INDEPENDENT AUDITOR'S REPORT

The Board of Directors
Section 403(b) Plan for Fund for Public Health in New York, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Section 403(b) Plan for Fund for Public Health in New York, Inc. (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Mutual of America Life Insurance Company, the custodian of the Plan and a qualified institution, as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

80 Pine Street
New York, NY 10005
T +1 212 709 4500
F +1 212 709 4680
mitchelltitus.com

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions,

misrepresentations, or the override of internal control. Misstatements are considered material, if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SECTION 403(b) PLAN FOR FUND FOR PUBLIC HEALTH IN NEW YORK, INC.

Notes to Financial Statements

For the Year Ended December 31, 2022

NOTE 1 PLAN DESCRIPTION

The following description of the Section 403(b) Plan for Fund for Public Health in New York, Inc. (the Plan) provides general information about the Plan's provisions. The Fund for Public Health in New York, Inc. (the Fund) is the Plan Sponsor. Participants should refer to the Plan document and summary Plan description for a more complete description of the Plan's provisions. Copies may be obtained from the Plan Sponsor.

General

The Plan has been adopted to provide employees with the opportunity to save for retirement on a tax-advantaged basis and additional income for retirement. This type of retirement plan is commonly referred to as a 403(b) plan or tax-sheltered annuity. A participant is eligible to make elective deferrals beginning on his or her date of hire. Participants are enrolled automatically to make elective deferrals in the Plan upon hire unless they affirmatively decline to participate. Eligible employees who meet the service requirement will receive non-elective contributions when they complete one year of service.

Mutual of America Life Insurance Company (Mutual of America) is the Plan's custodian and record keeper. The Fund's Director of Human Resources is the plan administrator. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Each year, full-time participants may contribute up to the total elective deferral limit allowed by law on pretax annual compensation, as defined in the Plan. Effective May 1, 2015, part-time participants became eligible to contribute to the Plan. However, hourly participants are not eligible for any employer contributions. Participants are limited to contributions of no more than 80% of their pretax annual compensation. If automatically enrolled, the deferral is set at 1% of a participant's eligible compensation until he or she changes the percentage. Participants who attain age 50 before the end of the Plan year are eligible to make catch-up contributions. Upon meeting eligibility requirements, the Fund makes a non-elective contribution equal to 6% of a participant's eligible compensation to the Plan. Effective July 1, 2015, all salaried paid new hires became eligible to receive employer contributions after one year of service. Additional discretionary matching contributions may be contributed at the discretion of the Fund's Board of Directors. No such amounts were contributed for 2022. All contributions are subject to certain limitations of the Internal Revenue Code (the Code).

Participants direct their elective contributions into various investment options offered by the Plan, which can be changed daily. If a participant is automatically enrolled, his or her contributions are invested in the default option until the participant changes his or her election. The Fund's contributions are allocated in the same manner as that of each participant's elective contributions.

SECTION 403(b) PLAN FOR FUND FOR PUBLIC HEALTH IN NEW YORK, INC.

Notes to Financial Statements

For the Year Ended December 31, 2022

NOTE 1 PLAN DESCRIPTION *(continued)*

Participant Accounts

Each participant's account is credited with his or her contributions, the Fund's non-elective contributions, and allocations of Plan earnings, and is charged with an allocation of administrative expenses. Plan earnings are allocated based on the participant's share of net earnings or losses of their respective elected investment options. Allocations of administrative expenses are based on the participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and the Fund's non-elective contribution, plus actual earnings thereon.

Payment of Benefits

Upon separation from service with the Fund because of death, disability, or retirement, there are several qualifiers to determine payment of benefits. If married on the date that benefits began, a participant automatically receives a joint and 50% survivor annuity, unless the participant and spouse elect an alternative form of payment. If a participant is not married on the date that benefits begin or if his or her account balance exceeds \$5,000, the participant will automatically receive a life annuity.

A participant whose vested account balance does not exceed \$1,000 will receive a single lump-sum payment. If a participant waives the annuity benefit (with spouse's consent if married), the participant may elect to receive his or her distribution as (1) a single lump-sum cash payment, or (2) a monthly, quarterly, or annual installment over a period of not more than the participant's assumed life expectancy or that of his or her beneficiary's assumed life expectancy.

Balances greater than \$1,000 may remain with Mutual of America or be transferred to another qualified retirement plan or to an Individual Retirement Account. Non-rollover withdrawals will be taxed and penalties for early withdrawal will be assessed.

In-service withdrawals are available in certain limited circumstances, as defined by the Plan. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan. Hardship withdrawals are regulated by the Internal Revenue Service (IRS) and a participant must exhaust all available loan options and available distributions prior to requesting a hardship withdrawal.

SECTION 403(b) PLAN FOR FUND FOR PUBLIC HEALTH IN NEW YORK, INC.

