INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants
DS Hopkins Holdings LLC DBA Council Advisors 401(k) Plan

Scope and Nature of ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of DS Hopkins Holdings LLC DBA Council Advisors 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2022, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information Required by ERISA

The supplemental schedule H, line 4i - schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Supplemental Information Required by ERISA (Continued)

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditor's Report on the 2021 Financial Statements

The Predecessor auditor performed an audit of the financial statements of DS Hopkins Holdings LLC DBA Council Advisors 401(k) Plan for the year ended December 31, 2021. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 13, 2022 indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedule, other than the information in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN

The following description of DS Hopkins Holdings LLC DBA Council Advisors 401(k) Plan (the "Plan") (formerly known as Council Advisors 401(k) Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan with compensation deferral features covering all employees who are age 21 and older; however, the Plan excludes employees that are residents of Puerto Rico, interns, and temporary employees who work less than 1,000 hours. The Plan covers the following affiliated companies (collectively, the "Plan sponsor"):

- Six Sigma Academy International, LLC
- The Miles Group, LLC
- High Lantern Group, LLC
- DS Hopkins Holdings, LLC
- G100 Network, LLC

The Plan sponsor is responsible for oversight of the Plan, including appropriateness of the Plan's investment offerings and monitoring of investment performance. The Plan sponsor has appointed Reliance Trust Company to be the trustee and custodian of the Plan's assets. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees that are at least 21 years of age and are not in an excluded group, as defined in the Plan, are eligible to participate in the Plan. Eligible employees can enroll in the Plan on the day on which eligibility requirements are satisfied.

Contributions

The Participants may contribute up to 90% of annual compensation up to the maximum amount allowed by the Internal Revenue Code ("IRC"), as defined in the Plan. Participants age 50 or older are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover).

The Plan sponsor contributes safe harbor matching contributions to the account of each eligible participant equal to 100% of the first 3% of the employee's eligible compensation (as defined) for the Plan year. Employer matching contributions are subject to certain limitations under the IRC. For the year ended December 31, 2022, the Plan sponsor made employer safe harbor contributions of \$755,038.

The Plan sponsor may, at its sole discretion, make a discretionary profit sharing contribution on behalf of all eligible employees. Employer discretionary profit sharing contributions are subject to certain limitations under the IRC. The Plan sponsor did not make a profit sharing contribution in 2022.

1. DESCRIPTION OF PLAN (CONTINUED)

Participants' accounts and administration

Under the terms of the Plan agreement, participants direct the investment of their contributions into various investment options offered by the Plan. The participants can also direct their allocation of contributions into certain investment funds offered by the Plan. The trustee maintains a separate account in the name of each participant and allocates investment income to the accounts on a daily basis. Each participant's account is credited with the participant's contribution and allocation of the Plan sponsor's safe harbor and discretionary contributions and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The Plan administrator authorizes all withdrawals of Plan assets and is responsible for the general administration of the Plan and compliance with its provisions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately vested in their contributions and safe harbor contributions plus actual earnings thereon. Vesting in the Plan sponsor's discretionary contribution portion of their accounts plus actual earnings thereon is based on years of service, as defined. A participant is 100% vested after three years of credited service in the Plan sponsor's discretionary contributions portion of their account. Participants become fully vested in the event of death, disability or attainment of normal retirement age.

Payment of benefits

Participants (or their beneficiaries in the case of death benefits) may receive all or a portion of their vested account balance upon death, when they reach normal retirement age, become disabled, reach age 59-1/2 while in-service or on account of financial hardship, as defined in the IRC.

Upon termination due to other reasons, participants are eligible to receive an amount equal to the vested value of their accounts. A participant may elect a lump-sum distribution in cash or roll the vested balance into an individual retirement account ("IRA") or qualified plan. Vested account balances that do not exceed \$1,000 are distributed directly to the participant in cash. For vested account balances greater than \$1,000 and less than \$5,000, if a participant does not submit the election form, the vested balance is automatically rolled into an IRA set up in the participant's name.

Benefits may be paid in the form of a lump sum, partial payments, or installment payments. The Plan allows for hardship withdrawals from a participant's elective deferral account.

DS HOPKINS HOLDINGS LLC DBA COUNCIL ADVISORS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN (CONTINUED)

Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at 1% above the prime rate, which is commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through monthly payroll deductions over a maximum five-year period unless used for the purchase of a principal residence, in which case, the plan administrator may permit a longer repayment term.

Forfeited accounts

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$1,559 and \$1,536, respectively. These amounts will be used to pay Plan expenses or reduce future Plan sponsor contributions. In 2022, no amounts were used from forfeited nonvested accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

The Plan's investments are held by the Reliance Trust Company, in various mutual funds and a common collective trust. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Related fees are recorded as administrative expenses as incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

DS HOPKINS HOLDINGS LLC DBA COUNCIL ADVISORS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Excess participant contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRC are recorded as a liability with a corresponding reduction to contributions. There were no excess contributions made or distributed during the year ended December 31, 2022.

