INDEPENDENT AUDITOR'S REPORT

To the Trustees and Plan Administrator of
Dimmitt Automotive Group 401(k) Profit Sharing Plan
Clearwater, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Dimmitt Automotive Group 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Dimmitt Automotive Group 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Reliance Trust Company, a qualified institution, as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Dimmitt Automotive Group 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Dimmitt Automotive Group 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Dimmitt Automotive Group 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Dimmitt Automotive Group 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The Supplemental Schedule of Assets Held at End of Year as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Dimmitt Automotive Group 401(k) Profit Sharing Plan

Notes to Financial Statements

December 31, 2022 and 2021

1. Description of Plan

The following description of the Dimmitt Automotive Group 401(k) Profit Sharing Plan (the Plan), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution retirement plan subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan became effective November 1, 2004 and was amended and restated on January 1, 2018 when the Employer adopted the Automatic Data Processing Defined Contribution Prototype Plan. Effective January 1, 2022, the Plan was restated to comply with various Internal Revenue Service (IRS) requirements. The Plan covers substantially all eligible employees of Northstar Family Enterprises (the Sponsor) and its participating employers. The Plan's management is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's management.

Eligibility

Employees of the Sponsor and its participating employers who have attained age twenty-one and completed two months of service are eligible to participate in the Plan.

Contributions

Participants may contribute up to 90% of their compensation, as defined by the Plan, as pre-tax or after-tax Roth contributions. Participants who have reached age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants direct the investment of their contributions among various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The automatic deferral amount will increase each year by 1% of eligible compensation up to a maximum of 10% unless another election is made.

The employer may make matching contributions. The employer's matching contribution was 100% of the participant contributions, up to 2% of employee compensation withheld during the Plan year, for the years ended December 31, 2022 and 2021. For 2022 and 2021, the employer made matching contributions totaling \$563,964 and \$495,177, respectively. The employer may also make discretionary profit sharing contributions to the Plan. There were no profit sharing contributions for the years ended December 31, 2022 and 2021. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and the employer's contributions, as well as investment earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant account balances, equally among participants, or to specific participants for transactions incurred by them. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes to Financial Statements

1. Description of Plan (continued)

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Participants are vested in the employer's contributions plus actual earnings thereon based on years of service. A participant is 10% vested after one year of service and 100% vested after two years of service.

Forfeitures

Forfeited balances of terminated participants' non-vested accounts are used to reduce future employer contributions or pay Plan expenses. Forfeited non-vested accounts totaled \$56,237 and \$44,815 at December 31, 2022 and 2021, respectively. There were \$40,811 and \$38,796 of forfeitures used to reduce employer matching contributions for the years ended December 31, 2022 and 2021, respectively. There were no forfeitures used to pay administrative expenses.

Payment of Benefits

The Plan permits withdrawals when a participant terminates employment, reaches retirement age, or becomes disabled or deceased. In-service withdrawals are also permitted for certain financial hardships or when a participant reaches age 59½. Benefits are payable in lump-sum payments or in installment payments with certain exceptions allowed.

Plan Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Administrative expenses include fees related to investment advisory services and administration of distributions that are charged directly to the participant's account and certain recordkeeping fees paid by the Plan. Investment related expenses are included in net (depreciation) appreciation of fair value of investments.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Contributions

Employee contributions and the related employer matching contributions are accrued when wages are paid.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the trustee. See Note 4 for discussion of fair value measurements.

2. Summary of Significant Accounting Policies (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities, will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statements of Changes in Net Assets Available for Benefits.

3. Investments

The Plan's investments were held by Reliance Trust Company at December 31, 2022 and 2021. Financial information included in the accompanying financial statements and Supplemental Schedule of Assets Held at End of Year was obtained or derived from information prepared and certified as complete and accurate by Reliance Trust Company.

Reliance Trust Company also certified the completeness and accuracy of net (depreciation) appreciation in fair value of investments, interest and dividends related to the aforementioned Plan assets for the years ended December 31, 2022 and 2021.

The only non-participant directed investments are forfeitures which are included in the stable value fund at December 31, 2022 and 2021. See forfeitures in Note 1.

Certain mutual funds restrict transfers into the fund for a period ranging from 30-90 days after a transfer out of the fund. Other funds allow a certain number of transfers in and out during a specified period of time and then restrict any further transfers into the fund for a specific period of time.

4. Fair Value Measurements

GAAP provides a framework for measuring fair value and has established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of other than publicly quoted prices that are observable, either directly or indirectly, and Level 3 inputs consist of unobservable inputs and has the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available. The level is based on the lowest level of any input that is significant to the fair value measurement.

