## INDEPENDENT AUDITOR'S REPORT

To the Plan Committee of the  
**Camp Family Ventures 401(k) Plan and Trust**  
**(Formerly known as Kern Machinery Companies 401 (k) Plan and Trust)**  
Bakersfield, California

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed an audit of the financial statements of **Camp Family Ventures 401(k) Plan and Trust (formerly known as Kern Machinery Companies 401(k) Plan and Trust)** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of October 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from qualified institutions as of and for the year ended October 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2022 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion on the 2022 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2022 financial statements.

**Responsibilities of Management for the 2022 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the 2022 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2022 financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### ***2022 Supplemental Schedule Required by ERISA***

The supplemental schedule, Schedule H, Line 4i – schedule of assets (held at end of year) as of October 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Auditor's Report on the 2021 Financial Statements***

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by qualified institutions. In our report dated August 12, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

**NOTES TO FINANCIAL STATEMENTS**

**Note 1. Plan Description**

The following description of the **Camp Family Ventures 401(k) Plan and Trust (formerly known as Kern Machinery Companies 401 (k) Plan and Trust)** (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

On July 11, 2022, the D.M. Camp & Sons 401(k) Plan and Trust was merged into the Plan.

*General:* The Plan is a defined contribution plan covering all eligible employees, as defined by the Plan, who are employed by Kern Machinery, Inc. and participating employers (collectively, the "Company" and the "Plan Sponsor"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

*Contributions:* Each year, participants may contribute up to 100 percent of their pre-tax annual compensation, as defined in the Plan and subject to Internal Revenue Code ("IRC") limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other eligible retirement plans (rollovers), as defined in the Plan. Participants direct the investment of their contributions and the Company's contributions into various investment options offered by the Plan.

The Company may make discretionary matching and profit-sharing contributions. Participants must complete one year of service with 1,000 hours and be employed on the last day of the Plan year in order to be eligible for Company discretionary contributions. For the year ended October 31, 2022, the Company contributed a discretionary match of 100 percent of the participant's contribution up to three percent of compensation. For the year ended October 31, 2022, the Company also made a discretionary profit-sharing contribution of three percent of compensation to all eligible participants. For the year ended October 31, 2022, the Company's matching contribution was \$350,261 and the profit-sharing contribution was \$403,338.

*Participant Accounts:* Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit-sharing contribution and Plan earnings and charged with any withdrawals or distributions requested by the participant, investment losses and allocation of administrative expenses, if any. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

*Vesting:* Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of service. Participants are vested in Company contributions at 20 percent after two years of service and an additional 20 percent each year thereafter until 100 percent vested upon six years of service. While still employed by the Company, if a participant becomes disabled, dies or reached normal retirement age, the participant becomes 100 percent vested.

*Notes Receivable from Participants:* Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 reduced by the highest outstanding loan balance during the previous 12 months, or 50 percent of their vested account balance. The loan interest rate is set at 1 percentage point above the prime rate and fixed for the duration of the loan. The loans are stated at the unpaid principal amount and secured by the balance in the participant's account. Principal and interest are paid ratably through payroll deductions.

*Payment of Benefits:* On termination of service due to death, disability, retirement, or employment termination, a participant or beneficiaries, as applicable, may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or installment payments, in accordance with the Plan. Participants who have attained age 59 ½ may receive distributions prior to termination of employment only from accounts which are 100% vested.

**CAMP FAMILY VENTURES 401 (k) PLAN AND TRUST  
(FORMERLY KNOWN AS KERN MACHINERY COMPANIES 401 (k) PLAN AND TRUST)**

**NOTES TO FINANCIAL STATEMENTS**

---

*Forfeited Accounts:* Forfeitures of Company contributions may be used to pay Plan administrative expenses or reduce Company contributions. During the year ended October 31, 2022, \$15,343 of forfeitures were utilized to reduce Company contributions and \$14,309 were used to pay Plan administrative expenses. Additionally, as of October 31, 2022 and 2021 there was \$36,934 and \$31,005 of forfeitures available for future use, respectively.

