SCHEDULE H (Form 5500) Department of the Treasury Internal Revenue Service Department of Labor Employee Benefits Security Administration Pension Benefit Guaranty Corporation	Financial Information This schedule is required to be filed under section 104 of the Employee Retirement Income Security Act of 1974 (ERISA), and section 6058(a) of the Internal Revenue Code (the Code). ► File as an attachment to Form 5500.	OMB No. 1210-0110 2022 This Form is Open to Public Inspection
For calendar plan year 2022 or fiscal plan year beginning <u>01/01/2022</u> and ending <u>12/31/2022</u>		
A Name of plan <u>GOOD'S STORE, INC. PROFIT SHARING PLAN</u>	B Three-digit plan number (PN) ►	<u>001</u>
C Plan sponsor's name as shown on line 2a of Form 5500 <u>GOODS STORE, INC.</u>	D Employer Identification Number (EIN) <u>23-1931648</u>	

Part I Asset and Liability Statement			
1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. Round off amounts to the nearest dollar. MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.			
Assets		(a) Beginning of Year	(b) End of Year
a Total noninterest-bearing cash.....	1a		
b Receivables (less allowance for doubtful accounts):			
(1) Employer contributions.....	1b(1)	495597	339235

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **TROUT CPA**

(2) EIN: **23-1551315**

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)

	Yes	No	Amount
4a		X	

	Yes	No	Amount
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)			
4b		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)			
4c		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)			
4d		X	
e Was this plan covered by a fidelity bond?	X		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
4f		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4g		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4h		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
4i	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)			
4j		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?			
4k		X	
l Has the plan failed to provide any benefit when due under the plan?			
4l		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)			
4m		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			
4n			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

5b(1) Name of plan(s)	5b(2) EIN(s)	5b(3) PN(s)

5c Was the plan a defined benefit plan covered under the PBGC insurance program at any time during this plan year? (See ERISA section 4021 and instructions.) ☐ Yes ☐ No ☐ Not determined

If "Yes" is checked, enter the My PAA confirmation number from the PBGC premium filing for this plan year _____.

SCHEDULE R (Form 5500) Department of the Treasury Internal Revenue Service Department of Labor Employee Benefits Security Administration Pension Benefit Guaranty Corporation	Retirement Plan Information This schedule is required to be filed under sections 104 and 4065 of the Employee Retirement Income Security Act of 1974 (ERISA) and section 6058(a) of the Internal Revenue Code (the Code). ► File as an attachment to Form 5500.	OMB No. 1210-0110 2022 This Form is Open to Public Inspection.
For calendar plan year 2022 or fiscal plan year beginning 01/01/2022 and ending 12/31/2022		
A Name of plan GOOD'S STORE, INC. PROFIT SHARING PLAN		B Three-digit plan number (PN) ► 001
C Plan sponsor's name as shown on line 2a of Form 5500 GOODS STORE, INC.		D Employer Identification Number (EIN) 23-1931648
Part I Distributions		
All references to distributions relate only to payments of benefits during the plan year.		
1 Total value of distributions paid in property other than in cash or the forms of property specified in the instructions.....		1 0
2 Enter the EIN(s) of payor(s) who paid benefits on behalf of the plan to participants or beneficiaries during the year (if more than two, enter EINs of the two payors who paid the greatest dollar amounts of benefits): EIN(s): 04-1590850 20-3691708 Profit-sharing plans, ESOPs, and stock bonus plans, skip line 3.		
3 Number of participants (living or deceased) whose benefits were distributed in a single sum, during the plan year.....		3

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Good's Store, Inc. Profit Sharing Plan
New Holland, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the accompanying financial statements of **Good's Store, Inc. Profit Sharing Plan**, (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Good's Store, Inc. Profit Sharing Plan** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Good's Store, Inc. Profit Sharing Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Good's Store, Inc. Profit Sharing Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Good's Store, Inc. Profit Sharing Plan's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) and assets (acquired and disposed of within year), as of or for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Good's Store, Inc. Profit Sharing Plan

NOTES to FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION of PLAN

The following description of the **Good's Store, Inc. Profit Sharing Plan** (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) Plan covering substantially all employees of Good's Store, Inc. (the Company). The Plan was established effective June 30, 1978, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Plan Management is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings.

Effective May 1, 2021, the Plan was restated in its entirety to include the required regulatory changes as part of the six-year Internal Revenue Service (IRS) restatement requirement for qualified pre-approved plans. More recent legislative updates for the Setting Every Community Up for Retirement Enhancement Act (SECURE Act) were not included in this restatement and will require future amendment to the Plan.

Contributions

Each year, participants may contribute a portion of their annual pretax compensation, as defined in the Plan Document; however, the participant's contributions cannot exceed amounts allowable under applicable federal regulations. Participants who have attained age 50 by the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from qualified plans and Individual Retirement Accounts (IRAs).

Participants direct the investment of their contributions into various investment options offered by the Plan. These fund options contain funds selected by the Plan Administrator and recommended by the Plan's investment advisors. The Plan currently offers registered investment company funds, pooled separate accounts, and a guaranteed investment contract as investment options for the participants (See Notes 4 and 5).

The Company may make a matching contribution to each participant based on his or her elective deferrals in a percentage set by the Company. For the Plan years ended December 31, 2022 and 2021, the Company made no matching contributions to the Plan. In addition, the Company may make additional discretionary contributions to the Plan at the option of its Board of Directors. Those contributions are allocated by applying a permitted disparity method. The Company accrued contributions of \$339,235 and \$495,597 to be made to the Plan for the years ended December 31, 2022 and 2021, respectively. The matching and discretionary employer contributions are invested as directed by the participant into the same investment options offered by the Plan. Contributions are subject to certain limitations.

