Report of Independent Auditors

To the Administrator of Eileen Fisher, Inc. 401(k) Employee Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Eileen Fisher, Inc. 401(k) Employee Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, including the related notes (collectively referred to as the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For

information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Eileen Fisher, Inc. 401(k) Employee Savings Plan

Notes to Financial Statements

December 31, 2022 and 2021

1. Plan Description

The following description of the Eileen Fisher, Inc. 401(k) Employee Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

Eileen Fisher, Inc. is the plan administrator. State Street Bank and Trust Company is the trustee and custodian of the Plan (the “Trustee”) and Transamerica Retirement Solutions, LLC is the record keeper of the Plan acting as an agent for the Trustee.

General

The Plan is a tax deferred savings plan covering all eligible employees of Eileen Fisher, Inc. and EF Ninth Street, Inc. (collectively referred to as the Company). The Plan was established effective January 1, 1996, as amended, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

During 2021, pursuant to the provisions of the Coronavirus Aid, Relief, and Economic Security Act, for a qualifying plan participant, the Plan

- (i) Increased the loan amount that a participant may borrow, as defined, and
- (ii) Delayed required loan repayments for up to one year

Eligibility

Employees are eligible to participate in the Plan upon meeting the service requirements as defined in the Plan agreement, provided they have attained the age of 21 and are not covered by a collective bargaining agreement.

Contributions

Each year, participants may contribute up to a dollar limit, which is set by law, as stated in the Internal Revenue Code (IRC). The maximum amount participants were allowed to contribute for the year ended December 31, 2022 was \$20,500. Employees 50 years of age and older are also allowed to contribute an additional \$6,500 to the Plan for 2022.

The Company may also make discretionary matching contributions. No such contributions were made in 2022.

Participant Accounts

Each participant’s account is credited and debited with the participant’s contributions and withdrawals, as applicable, and an allocation of the Company’s matching contribution, the Company’s nonelective contribution and Plan earnings. Plan earnings are allocated based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

December 31, 2022 and 2021

Vesting

A participant in the Plan always has a fully vested interest in the value of his or her contributions and rollover accounts and any earnings on those contributions. He or she also has a nonforfeitable right to the value of his or her Company match account and nonelective contribution account upon the latter of the attainment of age 60 or the fourth anniversary of the first day of the Plan year in which he or she became eligible. Upon termination of employment, a participant vests in the funds held in his or her Company match account and nonelective contribution account in accordance with the following vesting schedule:

Years of Service	Vested Percentage
Less than 1	0 %
At least 1, but less than 2	25 %
At least 2, but less than 3	50 %
At least 3, but less than 4	75 %
4 or more	100 %

Upon termination of employment for reasons other than disability or death of a participant who was not fully vested in his or her Company match account, the nonvested portion of the participant's Company match account shall be forfeited. Any account forfeited shall be used to reduce the Plan's future employer contributions and then to reduce expenses.

Promissory Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the Plan document. The amount of delinquent loans treated as distributions in 2022 totaled \$81,114. Participants may borrow from their funded account the lesser of \$50,000 (reduced by the highest outstanding balance of loans from the Plan during the one-year period ending on the day before such loan was made) or up to 50% of their vested account balance. The minimum amount of any loan is \$1,000. Loans are secured by the balance in the participant's account and must be repaid in no more than five years, unless the loan is to purchase a primary residence. If a loan is for a primary residence, then the repayment date may be extended up to twenty years. Interest is charged by the Plan at the rate a bank or other professional lender would charge for making a loan in a similar circumstance. Interest rates on notes receivable from participants at December 31, 2022 and 2021, range between 4.25% and 8.00%.

Payment of Benefits

Upon termination of employment, for reason of disability or death, the participant or his or her beneficiary shall receive the value of his or her account. However, if the termination of employment is for reasons other than disability or death, the participant shall receive only the value of the vested funds in his or her account. Under Federal law, benefit payments must begin on the April 1st following the later of the calendar year in which the participant reaches age 72 (or 70 ½ if participant reached age 70 ½ before January 1, 2020) or stops working for the Company. On December 29, 2022, the SECURE 2.0 Act of 2022 ("Secure Act 2.0") was enacted. As part of Secure Act 2.0, the required minimum distribution date was changed to age 73, effective January 1, 2023.

In accordance with the terms of the Plan, terminated employees may elect to defer final distribution from the Plan. Upon such election, the amount of such participants' vested interest in the Plan is

Eileen Fisher, Inc. 401(k) Employee Savings Plan

Notes to Financial Statements

December 31, 2022 and 2021

entitled to continue to receive investment income and losses until the date of distribution as elected by the participants. Prior to termination of employment, the participant may withdraw amounts from the participant's accounts in accordance with the provisions of the Plan.

