The Plan Administrator
Statistics & Data Corporation 401(k) Plan
Tempe, Arizona

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of Statistics & Data Corporation 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the 2022 audit of Statistics & Data Corporation 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Statistics & Data Corporation 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2022 financial statements.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Statistics & Data Corporation 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Statistics & Data Corporation 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Statistics & Data Corporation 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2022 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We have audited the 2021 financial statements, and in our report dated October 12, 2022, we expressed an unmodified opinion on those 2021 financial statements.

STATISTICS & DATA CORPORATION 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2022 **DECEMBER 31, 2022 AND 2021**

Note 1 - Description of the Plan

The following brief description of Statistics & Data Corporation 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General - The Statistics & Data Corporation 401(k) Plan, established on June 1, 2008, is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). All employees, except union employees, non-residence alien, leased employees, part-time, temporary, or seasonal employee who works less than 1,000 hours of service in a year, and project employees, are eligible to participate on the first day of the month after they have completed one month of service and have attained the age of 21. Statistics & Data Corporation (the "Company") is the plan administrator. An officer of the Company was the trustee and T. Rowe Price Retirement Plan Services, Inc. ("T. Rowe Price") served as recordkeeper and custodian of plan assets. Effective June 1, 2021, the Plan was restated, and Reliance Trust Company ("Reliance") became the trustee and custodian of plan assets and ADP Retirement Services ("ADP") serves as recordkeeper. On June 1, 2021, all plan assets were transferred to mutual funds from T. Rowe Price to similar mutual funds offered by Reliance.

The Plan includes an employees' thrift savings plan established under the provisions of Internal Revenue Code Section 401(k). Under the savings plan, a certain percentage of employees' wages, as defined in the Plan, can be deferred as an employee contribution to the Plan.

Enrollment - All eligible employees may participate in the Plan upon meeting the age and service requirements and can enroll on the first day of each month. Participants may change their deferral percentage at anytime.

Contributions - Participants may contribute pretax annual compensation up to the maximum permitted by Code Section 402(g). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also make rollover contributions representing distributions from other qualified plans. Effective June 1, 2021, participants may also make elective deferrals as Roth contributions. The Plan is a safe harbor 401(k) plan. Each year, the Company makes a safe harbor matching contribution equal to 100% of the eligible compensation up to 3% and 50% of the eligible compensation between 3% and 5%. To be eligible for the safe harbor matching contribution, the participants must have completed one year of service and have attained age 21.

A discretionary matching contribution may be made each year at the option of the Company's Board of Directors. There was no discretionary matching contribution made to the Plan for the year ended December 31, 2022. In addition, each year, the Company may make a discretionary profit-sharing contribution. Each employee's portion of the Company's discretionary profit-sharing contribution is based on the employee's compensation in relation to total participant compensation. To be eligible for the discretionary profit-sharing contributions, an employee must have 1,000 hours or more of service during the Plan year and is an active employee on the last day of the Plan year. There was no discretionary profit-sharing contribution made to the Plan for the year ended December 31, 2022. Contributions are subject to certain limitations and eligibility requirements apply to such contributions.

Participant Accounts - Each participant account is credited with (a) the participant's contributions, (b) employer safe harbor matching contribution, (c) discretionary matching contributions, if any, (d) discretionary profit-sharing contributions, if any, (e) plan earnings, and (f) plan expenses, if any. Allocations of plan earnings are based on account balances, as defined. The benefit, to which a participant is entitled, is the benefit that can be provided from the participant's vested account.

STATISTICS & DATA CORPORATION 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2022 **DECEMBER 31, 2022 AND 2021**

Note 1 - Description of the Plan (Continued)

Vesting - Participants are immediately vested in their salary deferral contributions, rollover contributions, and safe harbor matching contribution plus actual earnings thereon. Vesting in the employer discretionary matching contribution and profit-sharing contribution portion of their accounts plus actual earnings thereon is based on years of credited service. A participant is 100% vested after six years of credited service.

