## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of  
Woodward Management Partners 401(k) Profit Sharing Plan & Trust  
Atlanta, Georgia

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of the Woodward Management Partners 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Woodward Management Partners 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Woodward Management Partners 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Woodward Management Partners 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibility for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Woodward Management Partners 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Woodward Management Partners 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedules of Assets Held at End of Year as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**WOODWARD MANAGEMENT PARTNERS 401(K) PROFIT SHARING PLAN & TRUST**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**Note A**

**Description of Plan**

The following description of the Woodward Management Partners 401(k) Profit Sharing Plan & Trust (the "Plan") is provided for general information purposes only. More complete information regarding items such as vesting, benefit provisions and plan termination may be found in the Summary Plan Description, and also in the Plan Document, which is available to all participants upon request.

**General:**

The Plan is a defined contribution plan established on January 1, 2009, and has been amended and restated throughout the years to comply with tax regulations. The Plan provisions cover all employees, except union employees and non-resident aliens who receive no earned income which constitutes income from services performed within the United States, of Woodward Management Partners, LLC and Inwood Holding LLC (referred collectively hereafter as the "Company"). Employees are eligible to participate upon completing six months of service and are at least 18 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Those charged with governance of the Plan determines the appropriateness of the Plan's investment offerings and monitors investment performance.

**Plan Amendments:**

Effective May 20, 2022, the Plan was amended and restated to comply with the Internal Revenue Service's "IRS" Cycle 3 restatement requirement.

Effective January 1, 2021, the Plan was amended to implement automatic elective deferral contribution for all eligible employees that do not have a deferral election on file of at least 5%, as well as all newly eligible employees who have not elected a deferral percentage or opted out of the Plan. No automatic escalation provisions were adopted.

**Contributions:**

Participants may contribute up to 100% of pretax annual compensation up to IRS limits, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan also allows for participants to make Roth elective contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants. The Company may make a matching contribution at the discretion of the Company's owners. For the year ended December 31, 2022, the discretionary matching contribution was equal to 50% of contributions up to 10% of the participant's deferral. Additionally, nonelective profit sharing contributions may be contributed by the Company. No nonelective contributions were made during the year ended December 31, 2022. Contributions are subject to certain statutory limitations.

**Description of Plan (Continued)**

Participant Accounts:

Each participant's account is credited with the participant's contributions, the Company's matching contributions, and allocations of (a) the Company's nonelective contribution and, (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

Payment of Benefits:

Upon termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum. For termination of service due to other reasons, a participant whose vested balance does not exceed \$5,000 will receive an automatic lump-sum distribution; participants whose vested balance exceeds \$5,000 may elect to receive the value as a lump-sum distribution. Effective January 1, 2019, a participant may make a hardship withdrawal in the event of severe financial need (as defined by Internal Revenue Service Regulations). Also effective January 1, 2019, participants are also entitled to receive a distribution of all or any portion of their vested account balances upon attainment of age 59 1/2.

Forfeited Accounts:

At December 31, 2022, forfeiture accounts totaled \$28,371 (\$1,017 at December 31, 2021). Forfeitures resulting from termination of non-vested participants are used to offset employer contributions and to pay Plan expenses. During 2022, forfeitures of \$1,017 were used to pay Plan expenses.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**Note A**

**Description of Plan (Continued)**

**Notes Receivable from Participants:**

Effective January 1, 2019, participants may borrow from their account up to a maximum equal to the lesser of \$50,000 or 95% of one-half of their vested account balance or 95% of the total vested account balance excluding the Roth Elective Deferral balance. Notes receivable are considered to be a directed investment from the account(s) of the participant maintained under the Plan. As such, all payments of principal and interest made by the participant will be credited only to the account(s) of such participant. Note receivable terms cannot exceed 4.5 years unless the note is for the purchase of a primary residence, in which case the note repayment period may not extend beyond 10 years. The notes receivable are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the plan administrator. No allowance for credit losses has been recorded as of December 31, 2022.

**Note B**

**Significant Accounting Policies**

**Basis of Accounting:**

The financial statements of the Plan are prepared using the accrual basis of accounting.

**Investment Valuation and Income Recognition:**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note I for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants:**

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

**Use of Estimates:**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**Note B**

**Significant Accounting Policies (Continued)**

**Expenses:**

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of benefit payments to participants are charged directly to the related participants' account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

**Payments of Benefits:**

Benefits are recorded when paid.

**Note C**

**Excess Contributions**

Amounts payable to participants totaling \$3,469 for contributions in excess of amounts allowed by the IRS are recorded as accounts payable, with a corresponding reduction to 2022 contributions. The Plan was unable to distribute the 2022 excess contributions prior to March 15, 2023. There were no excess contributions for the year ended December 31, 2021.

**Note D**

**Party-In-Interest Transactions**

As described in Note B, the Plan paid certain expenses related to Plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA. The Plan holds notes receivable from participants. Such transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules.

**Note E**

**Information Prepared and Certified by Trustee of the Plan**

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments and interest and dividends for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Mid Atlantic Trust Company (the trustee of the Plan).

**Note F**

**Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

**WOODWARD MANAGEMENT PARTNERS 401(K) PROFIT SHARING PLAN & TRUST**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**Note G**

**Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

**Note H**

**Income Tax Status**

On August 31, 2020, the Internal Revenue Service ("IRS") stated that the non-standardized profit-sharing plan with CODA adopted by the Plan, as then designated, qualifies under Section 401(a) of the IRC. The Plan administrator timely adopted the approved Plan. The Plan administrator believes that the Plan is currently being operated in accordance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Note I**

**Fair Value Measurements**

The Plan's investments are valued at fair value based on a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three Levels of the fair value hierarchy are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has ability to access.
- Level 2 Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**WOODWARD MANAGEMENT PARTNERS 401(K) PROFIT SHARING PLAN & TRUST**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**Note I**

**Fair Value Measurements (Continued)**

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Mutual funds:* Valued at the daily closing price reported by the fund.

*Money market:* Valued at carrying value, which approximates fair value, based on the amount of net contributions plus any investment earnings allocated to the account.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

| December 31, 2022  |                     |                |                |                     |
