To the Trustees
Pencco, Inc. 401(k) P/S Plan
Sealy, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

I have performed an audit of the accompanying financial statements of the Pencco, Inc. 401(k) P/S Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In my opinion, based on my audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of my report. I am required to be independent of the Plan and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions and maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

September 19, 2023
Pencco, Inc. 401(k) P/S Plan

In performing an audit in accordance with auditing standards generally accepted in the United States of America, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

My audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedule, I evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated October 12, 2022 indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedule, other than the information in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

PENCCO, INC. 401(k) P/S PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

Note 1 - Plan Description

The following brief description of the Pencco, Inc. 401(k) P/S Plan (the Plan) is provided for general information only. Participants should refer to the plan document for more detailed information.

General

The Plan is a defined contribution plan covering all eligible employees of Pencco, Inc. (the Company and plan administrator). The Plan is subject to the provisions of the Employee Retirement Income Act of 1974, as amended (ERISA). The Plan was adopted by the Company on January 1, 2008 and has been amended and restated from time to time. John Hancock Life Insurance Company (John Hancock) serves as the Plan's asset custodian and recordkeeper.

Eligibility

The Plan is a defined contribution plan, covering all eligible employees of the Company who have attained age eighteen and completed the minimum requirement of three months of service. Eligible employees will become participants in the Plan on the first day of the quarter coinciding with or next following the date the eligibility requirements have been met.

Contributions

The Plan includes a savings feature designed to permit employees and the Company to contribute to the Plan, as allowable under Section 401(k) of the Internal Revenue Code (IRC). Each year, participants may elect to contribute a percentage or a set dollar amount of their annual compensation to the Plan, subject to certain limitations, up to the maximum allowed by the Internal Revenue Code (IRC). Upon meeting the eligibility requirements, participants who do not affirmatively elect not to participate in the Plan will automatically have compensation deferred at 6%. The Plan also allows for Roth elective deferrals. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified benefit or contribution plans (rollovers). Effective January 1, 2023, the Plan was amended to remove the automatic enrollment feature.

The Plan adopted the Qualified Automatic Enrollment Agreement (QACA) with special safe harbor provisions which require the Company to contribute a safe harbor match equal to 100% of the participant's elective deferral up to 1% of compensation, plus 50% of the participant's elective deferral that exceeds 1% but does not exceed 6% of the participant's compensation. The employer matching formula was modified with a plan amendment effective January 1, 2023; see Note 9.

The Company may make additional discretionary matching contributions to the Plan, which are subject to certain limitations. There were no additional discretionary contributions made during 2022.

See independent auditor's report.

PENCCO, INC. 401(k) P/S PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
December 31, 2022 and 2021

The company may elect to make profit sharing contributions equal to a discretionary amount or may make qualified non-elective contributions (QNEC), either of which is determined each Plan year. For the year ended December 31, 2022, management determined to make a QNEC of \$148,939 due to missed deferral opportunities, including lost earnings thereon. The Company did not make any discretionary profit-sharing contributions to the Plan during 2022.

Vesting

Participants are vested immediately in their salary deferral contributions plus actual earnings thereon. Vesting in the Company's QACA safe harbor matching contributions plus actual earnings thereon is based on years of service. A participant is 100% vested after two years of credited service. Vesting in the Company's discretionary matching contributions is based on years of continuous service. Participants are 20% vested in discretionary matching contributions upon completion of two years of service, increased by 20% per year thereafter. Participants are 100% vested after six years of credited service. Regardless of service term, full and immediate vesting occurs for participants upon retirement, death or disability prior to termination of employment.

Forfeitures

Forfeitures attributable to the nonvested matching contributions made by the Company are to be used to reduce employer matching contributions or offset plan expenses. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$7,324 and \$3,390, respectively. No forfeitures were used to reduce employer matching contributions or pay plan expenses for the year ended December 31, 2022.

Participant Accounts

Separate accounts are maintained for each participant. Upon enrollment in the Plan, a participant may direct the investment of his or her account balance. Participants may change their investment options at any time.

Investment earnings and losses are allocated daily to participant accounts in the same ratio as the participant's investment in each fund bears to the total of all participants' investments in each fund.

Each participant's account is credited with the participant's voluntary deferral contribution, QACA safe harbor matching contributions, plan earnings and losses, and allocated administrative expenses for investment management fees. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

PENCCO, INC. 401(k) P/S PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
December 31, 2022 and 2021

Notes Receivable from Participants

Notes receivable from participants are loans to participants secured by the vested portion of their accounts as prescribed in the plan document. Participants may borrow up to 50% of their vested account balance, with a minimum loan amount equal to \$1,000 and the maximum loan amount not to exceed \$50,000. The loans are secured by the balance in the participant's vested account and bear an interest rate at the prime rate (7.50% at December 31, 2022) plus 1.00%. Principal and interest are paid ratably through bi-weekly payroll deductions. Loan terms are limited to five years unless for the purchase of a principal residence. Loans for the purchase of a principal residence are limited to terms of 15 years. Participants may only have two loans outstanding at a time.

