Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: LSWG

(2) EIN: 59-1273734

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Independent Auditor's Report

To the Administrative Committee of
the AMTIS, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of AMTIS, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of AMTIS, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of AMTIS, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about AMTIS, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are

considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of AMTIS, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about AMTIS, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations

for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AMTIS, Inc. 401(k) Plan

Notes to Financial Statements

(1) Description of plan and significant accounting policies

The following description of AMTIS, Inc. 401(k) Plan (the Plan), provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan was established January 1, 2007 and is a defined contribution plan covering all employees of AMTIS, Inc. (the Company) who are eligible to participate based on the eligibility requirements listed below, as defined in the Plan agreement. It is subject to the provisions of the Employee Retirement Income Security Act 1974 (ERISA). The Board of Trustees oversees governance of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees.

Eligibility: Employees of the Company who are eighteen or older are eligible to participate in the Plan.

Contributions: Each year, participants may elect to contribute (pretax or Roth) up to 100% of their annual compensation pursuant to a salary reduction agreement, subject to Internal Revenue Code ("IRC") limitations (maximum of \$20,500 for 2022). Participants who have attained age 50 before the end of the plan are eligible to make catch-up contributions (maximum of \$6,500 for 2022). Participants may also contribute amounts representing distributions from other qualified plans. Employees who have met the eligibility requirements of the Plan are automatically enrolled contributing 2% of base compensation. Employees who are automatically enrolled have the option to opt out of the Plan.

There are two types of employer contributions available in the Plan: employer matching and profit sharing. Employer matching contributions are discretionary and equal to a discretionary percentage of salary deferrals as determined each year by the Company. The Company made matching contributions of 2% for the year ended December 31, 2022. Profit sharing contributions are discretionary, and the amount, if any, is determined each year by the Company. The contribution is based on an allocation group as defined by the Plan agreement. The Company did not make any profit sharing contributions for the year ended December 31, 2022.

In addition to the employer matching and profit sharing contributions described above, the Company makes contributions on a monthly basis, according to the requirements of the Service Contract Act (SCA). Contributions are made for Health & Welfare dollars, which SCA covered Employees designated for the 401(k) 100% vested program.

Participant accounts: Each participant's account is credited with the participant's contributions, the Company's discretionary matching contributions, if any, and an allocation of (a) the Company's discretionary profit sharing contribution, if any, and (b) Plan earnings/losses, and may be charged with an allocation of administrative expenses for certain transactions. Allocations are based on participant earnings, accounting balances or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

AMTIS, Inc. 401(k) Plan
Notes to Financial Statements

(1) Description of plan and significant accounting policies (continued)

Vesting: Participants are immediately vested in their elective deferrals, rollover contributions and SCA contributions plus actual earnings thereon. Vesting in the matching and profit sharing contributions plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after 6 years of service as follows:

<u>Years of Vesting Service</u>	<u>Vested Percentage</u>
Less than Two Years	0%
Two Years but less than Three Years	20%
Three Years but less than Four Years	40%
Four Years but less than Five Years	60%
Five Years but less than Six Years	80%
Six or More Years	100%

Participants become automatically fully vested when they reach normal retirement age while employed, or terminate employment due to total disability or death.

Notes receivable from participants: Participants may borrow from their accounts at a minimum of \$500 up to a maximum amount of the lesser of \$50,000 or 50% of the vested interest of the participant in the Plan; reduced by the participant's highest outstanding loan balance in the previous twelve months and the existing loan balance; even if all or a portion of this amount has been repaid. The loans are secured by 50% of the account balance in the participant's account and bear interest at rates at prime plus 2%, with prime as published in the Wall Street Journal. At December 31, 2022, interest rates on outstanding loans ranged from 5.25% to 9.50%. Principal and interest is paid ratably through payroll deductions within five years unless used to purchase a primary residence.

Payment of benefits: On termination of service, death, disability, or retirement, a participant or beneficiary has the option of rolling over to an IRA or other qualified plan in addition to receiving a lump sum amount equal to the value of the participant's vested interest in their account. If the participant terminates employment with a vested account balance at the date of termination that does not exceed \$5,000 (including rollover contributions), a lump sum distribution of the vested account balance will be made, regardless of whether consent was received, and will be distributed as administratively feasible following termination of employment.

Hardship withdrawals are permitted only if the participant has no other resources available to meet the financial need. Hardship withdrawals include purchase of a principal residence, payment of post-secondary educational costs, medical expenses, prevention of eviction from or foreclosure on the principal residence of the participant, and such other needs as may be designated by Internal Revenue Code and related regulations. The amount withdrawn may not exceed the amount needed and is subject to approval of the Plan Administrator. Participant may not contribute to the Plan for a six-month period following distribution.

Cash distributions are generally subject to federal and state income tax withholdings.

AMTIS, Inc. 401(k) Plan
Notes to Financial Statements

(1) Description of plan and significant accounting policies (continued)

Forfeited accounts: At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$3,933 and \$0, respectively. These accounts may be used to offset plan expenses or to reduce employer contributions. During 2022, forfeitures of \$52,436 were used to offset employer match contributions.

