## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator  
Kennebec Behavioral Health 403(b) Plan  
Waterville, Maine

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the accompanying financial statements of Kennebec Behavioral Health 403(b), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Kennebec Behavioral Health 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Kennebec Behavioral Health 403(b) and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kennebec Behavioral Health 403(b)'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kennebec Behavioral Health 403(b)'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kennebec Behavioral Health 403(b)'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Supplemental Schedule Required by ERISA***

The supplemental schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In our opinion-

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# KENNEBEC BEHAVIORAL HEALTH 403(b) PLAN

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

---

### NOTE 1: DESCRIPTION OF PLAN

The following description of the Kennebec Behavioral Health (“Organization”) 403(b) Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### **General**

The Plan is a defined contribution plan, pursuant to Internal Revenue Code section 403(b), covering all employees of the Organization beginning with their date of hire who are expected to work more than 20 hours per week (or 1,000 per year). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Organization is the plan sponsor and the plan administrator and as such is fully responsible for compliance with the provisions of the Plan and the provisions of benefits to Plan participants and beneficiaries.

#### **Contributions**

Each year, participants may contribute, on a pre-tax basis, up to a maximum dollar limit set by the Internal Revenue Service. Participants also have the option to elect to contribute after-tax Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions, as defined under the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan and may change their investment options at any time. The Plan includes an auto enrollment provision whereby newly eligible participants are automatically enrolled at a deferral rate of 5% unless they affirmatively elect not to participate in the Plan or elect another deferral rate. Participants auto enrolled have their contributions invested in the Vanguard Target Retirement Fund that is most appropriate for that participant.

Participants will be eligible for employer safe harbor matching contributions on the day after completion of one year of service. Upon meeting the matching requirements, eligible participants will receive a 100% match contribution on the first 4% deferred.

In addition, the plan sponsor may elect to contribute discretionary employer contributions. Participants are eligible to receive discretionary employer contributions if they have attained 18 years of age and completed one year of eligible service.

#### **Participant Accounts and Vesting**

Each participant's account is credited with the participant's contribution, the employer's safe harbor matching contributions, and an allocation of the Plan's earnings and charged with an allocation of administrative expenses paid by the Plan. The Plan's earnings are allocated according to participants' relative account balances. Participants are vested immediately in their contributions plus actual earnings thereon. Participants are also immediately vested in employer safe harbor matching contributions received and earnings thereon. Vesting in the other employer discretionary and nonelective contributions portion of their account is based on years of continuous service. A participant is 100% vested after two years of credited service.

NOTE 1: DESCRIPTION OF PLAN (Continued)**Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance excluding the portion of their account balance attributable to Roth contributions. The notes are secured by the balance in the participant's account and bear a reasonable rate of interest, 4.50% at December 31, 2022. Notes must be repaid within 5 years, except in the case of a loan used for the purchase of a principal residence which may be repaid within 15 years. Principal and interest are paid ratably through monthly payroll deductions.

**Payment of Benefits**

Upon termination of employment, retirement, death or disability, as defined, participants with vested balances of at least \$1,000 may keep their balance in the Plan or elect to receive a lump sum payment, annual installments or apply their account balance, or a portion thereof, to an annuity contract. Participants with a vested balance not exceeding \$1,000 will receive a lump-sum amount equal to the vested value of their individual account balance.

In certain hardship situations, as described in the Plan agreement, participants may withdraw part of their account balances while actively employed but such withdrawals are limited to the amount dictated by the hardship. In addition, the Plan also allows in-service withdrawals after attaining age 59 1/2.

