INDEPENDENT AUDITOR'S REPORT

Plan Administrative Committee and Participants of
Green Recycling 401(k) Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Green Recycling 401(k) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Reliance Trust Company, the Plan's trustee, as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by Reliance Trust Company agrees to, or is derived from, in all material

respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

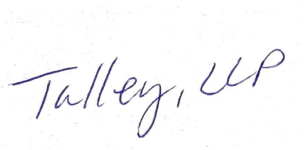

The supplemental Schedule of Assets (Held at Year End) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements

themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by Reliance Trust Company agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – GENERAL DESCRIPTION OF THE PLAN

The Green Recycling 401(k) Retirement Savings Plan (the "Plan") was adopted by Tierra Verde Industries, E Recycling of California, and Paramount Resource Recycling, Inc. (the "Plan Sponsors" or the "Company" or the "Employer") on April 1, 2011. The most recent amended and restated provisions of the Plan became effective on December 31, 2018. The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. **General.** The Plan is a salary reduction plan covering all employees of Tierra Verde Industries, E-Recycling of California, and Paramount Resource Recycling, Inc. who have attained the age of 21 and have completed one year of eligibility service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan is intended to be a qualified defined contribution plan that satisfies the requirements of Section 401(k) of the Internal Revenue Code (the "Code"). Under the Code, participants are not liable for federal income taxes on employee contributions, Company contributions or Plan earnings until such time as they are partially or completely withdrawn from the Plan.

   On March 31, 2022, twenty-five employees were terminated from the plan due to the sale of the assets of Paramount Resource Recycling, Inc. to another company. The number of employees terminated did not meet the 20% threshold for a partial plan termination. Therefore, the account balances of terminated employees who elect to keep their accounts within the plan are subject to the vesting provisions as defined in the plan document.

2. **Contributions.** Under the Plan, eligible employees may contribute from one to fifty percent of their compensation, as defined in the Plan. Contributions are subject to certain maximum dollar limitations as imposed by the IRS. The Plan Sponsors make a safe harbor matching contribution of 100% of the first four percent of employees' contribution. Employees may allocate all contributions made to their account between the various investment options. The Plan Sponsors' matching contributions totaled $123,554 and $122,727 for the years ended December 31, 2022 and 2021, respectively.

   The Plan Sponsors may decide to make a discretionary non-elective contribution. Participants may share in the Plan Sponsors' discretionary non-elective contribution in proportion of eligible earnings compared to the eligible earnings of the other employees who will also share in the contribution. During 2022 and 2021, there was no discretionary non-elective contribution made by the Plan Sponsors.

3. **Participants accounts.** Separate accounts are maintained for each participant in the Plan. Each participant's account is credited with the participant's contribution and allocation of the Company's matching contribution, and Plan earnings. Allocations are based on participant contributions or account balances, as defined.

NOTE 1 – GENERAL DESCRIPTION OF THE PLAN (CONTINUED)

Each participant's account is maintained on a daily valuation system. Net investment income is credited to each participant's account on a monthly, quarterly, or annualized basis.

4. **Vesting.** Participant contributions, employer safe-harbor contributions, and related earnings are fully vested immediately. Non-elective employer contributions vest 20% after two years of service and increase 20% for each additional year of service, with 100% after six years of service. Participants also become fully vested upon reaching age 65, in the event of death or upon suffering a permanent disability while employed with the Plan Sponsors.

5. **Investment options.** Participants may choose among various investment funds in which their contributions are to be invested. All of the Plan's investment options are participant directed. Participants may change their investment options at any time.

6. **Notes receivable from participants.** Participants may borrow from their fund accounts a minimum of $500 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The committee is responsible for determining the terms and conditions of all notes made to participants. Note transactions are treated as transfers from the investment fund to the notes receivable fund. Note terms range from 1 to 5 years or up to 30 years for the purchase of a primary residence. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan administrator. Interest rates range from 5.25% to 9.5%. Principal and interest are paid ratably through regular payroll deductions.

7. **Payment of benefits.** On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount or an annuity equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or a direct rollover. Terminated employees with account balances greater than $5,000 may elect to keep their vested account balances in the Plan after termination. Net assets as of December 31, 2022 and 2021 include vested account balances of terminated employees totaling $250,174 and $232,966, respectively.

8. **Forfeited accounts.** Participants forfeit the unvested portion of their accounts upon receipt of distribution of the vested account balance. Forfeitures may be used to pay future employer contributions and administrative expenses of the Plan. There were no forfeitures at December 31, 2022 and 2021.

NOTE 1 – GENERAL DESCRIPTION OF THE PLAN (CONTINUED)

9. **Plan Administration**. Reliance Trust Company and Automatic Data Processing Retirement Services ("ADP") serve as Trustee and Contract Administrator, respectively. The Plan Sponsors provide accounting and administrative services to the Plan at no cost and pay contract administration fees and asset management fees. Administrative fees, which amounted to $20,950 and $16,500 for the years ended December 31, 2022 and 2021, respectively, were paid by the Plan Sponsors. Administrative expenses paid by the Plan were $1,853 and $1,409 for the years ended December 31, 2022 and 2021, respectively.

