## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of  
The Davlyn Group 401(k) Pension Plan:

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of The Davlyn Group 401(k) Pension Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to financial statements ("2022 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of The Davlyn Group 401(k) Pension Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of The Davlyn Group 401(k) Pension Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2022 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Davlyn Group 401(k) Pension Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2022 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Davlyn Group 401(k) Pension Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Davlyn Group 401(k) Pension Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**1. DESCRIPTION OF PLAN**

The following brief description of The Davlyn Group 401(k) Pension Plan (the "Plan") is provided for information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution plan established on January 1, 1986, and most recently restated as of January 1, 2022, covering substantially all common law employees of Davlyn Manufacturing Co., LLC and the following participating employers: Darco Southern, LLC, Amatex, LLC, and Norfab, LLC (collectively, the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

**Eligibility Requirements**

With the exception of interns, non-resident aliens with no United States sourced income, and employees covered by a collective bargaining agreement, all employees of the Company who have achieved the age of 18 and 3 months of service are eligible to participate in the Plan and receive employer safe harbor matching contributions and discretionary matching employer ("additional matching") contributions. Employees who are age 18 or above and achieved 6 months of service are eligible for discretionary nonelective employer ("profit-sharing") contributions as long as they are employed at the end of the plan year and earned 1,000 hours of service during the plan year.

**Contributions**

Each year, participants may elect to contribute up to 100% of their compensations provided that the amount does not exceed the annual maximum established by the Internal Revenue Service ("IRS") regulation. Participants who have attained the age of 50 are also eligible to make catch-up contributions. Participants may elect to designate any portion of their elective deferrals as Roth contributions. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company's safe harbor matching contributions is equal to 100% of the first 3% of participant's eligible compensation and 50% of the next 2% of participant's eligible compensation. During the year ended December 31, 2022, such safe harbor matching contributions totaled \$310,177.

Plan provisions also allow for additional matching and profit-sharing contributions at the discretion of the Company. The Company did not make any such contributions for the year ended December 31, 2022.

**Notes Receivable from Participants**

Participants may obtain loans from the vested balances in their accounts. The maximum amount of the loan cannot exceed the lesser of a) \$50,000 or b) 50% of the participant's vested account balance. The funds required to satisfy a loan request are withdrawn on a pro-rata basis from the participant's account in the various investment funds. The loans generally must be repaid within five years unless it is for the purchase of a principal residence in which the loan repayment period can be extended to ten years. Interest and principal repayments are credited directly to the borrower's respective account and are repaid through payroll deductions. The loans bear interest equal to local prevailing rates as determined by the Plan administrator at the time of origination. In the event of default, or termination of employment, the loan shall become due and payable immediately. Defaulted loans are considered distributions from the Plan. As of December 31, 2022, the interest rates on the outstanding loans ranged from 4.25% to 7.25%.

**Participant Accounts**

Each participant's account is credited with the participant's contributions, employer safe harbor matching contributions, nonelective employer contributions, if applicable, and earnings thereon. Participant accounts are charged with participant distributions and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

Participants are immediately vested in their salary deferral contributions and employer safe harbor matching contributions. Vesting in the Company's additional matching and profit-sharing contributions is based on years of continuous service. A participant vests according to the following schedule:

| <u>Years of Credited Service</u> | <u>Vested Percentage</u> |
|----------------------------------|--------------------------|
| Less than 2 years                | 0%                       |
| 2 but less than 3                | 20%                      |
| 3 but less than 4                | 40%                      |
| 4 but less than 5                | 60%                      |
| 5 but less than 6                | 80%                      |
| 6 or more years                  | 100%                     |

**Payment of Benefits**

Upon termination of service, death, disability, or retirement, or upon attaining age 59½, a participant may elect to receive a lump-sum distribution equal to all or a portion of the participant's vested interest in his or her account. If the benefit is \$5,000 or less, the Plan may distribute the benefit in accordance with the Plan document. The Plan also provides for participant withdrawals in the event of certain financial hardships, as defined in the Plan document.