Investment Options - Upon enrollment in the Plan, and at any time during the plan year, a participant may direct their contributions in one percent increments to various investment options comprised of certain selected mutual funds. Participants may reallocate their funds or redirect new contributions on a daily basis among any of the offered funds.

Notes Receivable from Participants - Participants may borrow from their accounts a minimum of \$1,000 up to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at rates of 1% above the Prime rate. Principal and interest is paid ratably through payroll deductions. Generally, notes must be repaid within five years unless being used to purchase a principal residence. Participants may have three notes outstanding at a time.

Forfeitures - Forfeitures can be used to reduce plan expenses related to the administration of the Plan or to reduce future employer contributions. Forfeited non-vested accounts in the amount of \$21,999 were used to reduce employer safe harbor matching contributions for the year ended December 31, 2022. At December 31, 2022 and 2021, unallocated forfeitures amounted to \$12,051 and \$11,859, respectively.

Payment of Benefits - Upon termination of service, retirement, disability or death, participants or beneficiaries are entitled to a distribution equal to the total value of the participant's vested account. A participant or beneficiary may elect to receive the value of the vested account in a lump-sum cash payment or a rollover distribution to an eligible retirement account, or a combination of both payout options.

For vested balances less than \$5,000, benefit payments are automatically made to the participant in the form of a rollover to an IRA account. If the vested balance is greater than \$5,000, the participant may defer payment until required by law to receive minimum required distributions.

Participants may withdraw from their vested accounts upon certain hardship situations defined in the Plan or upon attainment of age 59 1/2.

Plan Amendment and Termination - The Plan may be amended at any time by the Board of Directors, provided that no such amendment may deprive participants of their vested benefits. Although it has not expressed any intent to do so, the plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, all participants will become 100% vested in their accounts.

STATISTICS & DATA CORPORATION 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2022 **DECEMBER 31, 2022 AND 2021**

Note 1 - Description of the Plan (Continued)

Administrative Expenses - Prior to June 1, 2021, fees for origination of notes receivable from participants, maintenance of former employees' participant accounts, and other administrative expenses were paid by the participants. Effective June 1, 2021, the Company pays the administrative expenses relating to the Plan except those relating to investment management fees and quarterly fund expenses including loan origination and maintenance fees, which are paid by the Plan's participants. Investment management fees charged to the Plan for all investments are deducted from income earned on a monthly basis and are not separately reflected. Consequently, investment management fees are reflected as a reduction of net appreciation in the fair value of investments. During the plan year ended December 31, 2022, fees paid by the Plan's participants amounted to \$39,555.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting - The financial statements of the Plan are prepared under the accrual method of accounting in conformity with U.S. generally accepted accounting principles.

Estimates - The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan management to make estimates and assumptions that affect certain reported amounts of assets, liabilities and changes therein and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimates.

Investment Valuation - All investments are reported at fair value in these financial statements. Fair value is measured in accordance with U.S. generally accepted accounting principles as more fully described in Note 4. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net realized and unrealized gains and losses include the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. Delinquent notes receivable are reclassified as distributions in accordance with the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Payment of Benefits - Benefits are recorded when paid.

STATISTICS & DATA CORPORATION 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2022 **DECEMBER 31, 2022 AND 2021**

Note 2 - Summary of Significant Accounting Policies (Continued)

Tax Status - Prior to May 31, 2021, the Statistics & Data Corporation 401(k) Plan was utilizing a DST Retirement Solutions LLC non-standard 401(k) prototype plan which received its latest determination letter on June 1, 2015. Effective June 1, 2021, the Plan was restated and adopted the ADP, LLC non-standard 401(k) prototype plan. The ADP, LLC prototype plan being utilized obtained its latest determination letter on October 6, 2020, in which the Internal Revenue Service stated that the Plan was in compliance with the applicable requirements of the Internal Revenue Code. The ADP, LLC prototype plan has been amended since that date. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified as of the financial statement date. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan evaluates all significant tax positions as required by U.S. generally accepted accounting principles. As of December 31, 2022, the Plan has no uncertain tax positions that would require either recognition or disclosure in the financial statements. The Plan is generally subject to potential examination by taxing authorities for the prior three years. Currently there are no audits in progress for any tax periods.

