INDEPENDENT AUDITORS' REPORT

To the Plan Administrator, Participants and Beneficiaries of the
DermaRite Industries LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of DermaRite Industries LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2021, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with modified cash basis of accounting described in Note B[1].
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note B[1] to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is the basis of accounting other than the accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with modified cash basis of accounting described in Note B[1], and for determining that the modified cash basis of accounting is an acceptable basis for presentation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of modified cash basis of accounting described in Note B[1].

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note B[1].

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) (modified cash basis) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule (modified cash basis), other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule (modified cash basis), we evaluated whether the supplemental schedule (modified cash basis), other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule (modified cash basis), other than the information in the supplemental schedule (modified cash basis) that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule (modified cash basis) related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

DERMARITE INDUSTRIES LLC 401(k) PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE A - DESCRIPTION OF THE PLAN

The following description of the DermaRite Industries LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

[1] General:

The Plan became effective March 2, 2018 and is a defined contribution plan covering substantially all employees of DermaRite Industries LLC (the "Company") who have completed 30 days of service and attained the age of 21. Upon satisfaction of the service requirements, participants are eligible to enter the Plan on the first day of each month of the Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan entered into a Group Variable Funding Agreement for record-keeping services with Massachusetts Mutual Life Insurance Company effective March 1, 2018.

On December 31, 2020, Empower Retirement acquired the retirement business of Massachusetts Mutual Life Insurance Company ("MassMutual"). MassMutual was the recordkeeper prior to the acquisition date. Insurance products issued by MassMutual, and formerly administered by MassMutual, are certified by Great West Life & Annuity Insurance Company and Great West Trust Company, LLC (collectively "Great West") ("Great West") pursuant to a Power of Attorney granted to Great West by MassMutual for the period from January 1, 2021 to July 6, 2021. MassMutual certified the investments as of December 31, 2020.

The Plan signed a new record-keeping agreement with Automatic Data Processing ("ADP") effective July 2021. Trustee services under the arrangement are provided by Reliance Trust Company. In conjunction with the execution of the agreement, on July 6, 2021, ADP became the recordkeeper and investment assets of approximately \$1,760,000 resulting from participant investment balances and forfeitures were transferred from MassMutual to Reliance Trust Company. In addition, approximately \$18,600 in notes receivable from participant balances were transferred in kind. Effective July 6, 2021, MassMutual no longer provides record-keeping services for the Company or the Plan.

[2] Contributions:

Participants were able to contribute up to 100% of pre-tax annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. In addition, participants were able to contribute up to 100% of Roth after-tax compensation, as defined by the Plan. Effective July 2021, participant pre-tax and Roth after-tax deferrals were limited to 90% of annual compensation, as defined by the Plan. In no event may participant pre-tax and after-tax contributions exceed any statutory limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans as rollover contributions.

The Company may make contributions to the Plan representing discretionary matching contributions on a per pay period basis. The Company matched 50% up to 6% of eligible compensation up to a maximum of \$3,000, as defined by the Plan, during the year ended December 31, 2021. Total discretionary matching contributions for the year ended December 31, 2021 approximated \$96,000. Participants direct the investment of participant and employer contributions.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation.

[3] Participant accounts:

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions and (b) Plan earnings, and may be charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

DERMARITE INDUSTRIES LLC 401(k) PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

[4] Vesting:

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company's discretionary matching contribution portion of their accounts, plus actual earnings thereon, is as follows:

<u>Years of Service</u>	<u>Vesting</u>
1 year	0%
2 years	25%
3 years	50%
4 years	75%
5 years	100%

[5] Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance. Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, but in no event may have more than one loan outstanding at any time. Loan terms range from one to five years; however, terms may exceed five years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate equal to Prime + 1.00% at the inception of the loan. Interest rates on outstanding loan balances ranged from 4.25% to 6.25% as of December 31, 2021 and 2020. Principal and interest are paid ratably through payroll deductions. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

The Coronavirus Aid, Relief, and Economic Security ("CARES") Act was signed into law on March 27, 2020 and provided certain loan provisions. Participants, who met specific conditions, were eligible to take a coronavirus ("COVID-19") related loan up to \$100,000 (an increase from \$50,000 previously allowed) for the period March 27, 2020 to September 22, 2020. Loan repayments that were due between March 27, 2020 and December 31, 2020 may have been suspended until January 1, 2021 for eligible participants, with the repayment amount re-amortized and the due date of the loan extended for up to one year.

