## **INDEPENDENT AUDITOR'S REPORT**

To the Investment Committee of  
LGC 401(k) Savings Plan  
Middleton, Wisconsin

### **Scope and Nature of ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of LGC 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

**Auditor's Responsibilities for the Audit of the Financial Statements (Continued)**

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Supplemental Information Required by ERISA**

The supplemental Schedule H - Line 4i - Schedule of Assets (Held at End of Year) and Schedule H - Line 4a - Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

**Supplemental Information Required by ERISA (Continued)**

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE 1.     DESCRIPTION OF PLAN**

The following description of the LGC 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established on January 1, 1994 as the VHG Labs, Inc. 401(k) Plan. LGC (the "Company") acquired VHG Labs, Inc. in May 2012. Effective January 1, 2014, the plan was restated and renamed LGC 401(k) Savings Plan. The Plan was again restated effective January 1, 2017 when the Plan changed its third-party administrator and trustee from MassMutual Life Insurance Company and Reliance Trust Company, respectively, to Fidelity Management Trust Company. There were no significant changes to the provisions of the Plan as a result of these changes. The Plan is a safe harbor defined contribution plan sponsored and administered by the Company and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

In 2020, the Plan adopted certain provisions of the Coronavirus Aid, Relief and Economic Security Act, as amended (the "CARES Act"), for which the Plan has now been formally amended for these provisions on September 9, 2022. The CARES Act provisions that were adopted pertained to distributions and repayment of notes receivable by participants, including the following:

- (a) Participants that met eligible CARES Act criteria could take penalty free withdrawals of up to \$100,000 from January 1, 2020 through December 30, 2020
- (b) Participants will have the ability to repay the CARES Act distribution within three years, though repayment is not required
- (c) Repayments of the CARES Act distributions will not be subject to the annual retirement plan contribution limits
- (d) A CARES Act distribution was not considered a hardship distribution. In addition, participants that met the eligibility criteria under the CARES Act must take the CARES Act distribution before a hardship distribution
- (e) Participants were allowed to defer loan repayments that would otherwise have been due between March 27, 2020 and December 31, 2020. Loan repayments resumed January 1, 2021
- (f) If a participant loan was deferred, interest continued to accrue during the deferment period and the loan was reamortized over the remaining term after the end of deferment

Once an employee reaches the eligibility requirements, they may enter the Plan on the first day of the month coinciding with or following the date eligibility requirements are met. Participants are eligible to receive a matching safe harbor contribution on the 1st of the month following completion of three months of service with the Company.

Contributions

Participants may contribute up to 100% of their pretax eligible compensation up to the maximum allowed by the Internal Revenue Code (the "Code"), as defined in the Plan. Participants who have attained the age of 50 before the close of the calendar year are eligible to make additional catch-up contributions to the Plan in accordance with and subject to limitations of the Plan and the Code. The Plan also offers participants the ability to make Roth contributions as a percentage of post-tax compensation into the Plan. Participants direct the investment of their contributions to the various investment options offered by the Plan.

**NOTE 1.     DESCRIPTION OF PLAN (CONTINUED)**

Contributions (continued)

The Company may also make a discretionary non-elective employer contribution on behalf of eligible Plan participants equal to the ratio of the Plan participant's compensation to total compensation for eligible Plan participants. In order to be eligible, Plan participants must complete 1,000 hours of service during the plan year and be employed on the last day of the plan year. The Company did not elect to make a discretionary non-elective employer contribution for the year ended December 31, 2022.

Participant Accounts

Each participant's account is credited with the participant's contribution, an allocation of the Company's contribution, an allocation of related plan earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Except as described below, participants are immediately vested in their contributions, matching safe harbor contributions and the earnings thereon. Employer matching contributions made prior to plan mergers and their related earnings vest according to terms of the previous plan provisions as applicable.

Discretionary nonelective employer contributions and related earnings vest according to the following schedule:

| <u>Years of Vesting Service</u> | <u>Vesting Percentage</u> |
|---------------------------------|---------------------------|
| Less than 2                     | 0%                        |
| 2 but less than 3               | 20%                       |
| 3 but less than 4               | 40%                       |
| 4 but less than 5               | 60%                       |
| 5 but less than 6               | 80%                       |
| 6 or more                       | 100%                      |

Prior employer matching contributions and related earnings held by participants employed by Maine Standards Co, LGC Proficiency Testing Inc., BioSearch Technologies and Prime Synthesis, follow the above vesting schedule. In the event of termination due to death, disability, or normal retirement (defined as age 65), participants become 100% vested in all contributions.