Subsequent Events - The date to which events occurring after December 31, 2022 have been evaluated for possible adjustment to the financial statements or disclosure is the date of the Independent Auditor's Report which is the date the financial statements were available to be issued.

Note 3 - Information Certified by Trustee

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments, at fair value, and notes receivable from participants held at December 31, 2022, and realized and unrealized losses, net, interest and dividends, and interest income on notes receivable from participants for the year then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company (the trustee and custodian of the Plan).

Note 4 - Fair Value Measurements

Fair value is defined under U.S. generally accepted accounting principles as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The Plan is required to maximize the use of observable inputs, minimize the use of unobservable inputs, and disclose in the form of an outlined hierarchy the details of such fair value measurements. The hierarchy of valuation techniques is based on whether the inputs to fair value measurement are considered to be observable or unobservable in a marketplace. Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect the Plan's market assumptions.

STATISTICS & DATA CORPORATION 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2022 **DECEMBER 31, 2022 AND 2021**

Note 4 - Fair Value Measurements (Continued)

The hierarchy requires the use of observable market data. When available, these inputs have created the following fair value hierarchy:

Level 1 - Quoted prices in active markets for identical assets or liabilities.

Level 2 - Observable inputs other than those included in Level 1. For example, quoted prices for similar assets in active markets or quoted prices for identical assets in inactive markets.

Level 3 - Unobservable inputs reflecting management's own assumptions about the inputs used in estimating the value of the assets.

Following is a description of the Plan's valuation methodologies for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds

These investments are public investment vehicles valued using the Net Asset Value ("NAV") provided by the administrator of the fund and calculated at the close of business on the NYSE. The NAV is based on the value of the underlying asset owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. Investments in mutual funds are classified within Level 1 of the valuation hierarchy.

The following table presents the financial instruments carried at fair value, by caption on the statements of net assets available for benefits and by the valuation hierarchy (as described above) as of December 31, 2022 and 2021, respectively:

	<u>2022</u>	<u>2021</u>
<u>Level 1</u>		
Mutual funds	\$ <u>8,916,947</u>	\$ <u>9,666,773</u>
Total investment, at fair value	\$ <u><u>8,916,947</u></u>	\$ <u><u>9,666,773</u></u>

Note 5 - Related Party Transactions

Reliance Trust Company is the custodian and ADP is the recordkeeper of the Plan. Morgan Stanley Smith Barney is the investment advisor of the Plan. Accordingly, these transactions qualify as party-in-interest transactions. During the year ended December 31, 2022, fees charged to participant accounts included \$18,898 of loan origination, maintenance fees and other administrative expenses that were paid to ADP and \$20,657 of investment advisory fees that were paid to Morgan Stanley Smith Barney. Notes receivable from participants also qualify as party-in-interest transactions. The Company, as plan sponsor, pays certain administrative expenses of the Plan.

STATISTICS & DATA CORPORATION 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2022 **DECEMBER 31, 2022 AND 2021**

Note 6 - Notes Receivable from Participants

As of December 31, 2022, notes receivable from participants bear interest at rates ranging from 5.00% to 9.00%, with maturities at various dates through January 2025.

As of December 31, 2021, notes receivable from participants bear interest at rates ranging from 4.25% to 6.50%, with maturities at various dates through May 2026.

Note 7 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note 8 - Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per financial statements at December 31, 2022 and 2021 to Form 5500:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 8,971,467	\$ 9,812,653

Net assets per Schedule H of Form 5500	<u><u>\$ 8,966,489</u></u>	<u><u>\$ 9,768,918</u></u>

The following is a reconciliation of net decrease per the financial statements at December 31, 2022 to Form 5500:

Net decrease per the financial statements	\$ (841,186)
Add: Employer contribution receivable at December 31, 2021	43,735
Less: Employer contribution receivable at December 31, 2022	<u>(4,978)</u>
