## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator  
Systems Plus, Inc. 401(k) Profit Sharing Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Systems Plus, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Systems Plus, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Systems Plus, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Systems Plus, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Systems Plus, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Systems Plus, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedule of Schedule of Assets (Held at End of Year) for the year ended December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**SYSTEMS PLUS, INC. 401(K) PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022**

---

**NOTE 1 – DESCRIPTION OF PLAN**

The following description of the Systems Plus, Inc. 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

***General***

The Plan is a profit sharing 401(k) plan covering employees of Systems Plus, Inc. who are 21 years old and 3 consecutive months of employment from their eligible employment commencement date. The Company adopted the Nationwide Financial Services, Inc. Volume Submitter 401(k) Profit Sharing Plan effective February 1, 1997. The Plan was amended and restated effective January 1, 2015 to bring Plan into compliance with the Pension Protection Act of 2006 (“PPA”) and other legislative and regulatory changes.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and Section 401(a) of the Internal Revenue Code of 1986.

***Employee Contributions***

Each year, participants may make a contribution up to the maximum amount allowed by the Internal Revenue Code (“IRC”) limitations, which were \$20,500 in 2022. Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions. Such catch-up contributions are subject to an annual IRC limitation, which was \$6,500 for 2022. Participants direct the investment of their contributions into various investment options offered by the Plan.

Employee contributions are subject to the maximum limit under Section 415 of the Internal Revenue Code. The Plan allows for rollover contributions from other qualified plans.

Participants may change their salary deferral percentage any payroll period through a request made to the Plan sponsor. Participants may change their investment options at any time.

***Employer Contributions***

The Company may make a matching contribution equal to a discretionary percentage, to be determined by the Company, of the participant’s elective deferrals. The Company’s matching contribution for the Plan year ended December 31, 2022 was \$208,166.

***Vesting***

Participants are immediately vested in their voluntary contributions (including any rollover contributions) plus actual earnings thereon. Vesting in the Company’s discretionary matching contribution portion of their accounts plus actual earnings thereon is based on years of service. A participant is 100% vested after five years of credited service.

***Participant Accounts***

Each participant’s account is credited with the participant’s contributions and allocations of (a) the Company contribution, if any, and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. Participants self-direct their investments. Investment options include registered investment companies. (e.g. mutual funds, money market fund).

***Participant Notes Receivable***

Participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Loan terms range up to five years. The loans are secured by the balance in the participant’s account and bear interest from 4.25% to 6.25% at December 31, 2022, which are commensurate with prevailing rates determined when the loan was made. A participant may only have one loan outstanding at any time. Principal and interest are paid through payroll deductions.

**NOTE 1 – DESCRIPTION OF PLAN- CONTINUED**

***Payment of Benefits***

On termination of service, due to death, disability or retirement, a participant may receive a lump-sum equal to the value of the participant's vested interest in his or her account. The Plan also allows for limited withdrawals prior to separation of service such as upon attainment of age 59½, qualified reservist distributions, as well as under certain hardship situations, as defined by the Plan.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***Basis of Accounting***

The Plan's financial statements are prepared using the accrual method of accounting, with the exception of the payment of benefits, which are recognized as a reduction in the Net Assets Available for Benefits of the Plan as they are disbursed to participants.

***Use of Estimates***

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

***Plan Termination***

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. However, no such action may deprive any participant or beneficiary under the Plan of any vested benefit.

***Investment Valuation***

The Plan's investments are held by Nationwide Life Insurance Company, at December 31, 2022. Investments in mutual funds are stated at their fair value determined by the unit value as reported by Nationwide Life Insurance Company, at December 31, 2022. See Note 3 for further details. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

***Participant Notes Receivable***

Participant notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

***Forfeitures***

In the event a participant separates from service with less than fully vested benefits, the non-vested portion of the account is forfeited and used to reduce future employer contribution that may be required. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$17,122 and \$623. The forfeiture amount redeemed in 2021 to apply to matching contribution was \$47,446. There were no redemptions in 2022.

***Administrative Expenses***

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments. Administrative expenses of the plan are allocated to participant accounts.

***Balances of Terminated Participants***

As of December 31, 2022 and 2021 the total vested account balances of terminated employees amounted to \$1,833,694 and \$1,870,603, respectively.

***Date of Management Review***

Subsequent events were evaluated through October 10, 2023, which is the date the financial statements were available to be issued.

**NOTE 3 – FAIR VALUE MEASUREMENTS**

ASC 820, Fair Value Measurement (“ASC 820”) defines fair value, establishes a framework for measuring fair value in accordance with U.S. GAAP and expands disclosures about the fair value measurement. ASC 820 provides guidance on how to measure fair value by providing a fair value hierarchy used to classify the source of the information.

ASC 820 requires that assets and liabilities carried at fair value be classified and disclosed in one of the following categories:

|           |                                                                                                                                                                                                                                                                                                                                                            |
|-----------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Level I   | Quoted prices are available in active markets for identical investments as of the reporting date.                                                                                                                                                                                                                                                          |
| Level II  | Inputs are quoted prices for similar investments, or inputs that are observable either directly or indirectly, for substantially the full term of the investment, through corroboration with observable market data.                                                                                                                                       |
| Level III | Investments classified within Level III have significant unobservable inputs, as they trade infrequently or not at all. Inputs include the original transaction price, recent transactions in the same or similar instruments, completed or pending third-party transactions in the underlying investment, and require significant judgment or estimation. |

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, an investment's level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. The Plan Sponsor's assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment and considers factors specific to the investment. Inputs applicable to a particular investment type, or a specific investment, may vary from period to period.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end.

Fixed Contract - Amounts are held in Nationwide Life Insurance Company's general account and are credited on a net daily basis at annual effective rates. This contract is not fully benefit responsive and is reported at contract value. The Fair Market Value for the fixed contract is equal to the Book Value less any Contingent Deferred Sales Charge (CDSC) which were none at December 31, 2022 or 2021. The net rate, crediting rate and average yield earned are the same. The Fixed contract crediting rate is reset annually; for 2022, the fixed rate was 0.82% and 1.3% for 2021.

**NOTE 4 – CERTIFIED FINANCIAL INFORMATION**

The Plan Administrator has elected the method of reporting compliance permitted by 29 CFR 2520.103-5 of the Department of Labor's Rules and regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, Nationwide Life Insurance Company has certified the investments, at fair value, as well as participant notes receivables as of December 31, 2022 and 2021, depreciation in the fair value of investments and the interest income on the participant loans for the year ended December 31, 2022 as presented in the financial statements, notes to financial statements and supplemental schedule, to be complete and accurate.

**NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments include investments managed by affiliates of Nationwide Life Insurance Company. Nationwide Life Insurance Company is the insurance company, custodian, and recordkeeper as defined by the Plan. These transactions qualify as party-in-interest transactions.

**NOTE 6 – RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**NOTE 7 –TAX STATUS**

The Company adopted a volume submitter plan document with an IRS opinion letter, which states the volume submitter plan document is in compliance with the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since the date of the opinion letter; however, the Plan administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