[6] Payment of benefits:

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum distribution equal to the value of the participant's vested interest in his or her account. Participants may also request a lump-sum distribution upon attainment of the age of 59½ years of age. Hardship distributions may also be requested by participants up to the value of the participant's vested interest in his or her account upon meeting certain requirements as defined in the Plan document.

[7] Forfeitures:

Forfeited nonvested accounts are used at the Company's discretion to reduce future Company contributions, pay Plan expenses, or allocate as additional employer contributions. Forfeited nonvested accounts available at December 31, 2021 and 2020 were approximately \$10 and \$7,400, respectively. During the year ended December 31, 2021, the Company utilized forfeitures of approximately \$18,200 to reduce employer contributions.

DERMARITE INDUSTRIES LLC 401(k) PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

[1] Basis of accounting:

The financial statements are prepared on the modified cash basis of accounting. The modified cash basis of accounting is a cash basis that adjusts securities to fair market value and does not provide for accrual for contributions receivables or payables. Interest and dividends are recorded when received.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value was the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts, because contract value was the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

[2] Investment valuation and income recognition:

The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts, which were reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest and dividends are recorded when received by the Plan. Net appreciation in the value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

[3] Payment of benefits:

Benefits are recorded when paid.

[4] Plan expenses:

Substantially all expenses, with the exception of fees related to notes receivable from participants, account maintenance fees, including participation fees, and other participant-initiated transaction fees, incurred in connection with the administration of the Plan are paid by the Company.

[5] Use of estimates:

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

DERMARITE INDUSTRIES LLC 401(k) PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE C - INVESTMENT CERTIFICATION

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Reliance Trust as of December 31, 2021 and for the period of July 6, 2021 to December 31, 2021 and Great West for the period of January 1, 2021 to July 6, 2021, have certified to the completeness and accuracy of all investments and related investment activity and notes receivable from participants and related activity in the accompanying statement of net assets available for benefits (modified cash basis) as of December 31, 2021, the statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2021 and the accompanying supplemental schedule of assets (held at end of year) (modified cash basis) as of December 31, 2021. MassMutual has certified to the completeness and accuracy of all investments and notes receivable from participants in the accompanying statement of net assets available for benefits (modified cash basis) as of December 31, 2020.

NOTE D - FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board's ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; or (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investment assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts - Valued at NAV, as a practical expedient, based on the market value of the underlying investments. The NAV is not a publicly-quoted price in an active market. The pooled separate accounts are comprised of a wide variety of mutual funds. As of December 31, 2021, the Plan no longer holds investment in any pooled separate accounts.

DERMARITE INDUSTRIES LLC 401(k) PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

Stable value collective trust fund – A stable value fund that is composed primarily of fully benefit-responsive investment contracts and that is valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021. As of December 31, 2020, all investments measured at fair value and held by the Plan are measured at fair value using the NAV per share (or its equivalent) as a practical expedient and, as a result, have not been classified in the fair value hierarchy. Therefore, the fair value hierarchy table has been excluded from the financial statements.

Investment Assets at Fair Value as of December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 1,848,924</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,848,924</u>
Total investment assets in the fair value hierarchy	<u>1,848,924</u>	<u>-</u>	<u>-</u>	<u>1,848,924</u>
Investments measured at NAV (A):				
Stable value collective trust fund	<u>-</u>	<u>-</u>	<u>-</u>	<u>38,160</u>
Investments at fair value	<u><u>\$ 1,848,924</u></u>	<u><u>\$ -</u></u>	<u><u>\$ -</u></u>	<u><u>\$ 1,887,084</u></u>

- (A) Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

DERMARITE INDUSTRIES LLC 401(k) PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

Fair Value of Investments in Entities that Use Net Asset Value

The following tables summarize investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021 and 2020, respectively:

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if currently eligible)</u>	<u>Plan Level Redemption Notice Period</u>
2021:				
Stable value collective trust fund (A) \$	38,160	n/a	Daily	60 Days
2020:				
Pooled separate accounts(B)	\$ 1,451,847	n/a	Daily	90 Days

(A) The Plan's investment in the Reliance Trust Company MetLife Stable Value Fund Collective Trust Investment is maintained by Reliance Trust Company. The investment seeks to preserve principal and earn rates competitive over time with short-term high quality fixed income investments while maintaining sufficient liquidity to provide withdrawals consistent with the terms of the Declaration of Trust.