Forfeited Accounts

Forfeitures are applied as a reduction of future employer contributions and such amounts were not significant for 2022.

Summary of Significant Accounting Policies

The Plan's significant accounting policies are as follows:

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting, in accordance with the accounting principles generally accepted in the United States of America ("U.S.GAAP").

Valuation of Investments and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments are recorded when paid to participants.

Administrative Expenses

Plan administrative fees may include recordkeeping, legal, accounting, trustee and other administrative fees and expenses associated with maintaining the Plan. Plan administrative fees and expenses are paid by the plan administrator or may be deducted from participant accounts.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Plan Termination

Although it has not expressed any intent to do so, the plan administrator has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

2. Information Certified and Provided by the Trustee

The following is a summary of the Plan's asset information as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by State Street Bank and Trust Company (the trustee), and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that information provided to the Plan Administrator by the trustee and related to the following assets is complete and accurate, to the best of their knowledge and belief.

In accordance with 29 CFR 2520.103-5 and 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the trustee certified the completeness and accuracy, to the best of their knowledge and belief, of the cash reserve account of \$44,460 and \$80,021, mutual funds (registered investment companies) of \$ 65,348,678 and \$86,322,434, and common collective trusts of \$8,373,421 and \$8,371,640, as of December 31, 2022 and 2021, respectively. The trustee also certified the completeness and accuracy, to the best of their knowledge and belief, promissory notes receivable from participants as of December 31, 2022 and 2021, totaling \$745,615 and \$779,848, respectively.

In addition, the trustee also certified the completeness and accuracy, to the best of their knowledge and belief, \$16,690,555 of net depreciation in fair value of investments, \$1,208,514 of dividends on investments and \$34,510 of interest on notes receivable from participants for the year ended December 31, 2022.

3. Fair Value Measurements

The Financial Accounting Standards Board ("FASB") Accounting Standards Codification 820 ("ASC 820"), *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Eileen Fisher, Inc. 401(k) Employee Savings Plan

Notes to Financial Statements

December 31, 2022 and 2021

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

All transfers between fair value hierarchy levels are recognized by the Plan at the end of each reporting period. There were no transfers between Levels 1, 2 and 3 during the year.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Cash Reserve Accounts

These are interest bearing and the carrying amount approximates fair value because the instruments are liquid in nature.

Mutual Funds (Registered Investment Companies)

Investments are valued at a daily calculated NAV and are traded at a quoted price through the National Securities Clearing Corporation.

Common Collective Trusts

The underlying investments of the common collective trusts are primarily in a pool of investment contracts that are issued by insurance companies and commercial banks and in contracts that are backed by high-quality bonds, bond trusts, bond mutual funds and group annuity contracts. The fair value has been estimated using the net asset value (NAV) per share of the underlying investments, valued by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes that its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

	Investments at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total

Total investments at fair value				<u>\$ 94,774,095</u>

There were no transfers between levels of the fair value hierarchy for the years ended December 31, 2022 and 2021.

The following table summarizes investments measured at fair value based on NAV per share:

	2022 Fair Value	2021 Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Diversified investment advisors - Stable Pooled Fund ^(a)	\$ 8,373,421	\$ 8,371,640	\$ -	Immediately	N/A

(a) This fund seeks to provide safety of principal and consistency of returns while attempting to maintain minimal volatility.

4. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

5. Tax Status

The Internal Revenue Service issued a determination letter on March 31, 2014, stating that the Plan is qualified under Section 401(a) of the IRC and, therefore, the related trust is exempt from taxation. Although the Plan has been amended since receiving the determination letter, it is the opinion of the Plan Administrator and Plan counsel that the Plan remains qualified and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan's management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustments to the financial statements as of and for the year ended December 31, 2022. Therefore, no provision or liability for income taxes has been included in the financial statements. The Plan's Administrator also believes that the Plan is no longer subject to income tax examinations by U.S. federal, state, or local tax authorities for years before 2018.

Notes to Financial Statements

December 31, 2022 and 2021

6. Exempt Party-in-Interest Transactions

Some of the Plan's expenses, including trustee, custodial and certain record-keeping fees, are paid by the Plan. Personnel and facilities of the Company are used by the Plan at no charge. Certain Plan investments are shares of various funds managed by the trustee or the record-keepers of the Plan and, therefore, any transactions between the Plan, the trustee or record-keepers are considered exempt party-in-interest transactions.

7. Subsequent Events

The Plan's Administrator has evaluated subsequent events through October 12, 2023, the date the financial statements were available to be issued. No subsequent events that would require disclosure in these financial statements have been noted as of this date, except for the ones disclosed in this footnote.