Benefit Payments

Distributions may be made to participants upon termination of employment, disability, retirement, or death. In-service distributions are allowed for participants who have reached the age of 59½ as well as for other permitted reasons. Additionally, hardship withdrawals may be made to active participants who have demonstrated financial need, subject to the provisions of the Plan. Upon termination, participants with an account balance of \$1,000 or less shall receive an automatic lump-sum distribution from the Plan. Participants with an account balance between \$1,000 and \$5,000 shall receive a direct rollover to an IRA in the participant's name. Upon withdrawal from the Plan or termination of employment, participants may be subject to tax on contributions and income earned.

Note 2 - Summary of Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). Accounting principles followed by the Plan and methods of applying those principles are summarized below:

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes realized gains or losses on investments sold during the year as well as unrealized gains or losses on the investments held at the end of the year.

See independent auditor's report.

PENCCO, INC. 401(k) P/S PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
December 31, 2022 and 2021

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as the notes are collateralized by the participants' account balances. Interest income is recorded on the accrual basis. In general, notes receivable from participants are considered in default in the calendar quarter following the quarter in which no payment is made. Defaulted loans are accounted for as distributions based upon the terms of the plan document when a distributable event has occurred.

Benefit Payments

Benefits paid to participants or their beneficiaries are recorded when paid.

Administrative Expenses

Administrative expenses are paid by the Plan unless paid by the Company at its discretion.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Risks and Uncertainties

The Plan provides for investments in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investments will occur in the near term and may impact participant account balances and the amounts reported in the financial statements.

PENCCO, INC. 401(k) P/S PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
December 31, 2022 and 2021

Note 3 - Information Certified by the Plan's Asset Custodian

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator has obtained a certification from John Hancock as of December 31, 2022 and 2021, and for the year ended December 2022 that all of the information provided is complete and accurate. Information included in the accompanying financial statements, the notes to the financial statements and the supplemental schedule regarding investments, notes receivable from participants, investment income/loss and interest income on notes receivable from participants is presented solely in reliance upon this certification.

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements, the accompanying notes to the financial statements, and the supplemental schedule.

Note 4 - Fair Value Measurements

GAAP provides a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

See independent auditor's report.

PENCCO, INC. 401(k) P/S PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
December 31, 2022 and 2021

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled Separate Accounts – These funds are valued at their net asset value (NAV) as determined by the issuer based on quoted market prices of the underlying investments, when available. The NAV is used as a practical expedient to estimate fair value. The practical expedient is not used when it is determined to be probable that the investment will be sold for an amount different than reported NAV.

The pooled separate accounts that are measured using NAV as a practical expedient have been excluded from the fair market value hierarchy in accordance with GAAP.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table provides additional information for the pooled separate accounts which are measured using NAV as the practical expedient as of December 31, 2022 and 2021:

<u>Investment Class</u>	<u>Fair Value December 31,</u>		<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
	<u>2022</u>	<u>2021</u>			
Target Date Funds	\$ 1,595,495	\$ 1,785,985	None	Daily	None
Aggressive Growth	67,342	69,922	None	Daily	None
Growth Funds	415,435	199,834	None	Daily	None
Income Funds	8,218	4,151	None	Daily	None
Conservative Fund	88,589	243,088	None	Daily	None
	<u>\$ 2,175,079</u>	<u>\$ 2,302,980</u>			

Note 5 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a complete termination of the Plan, participants shall be fully vested in all amounts allocated to their accounts, and such amounts will be distributed.

See independent auditor's report.

PENCCO, INC. 401(k) P/S PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
December 31, 2022 and 2021

Note 6 - Federal Income Tax

Prior to January 1, 2022, the volume submitter profit sharing plan designed by Loren D. Stark Company adopted by the Plan received an advisory letter from the Internal Revenue Service (IRS) dated March 31, 2014, stating that it was in compliance with the applicable requirements of the IRC. Effective January 1, 2022, the Plan was amended and restated via its adoption of a pre-approved plan. The pre-approved plan received an opinion letter from the IRS dated November 30, 2020, stating that it was in compliance with the applicable requirements of the IRC. The volume submitter plan and the pre-approved plan have both been amended since receiving their IRS letters; however, the plan administrator believes the Plan is designed and currently being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

Note 7 - Party-in-Interest Transactions

Certain investments of the Plan are issued by John Hancock or an affiliate, and therefore, these transactions qualify as party-in-interest transactions. These transactions are covered by an exemption from the "prohibited transaction" provisions of ERISA and the IRC.

Note 8 - Reconciliation of Financial Statements to the Form 5500

PENCCO, INC. 401(k) P/S PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
December 31, 2022 and 2021

Note 9 - Subsequent Events

Effective January 1, 2023, the Plan was amended to remove the automatic enrollment feature as well as modify the employer matching formula to match 100% of the first 3% deferred followed by 50% of the next 2% up to a total of 4% compensation matched.

In the months of April and June 2023, the Company remitted employer contributions totaling \$270,315 into the Plan, representing qualified non-elective contributions due to missed deferral opportunities, including lost earnings thereon.

The plan administrator evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through September 19, 2023, which is the date the financial statements were available to be issued.

See independent auditor's report.
