REPORT OF INDEPENDENT PUBLIC ACCOUNTANTS

To Participants and Plan Administrator of
The 403(b) Thrift Plan of Urban Teacher Center, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the 403(b) Thrift Plan of Urban Teacher Center, Inc (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or Federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SB & COMPANY, LLC
KNOWLEDGE • QUALITY • CLIENT SERVICE

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in *the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

SB & COMPANY, LLC
KNOWLEDGE • QUALITY • CLIENT SERVICE

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal controls. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal controls-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been

subjected to auditing procedures applied in the audits of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

403(b) THRIFT PLAN OF URBAN TEACHER CENTER, INC.

Notes to the Financial Statements December 31, 2022 and 2021

1. DESCRIPTION OF PLAN

The following brief description of the 403(b) Thrift Plan of Urban Teacher Center, Inc. (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established by Urban Teacher Inc. (the Organization) effective January 1, 2009, to provide retirement benefits for employees of the Organization. The Plan covers substantially all employees and does not have a minimum age requirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was amended effective June 14, 2020. The amendment allows a minimum service requirement of 6 months eligibility (not to exceed 24 months) consecutively.

The Plan is administered by the Organization's Board of Directors (the Board). The Board has overall responsibility for the operation and administration of the Plan. The Board determines the appropriateness of the Plan's investment offerings and monitors the investment performance.

Recent Legislation

The Setting Every Community Up for Retirement Enhancement (SECURE) Act was enacted in December 2019, and became effective January 1, 2020. The SECURE Act was designed to encourage investing for retirement by increasing the required minimum distribution age, allowing part-time employee enrollment, and offering annuity options for certain tax-qualified retirement plans.

The Plan incorporated the SECURE Act changes in its Plan document during the year ended December 31, 2022. SECURE Act 2.0 was signed into the 2023 Consolidations Appropriations Act under the Securing a Strong Retirement Act on December 29, 2022, with similar retirement provisions designed to increase retirement savings, facilitate access to retirement savings, encourage employees to save for retirement, and lower employers' cost of offering and funding retirement plans.

The Plan's management and those charged with governance have a policy to incorporate legislative changes in its Plan document by the prescribed deadlines.

Contributions

Eligible employees may elect to contribute through regular payroll deductions from 1% to 100% of their pre-tax annual compensation subject to the Internal Revenue Code (the Code) limitations. A participant may modify the amount of salary reduction at any time during the Plan year. Participants may also rollover distributions from other qualified plans.

Notes to the Financial Statements December 31, 2022 and 2021

1. DESCRIPTION OF PLAN (continued)

Contributions (continued)

Prior to June 1, 2020, the Organization provided matching contributions equal to 50% of a participant's elective deferral to a maximum of 8% of the contributing participant's compensation. Beginning June 1, 2020, the Plan allows discretionary contributions to the Plan. There were no discretionary contributions made to the Plan during the year ended December 31, 2022.

Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions.

Participant Accounts

Each participant's account is credited with the participant's contributions and an allocation of the participant's share of the employer's matching contribution, as well as an allocation of investment earnings or losses.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon and 100% vested in Organization's contributions after one year of credited service.

Payment of Benefits

Upon retirement, termination, death, disability, age 59½ or later, or financial hardship, a participant may elect, subject to the provisions of the Plan, to receive benefits in the form of a lump sum, partial or installment cash payments in accordance with the applicable income tax regulations.

Collateralized Assets with the Plan's Custodian (Plan Loans)

Plan loans are issued as separate contracts by Mutual of America. Participants may borrow a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of his or her Mutual of America account balance, subject to annuity contract and Plan provisions. Loan terms range from one to five years in one-year increments (up to ten years for the purchase of the participant's primary residence). Principal and interest are paid ratably by the participant to Mutual of America, and each payment will reduce amounts collateralized by the borrowing participant's Mutual of America account balance.