**Forfeitures**

Forfeitures may be used to reduce plan expenses. During 2022, \$9,715 of forfeitures were used to pay expenses. No forfeitures were used to pay expenses during 2021. At December 31, 2022 and 2021, the forfeited non-vested accounts totaled \$583 and \$10,360, respectively.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**Basis of Accounting**

The accompanying financial statements are prepared on the accrual basis of accounting and presented in conformity with accounting principles generally accepted in the United States of America. As such, contributions and income are recorded when earned and benefit payments are recorded when paid.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive contracts. Contract value is the relevant measure for the portion of net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

**Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant notes, that the plan administrator considers to be in default, are reclassified as benefit payments based on the terms of the Plan document.

**Investment Valuation and Income Recognition**

Investments are reported at fair value (except for fully benefit-responsive investment contracts which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded as received. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Plan Expenses**

Certain administrative fees relating to the operation of the Plan's investments are paid directly from Plan assets. Certain other administrative expenses are paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. Fees related to administration of notes receivable from participants are charged directly to their accounts and are included in administrative expenses.

Certain fees incurred by the Plan for investment management services are included in net appreciation (depreciation) in fair value of investments, as they are paid through revenue sharing rather than a direct payment.

**Subsequent Events**

Events that occur after the statements of net assets available for benefits date, December 31, 2022, but before the financial statements were available to be issued must be evaluated for recognition or disclosure. Subsequent events that provide evidence about conditions that existed at the statements of net assets available for benefits date require disclosure in the accompanying financial statements. Subsequent events that provide evidence about conditions that existed after December 31, 2022 require disclosure in the accompanying notes. The plan administrator evaluated the activity of the Plan through October 12, 2023, the date the financial statements were available to be issued and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.

NOTE 3: INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and the ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by American United Life Insurance Company (AUL), the trustee of the Plan.

NOTE 4: FAIR VALUE MEASUREMENTS

The accounting framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 4: FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022.

*Pooled Separate Accounts:* The Plan's interests in these accounts are valued based on the net asset values reported by the trustee of the funds based on either quoted market prices in active markets or observable inputs or quotations from inactive markets. Accordingly, these assets are classified as Level 2 assets.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

|                          | <u>Level 1</u>        | <u>Level 2</u>      | <u>Level 3</u>        | <u>Total</u>        |

NOTE 5: GUARANTEED INVESTMENT CONTRACTS WITH INSURANCE COMPANIES

The Plan has entered into a fully benefit-responsive guaranteed investment contract with American United Life Insurance Company (AUL). AUL maintains the applicable contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The Plan has also entered into a fully benefit-responsive guaranteed investment contract with VOYA. VOYA maintains the applicable contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

DECEMBER 31, 2022 AND 2021

NOTE 5: GUARANTEED INVESTMENT CONTRACTS WITH INSURANCE COMPANIES  
(Continued)

Because the guaranteed investment contracts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contracts. The guaranteed investment contracts are presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by the insurance companies, represents contributions made under the contracts, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

The crediting interest rates are based on formulas agreed upon with the respective issuer. Such interest rates are reviewed on a quarterly basis for resetting. Interest income earned on the contracts for the year ended December 31, 2022 was \$17,562.

Certain events limit the Plan's ability to transact at contract value with the insurance companies. Such events include the following: (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

The guaranteed investment contracts do not permit the insurance companies to terminate the agreements prior to the scheduled maturity dates.

Investments at contract value at December 31, 2022 and 2021 were as follows:

|                                     | <u>2022</u>        | <u>2021</u>        |

NOTES TO FINANCIAL STATEMENTS

(Continued)

DECEMBER 31, 2022 AND 2021

---

NOTE 6: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by AUL, the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Administrative fees paid to AUL during the year ending December 31, 2022 totaled \$2,788.

NOTE 7: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8: TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (the Code). The terms of the Plan have been prepared to conform to the listing of 403(b) plans that have been pre-approved by the Internal Revenue Service. The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for plan participants under Section 403(b). The plan administrator believes the plan has been prepared to conform to the written plan requirements of Regulation 1.403(b)-3 of the Code. Accordingly, no provision for income taxes has been included in the financial statements.

NOTE 9: PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate or amend the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.
