## INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of  
The Mayne Pharma Commercial LLC 401(k) Plan  
Raleigh, North Carolina

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of The Mayne Pharma Commercial LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2022, and the related notes to the financial statements.

Management having determined it is permissible in the circumstances, has elected to have the audit of The Mayne Pharma Commercial LLC 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Fidelity Management Trust Company, a qualified institution, as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

- The information in the accompanying financial statements related to assets held by and certified by Fidelity Management Trust Company agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Mayne Pharma Commercial LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting as described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Mayne Pharma Commercial LLC 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures, responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Mayne Pharma Commercial LLC 401(k) Plan internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Mayne Pharma Commercial LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures related to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### ***Other Matter - Basis of Accounting***

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules are prepared on a modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

### ***Other Matter - Supplemental Schedules Required by ERISA***

The supplemental Schedules of Assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. ## THE MAYNE PHARMA COMMERCIAL LLC 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS

#### Note 1. Description of Plan

The following description of The Maybe Pharma Commercial LLC (formerly Mayne Pharma Inc.) ("Company") 401(k) Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

##### General:

The Plan is a defined contribution plan covering all employees of the Company. Prior to April 10, 2016, the Plan had a six month service requirement for eligibility in the Plan. Effective April 10, 2016, the Plan eliminated the six month service requirement. Employees of the Company are now considered eligible to participate the in the Plan the first day of the month after employment. The elimination of the six month service requirement was applied retroactively. Employees must also be eighteen years of age or older in order to be eligible. Prior to May 11, 2018, employees needed to be twenty-one years of age to be eligible. The Plan is subject to the provisions of ERISA. The Plan's Administrative Committee is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Company's Board of Directors. The Company is a wholly owned subsidiary of Mayne Pharma Inc. Group Limited. Effective September 1, 2015, the Plan added Libertas Pharma, Inc. as a related employer. Effective July 28, 2016, the Plan added Mayne Pharma LLC as a related employer. Effective January 11, 2021, the Plan added Adelaide Apothecary, LLC as a related employer.

##### Contributions:

Each year, participants may contribute up to the maximum annual pretax contribution or an after-tax 401(k) Roth contribution, as defined in the Plan and imposed by the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan offers various mutual funds and common collective trust funds as investment options for participants. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate (pre-tax) set at 4 percent of eligible compensation. The Company contributes a discretionary matching contribution. The Company contributes 50 percent of the first 10 percent of compensation that a participant contributes to the Plan. Participants also direct their matching contribution into the various investment options offered by the Plan. Contributions are subject to certain IRS limitations.

### NOTES TO FINANCIAL STATEMENTS

#### Note 1. Description of Plan (Continued)

##### Participant Accounts:

Each participant's account is credited with the participant's contribution and the Company matching contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

##### Vesting:

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100 percent vested after three years of credited service. Prior to April 10, 2016, the Plan used a six year graduated schedule for vesting.

##### Notes Receivable from Participants:

Participants may borrow from their fund accounts, a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's vested account. The loan interest rate, determined quarterly, is set at the prime rate, as defined. Principal and interest is paid ratably through payroll deductions.

##### Payments of Benefits:

On termination of service due to death, disability, retirement or other termination reasons, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or periodic payments over a defined period of time if the participant's vested interest exceeds \$5,000. Any distribution greater than \$1,000 (but less than \$5,000) that is made to a participant without the participant's consent before the participant's normal retirement age (or age 62, if later) will be rolled over to an individual retirement plan designated by the Plan Administrator.

### NOTES TO FINANCIAL STATEMENTS

#### Note 2. Summary of Significant Accounting Policies

##### Forfeited Accounts:

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$110,761 and \$32,040, respectively. These accounts will be used by the Plan to pay or reduce future employer matching contributions. During 2022, Plan expenses of the employer in the amount of \$173 and were paid and \$200,657 of employer contributions were paid from the forfeited non-vested accounts.

##### Basis of Accounting:

The accompanying financial statements are prepared on the modified cash basis of accounting with revenue recognized when received and expenses as paid. However, investments are reported at fair value. Accordingly, the financial statements are not intended to present the net assets available for benefits and changes in net assets available for benefits of the plan in accordance with accounting principles generally accepted in the United States.

