## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of

### **MGC CONTRACTORS, INC. 401(K) PLAN**

#### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements**

We have performed an audit of the accompanying financial statements of **MGC Contractors, Inc. 401(k) Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

#### **Opinion on the 2022 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2022 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2022 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the 2022 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Other Matter—Report on Restatement Adjustment to 2021 Financial Statements**

As part of our audit of the December 31, 2022 financial statements, we audited the reclassification adjustment described in Note 10 that was applied to restate the December 31, 2021 financial statements. In our opinion, such adjustment is appropriate and has been properly applied. We were not engaged to audit, review, or apply any procedures to the 2021 financial statements of the Company other than with respect to the adjustments, and, accordingly, we do not express an opinion or any other form of assurance on the 2021 financial statements as a whole.

**Other Matter - Auditors' Report on the 2021 Financial Statements**

Predecessor auditors performed an audit of the 2021 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated October 11, 2022, indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021 (As Restated)

### (1) Description of the Plan

The following description of the **MGC Contractors, Inc. 401(k) Plan** (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**A. General** – The Plan is a defined contribution retirement Plan for all eligible employees of MGC Contractors, Inc. (the "Company") who have attained the age of 18 and completed six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**B. Contributions** – Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan agreement, up to the maximum amount allowed by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution Plans. The Company matches 35% of the first 6% of compensation contributed by the participant. The Plan also provides for discretionary profit-sharing and qualified nonelective contributions. No such discretionary profit-sharing or qualified nonelective contributions were made in December 31, 2022 or 2021.

Effective January 1, 2022, the Plan was restated. As part of the restatement, the Plan includes an auto-enrollment feature. Upon meeting eligibility requirements, employees are automatically enrolled to contribute 3% of their eligible compensation, unless otherwise elected.

**C. Participant accounts** – Each participant's account is credited with the participant's contribution, the Company's matching contribution, allocation of the Company discretionary profit-sharing contribution (when made) and Plan earnings. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**D. Vesting** – Participants are immediately vested in their contributions plus actual earnings thereon. Company matching and discretionary profit-sharing contributions, plus actual earnings thereon, vest according to the vesting schedule below.

| <u>Years of Vesting Service</u> | <u>Vesting Percentage</u> |
|---------------------------------|---------------------------|
| Less than 1 year                | 0%                        |
| 1 year but less than 2          | 20%                       |
| 2 years but less than 3         | 40%                       |
| 3 years but less than 4         | 60%                       |
| 4 years but less than 5         | 80%                       |
| 5 or more years                 | 100%                      |

**E. Participant loans** – Participants may borrow from their account balance excluding discretionary profit-sharing contributions a maximum of \$50,000 or 50% of their account balance, whichever is less. Loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. The interest rate currently in use in the Plan ranges between 4.25% and 8.00%. Principal and interest are paid ratably through payroll deductions. Loans must be repaid within five years.

## NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021 (As Restated)

### (1) Description of the Plan (continued)

- F. Payment of benefits** – Participants are eligible for Plan distributions upon reaching the age of 65, termination of employment, retirement, total or permanent disability, or death. Participants may elect to receive a lump sum amount equal to the value of the participant's vested interest in their account, non-recurring partial payments, installment payments or annuity contracts. If a terminated participant's account balance is less than \$5,000, the Plan reserves the right to immediately make a lump sum distribution. Participants who have reached the age of 59 ½ may take in-service withdrawals. Hardship withdrawals are also available to participants with certain types of immediate and heavy financial need.
- G. Forfeitures** – Forfeited nonvested accounts may be used to pay administrative expenses of the Plan or to restore participants' individual accounts. Forfeitures used were \$0 for the year ended December 31, 2022. Forfeited nonvested account balances totaled \$47,249 and \$40,368 at December 31, 2022 and 2021, respectively.

### (2) Summary of significant accounting policies

The significant accounting policies followed by the Plan are as follows:

**Basis of accounting** – The accompanying financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America. Accordingly, income and contributions are recognized when earned and expenses are recorded when incurred.