Participant Accounts

A record-keeping account is set up in each participant's name to show the value of his or her retirement benefit. Each participant's account is credited with the participant's contributions and allocations of (a) the Company's matching and discretionary contributions and (b) Plan earnings (losses) and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Eligibility

An employee becomes eligible to be a participant in the Plan at the beginning of the next Plan quarter after completion of one year of service and the attainment of an age of 20.

Good's Store, Inc. Profit Sharing Plan

NOTES to FINANCIAL STATEMENTS

(Continued)

NOTE 1 - DESCRIPTION of PLAN (Continued)

Vesting

Participant salary deferrals, plus or minus any earnings or losses, and participant rollovers are 100% vested. Employer contributions and earnings or losses thereon vest in accordance with the following table:

Years of Service	Vesting Percentage
1	10%
2	20%
3	40%
4	60%
5	80%
6	100%

Regardless of the number of years of service, a participant's account balance becomes fully vested when the participant retires, becomes permanently disabled, or dies.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability and as an offset against participant contributions. The Plan did not have a material amount of excess contributions payable as of December 31, 2022 and 2021.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years or for a period exceeding five years for the purchase of a primary residence. The notes are secured by the vested balance in the participant's account and bear interest at one percentage point over prime interest rate. Principal and interest is paid ratably through payroll deductions. Participants are not allowed to have more than one outstanding loan at one time. Notes receivable are stated at their unpaid principal plus accrued unpaid interest.

Retirement Benefits and Distributions

Upon termination of service due to death, disability, retirement, or other separation of employment, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, a partial withdrawal, or equal annual installments. In the absence of an affirmative participant election, vested balances of less than \$5,000 will be automatically paid out.

In-service withdrawals are available to participants who attain age 59½.

A participant may request a hardship withdrawal of all or part of the eligible balance in his or her account.

Each participant designates a person or persons who are to receive benefits under the Plan in the event of the participant's death.

Forfeiture Accounts

There were no forfeitures used to reduce the Plan expenses or employer contributions for the years ended December 31, 2022 and 2021. Forfeited nonvested accounts totaled \$15,723 and \$15,126 at December 31, 2022 and 2021, respectively.

Good's Store, Inc. Profit Sharing Plan

NOTES to FINANCIAL STATEMENTS

(Continued)

NOTE 2 - SUMMARY of SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America (US GAAP). Current US GAAP standards are contained in the Accounting Standards Codification (ASC) as set forth by the Financial Accounting Standards Board (FASB).

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from estimated amounts. Significant estimates used in the preparation of these financial statements relate to the valuation of investments and changes therein.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value except for its fully benefit-responsive investment contract, which is reported at contract value (Note 5). Fair value is determined and certified by the Plan's custodian and insurance product contract issuer. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded upon the terms of the Plan Document for purposes of the Form 5500 reporting. However, for purposes of the financial statement, for active participants who have not incurred a distributable event (employment termination, death, or disability), but have delinquent loans, the participant loan remains outstanding until a distributable event occurs.

Payments of Benefits

Benefits are recorded when paid.

Administrative Expenses

All administrative expenses may be paid out of the Plan; however, the Company pays some of the administrative costs of the Plan.

Good's Store, Inc. Profit Sharing Plan

NOTES to FINANCIAL STATEMENTS

NOTE 3 - INFORMATION PREPARED and CERTIFIED by the CUSTODIAN (UNAUDITED)

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by Empower Trust Company, LLC, the custodian and Massachusetts Mutual Life Insurance Company, the insurance product contract issuer for the year ended December 31, 2022 and by Massachusetts Mutual Life Insurance Company, the custodian, for the year ended December 31, 2021. On December 31, 2020, Empower Retirement LLC acquired the retirement business of Massachusetts Mutual Life Insurance Company. For the plan year ended December 31, 2021, the certification was provided by Great-West Life & Annuity Insurance Company, an affiliate of Empower Retirement, LLC, with respect to Empower Retirement, LLC's role as the administrator of business on Massachusetts Mutual Life Insurance Company's behalf and pursuant to a power of attorney granted to Great-West Life & Annuity Insurance Company by Massachusetts Mutual Life Insurance Company.

	2022	2021
Cash	-0-	2
Investments:		
Guaranteed Investment Contract	2,286,421	3,757,151
Registered Investment Companies	291,519	344,631
Pooled Separate Accounts	12,391,119	14,636,448
Notes Receivable from Participants	<u>131,065</u>	<u>110,325</u>
	15,100,124	18,848,557

For the years ended December 31, 2022 and 2021, the Plan's investment income (loss) was \$(2,427,414) and \$2,546,583, respectively. Interest on notes receivable from participants totaled \$4,814 and \$3,305 for the years ended December 31, 2022 and 2021, respectively.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset and liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Good's Store, Inc. Profit Sharing Plan

NOTES to FINANCIAL STATEMENTS

(Continued)

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled Separate Accounts: Unit value calculated based on the observable net asset value of the underlying investments. The portfolio features diversified investment offerings intended to balance investment risk with the need for investment growth to provide for participant retirement, death, and disability benefits. Investments are redeemable in accordance with application of participant directives and Plan benefit provisions.

Registered Investment Companies: Valued at the daily closing price as reported by the funds. These funds are required to publish their daily NAV and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Registered Investment Companies	291,519	-0-	-0-	291,519
Pooled Separate Accounts	<u>-0-</u>	<u>12,391,119</u>	<u>-0-</u>	<u>12,391,119</u>
	291,519	12,391,119	-0-	12,682,638

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Registered Investment Companies	344,631	-0-	-0-	344,631
Pooled Separate Accounts	<u>-0-</u>	<u>14,636,448</u>	<u>-0-</u>	<u>14,636,448</u>
	344,631	14,636,448	-0-	14,981,079

Level 3 Gains and Losses

There were no level 3 investments as of or during the years ended December 31, 2022 and 2021.

