Independent Auditors' Report

To the Plan Administrator and Participants Murata Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Murata Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United State of America.
- The information in the accompanying Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PKF O'Connor Davies, LLP is a member firm of the PKF International Limited network of legally independent firms and does not accept any responsibility or liability for the actions or inactions on the part of any other individual member firm or firms.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of our report, our objectives are to obtain reasonable assurance about whether the financial statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

The Plan Administrator and Participants
Murata Savings Plan
Page 3

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements, as a whole, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Part IV, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

The Plan Administrator and Participants
Murata Savings Plan
Page 4

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Murata Savings Plan

Notes To Financial Statements
December 31, 2022 and 2021

1. Description of Plan

The following description of the Murata Savings Plan (the “Plan”) is provided for general information purposes only. More complete information regarding the Plan’s provisions may be found in the Plan document.

General

The Plan is a defined contribution plan covering all employees who are at least 18 years of age (“Participants”) of Murata Power Solutions and Calnex Mfg. Co. Inc. (the “Employer”). Eligible employees may enter the Plan on the first day of the month coinciding with or following their eligibility date. Fidelity Management Trust Company (“FMTC” or “Trustee”) provides asset custodian services and also serves as Trustee for the Plan. Fidelity Workplace Services, LLC, an affiliate of FMTC, provides recordkeeping services for the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). All investments are Participant-directed.

Plan Administration

The Employer is the Plan administrator and has the authority to appoint person(s) or entities to carry out the operation of the Plan. Individual Participant accounts may be charged with an allocation of administrative expenses, if not paid by the Employer. Individual Participant accounts are charged directly for loan recordkeeping, if applicable.

Participant Deferral Contributions

Each year, Participants may defer a maximum of 100% of their eligible compensation, as defined by the Plan, not to exceed a dollar limit established under the Internal Revenue Code (the “Code”). Participants may make pre-tax or Roth contributions to their accounts. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (“Participant Rollovers”).

Employees, upon eligibility to participate in the Plan, will be automatically enrolled to defer 4% of their eligible pre-tax compensation, as defined. On June 1 of each subsequent year, the automatic elective deferral contributions are increased by 1% up to a maximum of 8% or higher if the Participant elects to increase their automatic enrollment percentage. A Participant may choose to opt out of automatic increase at any time. A Participant may choose not to defer or choose another deferral percentage once enrolled. Automatic enrollment deferrals are invested in the applicable lifecycle fund based on the employee’s birth date. The automatic enrollment deferral election and the default investment fund option remain in effect until the Participant changes them.

Employer Contributions

The Employer, at its discretion, may elect to contribute a matching contribution. A Participant is entitled to Employer matching contributions once enrolled in the Plan and making participant deferral contributions. For the year ended December 31, 2022, the Employer elected to match 100% of the elective Participant deferral contributions up to the first 6% of eligible compensation.

Notes To Financial Statements
December 31, 2022 and 2021

1. Description of Plan *(continued)*

Employer Contributions (continued)

The Employer, at its discretion, may make non-elective contributions to the Plan. Employer non-elective contributions are allocated to each Participant in the ratio that each active Participant's compensation bears to the total compensation paid to all eligible active Participants for the Plan year. To be eligible, Participants must have completed at least 1,000 hours of service during the Plan year and be employed by the Employer on the last day of the Plan year. For the year ended December 31, 2022, the Employer elected not to make a non-elective contribution.

Participant Accounts

Each Participant's account is credited with the Participant's deferral contributions, the respective Employer contributions, an allocation of the Plan's investment earnings or losses and is charged with an allocation of certain administrative expenses. Allocations are based on Participant compensation or account balance, as defined. The benefit, to which a Participant is entitled, is the benefit that can be provided from the Participant's vested account balance.

Vesting

Participants are immediately vested in their respective Participant and rollover contributions plus allocated earnings thereon. Participants vest in their Employer's contributions based on the following schedule, unless termination of service is due to disability or death, at which point Participants become fully vested.

<u>Years of Service</u>	<u>Percent Vested</u>
Less than one	0%
One year	10%
Two years	20%
Three years	50%
Four years	70%
Five years or more	100%

Notes Receivable from Participants

Participants may borrow from their vested accounts up to a maximum equal to the lesser of \$50,000 reduced by the highest outstanding balance of any other loan to the Participant from the Plan during the preceding 12 month period or 50% of their vested account balance. Loan terms range from one to five years (or up to 10 years for the purchase of a primary residence). The loans are secured by the balance in the Participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions. If a Participant ceases to make loan repayments and the Plan administrator deems the loan to be in default, the Participant's loan balance is reduced and a benefit payment is made in accordance with the Plan document. Notes receivable from Participants, with interest rates ranging from 4.00% to 6.50% at December 31, 2022 and 3.50% to 6.75% at December 31, 2021, mature at various dates through September 2027. No more than one (1) outstanding loan may be taken by a Participant at any time.

