Independent Auditor's Report

To the Board of Directors
Lockwood Broadcasting, Inc.:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Lockwood Broadcasting, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Lockwood Broadcasting, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Lockwood Broadcasting, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lockwood Broadcasting, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lockwood Broadcasting, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lockwood Broadcasting, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling

such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following description of the Lockwood Broadcasting, Inc. 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all eligible employees of Lockwood Broadcasting, Inc. and participating companies ("Company"). The Plan is subject to the provisions of ERISA. The Company's Board of Directors ("Board") is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Board.

Contributions: Each year, participants may contribute up to 90 percent, or the maximum allowed by law of their pretax annual compensation, as defined in the Plan. Participants may elect to designate all or a portion of their elective deferrals as Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at three percent of eligible compensation and their contributions invested in a designated fund until changed by the participant. The Company may make matching contributions and profit-sharing contributions to eligible participants. Participants direct the investment of all contributions into various investment options offered by the Plan. Contributions are subject to certain IRS limitations.

Participant accounts: Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit-sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their account is based on years of continuous service. A participant is 100 percent vested after six years of credited service.

Notes receivable from participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at one percent above the prime rate, as defined. Principal and interest is paid ratably through payroll deductions.

Payment of benefits: On termination of service, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, installments or partial withdrawals. In-service withdrawals are permitted for participants who have attained age 59 ½ or for a qualified financial hardship.

Forfeited accounts: At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$2,483 and \$6,339, respectively. These accounts will be used to reduce future employer contributions or to pay administrative expenses of the Plan. In 2022, employer contributions were reduced by \$23,080 from forfeited nonvested accounts.

2. Summary of Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies utilizing information provided by the investment adviser, Equitable Life Insurance Company ("Equitable"), and ADP Retirement Services ("ADP"). See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Payment of benefits: Benefits are recorded when paid.

Expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to recordkeeping, the administration of notes receivable and benefits paid, and other general administrative services are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net depreciation of fair value of investments.

Subsequent events: The Plan has evaluated subsequent events through October 10, 2023, the date the financial statements were available to be issued.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts: Valued by Equitable, the sponsor of the pooled separate accounts, at net asset value ("NAV"). The NAV is based on the observable NAV of the underlying investments in the pooled separate accounts. The NAV is published daily, is available to plan participants and is the basis for current transactions.

Common/collective trust: Valued at the net asset value (“NAV”) of the units held. The NAV is based on the fair value of the underlying investments held by the trust less its liabilities. The NAV is not publicly quoted but is available to participants and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the trust’s investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Guaranteed investment contract: The fair value of the non-fully benefit-responsive guaranteed investment contract is derived by Equitable from the contract provisions. At December 31, 2021 fair value approximated contract value.

The following tables set forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2022 and 2021:

<i>Assets at Fair Value as of December 31, 2022</i>				
	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>
Mutual funds	\$ 4,916,380	\$ -	\$ -	\$ 4,916,380
Common/collective trust	-	793,467	-	793,467
Investments at fair value	<u>4,916,380</u>	<u>793,467</u>	<u>-</u>	<u>5,709,847</u>

<i>Assets at Fair Value as of December 31, 2021</i>				
	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>
Pooled separate accounts	\$ 6,299,155	\$ -	\$ -	\$ 6,299,155
Guaranteed investment contract	-	336,601	-	336,601
Investments at fair value	<u>\$ 6,299,155</u>	<u>\$ 336,601</u>	<u>\$ -</u>	<u>\$ 6,635,756</u>

4. Related-Party Transactions and Party-in-Interest Transactions

Prior to October 1, 2022, Plan investments were pooled separate accounts and a guaranteed investment contract sponsored by Equitable. Equitable was the recordkeeper for the Plan and was responsible for the investment of and accounting for Plan assets as of December 31, 2021 and for the period January 1, 2022 through September 30, 2022. Effective October 1, 2022, ADP and Reliance Trust Company (“RTC”) are the recordkeeper and trustee for the Plan, respectively, and are responsible for the investment of and accounting for Plan assets as of December 31, 2022 and for the period October 1, 2022 through December 31, 2022. As described in Note 2, the Plan paid certain expenses related to plan operations and investment activity. These transactions qualify as exempt party-in-interest transactions.

