity of 60 days or less and a dollar-weighted average life of 120 days or less while maintaining liquidity and a stable share price of \$1.

Mutual Funds

Mutual Funds represent investments with various investment managers. The mutual funds are valued at the daily closing net asset value (NAV) as reported by the fund. Mutual funds held by the Plan are registered with the Securities and Exchange Commission and are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trusts

The Common Collective Trusts (CCT) are target date funds managed by T. Rowe Price and invest in a diversified portfolio of other T. Rowe Price common trusts that represent various asset classes and sectors. The CCT allocations between stock and bond trusts will change over time in relation to each CCT target retirement date. The target date CCT are designed for investors expecting to retire around the year indicated in each CCT name. The CCT are managed to gradually become more conservative over time as they approach their target date. The investment risk of each target date CCT changes over time as its asset allocation changes. They are subject to the volatility of the financial markets, including that of equity and fixed income investments in the U.S. and abroad, and may be subject to risks associated with investing in high-yield, small-cap, and foreign securities. The fair value of the CCT is not a publicly quoted pricing input but is available to current investors via the Employer website or when plan participants access their account values. Participant transactions (purchases and sales) may occur daily. Therefore, CCT are considered to have a readily determinable fair value. If the Plan initiates a full redemption of the CCT, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

NOTE 5 - TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan's assets include investments in funds managed by the Plan's trustee. Therefore, the transactions in these funds qualify as party-in-interest. Personnel and facilities of the Company have been used to perform administrative functions for the Plan at no charge to the plan. There were no financial transactions recorded between the Company and the Plan other than contributions made. Notes receivable from participants also qualify as party-in-interest transactions. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 6 - LATE REMITTANCES

As a result of an oversight that occurred at the beginning of 2021, the Company failed to remit to the plan trustee and recordkeeper participant contributions and loan repayments totaling \$167,652, during 2021, within the period prescribed by Department of Labor regulations. These contributions are considered nonexempt party-in-interest transactions. The plan recordkeeper calculated lost earnings for the delinquent remittances in the amount of \$406, and the plan sponsor remitted the amount to the plan on October 26, 2022, at which time the lost earnings were allocated to the affected participants' accounts.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants' accounts will be distributed in accordance with the Plan agreement.

NOTE 8 - TAX STATUS

The Plan has adopted a prototype defined contribution 401(k) profit sharing plan sponsored by Fidelity (FMR LLC). The prototype plan has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020 which states that the prototype plan, as then designed, is in compliance with the applicable requirements of the Internal Revenue Code (IRC). The plan administrator believes that the

COMSCORE, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
For the years ended December 31, 2022 and 2021

NOTE 8 - TAX STATUS (Continued)

Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service (IRS). The plan is subject to routine audits by taxing jurisdictions for the statutory period; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The COVID-19 pandemic, whose effects first became known in January 2020, had a broad and negative impact on commerce and financial markets around the world, leading to economic uncertainties and significant volatility in the investment markets. The resulting substantial fluctuations in the value of the Plan's investments may continue for an extended period of time.

NOTE 10 - SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 12, 2023, which is the date the financial statements are available to be issued.