If the borrower does not repay the loan and related interest due, in accordance with the schedule set forth in the loan agreement, his/her loan will be deemed to be in default.

Notes to the Financial Statements December 31, 2022 and 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

As source assets to fund the loans were not Plan assets, these loans are not considered assets of the Plan and have not been included in the accompanying statements of net assets available for benefits.

Forfeitures

Forfeitures represent the non-vested portion of a terminated participant's matching and non-elective contributions. These amounts are used to reduce future matching contributions of the Organization. During the year ended December 31, 2022, the Plan did not allocate any forfeitures to the participants' accounts.

Plan Termination

Although it is the intention of the Organization to maintain the Plan throughout its corporate existence, it has the right to discontinue its contributions at any time and to terminate the Plan subject to provisions of ERISA. In the event of Plan termination, and if no successor plan is established, all amounts credited to participant accounts will be fully vested and will be paid as a lump sum distribution.

Basis of Accounting

The accompanying financial statements of the Plan have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Organization's management determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 4 for discussion of fair value measurements.

Notes to the Financial Statements December 31, 2022 and 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income/(loss) is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Employee and employer contributions are recorded in the period that the Organization makes payroll deductions from the participant's earnings. Employer discretionary contributions are recorded in the period they are approved by the Organization and may be funded after year end.

Expenses

Certain expenses of the Plan are paid directly by the Organization and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participants' account balance and are included in administrative expenses. Investment related expenses are included in net appreciation/(depreciation) in fair value of investments.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Subsequent Events

The Plan's management evaluated subsequent events and transactions through October 12, 2023, the date these financial statements were available for issue, and have determined that no material subsequent events have occurred that would affect the information presented in the accompanying financial statements or require additional disclosure.

3. CERTIFIED INVESTMENTS

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held as of December 31, 2022 and 2021, and net appreciation/(depreciation) in fair value of investments, and interest and dividends for the year ended December 31, 2022, was obtained by the Plan Administrator and agreed to or derived from information certified as complete and accurate by Mutual of America Life Insurance Company (Mutual of America), the custodian of the Plan.

403(b) THRIFT PLAN OF URBAN TEACHER CENTER, INC.

Notes to the Financial Statements December 31, 2022 and 2021

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

Separate accounts. Consists primarily of mutual funds, which are valued using pricing models maximizing the use of observable inputs for similar securities.

General account. Consists of cash equivalents valued at cost plus accrued interest at year end.

Target date funds. Valued at the daily closing price as reported by the fund using the net asset value as a practical expedient to estimate fair value.

Notes to the Financial Statements December 31, 2022 and 2021

4. FAIR VALUE MEASUREMENTS (continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

	As of December 31, 2022			
	Level 1	Level 2	Level 3	Total

Investments at fair value				\$ 3,766,210

	As of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Separate accounts	\$ -	\$ 1,821,235	\$ -	\$ 1,821,235

Target date funds ^(a)				1,811,400
Investments at fair value				\$ 3,772,408

- (a) In accordance with GAAP, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Investment	2022	2021	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Target date funds ^(a)	\$ 1,966,838	\$ 1,811,400	None	Daily	None

- (a) The underlying assets are mutual funds, which includes domestic and foreign stocks, convertibles, and cash with varying degrees of risk.

5. RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of money market funds managed by Mutual of America. Mutual of America serves as the custodian for the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation/(depreciation) in fair value of the investment, as they are paid through revenue sharing, rather than direct payment.

403(b) THRIFT PLAN OF URBAN TEACHER CENTER, INC.

Notes to the Financial Statements December 31, 2022 and 2021

6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate risk, market risk and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such change could materially affect participants' account balances and the amount reported in the statements of net assets available for benefits.

7. INCOME TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Code. The terms of the Plan have been prepared to conform with the sample language provided by the Internal Revenue Service (IRS) in Revenue Procedure 2007-71. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for Plan participants under Section 403(b).

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2019.