(B) The majority of the Plan's assets were held in target-date retirement accounts based on a participant's anticipated year of retirement, focusing on delivering consistent risk-adjusted returns through a participant's retirement investment horizon.

NOTE E - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

In March of 2018, the Plan entered into an Allocated Group Annuity Contract (the "contract") with Massachusetts Mutual Life Insurance Company containing provisions for investment in a benefit-responsive guaranteed investment contract. Massachusetts Mutual Life Insurance Company maintained the contributions in a general account. The contract was reported at contract value. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Upon transition of the Plan's investment assets to Reliance Trust in July of 2021, the Company terminated the investment contract. The balance at December 31, 2020 was \$16,660.

Because the guaranteed investment contract was fully benefit-responsive, contract value was the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Massachusetts Mutual Life Insurance Company, represented contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants were able to ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The fixed-interest account held by the Plan was a guaranteed investment contract. The contract issuer was contractually obligated to repay the principal and interest at a specified interest rate that was guaranteed to the Plan. The crediting rate was based on a formula established by the contract issuer but may not have been less than 1.00%. The crediting rate is reviewed on a quarterly basis for resetting.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts was dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations could have been affected by economic and regulatory developments.

DERMARITE INDUSTRIES LLC 401(k) PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE E - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY (CONTINUED)

Assets invested in the fixed account were not subject to market value adjustments upon transfers or withdrawals that occurred related to a benefit event as defined by the contract, to fund a loan or hardship distribution, for the payment of contract expenses, or if taken by a participant, as defined.

Certain events could have limited the ability of the Plan to transact at contract value with the contract issuer. These events may have been different under each contract but may have included the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code ("IRC") or the failure of the trust to be tax-exempt under Section 501(a) of the IRC;
2. Premature termination of the contract;
3. Plan termination or merger;
4. Changes to the Plan's prohibition on competing investment options; or
5. Bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events were probable of occurring that may limit the ability of the Plan to transact at contract value with the contract issuers and that also would have limited the ability of the Plan to transact at contract value with the participants.

Contract termination required notice to the issuer specifying a date of termination which could not have been earlier than 90 days following the receipt of such notice.

In addition, certain events allowed the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Those events may have been different under each contract. Examples of such events included the following:

1. Failure to comply with state and federal law governing retirement plans;
2. Declaration of partial Plan termination by the Internal Revenue Service;
3. Failure to render performance as necessary to comply with the terms of the contract;
4. Plan disqualification by the Internal Revenue Service;
5. Amendments to the Plan trust that adversely affect the issuer's obligations under the contract;
6. Assets held or participants covered under the contract are less than the requirements of the contract;
7. There are no contributions during any consecutive 12-month period; or
8. Contributions or balances are less than those required under the contract.

The issuer reserved the right to defer Plan level withdrawals from the fixed-interest account for up to 30 days after the request for termination was received, and the amount payable may have been divided into six equal annual installments to commence after the 30-day period. The Company and issuer were also permitted to agree to an amount to be paid out in a lump sum within 30 days.

NOTE F - TAX STATUS

The Plan had adopted a Volume Submitter Profit Sharing Plan with CODA sponsored by Intac Actuarial Services, Inc., the Plan's third-party administrator, for use through July 2021. On March 31, 2014, the Internal Revenue Service ("IRS") stated in an advisory letter that the Volume Submitter adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code ("IRC") and, therefore, the related trust is exempt from taxation. Therefore, the Plan administrator believes that the Plan is qualified and the related trust is tax-exempt.

DERMARITE INDUSTRIES LLC 401(k) PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE F - TAX STATUS (CONTINUED)

Effective July 2021, the Plan has adopted a Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA Plan sponsored by ADP, LLC. On October 6, 2020, the Internal Revenue Service ("IRS") stated in an opinion letter that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code ("IRC") and therefore, the related trust is exempt from taxation. The Plan has been amended since receiving the letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan is qualified and the related trust is tax-exempt.

