Pitt Ohio Express, LLC Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of the Pitt Ohio Express, LLC Profit Sharing Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021 and for the year ended December 31, 2022 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PITT OHIO EXPRESS, LLC PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Pitt Ohio Express, LLC Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General - The Plan is a qualified, defined contribution plan covering eligible employees of Pitt Ohio Express, LLC and certain affiliates (collectively, Companies or Plan Sponsor). The Plan provides for both participant and employer contributions. Participant contributions are participant-directed, while employer contributions are directed by the Investment Committee. Employees become eligible for elective deferrals after completing three months of service and the attainment of 20-1/2 years of age. Employees of Pitt Ohio Express, LLC and certain affiliates become eligible for matching or nonelective employer profit-sharing contributions after completing one-half year of service and the attainment of 20-1/2 years of age. Additionally, employees must be employed on the last day of the Plan year to receive the matching or nonelective employer profit-sharing contribution. U.S. Cargo employees were eligible for employer matching contributions up to a maximum of 3% after completing a minimum of 1,000 hours, being employed at December 31, 2022, and made employee deferrals during the year ended December 31, 2022.

Effective August 15, 2022, the Plan was amended to allow employees of Teal's Express, Inc. to participate in the Plan.

Effective April 1, 2022, a portion of the Plan related to employees of ECM Transport transferred into another qualifying plan, resulting in a partial plan transfer of approximately \$7,300,000 in participant account balances and the related assets. As ECM Transport employees were not eligible for profit-sharing contributions, all balances were employee contributions and were 100% vested at the date of transfer.

On January 1, 2020, the Plan amended its hardship distribution rules. Participants are no longer required to suspend contributions for a period of six months following a hardship distribution. The amendment also redacted the requirement that participants must present formal proof of a hardship event. Participants are now only required to demonstrate in writing their hardship event.

Plan Contributions - The Plan provides for participant contributions, nonelective employer matching contributions and nonelective employer profit-sharing contributions for certain companies. Participants may contribute up to the maximum percentage or dollar amount permissible under the Internal Revenue Code (IRC). Once eligible, participants automatically have 3% deducted from their compensation as a contribution to the Plan unless they affirmatively elect not to participate in the Plan. Additionally, unless the participant changes his/her deferral percentage, the withholding will increase by 1% annually up to a maximum of 10%. The Plan also allows for in Plan Roth conversions. Nonelective employer profit-sharing contributions are subject to approval by the Compensation Board of the Companies and limitations established by the IRC. The nonelective employer profit-sharing contribution is allocated to each participant's account based on the ratio of the participant's eligible compensation to the total eligible compensation of all eligible participants. There was a 6% nonelective employer profit-sharing contribution in 2022 and 2021 approximating \$12,534,000 and \$12,147,000, respectively. In 2022, there was an employer match contribution (lower of the actual employee contribution or 3%) for U.S. Cargo approximating \$124,000, net of forfeitures. In addition, participants over the age of 50 are permitted an additional catchup contribution. All contributions are subject to certain Internal Revenue Service (IRS) limitations.

Rollover Contributions - Participants are allowed to make rollover contributions (contributions transferred to the Plan from other qualified retirement plans), subject to certain requirements.

PITT OHIO EXPRESS, LLC PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Participant Accounts - Each participant's account is credited with the participant's contributions, employer's contributions and earnings thereon. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant compensation or account balances as defined above. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - A participant is fully vested in his/her contributions and earnings thereon at all times. A participant who terminates employment is entitled to a benefit with respect to nonelective employer matching and profit-sharing contributions and earnings thereon based on the following vesting schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2 years	0 %
2 years but less than 3	20
3 years but less than 4	40
4 years but less than 5	60
5 years but less than 6	80
6 years or more	100

A participant becomes 100% vested upon disability or death. A participant's fully vested benefit is payable upon death.

Notes Receivable from Participants - Participants may borrow the lesser of 1) 50% of their balances credited to their deferral and rollover account, or 2) \$50,000 less the highest outstanding balance of all notes during the 12 months prior to the time the new note receivable is issued. The minimum amount borrowed cannot be less than \$1,000. All notes have a five-year maximum repayment period and bear interest at the prime lending rate at the time of the loan as published in the Wall Street Journal plus 1%. All notes are secured by the balance in the participant's account. Principal and interest is paid ratably through monthly payroll deductions.

Payment of Benefits - Upon termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of significant accounting policies consistently applied by the Plan administrator in the preparation of the accompanying statements of net assets available for benefits and related statement of changes in net assets available for benefits and the related notes to the financial statements (financial statements) follows:

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

PITT OHIO EXPRESS, LLC PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investments - Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value) (see Note 9), which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 8 for discussion of fair value measurement.