1. Description of Plan (*continued*)

Payment of Benefits

Upon termination of service due to death, disability, termination, or retirement, a Participant or beneficiary may elect to receive a lump-sum distribution in an amount equal to the value of the Participant's vested interest in his or her account. The payment can either be a cash distribution to the Participant or beneficiary or a tax free rollover to an individual retirement account or another qualified plan. If a Participant's vested account is more than \$1,000 but less than \$5,000, the Plan administrator, after notification, may distribute the benefit into an individual retirement account. If the vested account balance is less than \$1,000, the Plan administrator, after notification, may distribute the account balance to the Participant or beneficiary in a lump-sum distribution. In service withdrawals from a Participant's vested account balances are permitted upon reaching age 59 ½ or after a Participant has at least 60 months of participation in the Plan. Additionally, in service withdrawals are permitted from a Participant's vested account balances due to financial hardship, as defined in the Plan document. Hardship withdrawals are subject to a \$500 minimum amount.

Forfeitures

A Participant who leaves the employment of the Employer forfeits any non-vested balance. Non-vested forfeited account balances are retained in the Plan and are used to reduce Employer contributions or pay administrative expenses. During 2022, forfeitures of \$39,192 were used to reduce Employer matching contributions and \$8,435 were used to pay administrative expenses. At December 31, 2022 and 2021, unused forfeited non-vested amounts totaled \$13,125 and \$6,648, respectively.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could vary from the estimates that were used.

Investments, Investment Valuation and Income Recognition

The Plan follows GAAP guidance on *Fair Value Measurements*, which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liability or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

2. Summary of Significant Accounting Policies (*continued*)

Investments, Investment Valuation and Income Recognition (continued)

Mutual funds: As of December 31, 2022 and 2021, mutual funds amount to \$18,945,199 and \$22,262,467, respectively, and are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are classified as Level 1 investments.

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation or depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Loans to Participants are reported as notes receivable from Participants at the unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from Participants is recognized on the accrual basis of accounting. Related fees are recorded as administrative fees and expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Benefits Paid

Benefits are recorded in the period in which they are paid.

3. Investments Certified (Unaudited)

Certain information related to investments and notes receivable from Participants disclosed in the accompanying financial statements and ERISA-required supplemental Schedule H, Part IV, Line 4(i), Schedule of Assets (Held at End of Year) including investments and notes receivable from Participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, dividend and interest income, and interest income on notes receivable from Participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by the Trustee.

4. Risk and Uncertainties

The Plan invests in investment securities which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect Participants' account balances and the amounts reported in the statements of net assets available for benefits.

The global and economic uncertainty has resulted in significant volatility in financial markets. The volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effect of economic and market conditions subsequent to December 31, 2022 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted.

5. Party-In-Interest Transactions

The Plan's investments include a mutual fund managed by an affiliate of the Trustee. The Plan has advisory agreements with Kestra Investment Services and Strategic Advisors, Inc. for advisory services related to the operations of the Plan. The Plan paid administrative expenses of \$36,327 to FMTC or its affiliates, \$15,601 to Kestra Investment Services, \$7,737 to Strategic Advisors, Inc., and \$14,500 to another entity during the year ended December 31, 2022. Accordingly, these transactions qualify as exempt party-in-interest transactions. Notes receivable from Participants also qualify as exempt party-in-interest transactions as defined by ERISA.

6. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time or to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, Participants become fully vested in their accounts. Any unallocated assets of the Plan will be allocated to Participant accounts and distributed in such a manner as the Employer may determine.

7. Tax Status

The underlying volume submitter defined contribution plan with a cash or deferred arrangement has received an opinion letter from the Internal Revenue Service, dated June 30, 2020, stating that the form of the Plan is qualified under Section 401(a) of the Code and was in compliance with the applicable requirements of the Code. Any employer adopting this form of the Plan will be considered to have a plan qualified under Section 401(a) of the Code. The Plan administrator believes that the Plan is currently designed in compliance with the applicable requirements of the Code and that the Plan is qualified and the related trust is tax-exempt as of the financial statement date.

7. Tax Status (*continued*)

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. It is the Plan's policy to account for any uncertainties as described under the income tax laws. Under the income tax laws, the tax-exempt status of an entity is considered a tax position. No such uncertain tax positions have been recognized by the Plan as of December 31, 2022 and 2021.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to net assets per the Form 5500 as of December 31:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 19,063,961	\$ 22,348,646
Receivables not recorded on Form 5500	<u>(7,984)</u>	<u>(2,648)</u>
Net assets per Form 5500	<u>\$ 19,055,977</u>	<u>\$ 22,345,998</u>

The following is a reconciliation of the net decrease in net assets available for benefits per the financial statements to net loss per the Form 5500 for the year ended December 31:

	<u>2022</u>
Net decrease in net assets available for benefits per the financial statements	\$ 3,284,685
Current year receivable not recorded on Form 5500	7,984
Prior year receivable not recorded on Form 5500	<u>(2,648)</u>
Net loss per Form 5500	<u>\$ 3,290,021</u>

9. Subsequent Events

The Plan administrator has evaluated subsequent events through October 11, 2023, the date the financial statements were available to be issued, and determined that there have been no subsequent events that would require recognition in the financial statements or disclosure in the notes to the financial statements.