The modified cash basis of accounting requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of liability or disclosure in the financial statements. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

NOTE G - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Effective July 2021, Reliance Trust Company and ADP were appointed as the Trustee and recordkeeper, respectively, of the Plan. Prior to July 2021, Massachusetts Mutual Life Insurance Company was the insurance company of the Plan. Intac Actuarial Services, Inc., the Plan's third-party administrator. These service providers of the Plan charge fees for certain participant-initiated transactions and participation fees. As service providers to the Plan, these transactions qualify as party-in-interest transactions. Total fees paid to these service providers during the year ended December 31, 2021 amounted to \$8,375.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks, as well as risks related to the financial strength of the insurance company. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits (modified cash basis).

Volatility in the financial markets may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments at December 31, 2021 may not necessarily be indicative of amounts that could be realized in a current market exchange.

The extent of the impact of the COVID-19 outbreak on the financial performance of the Plan's investments will continue to depend on future developments, including the duration and spread of the outbreak and any subsequent surges in cases as well as any related advisories and restrictions, and the impact of COVID-19 on the financial markets and the overall economy, all of which are highly uncertain and cannot be predicted. If the financial markets and/or the overall economy are impacted for an extended period, the Plan's investment results may be materially adversely affected.

NOTE I - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Company contributions.

Communication with Those Charged with Governance

We have conducted an Employee Retirement Income Security Act of 1974 ("ERISA") Section 103(a)(3)(C) audit of the financial statements (modified cash basis) of DermaRite Industries LLC 401(k) Plan (the "Plan") as of and for the year ended December 31, 2021, and have issued our report thereon dated December 6, 2022. Professional standards require that we provide you with the following matters related to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated May 4, 2022, our responsibility, as described by professional standards, is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of the modified cash basis of accounting discussed in Note B[1] to the financial statements. Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects in accordance with the modified cash basis of accounting. Our audit of the financial statements does not relieve you or management of your respective responsibilities.

"EisnerAmper" is the brand name under which EisnerAmper LLP and Eisner Advisory Group LLC provide professional services. EisnerAmper LLP and Eisner Advisory Group LLC are independently owned firms that practice in an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable law, regulations and professional standards. EisnerAmper LLP is a licensed CPA firm that provides attest services, and Eisner Advisory Group LLC and its subsidiary entities provide tax and business consulting services. Eisner Advisory Group LLC and its subsidiary entities are not licensed CPA firms.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, as part of our ERISA Section 103(a)(3)(C) audit and except that we will not include a consideration of internal control relating to the information prepared and certified by the bank or similar institution or insurance carrier, we considered the internal control of the Plan. Such considerations will be solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

Planned Scope and Timing of the Audit

We are required to communicate an overview of the planned scope and timing of the audit. We previously communicated our planned scope and timing to you in the engagement letter dated May 4, 2022 and during our meeting about planning matters.

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

Generally accepted auditing standards require independence for all audits. The auditors should communicate with those charged with governance circumstances or relationships (for example, financial interests, business or family relationships, or non-audit services provided or expected to be provided) that, in the auditors' professional judgment, may reasonably be thought to bear on independence, and that the auditors gave significant consideration to in reaching the conclusion that independence had not been impaired.

The engagement team, others in our firm, as appropriate, and our firm, have complied with all relevant ethical requirements regarding independence.

Materiality in the Context of an Audit

The concept of materiality in planning and executing the audit included the consideration that:

- Misstatements, including omissions, are considered to be material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.
- Judgments about materiality are made in light of surrounding circumstances and are affected by the size or nature of a misstatement, or a combination of both.

- Judgments about materiality involve both qualitative and quantitative considerations.
- Judgments about matters that are material to users of the financial statements are based on a consideration of the common financial information needs of users as a group. The possible effect of misstatements on specific individual users, whose needs may vary widely, is not considered.

The auditor's determination of materiality is a matter of professional judgment and is affected by the auditor's perception of the financial information needs of users of the financial statements.

Significant Risks Identified

In our engagement letter dated May 4, 2022, we identified significant risks of material misstatement noting that our planning for the audit of the year ended December 31, 2021 had not yet concluded and, as a result, modifications to our identified significant risks of material misstatement may be made.

Upon concluding planning for our audit of the year ended December 31, 2021, we have identified the following significant risks:

- Management override of controls
- Plan transfer (due to the change in recordkeeper and custodian)

Qualitative Aspects of the Plan's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. The summary of the significant accounting policies adopted by the Plan are described in the footnotes to the financial statements.

- There have been no initial selections of accounting policies and no changes in significant accounting policies or their application during the year ended December 31, 2021.
- We noted no accounting policies in controversial areas or areas for which there is a lack of authoritative guidance or consensus, or diversity in practice.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based upon management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users.