Payment of benefits

Benefits are recorded as a deduction from net assets when paid to Plan participants.

Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Plan sponsor and are excluded from these financial statements. Fees related to the administration of benefit payments and notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

The Plan maintained a Plan Expense Reimbursement Account ("PERA") established with the Plan's recordkeeper. With respect to each calendar quarter an amount equal to 0.15% of the Plan's qualifying average daily assets held in the Plan for the quarter is deposited into the Plan's PERA account. The PERA may be used by the Plan to pay direct and necessary expenses of the Plan. The PERA is considered a Plan asset and had a balance of approximately \$81,434 and \$76,240 as of December 31, 2022 and 2021, respectively.

Subsequent events

The Plan has evaluated subsequent events through September 27, 2023, the date which the financial statements were available to be issued, and has determined that there are no subsequent events, other than as disclosed in Note 12, that require disclosure under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 855, *Subsequent Events*.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity can access at the measurement date.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the *Level 2* input must be observable for substantially the full term of the asset or liability.

Level 3: Unobservable inputs based on the Plan's assessment of the assumptions that market participants would use in pricing the asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust: Common collective trust funds are valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investment held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

DS HOPKINS HOLDINGS LLC DBA COUNCIL ADVISORS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

3. FAIR VALUE MEASUREMENTS (CONTINUED)

Assets measured at fair value are based on one or more of the following valuation techniques:

- (a) *Market approach*: Prices and other relevant information generated by market transactions involving identical or comparable assets or liabilities;
- (b) *Cost approach*: Amount that would be required to replace the service capacity of an asset (replacement cost); and
- (c) *Income approach*: Technique to convert future amounts to a single present amount based on market expectations (including present value techniques, option-pricing and excess earnings models).

The following table sets forth by level within the fair value hierarchy the Plan's assets at fair value as of December 31, 2022 and 2021:

	<u>Assets at Fair Value as of December 31, 2022</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Fair value hierarchy:				
Mutual funds	\$ <u>23,556,809</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>23,556,809</u>
Total assets in fair value hierarchy	\$ <u>23,556,809</u>	\$ <u>-</u>	\$ <u>-</u>	23,556,809
Assets measured at NAV:				
Common collective trust (a)				<u>3,241,038</u>
Total participant-directed investments at fair value				\$ <u>26,797,847</u>

	<u>Assets at Fair Value as of December 31, 2021</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Fair value hierarchy:				
Mutual funds	\$ <u>29,725,449</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>29,725,449</u>
Total assets in fair value hierarchy	\$ <u>29,725,449</u>	\$ <u>-</u>	\$ <u>-</u>	29,725,449
Assets measured at NAV:				
Common collective trust (a)				<u>2,647,533</u>
Total participant-directed investments at fair value				\$ <u>32,372,982</u>

- (a) In accordance with ASC 820, certain investments that are measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

During the years ended December 31, 2022 and 2021, there were no transfers between the levels of the fair value hierarchy.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

8. TAX STATUS

The Plan has adopted a volume submitter plan ("VSP") which received an opinion letter from the Internal Revenue Service ("IRS") dated October 6, 2020, stating that the VSP is designed in accordance with the applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain tax positions taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

DECEMBER 31, 2022 AND 2021

9. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Automatic Data Processing, LLC ("ADP") provides administrative services to the Plan and therefore, transactions with ADP qualify as party-in-interest transactions. Fees paid by the Plan for investment management services are included in net appreciation (depreciation) in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. ADP collects fees from underlying investments held by the Plan. ADP has agreed to reimburse the Plan for a portion of these fees on a quarterly basis. The reimbursements are included in "Other income" in the accompanying statement of changes in net assets available for benefits and totaled \$35,129 for the year ended December 31, 2022. During the year ended December 31, 2022, the Plan also made direct payments of \$2,050 to ADP.

Morgan Stanley Smith Barney LLC provides investment advisory services to the Plan and therefore, transactions with Morgan Stanley Smith Barney LLC qualify as party-in-interest transactions. Fees of \$52,067 were paid to Morgan Stanley Smith Barney LLC for the year ended December 31, 2022.

Certain employees of the Plan sponsor act as a fiduciary of the Plan and are responsible for the administration of the Plan. The employees are compensated by the Plan sponsor and do not receive any compensation from the Plan. Notes receivable from participants are also party-in-interest transactions.

10. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

11. DUE TO PARTICIPANTS

Amounts due to participants include distribution checks issued to participants but returned to the Plan. The amounts represent vested account balances of former employees of the Plan sponsor.

12. QUALIFIED NONELECTIVE AND OTHER CONTRIBUTIONS

During the Plan year ended December 31, 2022, Plan management identified that certain employee contributions were calculated utilizing the incorrect compensation as defined by the Plan document. A qualified nonelective contribution ("QNEC") of \$2,125 to participant accounts for missed contributions was made subsequent to year-end. The QNEC is immediately 100% vested to the employees. The contribution will be made in accordance with IRS regulations and does not affect the tax status of the Plan and is reflected as "Other employer contributions" on the accompanying statements of net assets available for benefits.