Purchases and sales of securities are reflected on a trade-date basis. Interest and dividend income is recorded as earned on an accrual basis. Dividends are recorded on the ex-dividend date. The net depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefit payments are recorded when paid.

Notes Receivable From Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are charged to expense as incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Employer Contribution Receivable - Contributions from the employer are accrued in the period in which they become obligations in accordance with the Plan document.

Forfeitures - At December 31, 2022 and 2021, net assets available for benefits included unallocated forfeitures of approximately \$249,000 and \$250,000, respectively. Forfeitures are used to reduce profit-sharing contributions. In 2022, the amounts of forfeited nonvested accounts applied against the profit-sharing contributions for the Plan year end was approximately \$272,000.

Expenses - Certain investment management service fees and administrative expenses of the Plan are paid from Plan assets, which are included in administrative expenses in the statement of changes in net assets available for benefits, while others are paid for by Pitt Ohio Express, LLC, which are excluded from these financial statements.

Subsequent Events - The Plan has evaluated subsequent events through October 12, 2023, the date the financial statements were available to be issued.

PITT OHIO EXPRESS, LLC PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 3 - INFORMATION CERTIFIED BY THE PLAN TRUSTEE (UNAUDITED)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividend income and interest income on notes receivable from participants for the year ended December 31, 2022 was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC and Empower Life & Annuity Insurance Company of New York, (collectively, Empower) trustees of the Plan. As of December 31, 2021, the information was certified as complete and accurate by Reliance Trust Company, the prior trustee of the Plan.

NOTE 4 - PLAN TERMINATION

The Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon complete or partial termination of the Plan, participants become 100% vested in their accounts.

NOTE 5 - INCOME TAX STATUS

The Plan has been designed under the provisions of a volume submitter profit-sharing plan through Empower, the recordkeeper of the Plan. The IRS has determined and informed Empower, by a letter dated November 14, 2022, that the prototype plan utilized by the Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

NOTE 6 - RISK AND UNCERTAINTIES

The Plan invests in securities that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in value will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

PITT OHIO EXPRESS, LLC PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 7 - RELATED-PARTY TRANSACTIONS

The Plan Sponsor paid approximately \$560,000 to a related party in 2022 for investment management and participant education services.

Certain plan investments are managed by Empower (formerly Mass Mutual), the recordkeeper of the Plan; therefore, these transactions qualify as party-in-interest transactions.

NOTE 8 - FAIR VALUE MEASUREMENT

The Plan discloses the category of assets and liabilities measured at fair value into one of three different levels, depending on the assumptions (i.e., inputs) used in the valuation. Level 1 provides the most reliable measure of fair value, whereas Level 3 generally requires significant management judgment. Financial assets and liabilities are classified in their entirety based on the lowest level of input significant to the fair value measurement.

The fair value hierarchy is defined as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in inactive markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Registered Investment Companies - Valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

PITT OHIO EXPRESS, LLC PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 8 - FAIR VALUE MEASUREMENT (Continued)

Collective Investment Funds - Valued at the NAV of units of a bank collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no unfunded commitments at December 31, 2022 and 2021, and the investment can be redeemed without restriction.

The Plan's assets at fair value as of December 31 set forth by level, within the fair value hierarchy, are as follows:

		2022			
		Level 1	Level 2	Level 3	Total
Registered investment companies	\$	124,725,943	-	-	\$ 124,725,943
Total assets in the fair value hierarchy	\$	124,725,943	-	-	124,725,943
Investments measured at NAV (a)					149,649,815
Investments at fair value					\$ 274,375,758
		2021			
		Level 1	Level 2	Level 3	Total
Registered investment companies	\$	155,798,839	-	-	\$ 155,798,839
Total assets in the fair value hierarchy	\$	155,798,839	-	-	155,798,839
Investments measured at NAV (a)					176,986,229
Investments at fair value					\$ 332,785,068

- (a) In accordance with ASC Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

PITT OHIO EXPRESS, LLC PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 9 - GROUP ANNUITY CONTRACT

The Plan is invested in a traditional fully benefit-responsive group annuity contract with Empower Life & Annuity Insurance Company of New York (Empower Life & Annuity), which maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The group annuity contract issuer is contractually obligated to repay the principal and a stated interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower Life & Annuity, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan); (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; (3) bankruptcy of the Plan sponsor or other Plan sponsor events (e.g., divestitures or spinoffs of a subsidiary) that cause a significant withdrawal from the Plan; (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA; or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines; (2) a breach of material obligation under the contract; (3) a material misrepresentation; or (4) a material amendment to the agreement without the consent of the issuer.