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition: The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Participant contributions and employer discretionary matching contributions are recognized on the pay date to which they relate. Employer contributions made according to the requirements of SCA are recognized based on the month to which the contributions relate. Employer discretionary profit sharing contributions are recognized in the year designated by the Company.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. The Plan has not identified any delinquent loans at December 31, 2022.

Funding policy: Contributions are funded as accrued.

Administrative expenses: The Plan's Administrative expenses are paid by either the Plan or the Company, as provided by the Plan document. Certain administrative functions are performed by employees of the Company. No such employee receives compensation from the Plan. Expenses relating to specific participant transactions (such as participant loans) are charged directly to the Participant's account. Investment related expenses are included in the net depreciation in fair value of investments. Administrative expenses paid by the Plan totaled \$48,331 for the year ended December 31, 2022. Administrative expenses paid by the Company totaled \$27,301 for the year ended December 31, 2022.

(1) Description of plan and significant accounting policies (continued)

Payment of benefits: Benefits are recorded when paid.

(2) Information prepared and certified by the Plan's custodian

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock Life Insurance Company has certified as to the completeness and accuracy of all investments reflected in the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021, the schedule of assets (held at end of year) as of December 31, 2022, and related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2022.

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the custodian:

As of and for the year ended December 31, 2022

Cash: \$3,933

Investments at fair value:

Pooled separate accounts: \$4,342,421

Notes receivable from participants: \$62,084

Loss from depreciation in fair value of investments: \$-735,626

Interest income from notes receivable from participants: \$3,692

As of December 31, 2021

Investments at fair value:

Pooled separate accounts: \$4,580,190

Notes receivable from participants: \$72,576

(3) Fair value measurements

FASB Accounting Standards Codification 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

AMTIS, Inc. 401(k) Plan
Notes to Financial Statements

(3) Fair value measurements (continued)

The three levels of the fair value hierarchy under FASB Accounting Standards Codification 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled separate accounts: The fair value of the pooled separate accounts is based on the net asset value (NAV) of participation units. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investments for an amount different than the NAV. Participant transactions (purchases and sales) may occur daily. The fund provides for daily redemptions by the Plan with no advance notice requirements and has redemption prices that are determined by the fund's net asset value per unit. If the Plan initiates a full redemption, the issuer reserves the right to require twelve months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no unfunded commitments at December 31, 2022 and 2021.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to Financial Statements

(3) Fair value measurements (continued)

In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient are not classified in the fair value hierarchy. The fair value amounts presented in this table for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value presented in the statements of net assets available for benefits.

The following table sets forth by level, with the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

	<u>Level 1</u>	NAV-based <u>assets</u>	<u>Total</u>
Pooled separate accounts	\$ -	\$ 4,342,421	\$ 4,342,421
Total Investments at Fair Value	<u>\$ -</u>	<u>\$ 4,342,421</u>	<u>\$ 4,342,421</u>

The following table sets forth by level, with the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

	<u>Level 1</u>	NAV-based <u>assets</u>	<u>Total</u>
Pooled separate accounts	\$ -	\$ 4,580,190	\$ 4,580,190
Total Investments at Fair Value	<u>\$ -</u>	<u>\$ 4,580,190</u>	<u>\$ 4,580,190</u>

(4) Party-in-interest transactions

The Plan paid certain expenses related to plan operations and investment advisory services to various service providers. These transactions are party-in-interest transactions under ERISA. The administrative expenses paid by the Plan to these service providers totaled \$48,331 for the year ended December 31, 2022.

(5) Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

AMTIS, Inc. 401(k) Plan
Notes to Financial Statements

(6) Tax status

The plan has adopted a non-standardized form of a volume submitter plan sponsored by a third party administrator. The volume submitter plan received its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designated, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is currently designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has an uncertain tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan Administrator has evaluated the Plan's tax positions and has concluded that there are no uncertain positions taken or expected to be taken that would require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by federal, state, or local tax authorities for years before 2019.

(7) Risk and uncertainties

The Plan provides for various investment options, which may include any combination of stocks, bonds, fixed income securities, mutual funds, pooled separate accounts, common trust funds, and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit.

Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

(8) Reconciliation of financial statements to Schedule H of Form 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to Schedule H of the Form 5500 as of December 31:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits		
per the financial statements	\$ 4,555,917	\$ 4,776,794
Employer contributions receivable	<u>-</u>	<u>(124,028)</u>
Net assets available for benefits		
per Schedule H to the Form 5500	<u><u>\$ 4,555,917</u></u>	<u><u>\$ 4,652,766</u></u>

AMTIS, Inc. 401(k) Plan
Notes to Financial Statements

(8) Reconciliation of financial statements to Schedule H of Form 5500 (continued)

The following is a reconciliation of contributions received from the employer per the financial statements for the year ended December 31, 2022 to Schedule H of Form 5500:

Contributions received from employer per the financial statements	\$ 824,169
Add: Employer contributions receivable at December 31, 2021	<u>124,028</u>
Contributions received from employer per Schedule H to the Form 5500	<u><u>\$ 948,197</u></u>

(9) Subsequent events

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 12, 2023, the date the financial statements were available to be issued. There were no subsequent events that required recording or disclosure in these financial statements.
