INDEPENDENT AUDITOR'S REPORT

To the Trustees of
NewBridge Services, Inc. 403(b) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of NewBridge Services, Inc. 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits – modified cash basis for the year ended December 31, 2022, and the related notes to the financial statements – modified cash basis.

Management, having determined it is permissible in the circumstances, has elected to have the audits of NewBridge Services, Inc. 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with modified cash basis of accounting.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of NewBridge Services, Inc. 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis for Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with modified cash basis of accounting as described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of NewBridge Services, Inc. 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about NewBridge Services, Inc. 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NewBridge Services, Inc. 403(b) Plan
Notes to Financial Statements - Modified Cash Basis
December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan qualifying under Section 403(b) of the Internal Revenue Code ("IRC") and covering all eligible employees of NewBridge Services, Inc. (the "Employer" or "Company") as defined by the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Act of 1974 ("ERISA"). The Plan administrator is responsible for oversight of the Plan. An eligible employee may become a participant and make employee contributions immediately upon his/her date of hire by the Employer. The participant must be employed by the Company for two years in order to be eligible to receive Employer contributions.

Contributions

Employee

Each year, participants may make contributions up to an annual maximum of 100% of eligible compensation as defined in the Plan, subject to IRC limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Any participant, age 50 or over, may make an additional "catch-up" contribution as determined by the Internal Revenue Service ("IRS").

Employer

The Employer may make discretionary matching contributions to eligible participants. For the year ended December 31, 2022, Plan management elected to make an Employer match equal to 100% of the eligible participant's contribution up to a maximum of 2.5% of eligible compensation. For the year ended December 31, 2022, matching contributions totaled \$115,167.

Participant Accounts

Individual accounts are established for each participant. Each participant's account is credited with the participant's contributions, the Employer contributions, if any, and the proportionate share of dividends, interest, and investment gains since the preceding valuation date. The participant's account is reduced by withdrawals, losses on investments, and any forfeitures. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their employee and employer contributions and in earnings thereon.

Notes Receivable from Participants

The Plan allows for participants to have one outstanding loan at any given time. Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, reduced by the excess, if any, of the highest outstanding balance of loans from the Plan during the one-year period ending on the day before the date the loan is made over the outstanding balance of loans from the Plan on the date the loan is made. Notes are secured by the vested balance in the participant's account. All loans bear interest at the prime rate. Repayment of principal and interest is required to be made through employee payroll deductions, and interest rates range from 4.25% to 7.25%. Principal and interest may be repaid through payroll deductions or check payments over a five-year period, unless the loan is for the purchase of a principal residence, in which case, the loan may be repaid over a period up to 15 years. All loans are considered a direct investment of the participant, and payments of principal and interest are credited to the participant's account.

Distributions and Withdrawals

Prior to the retirement age of 59 1/2, distributions and withdrawals are not permitted from the Plan except in the instances of death, disability, termination of employment, or hardship as defined in the Plan document. A participant shall be considered 100% vested upon termination of service due to death or disability. After attaining age 59 1/2, 100% of the participant's vested account may be withdrawn for any reason.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the modified cash basis of accounting. Although not in accordance with accounting principles generally accepted in the United States of America ("GAAP"), this method of accounting is permitted under the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA and is a comprehensive basis of accounting other than GAAP. Certain additions and related assets are recognized when received rather than when earned, and certain liabilities and expenses are recognized when paid rather than when obligations are incurred.

Use of Estimates

The preparation of the financial statements on the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, including contingencies. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements are discussed in the investments note. The reported values for the fixed annuity options are reported daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider. Purchases and sales are recorded on a trade-date basis. Interest income is recorded when received.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining and administering the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of distributions and notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. For the year ended December 31, 2022, the Plan paid administrative fees of \$940.

Risks and Uncertainties

The Plan invests in a group annuity contract. The underlying investments of the annuity contract are exposed to various risks such as credit risk and overall market volatility.

NewBridge Services, Inc. 403(b) Plan
Notes to Financial Statements - Modified Cash Basis
December 31, 2022 and 2021

Due to the level of risk associated with these securities, it is at least reasonably possible that changes in the values of the annuity contract will occur in the near term, and those changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits – modified cash basis.