Good's Store, Inc. Profit Sharing Plan

NOTES to FINANCIAL STATEMENTS

(Continued)

NOTE 5 - GUARANTEED INVESTMENT CONTRACT

The Plan entered into a fully benefit-responsive guaranteed interest contract with Mass Mutual Retirement Services (MMRS), managed by Great West Investment, totaling \$2,286,421 and \$3,757,151 at December 31, 2022 and 2021, respectively. MMRS maintains the contributions in a separate investment account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed interest contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 0%. Such interest rates are reviewed on a quarterly basis for resetting. The guaranteed interest contract does not permit MMRS to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment criteria and therefore is reported at contract value. Contract value is the relevant measurement for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by MMRS, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct permitted withdrawal or transfer transactions of all or a portion of their balance in the investment at contract value.

Certain events limit the Plan's ability to transact at contract value with MMRS. Such events include but may not be limited to the following: (a) amendments to the Plan Documents (including complete or partial Plan termination or merger with another Plan), (b) change to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

	2022	2021
Average Yields:		
Based on Actual Earnings	2.85%	2.41%
Based on Interest Rate Credited to Participants	2.85%	2.41%

NOTE 6 - RELATED PARTY and PARTY-in-INTEREST TRANSACTIONS

For the years ended December 31, 2022 and 2021, certain Plan investments are in a guaranteed investment contract and other investments managed by Massachusetts Mutual Life Insurance Company. Massachusetts Mutual Life Insurance Company is the insurance product contract issuer, therefore, these transactions qualify as party-in-interest transactions. Massachusetts Mutual Life Insurance Company also receives indirect compensation based on an agreed-upon formula. At December 31, 2022 and 2021, the fair value of cash equivalents and investments managed by the custodian totaled \$14,677,540 and \$18,393,601, respectively.

As previously discussed, the Plan may issue notes receivable to participants that are secured by participant account balances. The value of the notes receivable outstanding were \$131,065 and \$110,325 as of December 31, 2022 and 2021, respectively. Interest on notes receivable from participants totaled \$4,814 and \$3,305 for the years ended December 31, 2022 and 2021, respectively. All of these transactions qualify as party-in-interest transactions.

Good's Store, Inc. Profit Sharing Plan

NOTES to FINANCIAL STATEMENTS

(Continued)

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 8 - TAX STATUS

The Plan adopted a Non-Standardized Pre-Approved Plan which received an opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Non-Standardized Pre-Approved Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving this opinion letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC, and therefore, the Plan Administrator believes that the Plan is qualified and tax-exempt.

US GAAP requires Plan Management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RISKS and UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 5, 2023, which represents the date the financial statements were available to be issued.

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Good's Store, Inc. Profit Sharing Plan
New Holland, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the accompanying financial statements of **Good's Store, Inc. Profit Sharing Plan**, (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Good's Store, Inc. Profit Sharing Plan** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Good's Store, Inc. Profit Sharing Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Good's Store, Inc. Profit Sharing Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Good's Store, Inc. Profit Sharing Plan's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) and assets (acquired and disposed of within year), as of or for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Good's Store, Inc. Profit Sharing Plan

NOTES to FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION of PLAN

The following description of the **Good's Store, Inc. Profit Sharing Plan** (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) Plan covering substantially all employees of Good's Store, Inc. (the Company). The Plan was established effective June 30, 1978, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Plan Management is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings.

Effective May 1, 2021, the Plan was restated in its entirety to include the required regulatory changes as part of the six-year Internal Revenue Service (IRS) restatement requirement for qualified pre-approved plans. More recent legislative updates for the Setting Every Community Up for Retirement Enhancement Act (SECURE Act) were not included in this restatement and will require future amendment to the Plan.

Contributions

Each year, participants may contribute a portion of their annual pretax compensation, as defined in the Plan Document; however, the participant's contributions cannot exceed amounts allowable under applicable federal regulations. Participants who have attained age 50 by the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from qualified plans and Individual Retirement Accounts (IRAs).

Participants direct the investment of their contributions into various investment options offered by the Plan. These fund options contain funds selected by the Plan Administrator and recommended by the Plan's investment advisors. The Plan currently offers registered investment company funds, pooled separate accounts, and a guaranteed investment contract as investment options for the participants (See Notes 4 and 5).

The Company may make a matching contribution to each participant based on his or her elective deferrals in a percentage set by the Company. For the Plan years ended December 31, 2022 and 2021, the Company made no matching contributions to the Plan. In addition, the Company may make additional discretionary contributions to the Plan at the option of its Board of Directors. Those contributions are allocated by applying a permitted disparity method. The Company accrued contributions of \$339,235 and \$495,597 to be made to the Plan for the years ended December 31, 2022 and 2021, respectively. The matching and discretionary employer contributions are invested as directed by the participant into the same investment options offered by the Plan. Contributions are subject to certain limitations.

Participant Accounts

A record-keeping account is set up in each participant's name to show the value of his or her retirement benefit. Each participant's account is credited with the participant's contributions and allocations of (a) the Company's matching and discretionary contributions and (b) Plan earnings (losses) and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Eligibility

An employee becomes eligible to be a participant in the Plan at the beginning of the next Plan quarter after completion of one year of service and the attainment of an age of 20.

Good's Store, Inc. Profit Sharing Plan

NOTES to FINANCIAL STATEMENTS

(Continued)

NOTE 1 - DESCRIPTION of PLAN (Continued)

Vesting

Participant salary deferrals, plus or minus any earnings or losses, and participant rollovers are 100% vested. Employer contributions and earnings or losses thereon vest in accordance with the following table:

Years of Service	Vesting Percentage
1	10%
2	20%
3	40%
4	60%
5	80%
6	100%

Regardless of the number of years of service, a participant's account balance becomes fully vested when the participant retires, becomes permanently disabled, or dies.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability and as an offset against participant contributions. The Plan did not have a material amount of excess contributions payable as of December 31, 2022 and 2021.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years or for a period exceeding five years for the purchase of a primary residence. The notes are secured by the vested balance in the participant's account and bear interest at one percentage point over prime interest rate. Principal and interest is paid ratably through payroll deductions. Participants are not allowed to have more than one outstanding loan at one time. Notes receivable are stated at their unpaid principal plus accrued unpaid interest.

