The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information Required by ERISA

The supplemental Schedule H - Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and are is a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AMERICAN FLORIST SUPPLY, INC 401(k) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1. DESCRIPTION OF PLAN

The following description of the American Florist Supply, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of American Florist Supply, Inc. (the "Company" or "Plan Sponsor"). The Plan was adopted on January 1, 2001. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Effective January 1, 2018, the Plan was restated and amended to redefine eligible compensation and implement changes required by the Internal Revenue Code ("IRC") to be a qualified retirement plan. Effective July 1, 2022, the Plan was amended and restated to bring the Plan in compliance with recent legislative and regulatory changes set forth by the Internal Revenue Service ("IRS").

Contributions

Participants may contribute up to 90% of pretax annual compensation, as defined by the Plan, and are eligible to make salary deferrals upon completing 2 months of service. All newly eligible employees are subject to automatic enrollment in the plan, contributing 3% of eligible compensation, unless otherwise elected. In addition, the Plan allows participants to make Roth 401(k) contributions subject to certain IRC limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

Participants are eligible for employer matching contributions upon completing one year of service and working at least 1,000 hours. Participants are also eligible for discretionary nonelective profit sharing contributions upon attaining age 21, completing one year of service, and working at least 1,000 hours. For the plan year ended December 31, 2022, the Company made matching contributions of 35% on the first 6% of the participant's compensation that participants contributed to the Plan through salary deferrals. The Company did not make a non-elective profit sharing contribution for the plan year ended December 31, 2022.

Participants who have attained the age of 50 before the close of the calendar year are eligible to make additional catch-up contributions to the Plan in accordance with and subject to limitations of the Plan and the IRC.

Participants direct the investment of their contributions and employer contributions to the Plan into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contributions and plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and profit-sharing contribution portions of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested in the Company's matching and profit-sharing contribution portions of their account after 6 years of credited service.

<u>Years of Service</u>	<u>Vested Interest</u>
Less than two years	0%
Two	20%
Three	40%
Four	60%
Five	80%
Six	100%

Notwithstanding the foregoing, a participant shall be 100% vested in and have a non-forfeitable right to his or her account upon retirement, death or total and permanent disability while in service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50 percent of the participant's vested account balance or \$50,000. Loan terms are up to five years, except for loans to fund the purchase of a principal residence, for which the loan may be repaid over a reasonable period that may exceed five years, as determined by the plan administrator. The notes receivable are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon reaching normal retirement age (defined as 65 years) or anytime thereafter, or upon death or disability (as defined) prior to retirement or termination of employment, benefits become available for disbursement under the Plan. Participants may also elect to make certain in-service withdrawals from the Plan upon reaching age 59 ½, subject to certain federal and state withholding requirements.

Participants may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a period not to exceed the life expectancy of the participant or applied to the purchase of an annuity contract. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Hardship Withdrawals

In accordance with a uniform and nondiscriminatory policy adopted by the plan administrator, a participant may withdraw a portion of the vested balance to meet immediate and heavy financial needs as defined by the IRC, subject to certain limitations outlined in the Plan.

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Forfeitures

Forfeitures may be used to pay administrative expenses of the Plan or to reduce the employer matching contribution. At December 31, 2022 and 2021, there were no forfeitures available to pay administrative expenses or to reduce employer matching contributions. During 2022, there were forfeitures of \$2,986 which were allocated against employer matching contributions.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and changes in net assets available for benefits during the year. Actual results could differ from those estimates. Any adjustments applied to estimate amounts are recognized in the year such adjustments are determined.

Investment Valuation and Income Recognition

The Plan's investments are held in various mutual funds. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Fair Value Measurements

The Plan currently records, on a recurring basis, the fair value of its investments. U.S. GAAP defines fair value and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are as follows:

AMERICAN FLORIST SUPPLY, INC 401(k) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurement (continued)

Level 1 - Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.

Level 2 – Inputs to the calculation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and, inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Unobservable inputs based on the Plan's assessment of the assumptions that market participants would use in pricing the asset or liability.

The assets fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value, on a recurring basis, as well as the general classification pursuant to the valuation hierarchy. There have been no changes in the methodology used at December 31, 2022 and 2021.

Mutual Funds and Money Market Fund – Mutual funds and money market fund are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds and money market fund held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan administrator believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of the investments could result in a different fair value measurement at the reporting date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants (continued)

If a participant fails to make a payment when a loan is due under the terms of the loan, that participant will be in default. In the event of default, the loan shall become due and payable immediately, and interest will continue to accrue until the entire loan balance is repaid. The Plan will take all reasonable actions to collect the balance owed on the loan. Under certain circumstances, the loan in default could be considered a distribution from the Plan and could be considered income to the participant. In any event, failure to repay a loan will reduce the benefit to which a participant would otherwise be entitled from the Plan.

Payment of Benefits

Benefit payments are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to investment advisory services and the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

Subsequent Events

The plan administrator has evaluated all subsequent events through the date which the financial statements were available to be issued, October 9, 2023, and has determined that there are no subsequent events that require disclosure under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic *Subsequent Events*.

NOTE 3. FAIR VALUE MEASUREMENTS

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 6,376,784	\$ -	\$ -	\$ 6,376,784

NOTE 4. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, Reliance Trust Company, the trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021, the Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, and the related investment activity and interest income from notes receivable from participants reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2022.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements and supplemental schedule.

NOTE 5. RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Fees incurred by the Plan to the trustee for investment management services are included in net depreciation in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment. Administrative expenses paid to the Plan's recordkeeper and investment advisors included in administrative expenses on the statement of changes in net assets are party-in-interest transactions. The Plan Sponsor pays directly any other fees related to the Plan's operations.

The Plan also issues loans to participants, which are secured by the balances in the participant's accounts. These transactions qualify as party-in-interest transactions as that term is defined in Section 3(14) of ERISA.

NOTE 6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 7. TAX STATUS

The Plan has adopted the ADP Prototype Profit Sharing Plan, which received an IRS opinion letter dated October 6, 2020 indicating that the Prototype Plan was designed in accordance with the applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9. RECONCILIATION WITH FORM 5500

Schedule H Parts I and II of Form 5500 are in substantial agreement with the statements of net assets available for benefits as of December 31, 2022 and 2021, and the statement of changes in net assets available for benefits for the year ended December 31, 2022, and there are no reconciling items.