INDEPENDENT AUDITOR'S REPORT

Participants and Administrative Committee
Pitt Ohio Express, LLC Profit Sharing Plan
Pittsburgh, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of the Pitt Ohio Express, LLC Profit Sharing Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021 and for the year ended December 31, 2022 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PITT OHIO EXPRESS, LLC PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Pitt Ohio Express, LLC Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General - The Plan is a qualified, defined contribution plan covering eligible employees of Pitt Ohio Express, LLC and certain affiliates (collectively, Companies or Plan Sponsor). The Plan provides for both participant and employer contributions. Participant contributions are participant-directed, while employer contributions are directed by the Investment Committee. Employees become eligible for elective deferrals after completing three months of service and the attainment of 20-1/2 years of age. Employees of Pitt Ohio Express, LLC and certain affiliates become eligible for matching or nonelective employer profit-sharing contributions after completing one-half year of service and the attainment of 20-1/2 years of age. Additionally, employees must be employed on the last day of the Plan year to receive the matching or nonelective employer profit-sharing contribution. U.S. Cargo employees were eligible for employer matching contributions up to a maximum of 3% after completing a minimum of 1,000 hours, being employed at December 31, 2022, and made employee deferrals during the year ended December 31, 2022.

Effective August 15, 2022, the Plan was amended to allow employees of Teal's Express, Inc. to participate in the Plan.

Effective April 1, 2022, a portion of the Plan related to employees of ECM Transport transferred into another qualifying plan, resulting in a partial plan transfer of approximately \$7,300,000 in participant account balances and the related assets. As ECM Transport employees were not eligible for profit-sharing contributions, all balances were employee contributions and were 100% vested at the date of transfer.

On January 1, 2020, the Plan amended its hardship distribution rules. Participants are no longer required to suspend contributions for a period of six months following a hardship distribution. The amendment also redacted the requirement that participants must present formal proof of a hardship event. Participants are now only required to demonstrate in writing their hardship event.

Plan Contributions - The Plan provides for participant contributions, nonelective employer matching contributions and nonelective employer profit-sharing contributions for certain companies. Participants may contribute up to the maximum percentage or dollar amount permissible under the Internal Revenue Code (IRC). Once eligible, participants automatically have 3% deducted from their compensation as a contribution to the Plan unless they affirmatively elect not to participate in the Plan. Additionally, unless the participant changes his/her deferral percentage, the withholding will increase by 1% annually up to a maximum of 10%. The Plan also allows for in Plan Roth conversions. Nonelective employer profit-sharing contributions are subject to approval by the Compensation Board of the Companies and limitations established by the IRC. The nonelective employer profit-sharing contribution is allocated to each participant's account based on the ratio of the participant's eligible compensation to the total eligible compensation of all eligible participants. There was a 6% nonelective employer profit-sharing contribution in 2022 and 2021 approximating \$12,534,000 and \$12,147,000, respectively. In 2022, there was an employer match contribution (lower of the actual employee contribution or 3%) for U.S. Cargo approximating \$124,000, net of forfeitures. In addition, participants over the age of 50 are permitted an additional catchup contribution. All contributions are subject to certain Internal Revenue Service (IRS) limitations.

Rollover Contributions - Participants are allowed to make rollover contributions (contributions transferred to the Plan from other qualified retirement plans), subject to certain requirements.

PITT OHIO EXPRESS, LLC PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Participant Accounts - Each participant's account is credited with the participant's contributions, employer's contributions and earnings thereon. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant compensation or account balances as defined above. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - A participant is fully vested in his/her contributions and earnings thereon at all times. A participant who terminates employment is entitled to a benefit with respect to nonelective employer matching and profit-sharing contributions and earnings thereon based on the following vesting schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2 years	0 %
2 years but less than 3	20
3 years but less than 4	40
4 years but less than 5	60
5 years but less than 6	80
6 years or more	100

A participant becomes 100% vested upon disability or death. A participant's fully vested benefit is payable upon death.

Notes Receivable from Participants - Participants may borrow the lesser of 1) 50% of their balances credited to their deferral and rollover account, or 2) \$50,000 less the highest outstanding balance of all notes during the 12 months prior to the time the new note receivable is issued. The minimum amount borrowed cannot be less than \$1,000. All notes have a five-year maximum repayment period and bear interest at the prime lending rate at the time of the loan as published in the Wall Street Journal plus 1%. All notes are secured by the balance in the participant's account. Principal and interest is paid ratably through monthly payroll deductions.

