INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and
Those Charged with Governance of
Port Amherst, Ltd. 401(k) & Profit Sharing Plan
Charleston, West Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Port Amherst, Ltd. 401(k) & Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Port Amherst, Ltd. 401(k) & Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from T. Rowe Price, a qualified institution, as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in the footnotes to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Opinion (Continued)

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Port Amherst, Ltd. 401(k) & Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Port Amherst, Ltd. 401(k) & Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Port Amherst, Ltd. 401(k) & Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Port Amherst, Ltd. 401(k) & Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including

comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1. Plan Description

The following description of the Port Amherst, Ltd. 401(k) & Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all of the employees of Port Amherst, Ltd. and its subsidiaries (collectively referred to as the "Company") who have six months of service and are the age of eighteen or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may make contributions to the Plan by deferring salary of an amount equal to at least 1%, but not more than 90%. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Post-tax Roth contributions are also allowed under the Plan.

The Company matches participant contributions up to a maximum of 4% of each participant's compensation, as determined by the Company's Board of Directors. The Company may also make additional discretionary contributions to the Plan for all eligible participants at the option of the Company's Board of Directors. No additional discretionary contributions were made for the years ended December 31, 2022 and 2021. The discretionary contribution is only made to those employees still employed with the Plan Sponsor as of the last day of the Plan year. Participants may also contribute rollover distributions from other qualified retirement plans.

Effective January 1, 2019, the Plan was amended and restated to adopt a safe harbor provision under which the Company is required to match 100% of the first 4% of each participant's compensation contributed, and participants will be immediately vested in such matching contributions.

Participant accounts

Each participant's account is credited with the participant's and employer's contributions and allocations of the Plan earnings. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are 100% vested in their employee contributions plus actual earnings thereon. As of January 1, 2019, employer contributions are vested immediately. Prior to January 1, 2019, vesting in the employer contributions portion of their accounts plus earnings thereon is based on years of credited service as follows:

After 2 years of service - 20% vesting
After 3 years of service - 40% vesting
After 4 years of service - 60% vesting
After 5 years of service - 80% vesting
After 6 years of service - 100% vesting

Note 1. Plan Description (Continued)

Forfeited accounts

If a participant is separated from service and is not fully vested, the non-vested portion of the participant's account balance is forfeited. If a former participant takes a distribution of his or her partially vested balance, the forfeited amount will be used in the following Plan year. If the former participant does not take a distribution of his or her partially vested balance, the forfeited amount will be used during the Plan year following the Plan year during which the former participant incurs his or her fifth consecutive one year break in service. Forfeitures are applied to reduce future employer contributions. As of December 31, 2022 and 2021, the balance of unallocated forfeitures was $753 and $5,806, respectively. During 2022 and 2021, no forfeitures were applied to reduce employer contributions.

Payment of benefits

On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested account balance, an annuity, or a combination of these, depending upon marital status and participant elections. Married participants may elect to receive a joint and survivor annuity. Participants meeting specified criteria may also receive in-service and hardship distributions.

Note 2. Summary of Significant Accounting Policies

Basis of accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefits are recorded when paid.

Note 2. Summary of Significant Accounting Policies (Continued)

Subsequent events

The date through which events occurring after December 31, 2022, have been evaluated for possible adjustment to or disclosure in the financial statements is October 11, 2023, which is the date the financial statements were available to be issued.

Note 3. Certification

Certain information was certified as complete and accurate by T. Rowe Price Trust Company, trustee of the Plan. This information is as follows:

– Investment assets

– Investment transactions

– Investment income

– Schedule H, Line 4i – Schedule of Assets (Held at End of Year)

Note 4. Fair Value Measurements

The framework for measuring fair value establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are as follows:

Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Inputs other than quoted prices within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs that are unobservable inputs to the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Note 4. Fair Value Measurements (Continued)

Mutual funds: Valued based on quoted net asset values of the shares held by the Plan at year end.

Stable value common trust fund: The net asset value (NAV), as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets measured at fair value on a recurring basis consisted of the following at December 31:

	2022	
	Level 1	Total
Mutual funds	$ 20,312,630	$ 20,312,630
Total assets in fair value hierarchy	$ 20,312,630	20,312,630
Investments measured at net asset value:		
Stable value common trust fund [(a)]		5,884,927
Investments at fair value		$ 26,197,557

	2021	
	Level 1	Total
Mutual funds	$ 24,804,900	$ 24,804,900
Total assets in fair value hierarchy	$ 24,804,900	24,804,900
Investments measured at net asset value:		
Stable value common trust fund [(a)]		5,271,427
Investments at fair value		$ 30,076,327

(a) Investments in the stable value common trust fund that are measured at net asset value per share equivalent are not classified in the fair value hierarchy. The fair value amounts presented are intended to reconcile the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Note 5. Party-in-Interest Transactions

Certain administrative functions are performed by employees of the Company. These employees are also Plan participants. No such employee receives compensation from the Plan.

The Company pays certain administrative expenses on behalf of the Plan, including legal, trustee, accounting, and insurance fees.

Plan participants invest in funds held or managed by the Plan Trustee, T. Rowe Price Trust Company, as well as other investment management companies. Investments in funds issued and managed by the Trustee are considered party-in-interest transactions. Fees paid to the Trustee by the Plan for administrative services were $50,316 and $56,402 during 2022 and 2021, respectively.

Plan participants are charged a quarterly fee based on a percentage of their account balances to cover Plan recordkeeping services provided by the Trustee. In addition, the Trustee earns administrative fees directly from certain mutual funds in which Plan assets are invested, which are included as operating expenses of the mutual funds. Participants with amounts invested in these mutual funds receive fee credits allocated to their accounts on a quarterly basis to offset the charges flowing directly through the mutual funds. During 2022 and 2021, fee credits were $46,036 and $50,752, respectively.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Note 7. Tax Status

The Plan adopted a volume submitter profit sharing plan of the Trustee. The volume submitter profit sharing plan has received an advisory letter from the Internal Revenue Service, effective August 2, 2017, that the form of the plan was designed in compliance with applicable provisions of the Internal Revenue Code ("IRC"). The volume submitter plan has been amended since receiving the opinion letter. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