The disclosures in the financial statements are neutral, consistent, and clear.

Uncorrected and Corrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole.

No audit adjustments were identified in connection with our audit of the financial statements.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts.

Management has informed us that, and to our knowledge, there were no such consultations with other accountants regarding auditing and accounting matters.

Representations Requested from Management

We have requested certain written representations from management that are included in the management representation letter attached.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with the Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, business conditions affecting the Plan, and business plans and strategies that may affect the risks of material misstatement. However, these discussions occurred in the normal course of our professional relationship and none of the matters discussed resulted in a condition to our retention as the Plan's auditors.

Form 5500

Our responsibility as auditors is to obtain and read the substantially complete Form 5500 prior to dating the auditors' report in order to identify material inconsistencies, if any, with the Plan's financial statements. Nothing came to our attention that caused us to believe that such information in the substantially complete Form 5500, or its manner of presentation, is materially inconsistent with information, or manner of its presentation, appearing in the Plan's financial statements.

Other Matters

The ERISA-required supplemental schedules were subjected to the audit procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

Communication of Internal Control Related Matters

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements (modified cash basis) of DermaRite Industries LLC 401(k) Plan (the "Plan") of and for the year ended December 31, 2021, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the Plan's financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Management has determined it is permissible in the circumstances and has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. In addition, because of inherent limitations in internal control, including the possibility of management override of controls, misstatements due to error or fraud may occur and not be detected by such controls.

DermaRite Industries LLC 401(k) Plan

Page 6

December 6, 2022

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements (whether caused by error or fraud) on a timely basis.

Material Weaknesses

A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected on a timely basis. We did not identify any deficiencies in internal control that we consider to be material weaknesses.

Significant Deficiencies

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

During our audit, we also became aware of the following deficiencies in internal control, other than significant deficiencies or material weaknesses, and other matters that are opportunities for strengthening internal controls and operating efficiency. They are presented in the Other Matters section below.

Restriction

This communication is intended solely for the information and use of those charged with Plan governance, and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

EISNERAMPER LLP

**ATTACHMENTS TO COMMUNICATION WITH THOSE CHARGED WITH GOVERNANCE
LETTER FOR DERMARITE INDUSTRIES LLC 401(k) PLAN DATED DECEMBER 6, 2022:**

Management Representation Letter

Please see the attached letter of representations from management.

December 6, 2022

EisnerAmper LLP
111 Wood Avenue South
Iselin, New Jersey 08830

This representation letter is provided in connection with your audits of the financial statements (modified cash basis) of DermaRite Industries LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended December 31, 2021, and the related notes to the financial statements.

We have elected to have the audit of the Plan's 2021 financial statements (modified cash basis) performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the 2021 audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with the modified cash basis of accounting as described in Note B[1] to the financial statements.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

We understand that, at our instruction, you did not perform any audit procedures with respect to the 2020 information prepared and certified to by a qualified institution, in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (DOL Regulation 2520.103-8), other than comparing such information to the financial statements as of December 31, 2020. Because of the significance of the 2020 information that you did not audit, we understand that you did not express an opinion on the Plan's

2020 financial statements as a whole. We understand the form and content of the information included in the 2020 financial statements, other than that derived from the 2020 information certified or provided by a qualified institution, has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures as you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Misstatements including omissions are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

We confirm that, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves as of the date of this the following representations made to you during your audits:

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated May 4, 2022, for the preparation and the fair presentation of the financial statements and note disclosures in conformity with the modified cash basis of accounting.
2. We acknowledge our responsibility for administering the Plan and determining the Plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
3. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
4. We are not aware of any journal entries made by any of our third-party service providers, including the Plan recordkeeper and custodian, adjusting the activity processed on behalf of the Plan and thus impacting the underlying reports used in preparing the Plan's financial statements. For this purpose, journal entries are defined as any adjustment made to originally processed participant level transaction activity.
5. We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud, and our responsibility to monitor the performance of the Plan's third-party service providers and review related reports.
6. We understand that you have examined or tested accounting records of the Plan and obtained other supporting evidence by methods (and to the extent) you deemed appropriate for the purpose of

expressing an opinion on the financial statements, but that such procedures would not necessarily disclose all fraud should any exist.

7. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.
8. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been applied consistently from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of FASB ASC 820, *Fair Value Measurements*. In addition, our disclosures related to fair value measurements are consistent with the objective outlined in FASB ASC 820. There are no subsequent events that require adjustments to the fair value measurement and disclosures included in the financial statements.
9. Related party relationships and transactions, including transactions with parties-in-interest, as defined in ERISA Section 3(14) and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements and guarantees, and amounts receivable from, or payable to, related parties have been appropriately accounted for and disclosed in accordance with the requirements of the modified cash basis of accounting and ERISA Section 3(14) and regulations thereunder.
10. All events subsequent to the date of the financial statements and for which the modified cash basis of accounting requires adjustment or disclosure have been adjusted or disclosed.
11. The effects of all known actual or possible litigation, claims and assessments have been accounted for and disclosed in accordance with the modified cash basis of accounting.
12. Material concentrations have been properly disclosed in accordance with the modified cash basis of accounting.
13. The Plan has complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
14. We have no plans or intentions that may materially affect the carrying value of classification of assets and liabilities.
15. We have no intentions to terminate the Plan
16. Guarantees, whether written or oral, under which the Plan is contingently liable, have been properly recorded or disclosed in accordance with the modified cash basis of accounting.
17. We have properly recorded and disclosed amendments to the Plan instrument, if any.

18. With respect to your preparation of the financial statements we have performed the following:

- a. Made all management decisions and performed all management functions
- b. Assigned a competent individual to oversee the services
- c. Evaluated the adequacy of the services performed
- d. Evaluated and accepted responsibility for the result of the service performed and
- e. Established and maintained internal controls, including monitoring

ERISA Required Supplemental Schedule

1. We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedule in accordance with the DOL rules and regulations for reporting and disclosure under ERISA.
2. We believe the ERISA-required supplemental schedule, including its form and content is presented in conformity with the DOL rules and regulations for reporting and disclosure under ERISA. The methods of measurement or presentation have not changed from those used in the prior period.

Information Provided

1. We have provided you with:
 - a. Access to all information, of which we are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, and other matters;
 - b. The most current Plan instrument for the audit period, including Plan amendments;
 - c. A draft of Form 5500 that is substantially complete;
 - d. Additional information that you requested from us for the purpose of the audits;
 - e. Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence;
2. All material transactions have been recorded in the accounting records and are reflected in the financial statements.
3. There were no minutes or summaries of actions of meetings related to significant discussions pertaining to the Plan through the date of this letter.
4. Financial instruments with off-balance-sheet risk and financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.
5. The Plan or trust has satisfactory title to all owned assets, which are recorded at fair value, except for the Plan's investment in fully benefit responsive investment contracts that are presented at contract value, and all liens, encumbrances, or security interest requiring disclosure in the financial statements have been properly disclosed.
6. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.

7. We have no knowledge of any allegations of any fraud or suspected fraud affecting the Plan involving:
 - a. management;
 - b. employees who have significant roles in the Plan's internal control; or
 - c. others where the fraud could have a material effect on the financial statements.
8. We have no knowledge of allegations of fraud or suspected fraud affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
9. We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and IRS regulations) whose effects should be considered when preparing financial statements.
10. We are not aware of any pending or threatened litigation, claims and assessments whose effects should be considered when preparing the financial statements.
11. We have apprised you of all communications, whether written or oral, from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices, and the operation of the Plan.
12. There are no other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or leases in default, events reportable to the Pension Benefit Guaranty Corporation, or events that may jeopardize the tax status) that legal counsel has advised us that must be disclosed.
13. We have obtained and reviewed the applicable service provider's service auditor (SOC 1) reports and we are performing the applicable user controls.
14. We have disclosed to you the identity of the Plan's related parties and parties in interest and all the related party and party in interest relationships and transactions, including side agreements.
15. The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
16. All required filings with the appropriate agencies have been made.
17. We have no securities lending in place.
18. The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified Plan (and trust). The Plan sponsor has operated the Plan and trust or insurance contract in a manner that did not jeopardize this tax status. Top heavy testing has been performed. Required nondiscrimination testing related to Code Sections 401(k) and 401(m) arrangements, as applicable, have been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.