Notes to Financial Statements

For the Year Ended December 31, 2022

NOTE 1 PLAN DESCRIPTION *(continued)*

Participant Loans

Participants may not borrow less than \$1,000 from their accounts. Participants may apply for a loan up to 50% of their vested account balance, limited to a maximum of \$50,000. Loan terms range from one to five years, or up to 15 years for the purchase of a primary residence. A participant may not have more than two loans outstanding at once. The loans bear interest at a rate commensurate with local prevailing rates at the date of issuance as determined by Mutual of America. The interest rate was 4.6% and 4.0% for the years ended December 31, 2022 and 2021, respectively. Principal and interest are paid through semi-monthly payroll deductions. If a participant terminates employment with the Fund, he or she may continue to make loan payments through a pre-authorized check agreement. If the loan is not repaid within three months after termination of employment, and repayment arrangements have not been made directly with the recordkeeper, it will be treated automatically as a distribution to the participant.

Administrative Expenses

The Plan's administrative expenses are paid by the Fund, as provided by the Plan's provisions. Expenses relating to purchases, sales or transfers of the Plan's investments are charged to the particular investment fund related to the individual expense. Expenses that are paid by the Fund are excluded from these financial statements.

Plan Termination

Although it has not expressed any such intent, the Fund has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA.

Tax Status

The Plan is an individually designed defined contribution plan under Section 403(b) of the Code. As such, it is not required to apply for an opinion letter from the IRS. However, the plan administrator believes that the Plan is operating in accordance with the applicable requirements of Section 403(b) of the Code and, therefore, believes that the Plan is qualified and the related custodial accounts are tax exempt.

SECTION 403(b) PLAN FOR FUND FOR PUBLIC HEALTH IN NEW YORK, INC.

Notes to Financial Statements

For the Year Ended December 31, 2022

NOTE 1 PLAN DESCRIPTION *(continued)*

Tax Status *(continued)*

Accounting principles generally accepted in the United States of America (U.S. GAAP) require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more-likely-than-not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain tax positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting and in accordance with U.S. GAAP.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance, plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when earned. Related fees are deducted directly from the principal borrowed. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Investment Valuation and Income Recognition

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (*i.e.*, an exit price). See Note 4 for further discussion and disclosures related to fair value measurements.

In accordance with Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, assets and liabilities measured at fair value are categorized into the following fair value hierarchy:

- Level 1: Fair value is based on unadjusted quoted prices for identical assets or liabilities in an active market that the Plan has the ability to access at the measurement date.
- Level 2: Fair value is based on quoted prices in markets that are not active, quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the asset or liability.
- Level 3: Fair value is based on prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable. These inputs reflect management's judgment about the assumptions that a market participant would use in pricing the investment and are based on the best available information, some of which may be internally developed.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought, sold, and held during the year.

NOTE 3 INVESTMENTS

During the year ended December 31, 2022, the Plan's investments in pooled separate accounts (including gains and losses on investments bought and sold, as well as held during the year) decreased in value by \$3,155,830.

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2022 and 2021 and net change in fair value of investments, interest and dividends for the year ended December 31, 2022, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by Mutual of America, the Plan's custodian.

SECTION 403(b) PLAN FOR FUND FOR PUBLIC HEALTH IN NEW YORK, INC.

Notes to Financial Statements

For the Year Ended December 31, 2022

NOTE 4 FAIR VALUE MEASUREMENTS

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled separate accounts: Valued at the net asset value (NAV) practical expedient of shares held by the Plan at year end as reported by the respective funds. This is not categorized in the fair value hierarchy in accordance with Accounting Standards Update 2015-07. This category includes investments in highly diversified funds designed to remain appropriate for investors in terms of risk throughout a variety of life circumstances. These funds offer a range of risk/return characteristics, and performance goals are to consistently outperform benchmarks, other funds or certain indexes. There are currently no transfer or redemption restrictions on these investments.

General account: Reported at carrying value, which approximates fair value.

Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The preceding methods described may produce a fair value calculation that may not indicate net realizable value or reflect future fair values.

There were no assets or liabilities measured at fair value on a nonrecurring basis as of December 31, 2022 and 2021.

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
<i>Cash equivalents</i>				
General account	\$ 752,639	\$ -	\$ -	\$ 752,639
Total assets, at fair value	\$ 752,639	\$ -	\$ -	752,639
Pooled separate accounts*				17,906,677
Total investments				\$ 18,659,316

*In accordance with ASC Subtopic 820-10, pooled separate accounts were measured at NAV and have not been classified in the fair value hierarchy. The fair value amounts in this table are intended to permit reconciliation of the fair value hierarchy table to the fair value of investments presented in the statements of net assets available for benefits.

NOTE 5 RISKS AND UNCERTAINTIES

The Plan invests in investment securities that are exposed to risks, such as interest rate, market volatility, and credit risks. Due to the risk level associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term. The changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 6 RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan's assets are invested in certain pooled separate accounts and a cash equivalent managed by the Plan's current custodian and recordkeeper. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA.