4. Fair Value Measurements (continued)

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in methodologies used at December 31, 2022 and 2021.

- Mutual funds: The fair value is based on quoted net asset values of the shares held by the Plan at year-end (market approach).
- Stable value fund: As a practical expedient, the net asset value of units of the collective investment trust is used to estimate fair value.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021. There are no Level 2 or 3 type investments.

		December 31, 2022	
		Fair value measurement using:	
		Level 1	Total
Mutual funds		\$ 16,562,852	\$ 16,562,852
Investments measured at net asset value (a)		-	831,699
Investments at fair value		<u>\$ 16,562,852</u>	<u>\$ 17,394,551</u>

		December 31, 2021	
		Fair value measurement using:	
		Level 1	Total
Mutual funds		\$ 18,832,905	\$ 18,832,905
Investments measured at net asset value (a)		-	352,326
Investments at fair value		<u>\$ 18,832,905</u>	<u>\$ 19,185,231</u>

(a) In accordance with Financial Accounting Standards Board, Accounting Standards Codification 820-10, investments that were measured at net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the items presented in the Statements of Net Assets Available for Benefits.

The following tables summarize investments measured at fair value based on net asset value per share (or its equivalent) practical expedient as of December 31, 2022 and 2021.

4. Fair Value Measurements (continued)

December 31, 2022				
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Stable value fund	\$ 831,699	None	Daily	None

December 31, 2021

Stable value fund	\$ 352,326	None	Daily	None

The Reliance MetLife Stable Value Fund (the Fund), a collective investment trust, seeks to preserve principal while generating earnings at rates competitive over time with short-term high quality fixed-income investments. The Fund primarily invests in MetLife Group Annuity Contracts, fully benefit-responsive investment contracts, which consists of separately managed investment portfolios that primarily invest in fixed-income securities and cash and cash equivalents. An investment in the Fund is not insured or guaranteed.

Participant and plan directed transactions made in accordance with the provisions of the Plan (including benefit distributions or elections to change investments), may occur daily. Plan directed withdrawals from the Fund are subject to a market value adjustment if the contracts fair value is less than the guaranteed contract value. Any participant directed withdrawals based on advice or direction of the Sponsor and any transfers to a “competing fund”, as defined in the trust document of the Fund, will be deemed a plan directed withdrawal subject to potential market value adjustment. If the Plan wishes to redeem all or substantially all of the units held by the Plan, they must notify the trustee no later than thirty (30) business days prior to such valuation. The trustee has adopted excessive trading policies designed to discourage and detect abusive trading. Accordingly, purchases, exchanges or withdrawals that the trustee determines to be actually or potentially harmful to the Fund will be rejected.

5. Tax Status

Effective January 1, 2018, the Plan adopted the Automatic Data Processing Defined Contribution Plan. The pre-approved plan received an opinion letter dated July 16, 2014, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC).

Effective January 1, 2022, the Plan adopted the Automatic Data Processing Non-Standardized Defined Contribution Pre-Approved Plan. The pre-approved plan has received an opinion letter dated October 6, 2020, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The plan administrator believes that the Plan is designed and is currently being operated in compliance with applicable requirements of the IRC.

Dimmitt Automotive Group 401(k) Profit Sharing Plan

Notes to Financial Statements

December 31, 2022 and 2021

5. Tax Status (continued)

In order to maintain a qualified cash deferred arrangement under the IRS regulations, the Plan must satisfy the 401(k) non-discrimination requirements each year, which limit the percentage of compensation that can be contributed by highly compensated employees, as defined in the code, relative to the percentage of compensation contributed by non-highly compensated employees. The non-discrimination requirements were satisfied for both 2022 and 2021.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not, would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

7. Related Party and Party-In-Interest Transactions

Reliance Trust Company is the trustee of the Plan and ADP, LLC is the recordkeeper of the Plan; therefore, transactions with the trustee and recordkeeper qualify as party-in-interest transactions. Fees paid by the Plan to the trustee and recordkeeper totaled \$7,882 and \$7,048 for the years ended December 31, 2022 and 2021, respectively. The Plan paid investment advisory fees of \$62,013 and \$59,290 for the years ended December 31, 2022 and 2021, respectively. The Sponsor also paid certain administrative expenses of the Plan.

8. Subsequent Events

The Plan's management has evaluated events occurring subsequent to year-end through October 11, 2023, the date the financial statements were available to be issued, for financial reporting and disclosure purposes. Plan management identified the following subsequent event:

Effective September 1, 2023, Cycle Springs Powersports, LLC became a participating employer and the Plan was amended to provide for recognition of prior service with the employer for purposes of determining eligibility and vesting for the Plan.