**Management's use of estimates** – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management of the Plan to make estimates and assumptions that affect the reported amounts of net assets and the reported amounts of additions to and deductions from net assets. Actual results may differ from those estimates.

**Investment valuation and income recognition** – The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

## NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021 (As Restated)

### (2) Summary of significant accounting policies (continued)

**Notes receivable from participants** – Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

**Benefits paid to participants** – Benefits are recorded when paid.

**Administrative expenses** – Certain expenses incurred maintaining the Plan are paid by the Company and are excluded from these financial statements. Fees related to the administration of distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

**Risks and uncertainties** - The Plan's exposure to credit loss in the event of nonperformance of investments is limited to the carrying value of such instruments. The Plan's exposure to interest rate risk, credit risk and market risk are dictated by the Plan's provisions as well as those of ERISA and the participants' investment preference.

Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of these investments, it is at least reasonably possible that changes in risks in the near term could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

**Subsequent events** – Plan management has evaluated subsequent events through October 4, 2023, which is the date the financial statements of the Plan were available to be issued.

### (3) Information certified by the trustees

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company, LLC, the trustee, has certified that the following information included in the accompanying financial statements and supplemental schedule are complete and accurate:

- Investments
- Notes receivable from participants
- Interest income on notes receivable from participants
- Interest and dividends
- Net appreciation (depreciation) in fair value of investments
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform any auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

## NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021 (As Restated)

### (4) Related party and party-in-interest transactions

Certain Plan investments are managed by Empower Trust Company, LLC, the trustee, as defined by the Plan. The trustee provided the Plan with contract administration and investment management services, which qualify as party-in-interest transactions.

Total administrative fees and expenses paid by the Plan to parties-in-interest for the year ended December 31, 2022 totaled \$42,708 and related to investment management and record keeping services.

### (5) Fair value measurement

Following is a description of the valuation methods used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021:

*Mutual funds with registered investment companies:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Self-directed brokerage accounts:* Valued using pricing models maximizing the use of observable inputs for a group of similar securities and equities.

*Common collective trust:* The net asset value ("NAV") is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liability. The internal pricing analyst and management will review the overall movement of market indices and will apply judgement in determining whether any further research with investment providers will be pursued for share price variances from the prior day. Daily, after all research and validation has been performed, and variances have been resolved, share prices are closed and loaded to the recordkeeping system.

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. It is reasonably possible, given the level of risk associated with investment securities, that changes in the values of the investments in the near term could materially affect a participant's account balance and the amounts reported in the statements of net assets available for benefits.

The following sets forth within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

|                                  | <u>Level 1</u>       | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u>         |

### (5) Fair value measurement (continued)

The following sets forth within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

|                                  | <u>Level 1</u>       | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u>         |

| Total investments, at fair value | <u>\$ 14,571,628</u> | <u>\$ -</u>    | <u>\$ -</u>    | <u>\$ 14,575,457</u> |

\*In accordance with Subtopic 820-10, the funds in the stable value funds are measured at fair value using the NAV per share (or its equivalent) practical expedient and have not been classified in the fair value hierarchy. The NAV is determined by Empower and is based in the fair value of the underlying assets held by the funds. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

### (6) Income tax status

The Plan is utilizing a non-standardized Plan document in which the sponsor requested a tax opinion letter and received a favorable tax opinion letter dated January 20, 2017. The Plan administrator believes that the Plan is designed and currently operated in compliance with the applicable requirements of the IRC.

### (7) Termination of Plan and related trust

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan and related trust, subject to the provisions of ERISA. In the event of Plan termination, the amount of each participant's or beneficiary's account as of the date of such termination would become 100% vested and non-forfeitable in the employer matching and discretionary profit-sharing contributions, plus actual earnings thereon.

### (8) Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

As such, the financial statements of the Company as of and for the year ended December 31, 2021 have been restated to correct the presentation of the asset.
