INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of the
Ourisman Automotive 401(K) Plan
Rockville, MD

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Ourisman Automotive 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Ourisman Automotive 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ourisman Automotive 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ourisman Automotive 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ourisman Automotive 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ourisman Automotive 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

OURISMAN AUTOMOTIVE 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

For the years ended December 31, 2022 and 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Ourisman Automotive 401(K) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan under Section 401(k) of the Internal Revenue Code (IRC) adopted on January 1, 1969. The Plan covers substantially all employees of Ourisman Rockmont, Inc., and the following adopting employers: Ourisman Chrysler Dodge Jeep Ram of Bowie; Ourisman of Rockville; Ourisman of Laurel (VW); Ourisman Automotive of Laurel (Honda); Ourisman of Clarksville, Inc.; Ourisman Hyundai of Bowie; Ourisman Chevrolet of Bowie; Ourisman of Dundalk, Inc.; Ourisman Collision Center, Inc; and Ourisman Chevrolet Security Boulevard LLC. The Plan is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA).

Ourisman Fairfax Boulevard, Inc. T/A Ourisman Kia of Fairfax became a participating employer on March 4, 2022.

Ourisman Edgewood I, Inc. T/A Ourisman Toyota 40 and Ourisman Edgewood II, Inc. T/A Ourisman Chrysler Dodge Jeep Ram 40 became a participating employer on July 19, 2022.

The assets of the Plan are held and managed by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, and Empower Retirement, LLC provides recordkeeping services to the plan (collectively referred to as "Empower", the plan custodian).

Historically, the assets of the Plan were held and managed by Massachusetts Mutual Life Insurance Company (Mass Mutual), the custodian of the Plan, prior to Empower's acquisition of the retirement plan and group insurance business of Mass Mutual in December 2020. Through this transaction, group insurance business written by MassMutual was reinsured by Great-West Life & Annuity Insurance Company (GWLA). Empower refers to products and services offered in the retirement markets by GWLA and its subsidiaries, including Empower Retirement, LLC; GWFS Equities, Inc.; and registered investment advisers Advised Assets Group, LLC and Personal Capital Advisors Corporation. Putnam Investments, LLC is a subsidiary of Great-West Lifeco Inc. GWFS Equities, Inc. is the distributor of the MassMutual insurance products sold on Empower's platform. Empower Retirement is not affiliated with MassMutual or its affiliates.

Effective February 19, 2022, the plan assets were transferred from the legacy platform of Mass Mutual to Empower through an "in-kind" conversion.

Effective August 1, 2022, Empower changed the names of various companies within its corporate group to include "Empower" in their legal names and align the names with the Empower brand, as follows: Empower Annuity Insurance Company of America and its subsidiaries, including Empower Retirement, LLC; Empower Life & Annuity Insurance Company of New York; and Empower Annuity Insurance Company. In addition, certain investment products offered by Empower, including mutual funds historically marketed under the "Great-West Funds" brand, are also being renamed to incorporate

OURISMAN AUTOMOTIVE 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

For the years ended December 31, 2022 and 2021

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

"Empower" into the product names in place of "Great-West." Empower's in-house institutional investment research and advisory division has also been renamed "Empower Investments".

On January 1, 2022, the plan document was amended and restated to bring a plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37 (i.e., the 6-year preapproved plan restatement cycle). As part of the same restatement, Ourisman Collision Center, Inc. was removed as a participating employer. There were no other changes in the plan provisions.

Eligibility

The Plan covers all employees age 21 and older, except residents of Puerto Rico, who have completed 1 year of service. Part-time, seasonal, and temporary employees become eligible to participate in the plan when they have completed at least 1,000 hours of service within the reporting period.

Contributions

Each year participants may contribute up to 75 percent of annual compensation, as defined in the Plan, as pre-tax contributions subject to the statutory limitations established by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and Guaranteed Investment Contracts as investment options for participants.

The Plan includes an auto-enrollment provision whereby all eligible employees are auto-enrolled in the Plan, with a default deferral rate set at 2% of eligible compensation, unless they affirmatively elect not to participate in the plan within the opt out period. Unless otherwise directed by the employees, contributions are automatically invested in the target date fund based on the participants' expected retirement age.

