INDEPENDENT AUDITORS' REPORT

To the Trustees of
Navigant Credit Union Thrift 401(k) Plan
Smithfield, Rhode Island

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Navigant Credit Union Thrift 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Navigant Credit Union Thrift 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Navigant Credit Union Thrift 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Navigant Credit Union Thrift 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve

collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of user made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Navigant Credit Union Thrift 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Navigant Credit Union Thrift 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedules Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other

additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

To the Trustees of
Navigant Credit Union Thrift 401(k) Plan
Smithfield, Rhode Island

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Navigant Credit Union Thrift 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Navigant Credit Union Thrift 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Navigant Credit Union Thrift 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Navigant Credit Union Thrift 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve

collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of user made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Navigant Credit Union Thrift 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Navigant Credit Union Thrift 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedules Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other

additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

1. Description of Plan

The following description of the Navigant Credit Union Thrift 401(k) Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan’s provisions.

General

Navigant Credit Union (the “Credit Union”) wishes to recognize the efforts its employees have made to its success and to reward them by adopting a Thrift 401(k) Plan. This Thrift 401(k) Plan will be for the exclusive benefit of eligible employees and their beneficiaries and will be administered by the Credit Union. The purpose of this Plan is to reward eligible employees for long and loyal service by providing them with retirement benefits.

All assets acquired under this Plan as a result of employee and Credit Union contributions, income and other additions will be administered, distributed, forfeited and otherwise governed by the provisions of this Plan.

Effective January 1, 2021, the Plan was restated and amended in its entirety in order to remain a qualified plan in compliance with the applicable sections of the Internal Revenue Code (“IRC”).

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act was signed into law in response to the economic impact caused by the novel coronavirus (COVID-19) pandemic. As part of the CARES Act, certain universal changes were implemented related to retirement plans, including waiving minimum distributions for the 2020 calendar year and waiving the 10% early distribution penalty tax for participants affected by the pandemic. The CARES Act also contained provisions which allowed for Plan administrators to make amendments and elections to the Plan to provide greater access to retirement funds for participants impacted by the pandemic. Some of the allowable elections contained within the CARES Act included allowing expanded in-service distributions, increasing Plan limits on participant loans to \$100,000 or 100% of the participant’s vested balance, and offering suspensions of loan repayments, without default, through calendar year 2020. The Plan administrator had the ability to choose which elections the Plan would make; there was no requirement for plans to adopt any of these provisions. The Plan administrator elected to adopt all of the above provisions during 2020. While these provisions were, operationally, enacted immediately upon the Plan administrator’s election, the Plan was not formally amended to incorporate these changes until December 2021.

Eligibility

Each employee who has completed three months of service with the Credit Union, starting from their employment commencement date, shall be eligible to participate in the Plan. The Plan entry date is the first day of the following month after the three-month service requirement has been satisfied. Temporary and seasonal employees who are regularly scheduled for less than 1,000 hours of service are ineligible for participation. Part-time employees who are regularly scheduled for less than 1,000 hours of service are eligible for participation in the Plan, however, may not

receive vesting credit if less than 1,000 are hours worked in a given Plan year. Once an employee reaches 1,000 hours of service in a given year and becomes eligible, they will continue to remain eligible, even if in a future year they work less than 1,000 hours, until they incur five consecutive one-year breaks in service, defined as Plan years in which the employee works less than 500 hours.

Participant contributions

An active participant may elect to make two types of contributions to the Plan as follows:

Salary deferral contributions

Each active participant may elect, but shall not be required, to contribute a percentage of their compensation up to the maximum amount allowable under federal regulations.

Rollover contributions

An active participant may, at the discretion of the Plan administrator, contribute to the Plan distributions from other qualified plans or individual retirement accounts, if the contributions satisfy the tax law requirements for a qualified rollover.

Total salary deferral contributions by participants for the Plan years ended December 31, 2022 and 2021 amounted to \$1,988,891 and \$1,894,038, respectively.

Total rollover contributions by participants for the Plan years ended December 31, 2022 and 2021 amounted to \$134,283 and \$0, respectively.