Payment of Benefits - Upon termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of significant accounting policies consistently applied by the Plan administrator in the preparation of the accompanying statements of net assets available for benefits and related statement of changes in net assets available for benefits and the related notes to the financial statements (financial statements) follows:

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

PITT OHIO EXPRESS, LLC PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investments - Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value) (see Note 9), which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 8 for discussion of fair value measurement.

Purchases and sales of securities are reflected on a trade-date basis. Interest and dividend income is recorded as earned on an accrual basis. Dividends are recorded on the ex-dividend date. The net depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefit payments are recorded when paid.

Notes Receivable From Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are charged to expense as incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Employer Contribution Receivable - Contributions from the employer are accrued in the period in which they become obligations in accordance with the Plan document.

Forfeitures - At December 31, 2022 and 2021, net assets available for benefits included unallocated forfeitures of approximately \$249,000 and \$250,000, respectively. Forfeitures are used to reduce profit-sharing contributions. In 2022, the amounts of forfeited nonvested accounts applied against the profit-sharing contributions for the Plan year end was approximately \$272,000.

Expenses - Certain investment management service fees and administrative expenses of the Plan are paid from Plan assets, which are included in administrative expenses in the statement of changes in net assets available for benefits, while others are paid for by Pitt Ohio Express, LLC, which are excluded from these financial statements.

Subsequent Events - The Plan has evaluated subsequent events through October 12, 2023, the date the financial statements were available to be issued.

PITT OHIO EXPRESS, LLC PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 3 - INFORMATION CERTIFIED BY THE PLAN TRUSTEE (UNAUDITED)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividend income and interest income on notes receivable from participants for the year ended December 31, 2022 was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC and Empower Life & Annuity Insurance Company of New York, (collectively, Empower) trustees of the Plan. As of December 31, 2021, the information was certified as complete and accurate by Reliance Trust Company, the prior trustee of the Plan.

NOTE 4 - PLAN TERMINATION

The Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon complete or partial termination of the Plan, participants become 100% vested in their accounts.

NOTE 5 - INCOME TAX STATUS

The Plan has been designed under the provisions of a volume submitter profit-sharing plan through Empower, the recordkeeper of the Plan. The IRS has determined and informed Empower, by a letter dated November 14, 2022, that the prototype plan utilized by the Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

NOTE 6 - RISK AND UNCERTAINTIES

The Plan invests in securities that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in value will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

PITT OHIO EXPRESS, LLC PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 7 - RELATED-PARTY TRANSACTIONS

The Plan Sponsor paid approximately \$560,000 to a related party in 2022 for investment management and participant education services.

Certain plan investments are managed by Empower (formerly Mass Mutual), the recordkeeper of the Plan; therefore, these transactions qualify as party-in-interest transactions.

NOTE 8 - FAIR VALUE MEASUREMENT

The Plan discloses the category of assets and liabilities measured at fair value into one of three different levels, depending on the assumptions (i.e., inputs) used in the valuation. Level 1 provides the most reliable measure of fair value, whereas Level 3 generally requires significant management judgment. Financial assets and liabilities are classified in their entirety based on the lowest level of input significant to the fair value measurement.

The fair value hierarchy is defined as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in inactive markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Registered Investment Companies - Valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

NOTE 8 - FAIR VALUE MEASUREMENT (Continued)

Collective Investment Funds - Valued at the NAV of units of a bank collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no unfunded commitments at December 31, 2022 and 2021, and the investment can be redeemed without restriction.

The Plan's assets at fair value as of December 31 set forth by level, within the fair value hierarchy, are as follows:

		2022		
		Level 1	Level 2	Level 3
Registered investment companies	\$	124,725,943	-	-
Total assets in the fair value hierarchy	\$	124,725,943	-	-
Investments measured at NAV (a)				149,649,815
Investments at fair value				\$ 274,375,758
		2021		
		Level 1	Level 2	Level 3
Registered investment companies	\$	155,798,839	-	-
Total assets in the fair value hierarchy	\$	155,798,839	-	-
Investments measured at NAV (a)				176,986,229
Investments at fair value				\$ 332,785,068

- (a) In accordance with ASC Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 9 - GROUP ANNUITY CONTRACT

The Plan is invested in a traditional fully benefit-responsive group annuity contract with Empower Life & Annuity Insurance Company of New York (Empower Life & Annuity), which maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The group annuity contract issuer is contractually obligated to repay the principal and a stated interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower Life & Annuity, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan); (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; (3) bankruptcy of the Plan sponsor or other Plan sponsor events (e.g., divestitures or spinoffs of a subsidiary) that cause a significant withdrawal from the Plan; (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA; or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines; (2) a breach of material obligation under the contract; (3) a material misrepresentation; or (4) a material amendment to the agreement without the consent of the issuer.
