Independent Auditors' Report

To the Administrative Committee of
Coalition for Humane Immigrant Rights (CHIRLA) 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Coalition for Humane Immigrant Rights (CHIRLA) 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Coalition for Humane Immigrant Rights (CHIRLA) 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Coalition for Humane Immigrant Rights (CHIRLA) 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Coalition for Humane Immigrant Rights (CHIRLA) 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records

with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Coalition for Humane Immigrant Rights (CHIRLA) 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Coalition for Humane Immigrant Rights (CHIRLA) 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Form 5500, Schedule H, Line 4i - Schedule of Assets Held at End of Year as of December 31, 2022 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

Coalition for Humane Immigrant Rights (CHIRLA) 401(k) Profit Sharing Plan (the Plan) was formed on January 1, 2010. The following description of the Plan is for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Coalition for Humane Immigrant Rights (CHIRLA) (the Sponsor), and any participating affiliates, who have completed six months of service by the next plan entry date. The Plan administrator controls and manages the operation and administration of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Employee and Employer Contributions

Each year, participants may contribute any combination of pre-tax elective deferrals and Roth elective deferrals from 1% to 86% of their pre-tax annual compensation in 1% increments. The maximum dollar amount allowed for 2022 was \$20,500 and the catchup contribution limit for age 50 or older was an additional \$6,500.

The Sponsor may make discretionary matching contributions on behalf of each eligible participant. The Sponsor may also make nonselective contributions that will be allocated to all employees eligible to participate in the Plan. The Sponsor total contributions for the year ended December 31, 2022 were \$276,203.

Participant Accounts

Each participant account is credited with the participant's contributions and allocations of the Sponsor's contribution and plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

All participants are immediately 100% vested in their total account balance in the plan. Because the total account balance is always 100% vested, participants can never have any contributions forfeited. Upon termination of employment, participants are entitled to their entire account balance.

1. DESCRIPTION OF PLAN (continued)

Withdrawals and Distributions

Upon retirement, death, disability or termination of employment, participants' plan accounts are eligible for distribution. Participants may also request a hardship distribution from their plan accounts if they satisfy certain conditions. Participants may also be entitled to receive a pre-retirement distribution if they have reached age 59 1/2.

Loan to Participants

The Plan has adopted a loan program to provide loans to plan participants. Participants are permitted to have only one outstanding loan at any time. Participants have to repay any outstanding loan before a new loan can be made. Loans bear reasonable rates of interest (the prime rates) and are adequately secured. The maximum amount of which a loan may be made is the lesser of \$50,000 or one-half of the participants' account balances in the Plan, whichever is less. The maximum amount of \$50,000 will be reduced by a participant's highest outstanding loan balance in the previous twelve months. The minimum amount of any loan is \$500. All loans are required to be repaid according to the loan agreement or upon terminating employment.

Payment of Benefits

Benefit payments for vested amounts are paid to participants or their beneficiaries in a manner requested by the participant or beneficiary as soon as it is practicable after the participant's termination of employment, disability, retirement or death, as governed by the plan agreement. For the year ended December 31, 2022 benefits paid to participants were \$59,479. The Plan also made corrective distributions in the amount of \$8,361 during the year ended December 31, 2022. The corrective distribution is comprised of excess contributions plus interest and earnings on the excess contributions.

Mandatory Cash-Out

If the value of a participant's vested account balance, determined as of a date following the participant's date of termination of employment, is \$5,000 or less, the plan administrator will roll it over to an IRA that is established for participants if the participant does not make an affirmative election to either receive or rollover the distribution.

Tax Status

The Internal Revenue Service has determined and informed the Company by a letter that the Plan and the related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

1. DESCRIPTION OF PLAN (continued)

Tax Status (continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by The Plan and to make a determination as to whether it is more likely than not that a tax position will be sustained upon examination by the taxing authorities. Based on this determination, The Plan would recognize either a tax liability or a tax asset on uncertain tax positions. The Plan has not identified any uncertain tax position for the years ended December 31, 2022 and 2021. The Plan is subject to routine audits by taxing jurisdictions; tax years 2019, 2020, 2021 are open to examination, however, there are no audits in progress for any tax periods.

Plan Termination

Although the Company has not expressed any intention to do so, the employer has the right to discontinue its contributions at any time and to amend The Plan, to change or eliminate various provisions, or to terminate The Plan subject to the provisions set forth in ERISA. In the event of any termination of The Plan, or upon complete or partial discontinuance of contributions, the accounts of each participant shall become fully vested and non-forfeitable.

Forfeited Accounts

As of December 31, 2022 and 2021 there were no forfeited account balances as the participant accounts are always 100% vested.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of The Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes The Plan's gains and losses on investments bought and sold as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for uncollectible notes receivable from participants was recorded as of December 31, 2022 and 2021.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining The Plan are paid by The Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments. During the year ended December 31, 2022, total annual fees paid by The Plan were \$10,751.

3. INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (unaudited)

At December 31, 2022 and 2021, The Plan's investments were held by the Custodian. The following is a summary of The Plan's financial information that is included in the financial statements based on information certified by the Custodian as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

The fair value of investments at December 31, 2022 and 2021, as reported by the Custodian is summarized as follows:

	December 31,	
	2022	2021
Mutual funds	\$ 2,166,414	\$ 2,067,871

During the year ended December 31, 2022, The Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) depreciated in value by \$557,293.

	For the year ended December 31, 2022
Net depreciation in fair value of investments	\$ (557,293)
Interest and dividends	\$ 156,463

See independent auditors' report

4. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of registered investment companies managed by Reliance Trust Company, the Trustee and a party-in-interest to The Plan.

The Plan issues loans to participants, which are secured by the vested balances in the participants' accounts.

The Plan paid administrative expenses in the amount of \$10,751 to its third party administrator during the year ended December 31, 2022.

5. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that The Plan has the ability to access.
---------	---

Level 2	Inputs to the valuation methodology include • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
---------	--

Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.
---------	---

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There were no changes in the methodologies used as of December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by The Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by The Plan are deemed to be actively traded.

5. FAIR VALUE MEASUREMENTS (continued)

The following tables set forth by level, within the fair value hierarchy, The Plan's assets at fair value as of December 31, 2022 and 2021:

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,166,414	\$	\$	\$ 2,166,414

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,067,871	\$	\$	\$ 2,067,871

6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