##### Use of Estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that effect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

##### Investment Valuation and Income Recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee of the Plan. See note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the cash basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains or losses on investments bought or sold as well as held during the year.

See Independent Auditors' Report.

## NOTES TO FINANCIAL STATEMENTS

### Note 2. Summary of Significant Accounting Policies (Continued)

#### Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded on the cash basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

#### Payment of Benefits:

Benefits are recorded when paid.

#### Expenses:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are charged directly to the Plan.

### Note 3. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include: Quoted prices for similar assets or liabilities in active markets; Quoted prices for identical or similar assets or liabilities in inactive markets; Inputs other than quoted prices that are observable for the asset or liability; Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term asset or liability.

See Independent Auditors' Report.

THE MAYNE PHARMA COMMERCIAL LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 3. Fair Value Measurements (Continued)

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies at December 31, 2022 and 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trusts and Pooled Separate Accounts: Valued at the net asset value of units of the collective trusts. The net asset value, as provided by the trustee, is used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the funds less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value. Participant transactions (purchases and sales) may occur daily. There are no redemption restrictions associated with the common collective trust or pooled separate account.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

|                                          | <i>Assets at Fair Value as of December 31, 2022</i> |             |             |                      |

## THE MAYNE PHARMA COMMERCIAL LLC 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS

#### Note 4. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

#### Note 5. Tax Status

Effective June 10, 2015, the Plan was restated to adopt Fidelity's Volume Submitter Defined Contribution Plan (basic plan document #17). The Volume Submitter Plan was restated for the Pension Protection Act of 2006 and other legislative and regulatory changes. The Fidelity plan has received an opinion letter dated June 30, 2020. The volume submitter plan has been amended since receiving its favorable opinion to comply with ERISA regulations. However, the plan sponsor believes that the Plan is designed, and is currently being operated, in compliance with applicable requirements of the Internal Revenue Code and therefore believes that the Plan is qualified and the related trust is tax-exempt. See Note 10 for additional information on changes to the Plan.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

#### Note 6. Information Prepared and Certified by Trustee (Unaudited)

## THE MAYNE PHARMA COMMERCIAL LLC 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS

#### Note 10. Plan Changes (Continued)

Effective April 28, 2022, Plan officials approved an amendment and restatement of the Basic Plan Document. With this change, the Trust Agreement, which had previously been contained within the Basic Plan Document, has been removed to become a separate independent Trust Agreement without altering the substance thereof.

The Trustees adopted an amendment on September 29, 2022, to retroactively approve as of January 1, 2020, the operational changes that were implemented due to the Coronavirus Aid, Relief, and Economic Security Act. Included with the changes were the temporary increase of in-service distributions of up to \$100,000, a temporary increase to participant loans of up to \$100,000 and the suspension of required minimum distributions.

The Plan was amended to change the way participant loans and distributions are processed. Effective April 13, 2023, the Trustees have given authorization for pre-approval of routine loans, distributions and hardship distributions that do not require spousal approval. Fidelity will process those payments without any interaction by the Company. Fidelity will automatically process distributions for terminated employees that have vested account balances under \$5,000 and required minimum distributions for retirees. Existing participant loans will be processed via payroll deductions and remitted by the Company to Fidelity. New loans will be processed by Fidelity and repayments will be made through a direct payment by the participant to Fidelity. The Plan will also allow for in-house ROTH conversions.

Effective June 9, 2023, if a participant is terminated for a reason other than death and has an outstanding loan balance, the amount will not be due immediately. The loan shall continue to be payable in accordance with the loan term provisions.

During 2022, the Company sold the Greenville, NC manufacturing facility. The sale caused the termination of approximately 450 employees at the location. This caused a significant number of participants to take withdrawals during the Plan year.

#### Note 11. Operational Failures

During a payroll system conversion in 2021, the Plan Sponsor identified that the automatic 1% increase was not applied to some of the participants. The Plan Sponsor made the correction with a qualified non-elective contribution including lost earnings in December 2021.

