REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Trustees and Plan Participants and their Beneficiaries
Johnstech International 401(k) Savings & Profit Sharing Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit

We have performed audits of the financial statements of Johnstech International 401(k) Savings & Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matter – supplemental schedules required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(k) Savings & Profit Sharing Plan**

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE A - PLAN DESCRIPTION

The following description of the Johnstech International 401(k) Savings & Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established by Johnstech International Corporation (the "Company", "Plan Sponsor" or "Plan Administrator") to provide retirement benefits for eligible employees. The Plan is a defined contribution 401(k) profit sharing plan subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Plan was last restated effective January 1, 2020 in order to adopt the T. Rowe Price prototype plan.

In addition, effective June 19, 2020, the Plan adopted the temporary loan repayment deferral provision of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act. The deferral provision adopted by the Plan allowed qualified Plan participants who have Plan loan repayments to defer such repayments until December 31, 2020. In addition, Plan participants were eligible to take a COVID-19 related loan up to \$100,000 before September 23, 2020. The Consolidated Appropriations Act ("CAA"), signed into law December 27, 2020, effectively extended these provisions through June 25, 2021. Although the Plan has not yet been formally amended to adopt the CAA provisions, the Plan has until December 31, 2025 to do so.

Eligibility

All employees of the Company, except for nonresident aliens, part-time, temporary, and seasonal employees, are eligible to participate in the Plan after attaining age 18. Participants are eligible for discretionary employer profit sharing contributions if they have completed at least three months of service during the Plan year and are employed by the Company on the last day of the Plan year. Part-time, temporary, and seasonal employees are eligible to participate in the Plan, receive the safe harbor employer matching contribution and discretionary profit-sharing contribution upon the completion of 1,000 hours of service. Eligible employees can enter the Plan as soon as administratively feasible after the eligibility requirements are met.

Contributions

Participants may contribute up to 100% of their annual compensation to the Plan through participant elective deferral contributions, subject to certain limitations by law. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation. The Plan also implemented an automatic annual escalation clause which increases 1% each year up to 10% unless the participant makes a contrary election.

Participants satisfying certain criteria are permitted to make catch-up contributions, as stated in the Plan agreement. Participants may also make rollover contributions to the Plan. Discretionary profit-sharing contributions are determined by the Board of Directors.

No discretionary profit-sharing contributions were made during the years ended December 31, 2022 and 2021. The Plan allows the Company to make safe harbor employer matching contributions, as defined in the Plan. The Company made safe harbor employer matching contributions of 100% of the participant's elective deferral, not to exceed 3% of the participant's eligible compensation, and 50% of the participant's

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2022 and 2021

elective deferrals in excess of 3% of the participant's eligible compensation, not to exceed 5% of the participant's eligible compensation.

Vesting

Participant elective deferral, rollover contributions, and safe harbor contributions plus actual earnings thereon are 100% vested at all times. Contributions attributable to discretionary profit sharing, plus actual earnings thereon, vest on a graduated scale to 100% after six years of service, with a provision for 100% vesting at the normal retirement date as defined in the Plan agreement, at an early retirement date due to disability, or upon death of the participant.

Forfeitures

Forfeited non-vested accounts are used to reduce employer matching contributions or pay administrative expenses and experience unrealized gains/losses while they are within the forfeiture account. Forfeitures available to be allocated were \$28,686, at December 31, 2022 and were \$40,495 at December 31, 2021. During the year ending December 31, 2022 and 2021, there was \$0 of forfeitures used to reduce the employer match.

Participants' Accounts

Participants' accounts are credited with participant contributions (elective deferral, catch-up and rollover), employer matching contributions, employer profit sharing contributions and an allocation of Plan earnings or losses. Allocations are based on participant compensation or account balances, as defined in the Plan agreement. The benefit to which a participant is entitled is the vested portion of the participant's account.

