JMA Solutions, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of JMA Solutions, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit JMA Solutions, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of JMA Solutions, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about JMA Solutions, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of JMA Solutions, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about JMA Solutions, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedules of Assets (Held at End of Year) as of December 31, 2022 and 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**JMA SOLUTIONS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022**

NOTE A – DESCRIPTION OF PLAN

The following description of JMA Solutions, LLC 401(k) Plan (“the Plan”) provides only general information. Participants should refer to the Plan agreement and the amendments thereto for a more complete description of the Plan’s provisions.

General

Effective January 1, 2012, JMA Solutions, LLC (“the Company”) established the Plan to provide deferred compensation benefits to its eligible employees. The Plan is a defined contribution Plan with 401(k) salary deferral provisions covering substantially all employees of the Company who are at least twenty-one years of age and have completed two months of service. All employees employed as of the effective date are eligible to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan qualifies under the Internal Revenue Code (“IRC”) as a 401(k) Plan.

Contributions

Each year, participants may contribute up to 100% of eligible salary on a pre-tax deferral with a maximum contribution of \$20,500 for 2022. However, participants who are over the age of 50 may make catch-up contributions of \$6,500 for 2022. Participants may also transfer monies from a former employer’s qualified retirement plan, as defined in the Plan’s provisions. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan sponsor is required to make a Safe Harbor matching contribution equal to 100% of the participant contribution that does not exceed 3% of the participant compensation, plus 50% of participant contributions that exceed 3% and do not exceed 5%. Safe Harbor matching contributions for the year ended December 31, 2022, was \$325,690.

Eligible employees may also rollover funds from a former employer’s qualified retirement plan into the Plan. The Company may also make discretionary matching contributions at the option of the Company's Board of Directors. There were no discretionary employer matching contributions for the year ended December 31, 2022.

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022**

NOTE A – DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Plan assets are held by The Lincoln National Life Insurance Company and administered by the Company. Each participant's account is credited with the participant's contribution, including amounts rolled over from other qualified plans, and allocations of the Company's discretionary matching and non-elective contributions, if any, and plan earnings and losses, less any charges, if applicable. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions, rollover contributions and employer Safe Harbor matching contributions, as well as actual earnings thereon. Vesting in the Company's non-elective contributions, plus actual earnings thereon is based on years of continuous service. A participant becomes 100% vested after six years of credited service.

Notes Receivable from Participants

A participant may have one loan outstanding. The maximum loan amount available is \$50,000 or one-half of their vested balance in the Plan, whichever is less. The notes are secured by the vested account balance in the participant's account, have a one to five-year permissible term, and bear interest at the prime rate as specified by the Wall Street Journal plus one percent. With the approval of the Plan Administrator, loans obtained to secure the acquisition of the participants principal residence may be extended beyond a five-year term. Principal and interest are paid ratably through payroll deductions. The participant also has the option to make additional repayments directly to the Plan.

Payment of Benefits

On termination of service due to death, disability, retirement or any other reason, a participant or beneficiary may elect to receive a lump sum amount equal to the value of participant's vested interest. Unless directed by the participant, payments cannot be deferred beyond the latest of the following:

- Normal retirement date under the Plan or age 65, if earlier.
- Termination of employment.
- Five-years of plan participation.

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022**

NOTE A – DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits (continued)

Generally, on termination of service and at any point in time thereafter, an employee may elect to receive a lump sum equal to his or her vested account balance. However, if the employee's vested balance is less than \$1,000, he or she must receive a lump-sum distribution.

Forfeited Accounts

Forfeitures resulting from terminated participants can be applied towards the employer profit sharing contribution. For the year ended December 31, 2022, there were no forfeited accounts.

Investment Options

Contributions to the Plan are invested by the trustee in various investment funds, according to participant instructions. The Plan Administrator provides participants with current copies of the prospectus describing each investment option.