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

- The information in the accompanying financial statements related to assets held by and certified by Fidelity Management Trust Company agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Mayne Pharma Commercial LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting as described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Mayne Pharma Commercial LLC 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures, responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Mayne Pharma Commercial LLC 401(k) Plan internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Mayne Pharma Commercial LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures related to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### ***Other Matter - Basis of Accounting***

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules are prepared on a modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

### ***Other Matter - Supplemental Schedules Required by ERISA***

The supplemental Schedules of Assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion, on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## THE MAYNE PHARMA COMMERCIAL LLC 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS

#### Note 1. Description of Plan

The following description of The Maybe Pharma Commercial LLC (formerly Mayne Pharma Inc.) ("Company") 401(k) Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

##### General:

The Plan is a defined contribution plan covering all employees of the Company. Prior to April 10, 2016, the Plan had a six month service requirement for eligibility in the Plan. Effective April 10, 2016, the Plan eliminated the six month service requirement. Employees of the Company are now considered eligible to participate the in the Plan the first day of the month after employment. The elimination of the six month service requirement was applied retroactively. Employees must also be eighteen years of age or older in order to be eligible. Prior to May 11, 2018, employees needed to be twenty-one years of age to be eligible. The Plan is subject to the provisions of ERISA. The Plan's Administrative Committee is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Company's Board of Directors. The Company is a wholly owned subsidiary of Mayne Pharma Inc. Group Limited. Effective September 1, 2015, the Plan added Libertas Pharma, Inc. as a related employer. Effective July 28, 2016, the Plan added Mayne Pharma LLC as a related employer. Effective January 11, 2021, the Plan added Adelaide Apothecary, LLC as a related employer.

##### Contributions:

Each year, participants may contribute up to the maximum annual pretax contribution or an after-tax 401(k) Roth contribution, as defined in the Plan and imposed by the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan offers various mutual funds and common collective trust funds as investment options for participants. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate (pre-tax) set at 4 percent of eligible compensation. The Company contributes a discretionary matching contribution. The Company contributes 50 percent of the first 10 percent of compensation that a participant contributes to the Plan. Participants also direct their matching contribution into the various investment options offered by the Plan. Contributions are subject to certain IRS limitations.

### NOTES TO FINANCIAL STATEMENTS

#### Note 1. Description of Plan (Continued)

##### Participant Accounts:

Each participant's account is credited with the participant's contribution and the Company matching contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

##### Vesting:

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100 percent vested after three years of credited service. Prior to April 10, 2016, the Plan used a six year graduated schedule for vesting.

##### Notes Receivable from Participants:

Participants may borrow from their fund accounts, a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's vested account. The loan interest rate, determined quarterly, is set at the prime rate, as defined. Principal and interest is paid ratably through payroll deductions.

##### Payments of Benefits:

On termination of service due to death, disability, retirement or other termination reasons, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or periodic payments over a defined period of time if the participant's vested interest exceeds \$5,000. Any distribution greater than \$1,000 (but less than \$5,000) that is made to a participant without the participant's consent before the participant's normal retirement age (or age 62, if later) will be rolled over to an individual retirement plan designated by the Plan Administrator.

### NOTES TO FINANCIAL STATEMENTS

#### Note 2. Summary of Significant Accounting Policies

##### Forfeited Accounts:

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$110,761 and \$32,040, respectively. These accounts will be used by the Plan to pay or reduce future employer matching contributions. During 2022, Plan expenses of the employer in the amount of \$173 and were paid and \$200,657 of employer contributions were paid from the forfeited non-vested accounts.

##### Basis of Accounting:

The accompanying financial statements are prepared on the modified cash basis of accounting with revenue recognized when received and expenses as paid. However, investments are reported at fair value. Accordingly, the financial statements are not intended to present the net assets available for benefits and changes in net assets available for benefits of the plan in accordance with accounting principles generally accepted in the United States.

##### Use of Estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that effect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

##### Investment Valuation and Income Recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee of the Plan. See note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the cash basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains or losses on investments bought or sold as well as held during the year.