Payment of Benefits

Distribution of a participant's vested interest in the Plan is normally made upon attainment of retirement age. Early distributions are made upon death, disability, separation from service or reaching the age of 59½ years. A participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or in monthly, quarterly, semiannual or annual installments. Upon separation of employment due to termination of employment, death, disability or retirement, participants may, at their election, withdraw their benefits as a lump sum payment or maintain their vested balance in the Plan. For termination of the participants whose account balance is less than \$5,000, the participant shall receive the account balance as a lump-sum distribution or rollover. If the participant does not elect a lump-sum distribution or rollover and the total value of their account balance exceeds \$1,000, but does not exceed \$5,000, the trustee is directed to pay the distribution as a direct rollover to an individual retirement account or annuity. If the participant's account balance is less than \$1,000 and no election was made, a single lump-sum distribution will be provided to the participant. Participants are permitted withdrawals from their Plan accounts for financial hardships.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested balance. Note terms range from one to five years and up to 15 years for the repayment of a home loan. The notes are secured by the balance in the participant's account and bear interest at the current prime lending rate of Wells Fargo, plus 1% at the time of the note. Only one note may be outstanding to a borrower at any time.

At December 31, 2022 and 2021, the interest rates on all loans outstanding ranged between 4.25% and 8.50%. Principal and interest are paid ratably through payroll deductions.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2022 and 2021

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

Investment Options

All funds of the Plan are participant directed. Participants may direct the investment of their account balance into various funds and may transfer assets in their accounts between funds on a daily basis.

Assets of the Plan are held in various funds, as defined in the Plan Summary. The Plan allows participants to direct their investments and to make transfers between these accounts and funds daily, except for the notes receivable from participants. Participant loan transactions are treated as transfers between the investment funds and notes receivable from participants. The total of all inter-fund transfers between the investment accounts and funds and the notes receivable from participants was zero for the years ended December 31, 2022 and 2021.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

Basis of Accounting

The accompanying financial statements have been prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion on fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes are reclassified as distributions based upon the terms of the Plan agreements. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Net Appreciation (Depreciation) in Fair Value of Investments

Net appreciation (depreciation) in the fair value of investments represents the net realized gains (losses) plus the net unrealized appreciation (depreciation) of investments. Realized gains and losses are the difference between the proceeds received and either the cost of the investments sold, determined on an average cost basis, or the fair value at the end of the previous year, whichever is applicable. Net unrealized appreciation (depreciation) is the change in the difference between fair value and the cost of investments or the fair value at the end of the previous year, whichever is applicable.

December 31, 2022 and 2021

Administrative Expenses

All administrative expenses incurred with regard to the purchase and sale of certain investments are paid by the Plan. Other administrative expenses, such as audit, legal and trustee fees, are paid by the Plan Sponsor.

Benefits Paid to Participants

Benefits paid to participants are recorded by the Plan when paid.

Risks and Uncertainties

The Plan invests in various investment securities which are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from these estimates.

Subsequent Events

The Plan has evaluated its December 31, 2022 financial statements for subsequent events through October 12, 2023, the date the financial statements were available to be issued.

NOTE C - FAIR VALUE MEASUREMENTS

Accounting Standards Codification ("ASC") 820, Fair Value Measurement and Disclosure, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the net asset value ("NAV") of shares held by the Plan at year end based on quoted market prices.

Collective trust funds: Valued at fair value of the underlying investments at year end, using NAV as a practical expedient.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of:

Investments at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 18,772,936	\$ -	\$ -	\$ 18,772,936
Total investments in the fair value hierarchy	\$ 18,772,936	\$ -	\$ -	\$ 18,772,936
Investments at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 22,622,984	\$ -	\$ -	\$ 22,622,984
Total investments in the fair value hierarchy	\$ 22,622,984	\$ -	\$ -	\$ 22,622,984

NOTE D - CERTIFICATION OF INVESTMENT INFORMATION

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2022 and 2021

Accordingly, Reliance Trust Company, the trustees of the Plan, have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Net investment income and interest income on notes receivable from participants, as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021.
- Schedule H, line 4(i) – schedule of assets (held at end of year) as of December 31, 2022.

NOTE E - INCOME TAX STATUS

The Plan adopted the DST Retirement Solutions, LLC Volume Submitter 401(k) Profit Sharing Plan, which received an opinion letter dated June 1, 2015, which stated that the volume submitter plan document is designed in accordance with the applicable sections of the IRC. The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan Management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE F - PARTY-IN-INTEREST TRANSACTIONS

The Company has been designated as the Plan administrator and Plan Sponsor. Certain employees of the Company provide administrative services to the Plan at no expense. Administrative expenses, such as audit, legal and trustee fees, are paid by the Plan Sponsor.

Certain Plan assets consist of funds managed by Reliance Trust Company, trustee of the Plan. Therefore, these transactions qualify as exempt party-in-interest transactions.

Notes receivable from participants are also considered party-in-interest transactions.