Credit Union contributions

The Plan has adopted 401(k) safe harbor provisions in which the Plan sponsor makes qualified non-elective safe harbor contributions of 3% of a participant's compensation. The Plan sponsor has also elected to make additional stated employer matching contributions which are 100% of a participant's elective deferrals that do not exceed 5% of Plan year compensation.

The total Credit Union contributions for the Plan years ended December 31, 2022 and 2021 amounted to \$2,097,777 and \$1,853,465, respectively.

Participant accounts

Each participant's account is credited with the participant's contribution and Credit Union safe harbor and matching contributions, as well as Plan earnings. Participant accounts are also charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. Description of Plan (continued)

Vesting

A participant will always have a vested interest of 100% in that portion of their account attributable to salary deferral contributions, rollover contributions, safe harbor contributions, and related investment earnings. Their vested interest in that portion of their account attributable to Credit Union matching contributions will vest according to the following schedule:

<u>Completed Years of Credited Service</u>	<u>Vested Percentage</u>
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Service is credited from the date of employment. If a participant terminates employment with the Credit Union prior to normal retirement, they will be entitled to receive the vested percentage of their account balance. Participants will have a 100% vested interest in all amounts credited to their account if they terminate service at normal retirement age of 65, or if they should become disabled or die before reaching age 65.

Notes receivable from participants

Loans to participants are made in accordance with provisions in the Plan. Each loan shall be fully secured by 100% of the participant's vested interest in the Plan and shall be limited to 50% of the participant's vested interest in the Plan. Loans shall be in an amount not less than \$1,000 and the maximum amount can be no greater than \$50,000 less the amount of your highest outstanding loan balance within the past 12 months, if any. Each loan shall bear an interest rate equal to the Wall Street Journal prime rate plus 1% on the last day preceding the quarter (7.25% and 4.25% at December 31, 2022 and 2021, respectively) and will generally be required to be repaid through regular payroll deductions within five (5) years of the date it is made, unless such loan is used to acquire a principal residence of the participant in which case the term is extended. The Plan allows for a maximum of one loan outstanding at any one time.

Distributions

Retirement, disability or death

Participants who retire or become disabled will be entitled to 100% of their account balance. Upon death, the participant's beneficiary will be entitled to 100% of the account balance, payable in accordance with the Plan documents.

1. Description of Plan (continued)

Distributions (continued)

Other termination of employment and in-service distributions

Upon termination of employment for any reason other than retirement, disability or death or in the event that the participant elects to take an in-service distribution upon reaching normal retirement age (through the year ending December 31, 2022), the participant shall be entitled to receive the entire amount of their salary deferral contribution and rollover contribution, the entire amount of their safe harbor contributions, and a percentage of their Credit Union matching contributions in accordance with the vesting service schedule. Effective May 1, 2023, the Plan was amended to allow participants to receive in-service distributions, subject to the same restrictions related to unvested accounts, upon attaining age 59.5.

Forfeitures

Only matching contributions made by the Credit Union are subject to forfeitures. These forfeitures are used to reduce future Credit Union contributions to the Plan. Forfeitures are determined as of the last day of the Plan year in which the participant's entire vested balance is distributed and amounted to \$52,908 and \$62,074 for the years ended December 31, 2022 and 2021, respectively.

Investment options

Upon enrollment in the Plan, a participant may direct how their salary deferral contributions, Credit Union contributions and rollover contributions will be invested. Such investment directives may be changed in accordance with the procedures established by the Plan administrator. A participant may choose from the various investments offered through USI Consulting Group, Inc. ("USI").

Plan termination

Although it has not expressed any intent to do so, the Credit Union has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

2. Summary of significant accounting policies

Basis of accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amount of changes in net assets available for benefits during the reporting period, and disclosure of contingent assets and liabilities. Estimates are principally used in the determination of the fair value of investments. Actual results could differ from those estimates.

**NAVIGANT CREDIT UNION
THRIFT 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

2. Summary of significant accounting policies (continued)

Cash

The cash balance in the Plan as of December 31, 2021 was comprised of loan initiation and maintenance fees that had been removed from participant accounts but were not transferred out of the Plan prior to year end. The Plan does not have a cash balance as of December 31, 2022.