See Independent Auditors' Report.

## NOTES TO FINANCIAL STATEMENTS

### Note 2. Summary of Significant Accounting Policies (Continued)

#### Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded on the cash basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

#### Payment of Benefits:

Benefits are recorded when paid.

#### Expenses:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are charged directly to the Plan.

### Note 3. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include: Quoted prices for similar assets or liabilities in active markets; Quoted prices for identical or similar assets or liabilities in inactive markets; Inputs other than quoted prices that are observable for the asset or liability; Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term asset or liability.

---

See Independent Auditors' Report.

THE MAYNE PHARMA COMMERCIAL LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 3. Fair Value Measurements (Continued)

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies at December 31, 2022 and 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trusts and Pooled Separate Accounts: Valued at the net asset value of units of the collective trusts. The net asset value, as provided by the trustee, is used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the funds less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value. Participant transactions (purchases and sales) may occur daily. There are no redemption restrictions associated with the common collective trust or pooled separate account.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

|                                          | <i>Assets at Fair Value as of December 31, 2022</i> |             |             |                      |

# THE MAYNE PHARMA COMMERCIAL LLC 401(k) PLAN

## NOTES TO FINANCIAL STATEMENTS

### Note 4. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

### Note 5. Tax Status

Effective June 10, 2015, the Plan was restated to adopt Fidelity's Volume Submitter Defined Contribution Plan (basic plan document #17). The Volume Submitter Plan was restated for the Pension Protection Act of 2006 and other legislative and regulatory changes. The Fidelity plan has received an opinion letter dated June 30, 2020. The volume submitter plan has been amended since receiving its favorable opinion to comply with ERISA regulations. However, the plan sponsor believes that the Plan is designed, and is currently being operated, in compliance with applicable requirements of the Internal Revenue Code and therefore believes that the Plan is qualified and the related trust is tax-exempt. See Note 10 for additional information on changes to the Plan.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

### Note 6. Information Prepared and Certified by Trustee (Unaudited)

The information related to investments disclosed in the accompanying financial statements and supplemental schedule including all investments held at December 31, 2022 and 2021 and net appreciation in value of investments and interest for the year ended December 31, 2022 was obtained or derived from data that has been prepared and certified to as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

### NOTES TO FINANCIAL STATEMENTS

#### Note 10. Plan Changes (Continued)

Effective April 28, 2022, Plan officials approved an amendment and restatement of the Basic Plan Document. With this change, the Trust Agreement, which had previously been contained within the Basic Plan Document, has been removed to become a separate independent Trust Agreement without altering the substance thereof.

The Trustees adopted an amendment on September 29, 2022, to retroactively approve as of January 1, 2020, the operational changes that were implemented due to the Coronavirus Aid, Relief, and Economic Security Act. Included with the changes were the temporary increase of in-service distributions of up to \$100,000, a temporary increase to participant loans of up to \$100,000 and the suspension of required minimum distributions.

The Plan was amended to change the way participant loans and distributions are processed. Effective April 13, 2023, the Trustees have given authorization for pre-approval of routine loans, distributions and hardship distributions that do not require spousal approval. Fidelity will process those payments without any interaction by the Company. Fidelity will automatically process distributions for terminated employees that have vested account balances under \$5,000 and required minimum distributions for retirees. Existing participant loans will be processed via payroll deductions and remitted by the Company to Fidelity. New loans will be processed by Fidelity and repayments will be made through a direct payment by the participant to Fidelity. The Plan will also allow for in-house ROTH conversions.

Effective June 9, 2023, if a participant is terminated for a reason other than death and has an outstanding loan balance, the amount will not be due immediately. The loan shall continue to be payable in accordance with the loan term provisions.

During 2022, the Company sold the Greenville, NC manufacturing facility. The sale caused the termination of approximately 450 employees at the location. This caused a significant number of participants to take withdrawals during the Plan year.

#### Note 11. Operational Failures

During a payroll system conversion in 2021, the Plan Sponsor identified that the automatic 1% increase was not applied to some of the participants. The Plan Sponsor made the correction with a qualified non-elective contribution including lost earnings in December 2021.