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

6. Tax Status

The IRS has determined and informed the pre-approved plan sponsor by a letter dated October 6, 2020, that the pre-approved plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (“IRC”). Although the pre-approved plan has been amended since receiving the advisory opinion letter, the Plan administrator and the pre-approved plan sponsor believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits.

8. Certified Investments

Certain information in the financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value, dividends and interest for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Equitable and RTC.

9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 and 2021, to Form 5500:

	2022	2021
Net assets available for benefits per the financial statements	\$ 5,844,841	\$ 6,791,385
Less: Employer contribution receivable at year end	(103,103)	(113,627)
Net assets available for benefits per the Form 5500	<u>\$ 5,741,738</u>	<u>\$ 6,677,758</u>

The following is a reconciliation of employer contributions per the financial statements for the year ended December 31, 2022, to Form 5500:

Employer contributions per the financial statements	\$ 106,553

10. Nonexempt Transactions

Title I of ERISA requires that all employee contributions be remitted to the Plan as soon as administratively possible but no later than the 15th business day of the month following the month of being withheld from compensation. Failure to remit employee contributions to the Plan on a timely basis is considered a nonexempt prohibited transaction with a party-in-interest. Participant contributions and loan repayments of \$26,874 were withheld from participants' pay during 2021 but were not remitted to the Plan's trust within the time frame required by the Department of Labor. The contributions and loan repayments were remitted to the Plan by April 21, 2021. Lost earnings were corrected through procedures prescribed by the Department of Labor during 2022.

Re: Lockwood Broadcasting, Inc. 401(k) Plan, Plan ID: 698475 - Information and Suggestions for Completion of Schedule C of your Annual Form 5500 filing.

Dear Pamela Lawson:

If you are a large plan filer, your Form 5500 must include Schedule C. To determine whether your plan is required to file Form 5500 and possibly Schedule C, refer to the 2022 Instructions for Form 5500, which are available on either the Department of Labor website at www.dol.gov/ebsa/forms_requests.html or the IRS website at www.irs.gov/pub/irs-pdf/i5500.pdf. Some plans may be exempt from completing or filing Schedule C information. As in all tax or legal matters, we highly recommend you seek professional assistance from your tax or legal advisor.

Equitable Life Insurance Company (Equitable) is providing you with the information necessary to complete Part 1 of Schedule C. The attached statement, in conjunction with the Schedule A report reflect all reportable fees and compensation received in relation to the Equitable group deferred variable annuity contract funding your plan during the 2022 plan year. This information may be relied upon for Schedule C completion regarding either direct or indirect compensation received by Equitable.

For purposes of this report, Direct Compensation is compensation received by Equitable directly from the plan in the form of fee deductions. Indirect Compensation is compensation that a service provider receives from sources other than the Plan directly or from the Plan Sponsor in connection with services provided to the Plan during the plan year. Equitable receives both Direct Compensation and Indirect Compensation. The Indirect Compensation received by Equitable or any affiliates or subcontractors is Eligible Indirect Compensation.

Insurance commission is reported on Schedule A to Form 5500. Equitable provides a Schedule A report. Compensation reported on Schedule A is not required to be reported again on Schedule C.

This report has been produced to the best of our knowledge from records maintain by Equitable. While every effort has been made to ensure its accuracy, we ask you to review it carefully upon receipt. If you find any discrepancy, please contact your Retirement Plan Account Manager immediately.

If you have any questions, please contact your Retirement Plan Account Manager at 1-800-528-0204, Option 2. You may also forward your questions via fax to 816-218-0412 or via e-mail to equitableinquiry@dstdsystems.com. Please reference your 6-digit plan id number on fax or e-mail inquiries.