Coronavirus Aid, Relief, and Economic Security Act

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act became law. The CARES Act provided the authority to implement 4 provisions to assist participants that were affected by COVID-19. The CARES Act suspended required minimum distributions (RMDs) for calendar year 2020, implemented the option to allow participants to take loans up to \$100,000, allow participants to suspend loan payments for calendar year 2020 for one year, and allowed participants to take a withdrawal of up to \$100,000 which can then be repaid over three years, or the participant can elect to have the taxes spread over 3 years. The provisions allowing new loans and new withdrawals ended in December 2020.

Setting Every Community Up for Retirement Enhancement (SECURE) Act of 2019

The Setting Every Community Up for Retirement Enhancement (SECURE) Act of 2019 was signed into law on December 20, 2019, as part of the Further Consolidated Appropriations Act, 2020. The SECURE Act changed the age of initiation for required minimum distributions (RMDs) from 70.5 to age 72 for all retirement accounts subject to RMDs. This change for taking a participant's first RMD from age 70.5 to age 72 affects participants who had not attained age 70.5 by December 31, 2019.

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022**

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents represent monies deposited with the Plan trustee which, at year end, were unallocated to investments accounts.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are charged directly to the borrowing participant's account. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. If a participant does not make loan payments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan documents. As of December 31, 2022 and 2021, notes receivable from participant loans were \$325,865 and \$263,706, respectively. Management believes the notes receivable from participant loans to be fully collectible.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note H for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**JMA SOLUTIONS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022**

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits

Benefits are recorded when paid.

Investment Management Services

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in the fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and are charged directly to the participants' account.

NOTE C - INFORMATION PREPARED AND CERTIFIED BY TRUSTEES

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified as complete and accurate by the trustee, The Lincoln National Life Insurance Company, as of December 31:

	<u>2022</u>	<u>2021</u>
Investments at fair value:		
Registered investment funds	\$ 8,538,142	\$ 10,130,257
Interest income	14,389	
Net depreciation in fair value of investments	(1,357,730)	

NOTE D – TAX STATUS

The Plan, which is a prototype non-standardized profit-sharing Plan with Cash or Deferred Arrangement (CODA), has received a favorable determination letter from the Internal Revenue Service dated March 31, 2014. The Internal Revenue Service has determined and informed the Company that the Plan is designed in accordance with applicable regulations of the Internal Revenue Code (IRC) and is exempt from income taxes.

NOTE E – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for Plan benefits per the financial statements to Schedule H of Form 5500 as of December 31:

	<u>2022</u>	<u>2021</u>

The following is a reconciliation of contributions per the financial statements to Form 5500 for the year ended December 31:

	<u>2022</u>
Contributions per the financial statements	\$ 1,215,104
Contributions per the Form 5500	\$ 1,215,104

NOTE F – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term, and that such changes could materially affect participants account balances and the amounts reported in the statement of net assets available for benefits.

NOTE G – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to reduce or discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in their entire account.

**JMA SOLUTIONS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022**

NOTE H – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

Level 1 Fair Value Measurements

The fair value of mutual funds in registered investment accounts is based on quoted net asset values of the shares held by the Plan at year end.

Level 2 Fair Value Measurements

The fair value of common/collective trusts and pooled separate accounts consists of a wide variety of investments such as equities, preferred stock, bonds, real estate and mutual funds.

The net asset value is based on the market value of its underlying investments, but the net asset value is not a publicly quoted price in an active market and can be obtained directly from the applicable asset manager or investment sponsor.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**JMA SOLUTIONS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022**

NOTE H – FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of:

December 31, 2021		
Pooled separate accounts	\$ 10,111,857	\$ 10,111,857
Registered investments	18,400	18,400

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2022, is reported in net depreciation in fair value of investments.

NOTE I – RELATED PARTIES AND PARTIES IN INTEREST

All funds of the Plan are managed by The Lincoln National Life Insurance Company. As a result, The Lincoln National Life Insurance Company qualifies as a party-in-interest to the Plan with respect to transactions related to these funds. The fair market value of the funds managed by The Lincoln National Life Insurance Company totaled \$8,538,142 and \$10,130,257 as of December 31, 2022 and 2021, respectively.