19. The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.
20. The Plan has complied with the fidelity bonding requirements of ERISA.
21. There are no:
 - a. nonexempt party in interest transactions (as defined in ERISA Section 406-408 and regulations thereunder) that were not disclosed in the supplemental schedules or financial statements.
 - b. investments in default or considered to be uncollectible that were not disclosed in the supplemental schedules
 - c. Reportable transactions (as defined in ERISA Section 103[b][3][H] and regulations under that section) that were not disclosed in the supplemental schedules.
 - d. Unasserted claims or assessments that our attorney has advised us are probable of assertion and must be disclosed in accordance with ASC Topic 450, *Contingencies*.
 - e. Restrictions or redemption fees relating to investments other than what has been disclosed in the financial statements.
22. Regarding fees paid from Plan assets:
 - a. We have reviewed the nature of expenses paid from Plan assets and determined such expenses are allowable and reasonable as defined in ERISA 404(a)(1)(A), and per the Plan's provisions.
 - b. We have determined compliance with 408(b)(2) fee regulations based on receipt and adequacy of required disclosures.
 - c. We are not aware of any non-exempt prohibited transactions resulting from Plan expenses.
23. The Plan has made no investments during the year that violate the terms of the Plan or Trust Agreement or the Rules and Regulations of the DOL.
24. The Plan has appropriately reconciled its general ledger accounts to their related supporting information. All related reconciling items considered to be material were identified and included on the reconciliations and were appropriately adjusted in the financial statements.
25. The Plan had no purchase commitments for investments at prices in excess of market, no agreements to repurchase items previously sold; and no important sales commitments at prices expected to result in a loss on fulfillment.
26. Larry Reilly is charged with Plan governance.
27. We have responded fully and truthfully to all inquiries made to us by you during the audits.

28. During the year ended December 31, 2021, the discretionary employer contribution was calculated at 50% of participant contributions up to 6% of eligible compensation up to a maximum amount of \$3,000 per participant in the aggregate.
29. There has been no change in the legal letter dated October 12, 2022 received from Palmieri & Eisenberg.
30. The Form 5500 was filed on October 17, 2022 without the audited financial statements. We are in the process of obtaining necessary information to amend our filing for a complete Form 5500 for the year ended December 31, 2021.

Very truly yours,

DERMARITE INDUSTRIES LLC 401(k) PLAN DATED DECEMBER 6, 2022:**

Other Matters

Plan Administrative Committee

A formal committee should be formed to monitor the Plan's operation and investment policy statement. This committee should meet, at the very least, annually. The committee should document its decisions and oversight regarding amendments, investment changes, monitoring of investments and investment policy, review of the SOC 1 reports and user controls, plan expenses, assessment of outside service providers etc., and other modifications surrounding the plan. Fiduciaries must depend on formal processes and good record keeping demonstrating their meeting of their fiduciary obligations under ERISA.

Minutes

We recommend keeping written minutes to document decisions and create a record of the trail of events regarding Plan operations over time. A Plan committee should meet on a regular basis and minutes kept, in order to provide support for fiduciary acts. Procedures should include performance and documentation of (a) annual review of investment performance of each investment offered in light of the objective established for that investment option, compared with benchmarks for each related market sector; and (b) a periodic review of the operations of the Plan as carried out by the Plan Administrator, third party administrator and/or record keeper.

Formal Declaration of Discretionary Employer Contribution Formula

Section 28A of the Adoption Agreement for Automatic Data Processing ("ADP") Defined Contribution Plan (Non-Standardized 401(k) Profit Sharing Plan) identifies that the formula for employer matching contributions is discretionary and should be based off a discretionary percentage of a participant's compensation. While the amount is discretionary in nature, for recordkeeping purposes, we recommend that the Plan sponsor declare the amount applicable for each Plan year or state such discretionary amount which would remain in effect until such time it is changed through formal declaration.

Review of SOC1 Reports for Service Organizations

During our audit, we noted that the Plan sponsor has processes in place to address ongoing client control considerations as outlined in the service organizations' SOC 1 reports covering payroll processes and Plan recordkeeping.

In the current environment, testing errors are more prevalent in SOC 1 reports. We recommend expanding the current documentation of your assessment of the service organizations' performance to include specific responses to testing errors contained in SOC 1 reports and how the Plans may be impacted.

Schedule C, Line 2(h) Formula Description

For those service providers listed on Line 2 for which Line 2(h) has been checked “yes”:

For a description of indirect compensation received by service providers listed on Line 2 that was disclosed as a formula, please see Line 3(e). Please note: If indirect compensation disclosed as a formula was received by a service provider from more than one source, there will be multiple Lines 3(e) for that service provider.