Retirement Benefits and Distributions

Upon termination of service due to death, disability, retirement, or other separation of employment, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, a partial withdrawal, or equal annual installments. In the absence of an affirmative participant election, vested balances of less than \$5,000 will be automatically paid out.

In-service withdrawals are available to participants who attain age 59½.

A participant may request a hardship withdrawal of all or part of the eligible balance in his or her account.

Each participant designates a person or persons who are to receive benefits under the Plan in the event of the participant's death.

Forfeiture Accounts

There were no forfeitures used to reduce the Plan expenses or employer contributions for the years ended December 31, 2022 and 2021. Forfeited nonvested accounts totaled \$15,723 and \$15,126 at December 31, 2022 and 2021, respectively.

Good's Store, Inc. Profit Sharing Plan

NOTES to FINANCIAL STATEMENTS

(Continued)

NOTE 2 - SUMMARY of SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America (US GAAP). Current US GAAP standards are contained in the Accounting Standards Codification (ASC) as set forth by the Financial Accounting Standards Board (FASB).

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from estimated amounts. Significant estimates used in the preparation of these financial statements relate to the valuation of investments and changes therein.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value except for its fully benefit-responsive investment contract, which is reported at contract value (Note 5). Fair value is determined and certified by the Plan's custodian and insurance product contract issuer. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded upon the terms of the Plan Document for purposes of the Form 5500 reporting. However, for purposes of the financial statement, for active participants who have not incurred a distributable event (employment termination, death, or disability), but have delinquent loans, the participant loan remains outstanding until a distributable event occurs.

Payments of Benefits

Benefits are recorded when paid.

Administrative Expenses

All administrative expenses may be paid out of the Plan; however, the Company pays some of the administrative costs of the Plan.

Good's Store, Inc. Profit Sharing Plan

NOTES to FINANCIAL STATEMENTS

(Continued)

NOTE 3 - INFORMATION PREPARED and CERTIFIED by the CUSTODIAN (UNAUDITED)

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by Empower Trust Company, LLC, the custodian and Massachusetts Mutual Life Insurance Company, the insurance product contract issuer for the year ended December 31, 2022 and by Massachusetts Mutual Life Insurance Company, the custodian, for the year ended December 31, 2021. On December 31, 2020, Empower Retirement LLC acquired the retirement business of Massachusetts Mutual Life Insurance Company. For the plan year ended December 31, 2021, the certification was provided by Great-West Life & Annuity Insurance Company, an affiliate of Empower Retirement, LLC, with respect to Empower Retirement, LLC's role as the administrator of business on Massachusetts Mutual Life Insurance Company's behalf and pursuant to a power of attorney granted to Great-West Life & Annuity Insurance Company by Massachusetts Mutual Life Insurance Company.

	2022	2021
Cash	-0-	2
Investments:		
Guaranteed Investment Contract	2,286,421	3,757,151
Registered Investment Companies	291,519	344,631
Pooled Separate Accounts	12,391,119	14,636,448
Notes Receivable from Participants	<u>131,065</u>	<u>110,325</u>
	15,100,124	18,848,557

For the years ended December 31, 2022 and 2021, the Plan's investment income (loss) was \$(2,427,414) and \$2,546,583, respectively. Interest on notes receivable from participants totaled \$4,814 and \$3,305 for the years ended December 31, 2022 and 2021, respectively.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset and liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Good's Store, Inc. Profit Sharing Plan

NOTES to FINANCIAL STATEMENTS

(Continued)

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled Separate Accounts: Unit value calculated based on the observable net asset value of the underlying investments. The portfolio features diversified investment offerings intended to balance investment risk with the need for investment growth to provide for participant retirement, death, and disability benefits. Investments are redeemable in accordance with application of participant directives and Plan benefit provisions.

Registered Investment Companies: Valued at the daily closing price as reported by the funds. These funds are required to publish their daily NAV and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Registered Investment Companies	291,519	-0-	-0-	291,519
Pooled Separate Accounts	<u>-0-</u>	<u>12,391,119</u>	<u>-0-</u>	<u>12,391,119</u>
	291,519	12,391,119	-0-	12,682,638

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Registered Investment Companies	344,631	-0-	-0-	344,631
Pooled Separate Accounts	<u>-0-</u>	<u>14,636,448</u>	<u>-0-</u>	<u>14,636,448</u>
	344,631	14,636,448	-0-	14,981,079

Level 3 Gains and Losses

There were no level 3 investments as of or during the years ended December 31, 2022 and 2021.

Good's Store, Inc. Profit Sharing Plan

NOTES to FINANCIAL STATEMENTS

(Continued)

NOTE 5 - GUARANTEED INVESTMENT CONTRACT

The Plan entered into a fully benefit-responsive guaranteed interest contract with Mass Mutual Retirement Services (MMRS), managed by Great West Investment, totaling \$2,286,421 and \$3,757,151 at December 31, 2022 and 2021, respectively. MMRS maintains the contributions in a separate investment account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed interest contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 0%. Such interest rates are reviewed on a quarterly basis for resetting. The guaranteed interest contract does not permit MMRS to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment criteria and therefore is reported at contract value. Contract value is the relevant measurement for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by MMRS, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct permitted withdrawal or transfer transactions of all or a portion of their balance in the investment at contract value.