**Forfeited Accounts**

Forfeitures of previously unvested balances are maintained in the Plan and may be used to pay administrative expenses or to reduce future employer contributions. As of December 31, 2022 and 2021, non-vested forfeiture accounts amounted to \$73,980 and \$56,061, respectively. During the year ended December 31, 2022, forfeited non-vested accounts were \$22,205 and forfeitures of \$114 were utilized to offset plan administrative expenses.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

**Use of Estimates**

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

The Plan's investments are held by Fidelity Management Trust Company (the "Trustee"), which has been designated as both the trustee and custodian. See Note 4 for discussion of fair value measurements.

**The Davlyn Group 401(k) Pension Plan**  
**Notes to Financial Statements**  
**December 31, 2022 and 2021**

---

Purchases and sales of securities are recorded on a trade-date basis. Gains and losses on sale of investments are based on the average cost method. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. The net depreciation in fair value of investments in the accompanying statement of changes in net assets available for benefits includes the total change in unrealized gains (losses) of investments held at year end plus realized gains (losses) on investments sold during the year.

**Payment of Benefits**

Benefit payments are recorded when paid.

**Plan Expenses**

Certain administrative expenses incurred by the Plan may be absorbed by the Company. Most administrative expenses incurred are paid out of Plan assets. Administrative expenses, net of revenue credits, amounted to \$(2,777) for the year ended December 31, 2022.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

**3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE (UNAUDITED)**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Trustee has certified the completeness and accuracy of all investments and notes receivable from participants as of December 31, 2022 and 2021 in the accompanying statements of net assets available for benefits and the net depreciation in fair value of investments, interest and dividend income, and interest income on notes receivable from participants for the year ended December 31, 2022 in the accompanying statement of changes in net assets available for benefits, as well as the supplementary schedule of assets (held at end of year) as of December 31, 2022. No auditing procedures were performed by the independent auditors as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by the Trustee, except for comparing such information with the related information included in the financial statements and supplementary schedule. Based on information provided and certified by the Trustee, there are no fixed income obligations, leases or debt instruments in default or deemed uncollectible, as defined by ERISA, for the years ended December 31, 2022 and 2021.

**4. FAIR VALUE ACCOUNTING**

The Financial Accounting Standards Board established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. Such inputs include quoted prices in active markets for identical assets or liabilities.

**The Davlyn Group 401(k) Pension Plan**  
**Notes to Financial Statements**  
**December 31, 2022 and 2021**

---

*Level 2* - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

*Level 3* - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

*Registered investment companies and interest-bearing cash:* Shares of registered investment companies and interest-bearing cash (money market mutual fund) are valued at quoted market prices which represent the fair value of shares held by the Plan at year-end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

|                                  | <b>2022</b>          |                |                |                      |

**5. PARTY-IN-INTEREST TRANSACTIONS**

Certain investments are managed by Fidelity Management Trust Company which is the trustee as defined by the Plan. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan, net of revenue credits, were \$(2,777) for the year ended December 31, 2022. Investment related fees are included in net depreciation in fair value of investments and are not readily determinable. Notes receivable from participants are transactions with participants; these loan transactions qualify as exempt party-in-interest transactions.

**6. INCOME TAX STATUS**

The Plan adopted a volume submitter profit sharing plan document which obtained its latest opinion letter on June 30, 2020, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the opinion letter, the Company believes the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

US GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

**7. RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

**8. PLAN TERMINATION**

Although it has not expressed any intention to do so, the Company has the right under the Plan to amend, change, or discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

**9. SUBSEQUENT EVENTS**

Subsequent events were evaluated through October 9, 2023, which is the date the financial statements were available to be issued. Based on that evaluation, the Plan has determined that no subsequent events have occurred which would require adjustment to or disclosure in the financial statements.