Notes Receivable from Participants

Participants are allowed to borrow a minimum of \$1,000 up to the lesser of \$50,000 or 50% of their account balance. All loans are subject to approval by the service provider or third party administrator providing loan services. Each loan is collateralized by the participant's vested account, bears a reasonable rate of interest (as determined by the plan administrator), and requires level payments through payroll deductions over a period not to exceed five years, unless such loan is for the purchase of a participant's primary residence, in which case the repayment period is not to exceed ten years.

**NOTE 1.     DESCRIPTION OF PLAN (CONTINUED)**

Payment of Benefits

Upon termination of service a participant may elect to receive either a lump-sum amount equal to the value of his or her vested account. Upon termination, if a participant's vested account balance does not exceed \$5,000 and the participant does not elect to take a distribution, the Plan Administrator may make a lump-sum distribution to a direct rollover individual retirement account. If the balance does not exceed \$1,000, the Plan Administrator may make a lump-sum distribution directly to the participant. In-service withdrawals are allowed from any of the participant's vested accounts once they are over age 59 ½.

Hardship Withdrawals

The Plan allows for hardship withdrawals from a participant's elective deferral account for participants incurring an immediate and heavy financial need, as defined by the Code.

Forfeitures

Forfeitures represent the non-vested portion of terminated participants' account balances and are used to pay administrative expenses and reduce employer contributions to the Plan. Forfeited nonvested accounts totaled \$42,349 and \$33,345 at December 31, 2022 and 2021, respectively. During 2022, there were forfeitures of \$83 and no forfeitures used to reduce employer contributions or pay plan expenses.

**NOTE 2.     SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and changes in net assets available for benefits during the year. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are held with Fidelity Management Trust Company, the trustee, and are invested in various mutual funds and a money market fund at the participants' direction.

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee.

**DECEMBER 31, 2022 AND 2021**

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Investment Valuation and Income Recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurements

U.S. GAAP defines fair value and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurement). The three levels of the fair value hierarchy under are described as follows:

- Level 1      Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.
- Level 2      Inputs to the valuation method includes:
- quoted prices for similar assets or liabilities in active markets;
  - quoted prices for identical assets or liabilities in inactive markets;
  - inputs other than quoted prices which are observable; and
  - inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3      Unobservable inputs based on the Plan's assessment of the assumptions that market participants would use in pricing the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investments measured at fair value, as well as the general classification pursuant to the valuation hierarchy. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Mutual funds* – The fair value of mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The investments held by the Plan are deemed to be actively traded and are classified as level 1 investments in the fair value hierarchy.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Fair Value Measurements (continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of the certain financial instruments could result in a different fair value measurement at the reporting date.

Payment of Benefits

Benefit payments are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a distribution is recorded.

Administrative Expenses

Administrative expenses include recordkeeping and other professional service fees. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to distributions and the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through October 10, 2023, the date on which these financial statements were available to be issued, and has determined that there are no subsequent events, that require disclosure under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 855 *Subsequent Events*.

**NOTE 5. PLAN TERMINATION**

In the event of Plan termination, participants would become 100% vested in their employer matching contributions.

**LGC 401(k) SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE 6. TAX STATUS**

The Plan adopted The Fidelity Basic Plan Document No. 17 Volume Submitter Defined Contribution Plan (the "Volume Submitter Plan") by Fidelity Management Trust Company, a standardized plan. The Internal Revenue Service ("IRS") has issued an opinion letter dated November 5, 2018, stating that the Volume Submitter Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore, the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

**NOTE 7. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are managed by Fidelity Investments. Fidelity Management Trust Company is the trustee as defined by the Plan. Therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net depreciation in fair value of the investments. The Plan Sponsor pays directly certain other fees related to the Plan's operations.

The Plan pays fees to Fidelity Management Trust Company to act as the recordkeeper to the plan. The Plan also issues loans to participants, which are secured by the balances in the participants' accounts. These transactions qualify as party-in-interest transactions.

**NOTE 8. RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE 9. DELINQUENT PARTICIPANT CONTRIBUTIONS**

During the Plan year ended December 2021, the Company failed to remit certain participant contributions to the Plan on a timely basis as prescribed in the applicable Department of Labor ("DOL") regulations. The delinquent contributions for the years ended 2021 aggregated \$29,526. Defined contribution plans must remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. The Company computed the lost earnings on the 2021 deferrals, and made contribution for lost earnings to the Plan during 2022.