Certain events limit the Plan's ability to transact at contract value with MMRS. Such events include but may not be limited to the following: (a) amendments to the Plan Documents (including complete or partial Plan termination or merger with another Plan), (b) change to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

	2022	2021
Average Yields:		
Based on Actual Earnings	2.85%	2.41%
Based on Interest Rate Credited to Participants	2.85%	2.41%

NOTE 6 - RELATED PARTY and PARTY-in-INTEREST TRANSACTIONS

For the years ended December 31, 2022 and 2021, certain Plan investments are in a guaranteed investment contract and other investments managed by Massachusetts Mutual Life Insurance Company. Massachusetts Mutual Life Insurance Company is the insurance product contract issuer, therefore, these transactions qualify as party-in-interest transactions. Massachusetts Mutual Life Insurance Company also receives indirect compensation based on an agreed-upon formula. At December 31, 2022 and 2021, the fair value of cash equivalents and investments managed by the custodian totaled \$14,677,540 and \$18,393,601, respectively.

As previously discussed, the Plan may issue notes receivable to participants that are secured by participant account balances. The value of the notes receivable outstanding were \$131,065 and \$110,325 as of December 31, 2022 and 2021, respectively. Interest on notes receivable from participants totaled \$4,814 and \$3,305 for the years ended December 31, 2022 and 2021, respectively. All of these transactions qualify as party-in-interest transactions.

Good's Store, Inc. Profit Sharing Plan

NOTES to FINANCIAL STATEMENTS

(Continued)

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 8 - TAX STATUS

The Plan adopted a Non-Standardized Pre-Approved Plan which received an opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Non-Standardized Pre-Approved Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving this opinion letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC, and therefore, the Plan Administrator believes that the Plan is qualified and tax-exempt.

US GAAP requires Plan Management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RISKS and UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 5, 2023, which represents the date the financial statements were available to be issued.

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Good's Store, Inc. Profit Sharing Plan
New Holland, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the accompanying financial statements of **Good's Store, Inc. Profit Sharing Plan**, (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Good's Store, Inc. Profit Sharing Plan** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Good's Store, Inc. Profit Sharing Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Good's Store, Inc. Profit Sharing Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Good's Store, Inc. Profit Sharing Plan's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) and assets (acquired and disposed of within year), as of or for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Good's Store, Inc. Profit Sharing Plan

NOTES to FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION of PLAN

The following description of the **Good's Store, Inc. Profit Sharing Plan** (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) Plan covering substantially all employees of Good's Store, Inc. (the Company). The Plan was established effective June 30, 1978, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Plan Management is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings.

Effective May 1, 2021, the Plan was restated in its entirety to include the required regulatory changes as part of the six-year Internal Revenue Service (IRS) restatement requirement for qualified pre-approved plans. More recent legislative updates for the Setting Every Community Up for Retirement Enhancement Act (SECURE Act) were not included in this restatement and will require future amendment to the Plan.

Contributions

Each year, participants may contribute a portion of their annual pretax compensation, as defined in the Plan Document; however, the participant's contributions cannot exceed amounts allowable under applicable federal regulations. Participants who have attained age 50 by the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from qualified plans and Individual Retirement Accounts (IRAs).

Participants direct the investment of their contributions into various investment options offered by the Plan. These fund options contain funds selected by the Plan Administrator and recommended by the Plan's investment advisors. The Plan currently offers registered investment company funds, pooled separate accounts, and a guaranteed investment contract as investment options for the participants (See Notes 4 and 5).

The Company may make a matching contribution to each participant based on his or her elective deferrals in a percentage set by the Company. For the Plan years ended December 31, 2022 and 2021, the Company made no matching contributions to the Plan. In addition, the Company may make additional discretionary contributions to the Plan at the option of its Board of Directors. Those contributions are allocated by applying a permitted disparity method. The Company accrued contributions of \$339,235 and \$495,597 to be made to the Plan for the years ended December 31, 2022 and 2021, respectively. The matching and discretionary employer contributions are invested as directed by the participant into the same investment options offered by the Plan. Contributions are subject to certain limitations.

Participant Accounts

A record-keeping account is set up in each participant's name to show the value of his or her retirement benefit. Each participant's account is credited with the participant's contributions and allocations of (a) the Company's matching and discretionary contributions and (b) Plan earnings (losses) and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Eligibility

An employee becomes eligible to be a participant in the Plan at the beginning of the next Plan quarter after completion of one year of service and the attainment of an age of 20.

Good's Store, Inc. Profit Sharing Plan

NOTES to FINANCIAL STATEMENTS

(Continued)

NOTE 1 - DESCRIPTION of PLAN (Continued)

Vesting

Participant salary deferrals, plus or minus any earnings or losses, and participant rollovers are 100% vested. Employer contributions and earnings or losses thereon vest in accordance with the following table:

Years of Service	Vesting Percentage
1	10%
2	20%
3	40%
4	60%
5	80%
6	100%

Regardless of the number of years of service, a participant's account balance becomes fully vested when the participant retires, becomes permanently disabled, or dies.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability and as an offset against participant contributions. The Plan did not have a material amount of excess contributions payable as of December 31, 2022 and 2021.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years or for a period exceeding five years for the purchase of a primary residence. The notes are secured by the vested balance in the participant's account and bear interest at one percentage point over prime interest rate. Principal and interest is paid ratably through payroll deductions. Participants are not allowed to have more than one outstanding loan at one time. Notes receivable are stated at their unpaid principal plus accrued unpaid interest.

Retirement Benefits and Distributions

Upon termination of service due to death, disability, retirement, or other separation of employment, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, a partial withdrawal, or equal annual installments. In the absence of an affirmative participant election, vested balances of less than \$5,000 will be automatically paid out.

In-service withdrawals are available to participants who attain age 59½.

A participant may request a hardship withdrawal of all or part of the eligible balance in his or her account.

Each participant designates a person or persons who are to receive benefits under the Plan in the event of the participant's death.