**Note 2. Summary of Accounting Policies**

*Basis of Accounting:* The financial statements of the Plan are prepared on the accrual basis of accounting.

*Use of Estimates:* The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

*Investment Valuation and Income Recognition:* Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

*Notes Receivable from Participants:* Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of October 31, 2022 or 2021.

*Payment of Benefits:* Benefits are recorded when paid.

*Expenses:* Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net (depreciation) of fair value of investments.

According to the Plan Expense Agreement between the Company and Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC (collectively "Great West"), Great West is required to make quarterly contributions to the Plan Expense Account ("PEA") in an amount equal to 0.25 percent of the Plan's assets. The funds in the PEA may be used to pay Plan administrative expenses during the year and any remaining balance at the end of the year may be allocated to participants as earnings or contributions. When applicable, the net (depreciation) of investments is inclusive of these contributions. During the year ended October 31, 2022, Great West contributed \$66,327 to the PEA and \$64,163 was used to pay Plan administrative expenses. As of October 31, 2022, there was \$16,420 in the PEA.

*Subsequent Events:* The Plan has evaluated subsequent events through October 10, 2023, the date on which the financial statements were available to be issued. No events were identified by management which would require disclosure in the financial statements.

**NOTES TO FINANCIAL STATEMENTS**

---

**Note 3. Certified Investments**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments, fully benefit-responsive investment contract, and participant loans held at October 31, 2022 and 2021, and net (depreciation) in fair value of investments, interest and dividends, and interest on notes receivable from participants for the year ended October 31, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Great West.

**Note 4. Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1            Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2            Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3            Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at October 31, 2022 or 2021.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

In accordance with ASC Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

**Note 5. Fair Value Measurements of Investments That Are Measured at Net Asset Value per Share**

*Stable Value Funds:* Share Prices/NAV's are generally obtained directly from the fund house or other investment provider. If available, an attempt is made to receive share prices from more than one source, and before the share price is entered into the recordkeeping system, a systematic comparison is performed and any difference in quoted share prices for the same fund is resolved by contacting the investment provider directly to ensure the correct share price is recorded. Variance reports are also reviewed showing percentage of share price changes from the prior day. The internal pricing analyst and management will review the overall movement of market indices and will apply judgement in determining whether any further research with investment providers will be pursued for share price variances from the prior day. Daily, after all research and validation has been performed, and variances have been resolved, share prices are closed and loaded to the recordkeeping system.

The Stable Value Fund is a collective investment trust established and maintained by Putnam Fiduciary Trust Company, LLC (PFTC or Putnam) as trustee of the fund. The fund is designed to provide a stable fixed income vehicle. The fund invests in high-quality guaranteed investment contracts (GICs) and similar contracts issued by insurance companies, banks and other financial institutions. The fund also invests up to 75% of its assets in security-backed investment contracts (SBICs), including separate account products of insurance companies. The fund invests at least 5% of its assets in high-quality money market instruments, cash, cash equivalents and stable value funds (including fixed income funds underlying SBICs) with investment policies and other provisions similar to those of the fund, and may invest without limit in these investments.

Redemptions of the fund are available daily, subject to some restrictions, with no redemption notice period required.

(FORMERLY KNOWN AS KERN MACHINERY COMPANIES 401 (k) PLAN AND TRUST)**

**NOTES TO FINANCIAL STATEMENTS**

---

**Note 6. Related-Party Transactions and Party in Interest Transactions**

Plan investments are held and managed by Great West and its affiliates. Transactions with Great West and its affiliates qualify as party-in-interest transactions for which exemptions exist. Great West and its affiliates received \$33,085 of direct compensation for recordkeeping fees that were paid by participants through the Plan. The Plan's investment advisor, Cap Financial Partners, LLC received direct compensation of \$59,042. The third-party administrator, The Ryding Company, received direct compensation of \$20,973. In addition, Great West received indirect compensation for a TPA allowance payment based on a formula.

**Note 7. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

**Note 8. Tax Status**

The Company adopted a prototype plan which is the subject of a favorable tax opinion letter from the IRS dated March 31, 2014. The Company believes that the Plan currently is being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of October 31, 2022, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Note 9. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