10. **Plan Termination.** The Plan Sponsors anticipate and believe that the Plan will continue without interruption but reserve the right to terminate the Plan in whole or in part at any time. In the event of termination of the Plan, each participant would become fully vested to the extent of the balance in their account, and all accumulated plan benefits would be disbursed to the participants.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from Participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Investment Valuation and Income Recognition

Investments, except for the Invesco Stable Asset Fund ("Stable Asset Fund"), are reported at fair value, measured by publicly quoted redemption prices at the close of each business day that the New York Stock Exchange is open. Fair value is the exchange price that would be received to sell an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisor and

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (Continued)

custodian. See Note 7 for discussion of fair value measurements. The Plan's investment in the Stable Asset Fund is valued at contract value (Note 3).

Management has determined its Stable Asset Fund with Invesco to be investing in fully benefit-responsive contracts (Note 8).

Investment income is recorded when earned. Interest income from notes receivable from participants is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Net appreciation (depreciation) in the fair value of investments consists of both realized and unrealized gains and losses. Realized gains and losses are measured as the difference between the historical cost of investments sold or redeemed during the year and the proceeds received from their sale or redemption. Unrealized gains and losses are measured as the difference between cost and fair value at the beginning of the period and at the end of the period. Investment transactions are accounted for on a trade date basis.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 – SUMMARY OF FINANCIAL DATA CERTIFIED BY THE TRUSTEE OF PLAN ASSETS

The following financial data was certified as complete and accurate by Reliance Trust Company, the Trustee of Plan Assets of the Plan, as of and for the years ended December 31, 2022 and 2021 in accordance with Section 29 CFR 2520.103-5(d) of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 4 – FEDERAL INCOME TAX STATUS

The Plan was formed based on a prototype plan and is intended to qualify pursuant to the appropriate section of the Internal Revenue Code as a tax-exempt organization. The Plan is required to operate in accordance with the Code to maintain its tax qualification. The Plan Administrator is not aware of any course of actions or series of events that have occurred which might adversely affect the Plan's qualified status. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations prior to 2019.

NOTE 5 – RECONCILIATION WITH FORM 5500

The following is a reconciliation of net assets available for benefits between the financial statements and Form 5500 as of December 31, 2022 and 2021:

Add: contributions receivable, beginning of year	12,750	10,960
Contributions per Form 5500	$ 341,359	$ 318,978

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

There were no party-in-interest transactions that are prohibited by the Employee Retirement Income Security Act of 1974 Section 406 and for which no statutory or administrative exemption exists.

NOTE 7 – FAIR VALUE MEASUREMENTS

The Plan's investments, except for the Stable Asset Fund, are reported at fair value in the accompanying statements of net assets available for benefit. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Guidance included in ASC 820 Fair Value Measurements provides a framework for measuring fair value and establishes a fair value hierarchy that prioritizes the inputs used to measure fair value, giving the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs).

Level 1 – The fair value of mutual funds is based on quoted market prices of the underlying investments at year-end.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset, either directly or indirectly. No Plan investments are classified under this level.

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk. No Plan investments are classified under this level.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets as of December 31, 2022:

	Level 1	Level 2	Level 3	Fair Value Measurements
Mutual funds	$ 1,373,935	$ -	$ -	$ 1,373,935
Common/Collective trusts*	$ -	$ -	$ -	$ 134,629

NOTE 7 – FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets as of December 31, 2021:

	Level 1	Level 2	Level 3	Fair Value Measurements
Mutual funds	$ 1,854,329	$ -	$ -	$ 1,854,329
Common/Collective trusts*	$ -	$ -	$ -	$ 295,721

***** This category includes common/ collective trust funds that are designed to deliver safety and stability by preserving principal and accumulating earnings. Valued at the NAV of units held by the Plan at year end. The NAV is determined by the custodian of the fund and is based on the fair value of the underlying assets held by the fund. In accordance with ASC 820, Fair Value Measurements, certain investments are measured at fair value using the NAV (or its equivalent) practical expedient that have not been classified in the fair value hierarchy. The fair value amount presented in this table is intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTE 8 – STABLE ASSET FUND

The Plan invests in the Invesco Stable Asset Fund, a guaranteed investment contract. The Stable Asset Fund is a benefit-responsive contract entered into with Invesco. Invesco maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The Stable Asset Fund is valued at contract value for presentation in the Plan's net assets available for benefits. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to fully benefit-responsive investment contracts, because contract value is that amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

The contract has a surrender fee should the Plan discontinue without proper notification as prescribed in the contract. Currently, Plan management believes that the occurrence of an event that would cause the Plan to transact at less than contract value is not probable. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The investment contract does not permit Invesco to terminate the agreement prior to the scheduled maturity date.

The interest rate was 1.43% and 1.14% as of December 31, 2022 and 2021, respectively. The interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate. Such interest rates are reviewed on a daily basis for resetting.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 – SUBSEQUENT EVENTS

Subsequent events have been evaluated by the Company's management through August 8, 2023, the date these financial statements were available to be issued. No material subsequent events have occurred since December 31, 2022 that required recognition or disclosure in the current period financial statements.