Forfeiture Accounts

There were no forfeitures used to reduce the Plan expenses or employer contributions for the years ended December 31, 2022 and 2021. Forfeited nonvested accounts totaled \$15,723 and \$15,126 at December 31, 2022 and 2021, respectively.

Good's Store, Inc. Profit Sharing Plan

NOTES to FINANCIAL STATEMENTS

(Continued)

NOTE 2 - SUMMARY of SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America (US GAAP). Current US GAAP standards are contained in the Accounting Standards Codification (ASC) as set forth by the Financial Accounting Standards Board (FASB).

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from estimated amounts. Significant estimates used in the preparation of these financial statements relate to the valuation of investments and changes therein.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value except for its fully benefit-responsive investment contract, which is reported at contract value (Note 5). Fair value is determined and certified by the Plan's custodian and insurance product contract issuer. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded upon the terms of the Plan Document for purposes of the Form 5500 reporting. However, for purposes of the financial statement, for active participants who have not incurred a distributable event (employment termination, death, or disability), but have delinquent loans, the participant loan remains outstanding until a distributable event occurs.

Payments of Benefits

Benefits are recorded when paid.

Administrative Expenses

All administrative expenses may be paid out of the Plan; however, the Company pays some of the administrative costs of the Plan.

Good's Store, Inc. Profit Sharing Plan

NOTES to FINANCIAL STATEMENTS

(Continued)

NOTE 3 - INFORMATION PREPARED and CERTIFIED by the CUSTODIAN (UNAUDITED)

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by Empower Trust Company, LLC, the custodian and Massachusetts Mutual Life Insurance Company, the insurance product contract issuer for the year ended December 31, 2022 and by Massachusetts Mutual Life Insurance Company, the custodian, for the year ended December 31, 2021. On December 31, 2020, Empower Retirement LLC acquired the retirement business of Massachusetts Mutual Life Insurance Company. For the plan year ended December 31, 2021, the certification was provided by Great-West Life & Annuity Insurance Company, an affiliate of Empower Retirement, LLC, with respect to Empower Retirement, LLC's role as the administrator of business on Massachusetts Mutual Life Insurance Company's behalf and pursuant to a power of attorney granted to Great-West Life & Annuity Insurance Company by Massachusetts Mutual Life Insurance Company.

	2022	2021
Cash	-0-	2
Investments:		
Guaranteed Investment Contract	2,286,421	3,757,151
Registered Investment Companies	291,519	344,631
Pooled Separate Accounts	12,391,119	14,636,448
Notes Receivable from Participants	<u>131,065</u>	<u>110,325</u>
	15,100,124	18,848,557

For the years ended December 31, 2022 and 2021, the Plan's investment income (loss) was \$(2,427,414) and \$2,546,583, respectively. Interest on notes receivable from participants totaled \$4,814 and \$3,305 for the years ended December 31, 2022 and 2021, respectively.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset and liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Good's Store, Inc. Profit Sharing Plan

NOTES to FINANCIAL STATEMENTS

(Continued)

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled Separate Accounts: Unit value calculated based on the observable net asset value of the underlying investments. The portfolio features diversified investment offerings intended to balance investment risk with the need for investment growth to provide for participant retirement, death, and disability benefits. Investments are redeemable in accordance with application of participant directives and Plan benefit provisions.

Registered Investment Companies: Valued at the daily closing price as reported by the funds. These funds are required to publish their daily NAV and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Registered Investment Companies	291,519	-0-	-0-	291,519
Pooled Separate Accounts	<u>-0-</u>	<u>12,391,119</u>	<u>-0-</u>	<u>12,391,119</u>
	291,519	12,391,119	-0-	12,682,638

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Registered Investment Companies	344,631	-0-	-0-	344,631
Pooled Separate Accounts	<u>-0-</u>	<u>14,636,448</u>	<u>-0-</u>	<u>14,636,448</u>
	344,631	14,636,448	-0-	14,981,079

Level 3 Gains and Losses

There were no level 3 investments as of or during the years ended December 31, 2022 and 2021.

Good's Store, Inc. Profit Sharing Plan

NOTES to FINANCIAL STATEMENTS

(Continued)

NOTE 5 - GUARANTEED INVESTMENT CONTRACT

The Plan entered into a fully benefit-responsive guaranteed interest contract with Mass Mutual Retirement Services (MMRS), managed by Great West Investment, totaling \$2,286,421 and \$3,757,151 at December 31, 2022 and 2021, respectively. MMRS maintains the contributions in a separate investment account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed interest contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 0%. Such interest rates are reviewed on a quarterly basis for resetting. The guaranteed interest contract does not permit MMRS to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment criteria and therefore is reported at contract value. Contract value is the relevant measurement for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by MMRS, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct permitted withdrawal or transfer transactions of all or a portion of their balance in the investment at contract value.

Certain events limit the Plan's ability to transact at contract value with MMRS. Such events include but may not be limited to the following: (a) amendments to the Plan Documents (including complete or partial Plan termination or merger with another Plan), (b) change to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

	2022	2021
Average Yields:		
Based on Actual Earnings	2.85%	2.41%
Based on Interest Rate Credited to Participants	2.85%	2.41%

NOTE 6 - RELATED PARTY and PARTY-in-INTEREST TRANSACTIONS

For the years ended December 31, 2022 and 2021, certain Plan investments are in a guaranteed investment contract and other investments managed by Massachusetts Mutual Life Insurance Company. Massachusetts Mutual Life Insurance Company is the insurance product contract issuer, therefore, these transactions qualify as party-in-interest transactions. Massachusetts Mutual Life Insurance Company also receives indirect compensation based on an agreed-upon formula. At December 31, 2022 and 2021, the fair value of cash equivalents and investments managed by the custodian totaled \$14,677,540 and \$18,393,601, respectively.