The Plan allows for discretionary matching contributions and profit-sharing contributions at the option of the Company's Board of Directors. The plan sponsor matches participants' contributions at rate of 0.25% up to 4% of their eligible compensation. A participant must be employed on the last day of the plan year in order to share in the employer match. During the years ended December 31, 2022 and 2021, the Company made matching contributions to the Plan totaling \$64,394 and \$42,073. The Company did not make any discretionary profit-sharing contributions to the Plan in 2022 or 2021.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution, if any, plan earnings (losses), and charged with an allocation of any administrative expenses paid by the plan. Earnings are allocated by fund based on the ratio of a participant's account invested in a particular fund to all participants' investments in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. After two year of service, a participant becomes 20 percent vested in employer contributions in the Plan; the vesting percentage increases by 20 percent each year until the participant becomes fully vested in his or her account after six years of service.

Payment of Benefits

Upon termination of service due to death, full and permanent disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of their account, a direct rollover into a qualified retirement plan, a distribution in the form of an annuity, or a combination of methods. The employer may authorize certain withdrawals from a participant's account in the event of a proven financial hardship. Hardship withdrawals are subject to specific statutory and regulatory requirements.

Forfeited Accounts

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$2,658 and \$11,189, respectively. The Company uses forfeitures to reduce the employer matching contribution due under the Plan or pay plan expenses. During the years ended December 31, 2022 and 2021, forfeitures of nonvested accounts in the amount of \$10,194 and \$987, respectively, were used to reduce employer contributions.

Reclassification

Certain reclassifications were made to the December 31, 2021 financial statements to conform to the December 31, 2022 presentation. Total net assets available for benefits and changes in net assets available for benefits are unchanged due to these reclassifications.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting standards generally accepted in the United States of America (U.S. GAAP).

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts (FBRIC). Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to FBRIC because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value, except for FBRIC, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Contract value equals the accumulated cash contributions and interest credited to the Plan's contracts.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. The Plan is not required to reimburse the Company for expenses the Company pays on the Plan's behalf. Investment-related expenses are included in net appreciation in fair value of investments. Fees related to the administration of distributions are charged directly to the participant's account and are included in administrative expenses.

Use of Estimates

The preparation of the financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 3 - CERTIFIED INFORMATION

Information regarding investments held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments and interest and dividend income for the years then ended, disclosed in the accompanying financial statements, and the investment information included in the supplemental schedule of assets (held at end of year) as of December 31, 2022, is derived from statements which have been certified by Empower Annuity Insurance Company of America and Empower Trust Company, LLC (collectively referred to as Empower, the plan custodian), as complete and accurate in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 4 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Effective February 19, 2022, the plan assets were transferred from the legacy platform of Mass Mutual to Empower through an “in-kind” conversion. Historically the PSA had been reported as registered investment company shares offered by Mass Mutual. Mass Mutual used unit values to perform daily account valuations, based on the underlying mutual funds and their quoted net asset value (NAV). After the conversion to the Empower platform, those investments are reported as PSA utilizing the same valuation methodology as Mass Mutual. As a result of the additional information obtained during 2022 from the plan custodian management has determined that it is more appropriate to use the PSA category for those investments and has reclassified the account balances as of December 31, 2022 and 2021, from investments valued at Level 1 to a level 2 investment. There was no change in valuation methodology and the amounts previously reported. This reclassification changed this disclosure only. There was no effect on the change in net assets available for benefits for the years ended December 31, 2022 and 2021.

Pooled Separate Accounts (PSA)

The PSA are primarily invested in mutual funds. The PSA are valued daily at the unit value of shares held by the Plan in the separate investment accounts based on the underlying mutual funds and their quoted net asset value (NAV) which is an observable input. The NAV of the PSA is not publicly quoted but is available to current investors via the Plan sponsor website or when plan participants access their account values. The NAV is the basis for current transactions and the PSA can be redeemed at NAV as of the measurement date. Therefore, those investments are considered to have a readily determinable fair value. The Plan has no unfunded commitments related to the PSA and redemptions and subscriptions are permitted daily.

The following table sets forth by level, within the fair value hierarchy, the Plan’s investments at fair value as of December 31, 2022 and 2021:

NOTE 5 - GUARANTEED INVESTMENT CONTRACT – FBRIC

The Plan participated in fully benefit-responsive guaranteed investment contract (FBRIC) with Talcott Resolution Life Insurance Company (TRLIC) (formerly named Hartford Life Insurance Company (Hartford). Effective January 1, 2013, Mass Mutual acquired The Hartford Retirement Plans Group business. As a result of the acquisition, Mass Mutual assumed Hartford's obligations under the guaranteed investment contracts and provided all administrative services necessary to support the contracts issued by Hartford via an investment in a Fixed Account investment option. Under the terms of the Group Annuity Contract or Group Funding Agreement, a crediting rate is established for amounts invested in the Fixed Account.