Other receivable

The other receivable of \$32,443 represents monies owed to the Plan related to processing errors. Vesting percentages, in accordance with the Plan's vesting schedule, had not been correctly applied to certain participant accounts upon final distribution by the Plan's service providers, which resulted in excess funds distributed to participants which should have been forfeited back to the Plan. As of October 4, 2023, it is unclear as to whether the service providers will try to recover the excess distributed funds from the participants, or if there will be an alternative action to ensure that monies are deposited into the Plan to make it whole. Any amounts remitted back to the Plan will go directly into the Plan's forfeiture account, which is non-participant directed.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Tax status

The Credit Union has adopted a prototype non-standardized profit-sharing plan document and is relying on the prototype non-standardized profit-sharing plan sponsor's opinion letter from the Internal Revenue Service ("IRS") dated March 31, 2014. The letter states that the prototype non-standardized profit-sharing plan and related trust are designed in accordance with applicable sections of the IRC. Although the prototype non-standardized profit-sharing plan has been amended since receiving the opinion letter, the Plan's administrator and the Plan's tax counsel believe that the Plan and related trust are currently designed and being operated in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for the years prior to 2019.

2. Summary of significant accounting policies (continued)

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, trustee, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining and operating the Plan are paid directly by the Credit Union and are excluded from these financial statements. Some fees related to the administration of the Plan, including recordkeeping and loan maintenance fees are allocated and charged directly to the participant accounts and are included in administrative expenses. Investment related expenses are included in net (depreciation) appreciation of fair value of investments.

Subsequent events

The Plan did not have any subsequent events, except as disclosed in Note 1 Distributions, through October 4, 2023, which is the date the financial statements were available to be issued, for events requiring recording or disclosure in the financial statements for the year ended December 31, 2022.

3. Information prepared and certified by the trustee

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Charles Schwab Trust Bank as of and for the years ended December 31, 2022 and 2021, respectively.

4. Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (“FASB”) *Accounting Standards Codification* (“ASC”) 820, *Fair Value Measurements and Disclosures* are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market funds: Valued at amortized cost.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. Investments

The Plan invests in a money market account held by Navigant Credit Union. At December 31, 2022 and 2021, this investment totaled \$798,044 and \$792,138, respectively. For the years ended December 31, 2022 and 2021, this investment generated interest income of \$5,906 and \$5,862, respectively. See Note 8 for parties-in-interest information.

**NAVIGANT CREDIT UNION
THRIFT 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

6. Nonparticipant-directed investments

The nonparticipant-directed investments at December 31, 2022 and 2021, consisting of a money market account, amounted to \$39,647 and \$62,076, respectively.

The changes in the nonparticipant-directed investments consisted of the following:

	2022	2021
Transfers to nonparticipant directed investments due to forfeitures	\$ 52,908	\$ 62,074
Earnings	797	8
Transfers to participant-directed investments to reduce sponsor contributions	<u>(76,134)</u>	<u>(79,685)</u>
Total investment change	<u>\$ (22,429)</u>	<u>\$ (17,603)</u>

7. Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

On March 11, 2020, the World Health Organization declared the novel coronavirus (COVID-19) outbreak a pandemic. In response, most domestic and international governments have imposed various forms of work, social and travel restrictions. In addition, international conflict, rising interest rates, and inflation have also presented themselves and have impacted the macro-economic environment. These events have caused market volatility. The impact of these events on the Plan's operations and financial position remains uncertain. The uncertainty surrounding the length and severity of the economic impact caused by these events could impact the Plan's investment performance. It is also possible that changes in Plan contributions, distributions and participant loans could also occur as Plan participants respond to this uncertainty.

8. Parties-in-interest

Some Plan assets are invested in the Credit Union through a money market account (see Note 5). Some administrative expenses and accounting fees of the Plan are paid by the Credit Union. The Plan also issues loans to participants, which are secured by the balances in the participants' accounts. In addition, most Plan investments are shares of mutual funds managed by Charles Schwab Trust Bank. Charles Schwab Trust Bank is the trustee as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in net (depreciation) appreciation in fair value of investments.