As previously discussed, the Plan may issue notes receivable to participants that are secured by participant account balances. The value of the notes receivable outstanding were \$131,065 and \$110,325 as of December 31, 2022 and 2021, respectively. Interest on notes receivable from participants totaled \$4,814 and \$3,305 for the years ended December 31, 2022 and 2021, respectively. All of these transactions qualify as party-in-interest transactions.

Good's Store, Inc. Profit Sharing Plan

NOTES to FINANCIAL STATEMENTS

(Continued)

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 8 - TAX STATUS

The Plan adopted a Non-Standardized Pre-Approved Plan which received an opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Non-Standardized Pre-Approved Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving this opinion letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC, and therefore, the Plan Administrator believes that the Plan is qualified and tax-exempt.

US GAAP requires Plan Management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RISKS and UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 5, 2023, which represents the date the financial statements were available to be issued.

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Good's Store, Inc. Profit Sharing Plan
New Holland, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the accompanying financial statements of **Good's Store, Inc. Profit Sharing Plan**, (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Good's Store, Inc. Profit Sharing Plan** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Good's Store, Inc. Profit Sharing Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Good's Store, Inc. Profit Sharing Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Good's Store, Inc. Profit Sharing Plan's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) and assets (acquired and disposed of within year), as of or for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Good's Store, Inc. Profit Sharing Plan

NOTES to FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION of PLAN

The following description of the **Good's Store, Inc. Profit Sharing Plan** (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) Plan covering substantially all employees of Good's Store, Inc. (the Company). The Plan was established effective June 30, 1978, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Plan Management is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings.

Effective May 1, 2021, the Plan was restated in its entirety to include the required regulatory changes as part of the six-year Internal Revenue Service (IRS) restatement requirement for qualified pre-approved plans. More recent legislative updates for the Setting Every Community Up for Retirement Enhancement Act (SECURE Act) were not included in this restatement and will require future amendment to the Plan.

Contributions

Each year, participants may contribute a portion of their annual pretax compensation, as defined in the Plan Document; however, the participant's contributions cannot exceed amounts allowable under applicable federal regulations. Participants who have attained age 50 by the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from qualified plans and Individual Retirement Accounts (IRAs).

Participants direct the investment of their contributions into various investment options offered by the Plan. These fund options contain funds selected by the Plan Administrator and recommended by the Plan's investment advisors. The Plan currently offers registered investment company funds, pooled separate accounts, and a guaranteed investment contract as investment options for the participants (See Notes 4 and 5).

The Company may make a matching contribution to each participant based on his or her elective deferrals in a percentage set by the Company. For the Plan years ended December 31, 2022 and 2021, the Company made no matching contributions to the Plan. In addition, the Company may make additional discretionary contributions to the Plan at the option of its Board of Directors. Those contributions are allocated by applying a permitted disparity method. The Company accrued contributions of \$339,235 and \$495,597 to be made to the Plan for the years ended December 31, 2022 and 2021, respectively. The matching and discretionary employer contributions are invested as directed by the participant into the same investment options offered by the Plan. Contributions are subject to certain limitations.

Participant Accounts

A record-keeping account is set up in each participant's name to show the value of his or her retirement benefit. Each participant's account is credited with the participant's contributions and allocations of (a) the Company's matching and discretionary contributions and (b) Plan earnings (losses) and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Eligibility

An employee becomes eligible to be a participant in the Plan at the beginning of the next Plan quarter after completion of one year of service and the attainment of an age of 20.

Good's Store, Inc. Profit Sharing Plan

NOTES to FINANCIAL STATEMENTS

(Continued)

NOTE 1 - DESCRIPTION of PLAN (Continued)

Vesting

Participant salary deferrals, plus or minus any earnings or losses, and participant rollovers are 100% vested. Employer contributions and earnings or losses thereon vest in accordance with the following table:

Years of Service	Vesting Percentage
1	10%
2	20%
3	40%
4	60%
5	80%
6	100%

Regardless of the number of years of service, a participant's account balance becomes fully vested when the participant retires, becomes permanently disabled, or dies.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability and as an offset against participant contributions. The Plan did not have a material amount of excess contributions payable as of December 31, 2022 and 2021.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years or for a period exceeding five years for the purchase of a primary residence. The notes are secured by the vested balance in the participant's account and bear interest at one percentage point over prime interest rate. Principal and interest is paid ratably through payroll deductions. Participants are not allowed to have more than one outstanding loan at one time. Notes receivable are stated at their unpaid principal plus accrued unpaid interest.

Retirement Benefits and Distributions

Upon termination of service due to death, disability, retirement, or other separation of employment, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, a partial withdrawal, or equal annual installments. In the absence of an affirmative participant election, vested balances of less than \$5,000 will be automatically paid out.

In-service withdrawals are available to participants who attain age 59½.

A participant may request a hardship withdrawal of all or part of the eligible balance in his or her account.

Each participant designates a person or persons who are to receive benefits under the Plan in the event of the participant's death.

Forfeiture Accounts

There were no forfeitures used to reduce the Plan expenses or employer contributions for the years ended December 31, 2022 and 2021. Forfeited nonvested accounts totaled \$15,723 and \$15,126 at December 31, 2022 and 2021, respectively.

Good's Store, Inc. Profit Sharing Plan

NOTES to FINANCIAL STATEMENTS

(Continued)

NOTE 2 - SUMMARY of SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America (US GAAP). Current US GAAP standards are contained in the Accounting Standards Codification (ASC) as set forth by the Financial Accounting Standards Board (FASB).

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from estimated amounts. Significant estimates used in the preparation of these financial statements relate to the valuation of investments and changes therein.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value except for its fully benefit-responsive investment contract, which is reported at contract value (Note 5). Fair value is determined and certified by the Plan's custodian and insurance product contract issuer. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded upon the terms of the Plan Document for purposes of the Form 5500 reporting. However, for purposes of the financial statement, for active participants who have not incurred a distributable event (employment termination, death, or disability), but have delinquent loans, the participant loan remains outstanding until a distributable event occurs.