Following the acquisition of Mass Mutual by Empower, group insurance contracts written or assumed by MassMutual were reinsured by Great-West Life & Annuity Insurance Company (GWLA), which was later rebranded as Empower Annuity Insurance Company of America (Empower). Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Contract value, as reported to the Plan by the insurance company represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against account value for credit risk of the contract issuers or otherwise. The crediting interest rate is based on a formula agreed upon with the issuers but may not be less than 3%. Such interest rates are reviewed annually.

Certain events limit the ability of the Plan to transact at contract value with Empower. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants occurred. The guaranteed investment contracts do not permit the insurance companies to terminate the agreements prior to the scheduled maturity date unless the plan no longer qualifies for reasons stated above. As of December 31, 2021, the Plan owned no income shares in this contract.

NOTE 6 - CORRECTIVE DISTRIBUTIONS PAYABLE

Corrective distributions payable represent the refund of certain assets to employees in order for the Plan to comply with ERISA nondiscrimination rules. Amounts refundable to participants totaled \$-0- and \$35,037 as of December 31, 2022 and 2021, respectively, for contributions not allowed by the IRS, are reflected as a liability in the accompanying financial statements. The excess contributions were refunded to the affected participants after year-end.

NOTE 7 - TRANSACTIONS WITH PARTIES-IN-INTEREST

Plan investments are managed by Empower Retirement, the plan custodian. Empower refers to products and services offered in the retirement markets by Great-West Life & Annuity Insurance Company (GWLA) and its subsidiaries, including Empower Retirement, LLC; GWFS Equities, Inc.; and registered investment advisers Advised Assets Group, LLC and Personal Capital Advisors Corporation. Putnam Investments, LLC is a subsidiary of Great-West Lifeco Inc.

Effective April 4, 2022 Empower acquired the full service retirement plan recordkeeping and Administration business of Prudential Financial, Inc.

Effective August 1, 2022, Empower changed the names of various companies within its corporate group to include "Empower" in their legal names and align the names with the Empower brand, as follows: Empower Annuity Insurance Company of America and its subsidiaries, including Empower Retirement, LLC; Empower Life & Annuity Insurance Company of New York; and Empower Annuity Insurance Company. In addition, certain investment products offered by Empower, including mutual funds historically marketed under the "Great-West Funds" brand, are also being renamed to incorporate "Empower" into the product names in place of "Great-West." Empower's in-house institutional investment research and advisory division has also been renamed "Empower Investments".

Beginning in October 2022, Empower is renaming certain entities acquired from Prudential Financial as another step toward strengthening alignment with the Empower brand.

Transactions in these funds qualify as party-in-interest transactions.

Personnel and facilities of the Company have been used to perform administrative functions for the Plan at no charge to the Plan. There were no financial transactions recorded between the Company and the Plan other than contributions made. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants' accounts will be distributed in accordance with the Plan agreement.

NOTE 9 - TAX STATUS

The Plan has adopted a prototype defined contribution plan sponsored by Retirement Planners & Administrators, Inc. The prototype plan has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, which states that the prototype defined contribution plan, as then designed, is in compliance with the applicable requirements of the Internal Revenue Code (IRC). The plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 10 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The COVID-19 pandemic, whose effects first became known in January 2020, had a broad and negative impact on commerce and financial markets around the world, leading to economic uncertainties and significant volatility in the investment markets. The resulting substantial fluctuations in the value of the Plan's investments may continue for an extended period of time.

NOTE 11 - LATE REMITTANCES

During the years ended December 31, 2022 and 2021, the Company failed to remit to the plan custodian participant contributions totaling \$122,719 and \$6,300, respectively, within the period prescribed by Department of Labor regulations. These contributions are considered nonexempt party-in-interest transactions. The third-party administrator calculated lost earnings on the 2021 delinquent remittances and the Company contributed the lost earnings to the affected participants' accounts on July 15, 2022. For 2022, the plan recordkeeper calculated lost earnings on the delinquent remittances and the Company is in the process of making corrections to the affected participants' accounts.