Forfeited Accounts

At December 31, 2022 and 2021, forfeited amounts totaled \$35 and \$320, respectively. Forfeited amounts were the result of employees receiving excess Employer contributions based on the matching formula as stated in the Plan document, or employees failing to meet the minimum service requirements. Forfeitures, per the Plan document, may be utilized in reducing Employer contributions and/or payment of administrative fees. No forfeitures were utilized during 2022.

3. INVESTMENTS

Fair Value Measurements

The Financial Accounting Standards Board established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for the Plan's assets measured at fair value:

Fixed Annuities: The underlying investment in the account is a stable value fund group annuity. The fund reported values for the fixed annuity options daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider. The fixed annuity is valued at contract value, which approximates fair value.

NewBridge Services, Inc. 403(b) Plan
Notes to Financial Statements - Modified Cash Basis
December 31, 2022 and 2021

The following tables set forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	2022		
	Level 1	Level 2	Level 3
Fixed Annuities	\$ -	\$ 6,646,641	\$ -
			\$ 6,646,641

	2021		
	Level 1	Level 2	Level 3
Fixed Annuities	\$ -	\$ 6,314,284	\$ -
			\$ 6,314,284

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. Plan management evaluated the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total assets available for benefits. For the year ended December 31, 2022, there were no transfers in or out of Level 1, 2, or 3.

4. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE AND CUSTODIAN (UNAUDITED)

No auditing procedures were performed by the independent public accountants as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by FAScore, LLC, the trustee and custodian of the Plan and a wholly owned subsidiary of Great-West Life & Annuity Insurance Company, the trustee and custodian of the Plan, except for comparing such information with the related information included in the financial statements.

Based on information provided and certified by the trustee and custodian, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by ERISA, as of December 31, 2022 and 2021.

Notes to Financial Statements - Modified Cash Basis
December 31, 2022 and 2021

The following information as of and December 31, 2022 and 2021 and for the years ended December 31, 2022 was prepared from reports certified by the trustee and custodian:

	<u>2022</u>	<u>2021</u>
Investments, at fair value	\$ 6,646,641	\$ 6,314,284
Notes receivable from participants	\$ 43,357	\$ 39,954
Interest income	\$ 220,534	
Interest income on notes receivable from participants	\$ 2,114	

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants' rights to account balances become 100% vested.

6. INCOME TAXES

The Company adopted a Volume Submitter 403(b) Plan ("Volume Submitter"), whose sponsor received an advisory letter from the IRS dated March 31, 2017 stating the Volume Submitter plan is acceptable under Section 403(b) of the IRC. The Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRS. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Plan management has evaluated tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. In addition, there has been no tax-related interest or penalties for the periods presented in these financial statements.

7. PARTY-IN-INTEREST TRANSACTIONS

Substantially all Plan investments are in a fixed group annuity contract managed by Metropolitan Life Insurance Company. Metropolitan Life Insurance Company is a related party to FASCore, LLC, the trustee and custodian, as defined by the Plan, and therefore, this investment and any related net investment income (net of certain investment-related expenses) qualify as party-in-interest transactions. Fees paid by the Plan for account maintenance amounted to \$940 for the year ended December 31, 2022, which are included in administrative expenses. Notes receivable from participants qualify as exempt party-in-interest transactions.

Net assets available for benefits reported on Form 5500	<u>\$ 6,677,344</u>	<u>\$ 6,342,071</u>

The following is a reconciliation of the change in net assets available for benefits per the financial statements for the year ended December 31, 2022 to Schedule H of Form 5500:

Change in net assets per financial statements	\$ 335,760
Change in deemed loan balance	<u>(487)</u>
Change in net assets per Schedule H, Form 5500	<u>\$ 335,273</u>

9. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events occurring after the statement of net assets available for benefits – modified cash basis date through the date of October 11, 2023, the date the financial statements were available to be issued. Based upon this evaluation, the Plan has determined that no subsequent events have occurred that would require disclosure in the financial statements.