Payments of Benefits

Benefits are recorded when paid.

Administrative Expenses

All administrative expenses may be paid out of the Plan; however, the Company pays some of the administrative costs of the Plan.

Good's Store, Inc. Profit Sharing Plan

NOTES to FINANCIAL STATEMENTS

(Continued)

NOTE 3 - INFORMATION PREPARED and CERTIFIED by the CUSTODIAN (UNAUDITED)

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by Empower Trust Company, LLC, the custodian and Massachusetts Mutual Life Insurance Company, the insurance product contract issuer for the year ended December 31, 2022 and by Massachusetts Mutual Life Insurance Company, the custodian, for the year ended December 31, 2021. On December 31, 2020, Empower Retirement LLC acquired the retirement business of Massachusetts Mutual Life Insurance Company. For the plan year ended December 31, 2021, the certification was provided by Great-West Life & Annuity Insurance Company, an affiliate of Empower Retirement, LLC, with respect to Empower Retirement, LLC's role as the administrator of business on Massachusetts Mutual Life Insurance Company's behalf and pursuant to a power of attorney granted to Great-West Life & Annuity Insurance Company by Massachusetts Mutual Life Insurance Company.

	2022	2021
Cash	-0-	2
Investments:		
Guaranteed Investment Contract	2,286,421	3,757,151
Registered Investment Companies	291,519	344,631
Pooled Separate Accounts	12,391,119	14,636,448
Notes Receivable from Participants	<u>131,065</u>	<u>110,325</u>
	15,100,124	18,848,557

For the years ended December 31, 2022 and 2021, the Plan's investment income (loss) was \$(2,427,414) and \$2,546,583, respectively. Interest on notes receivable from participants totaled \$4,814 and \$3,305 for the years ended December 31, 2022 and 2021, respectively.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset and liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Good's Store, Inc. Profit Sharing Plan

NOTES to FINANCIAL STATEMENTS

(Continued)

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled Separate Accounts: Unit value calculated based on the observable net asset value of the underlying investments. The portfolio features diversified investment offerings intended to balance investment risk with the need for investment growth to provide for participant retirement, death, and disability benefits. Investments are redeemable in accordance with application of participant directives and Plan benefit provisions.

Registered Investment Companies: Valued at the daily closing price as reported by the funds. These funds are required to publish their daily NAV and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Registered Investment Companies	291,519	-0-	-0-	291,519
Pooled Separate Accounts	<u>-0-</u>	<u>12,391,119</u>	<u>-0-</u>	<u>12,391,119</u>
	291,519	12,391,119	-0-	12,682,638

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Registered Investment Companies	344,631	-0-	-0-	344,631
Pooled Separate Accounts	<u>-0-</u>	<u>14,636,448</u>	<u>-0-</u>	<u>14,636,448</u>
	344,631	14,636,448	-0-	14,981,079

Level 3 Gains and Losses

There were no level 3 investments as of or during the years ended December 31, 2022 and 2021.

Good's Store, Inc. Profit Sharing Plan

NOTES to FINANCIAL STATEMENTS

(Continued)

NOTE 5 - GUARANTEED INVESTMENT CONTRACT

The Plan entered into a fully benefit-responsive guaranteed interest contract with Mass Mutual Retirement Services (MMRS), managed by Great West Investment, totaling \$2,286,421 and \$3,757,151 at December 31, 2022 and 2021, respectively. MMRS maintains the contributions in a separate investment account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed interest contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 0%. Such interest rates are reviewed on a quarterly basis for resetting. The guaranteed interest contract does not permit MMRS to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment criteria and therefore is reported at contract value. Contract value is the relevant measurement for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by MMRS, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct permitted withdrawal or transfer transactions of all or a portion of their balance in the investment at contract value.

Certain events limit the Plan's ability to transact at contract value with MMRS. Such events include but may not be limited to the following: (a) amendments to the Plan Documents (including complete or partial Plan termination or merger with another Plan), (b) change to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

	2022	2021
Average Yields:		
Based on Actual Earnings	2.85%	2.41%
Based on Interest Rate Credited to Participants	2.85%	2.41%

NOTE 6 - RELATED PARTY and PARTY-in-INTEREST TRANSACTIONS

For the years ended December 31, 2022 and 2021, certain Plan investments are in a guaranteed investment contract and other investments managed by Massachusetts Mutual Life Insurance Company. Massachusetts Mutual Life Insurance Company is the insurance product contract issuer, therefore, these transactions qualify as party-in-interest transactions. Massachusetts Mutual Life Insurance Company also receives indirect compensation based on an agreed-upon formula. At December 31, 2022 and 2021, the fair value of cash equivalents and investments managed by the custodian totaled \$14,677,540 and \$18,393,601, respectively.

As previously discussed, the Plan may issue notes receivable to participants that are secured by participant account balances. The value of the notes receivable outstanding were \$131,065 and \$110,325 as of December 31, 2022 and 2021, respectively. Interest on notes receivable from participants totaled \$4,814 and \$3,305 for the years ended December 31, 2022 and 2021, respectively. All of these transactions qualify as party-in-interest transactions.

Good's Store, Inc. Profit Sharing Plan

NOTES to FINANCIAL STATEMENTS

(Continued)

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 8 - TAX STATUS

The Plan adopted a Non-Standardized Pre-Approved Plan which received an opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Non-Standardized Pre-Approved Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving this opinion letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC, and therefore, the Plan Administrator believes that the Plan is qualified and tax-exempt.

US GAAP requires Plan Management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RISKS and UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 5, 2023, which represents the date the financial statements were available to be issued.
