INDEPENDENT AUDITORS' REPORT

To the Trustees of
Sloane Automotive Group 401k Profit Sharing Plan
Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Sloane Automotive Group 401K Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Sloane Automotive Group 401K Profit Sharing Plan's financial statements performed in accordance with ERISA section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

1. The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
2. The information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sloane Automotive Group 401k Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sloane Automotive Group 401k Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

Exercise professional judgment and maintain professional skepticism throughout the audit.

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sloane Automotive Group 401k Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sloane Automotive Group 401k Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held For Investment Purposes At December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to, or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SLOANE AUTOMOTIVE GROUP 401K PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN

The following description of Sloane Automotive Group 401k Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

A. General

Sloane Automotive Group (the "Company") consists of various companies, RGS, Inc., 6101 Automotive, Inc. (d/b/a Sloane Toyota of Philadelphia), Champion Automotive Group, Inc. (d/b/a Sloane Honda), SW Motors, LLC, Devon Automotive Group, LLC and Sloane autosport, LLC., all located in the Greater Philadelphia, PA area. The Plan, which started on June 1, 1990 and was restated on January 1, 2022, is a defined contribution plan covering all full-time employees, who have completed at least twelve months of service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

B. Employee Contributions

Each year, participants may contribution a portion of their compensation limited to certain restrictions set by law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions (rollovers) from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the plan.

C. Employer Contributions

At the end of the plan year, the sponsor, at the discretion of its Board of Directors, may make profit-sharing contributions, as defined in the Plan documents. Profit-sharing contributions are allocated to eligible participants based upon the percentage of a participant's compensation or a dollar amount as it directly relates to elective deferrals made during the Plan year by eligible participants. The be eligible to receive an allocation of the discretionary profit sharing contributions, you must complete 500 hours of service during the plan year and be employed on the last day of the plan year.

D. Participant Accounts

Each participant's account is credit weekly with the participant's contributions and plan earnings. Allocations are based on the participant account balances in the investment funds. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

E. Vesting

Participants are immediately vested for their contributions and plan earnings attributed to their contributions. Company contributions are vested in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Interest Percentage</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Participants also will become 100 percent vested upon attainment of age 65 or the participant's death or disability.

F. Investment Options

The assets of the Plan are allocated to mutual funds and a stable value fund account at the direction of the participant. The investment options that are available include a cross-section of money, stock and bond funds.

G. Payment of Benefits

Participants are eligible for distributions after employment termination, death or disability, as defined. At retirement, a participant may elect to receive a distribution in on lump-sum equal to the value of his or her account, in installments over a period not exceeding the anticipated life expectancy of the participant and/or designated beneficiary. At retirement, the plan reserves the right to pay in a lump sum, a participant's account that is less than or equal to \$1,000. If the amount in a participant's account is over \$1,000 and up to \$5,000 upon termination, the amount will be transferred to an Individual Retirement Account set up outside the plan.

H. Forfeited Accounts

Amounts from forfeited nonvested accounts are used to reduce employer contributions or operating expenses. At December 31, 2022 and 2021 there were \$0 and \$56, respectively of unallocated forfeitures, none of which were used to reduce employer contributions or operating expenses.

2. SUMMARY OF ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting, except for benefits paid which are reflected on a cash basis.

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Investments

Quoted market prices are used to value investments falling within Level 1 of the hierarchy for measuring fair value, as required under FASB ASC 820, Fair Value Measurements (See Note 4). Net investment gains (losses) include the Plan's realized gains and losses on investments bought and sold, as well as unrealized gains/losses held during the year. Realized gains and losses are determined using the average cost method.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments held during the year. Realized gains/losses are recognized on an average cost basis.

D. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is eradicated and a deemed benefit payment is recorded.

E. Risk and Uncertainties

The Plan invests in a variety of investment funds. Investments in general are exposed to various risk, such as interest rate, credit and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

F. Payment of benefits

Benefits are recorded when paid.

G. Expenses

Certain expenses of maintaining the Plan not paid by the Plan itself, are paid by the Company. Expenses that are paid by the company are excluded from these financial statements. Fees related to the administration of notes receivable from participant accounts and benefit payments to participants are charged directly to the participant's account and are included in administration expenses. Investment related expenses are charged to the net gain or loss in the fair value of the investments.

H. Subsequent Events

Management has evaluated subsequent events, for potential adjustments and disclosures, according to FASB ASC 855-10, after December 31, 2022 and through October 9, 2023, the date on which the financial statements were available for issuance.

3. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by PNC Bank, N/A.

4. FAIR VALUE MEASUREMENTS

FASB ASC 820 Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- *Quoted prices for similar assets or liabilities in active markets;
- *Quoted prices for identical assets or liabilities in inactive markets;
- *Inputs other than quoted prices that are observable for the asset or liability; and
- *Inputs that are derived principally from or corroborated by observable market data, by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies, using a market approach, for assets measured at fair value. There have been no changes in methodologies used at December 31, 2022 and 2021.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Mutual Funds:	Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
Common/Collective Trusts:	Share price/NAVs reported for stable value funds are generally obtained directly from the fund house or other investment provider.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, withing the fair value hierarchy, the Plan assets at fair value as of December 31, 2022 and 2021.

Assets at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

5. PARTICIPANT LOANS

Loans to participants are permitted transactions from trust fund assets. Loans must be approved by the trustee and the plan administrator upon written application of the participant. The security for loans must be adequate in the opinion of the trustee. Interest is charged at a rate of prime plus 1% which ranges from 4.5% to 8.0% on outstanding loans. A loan is limited to the lesser of \$50,000 or 50% of the participant's vested balance.

6. RELATED PARTY TRANSACTIONS

Plan investments are held by PNC Bank, N/A, the trustee for the plan. Therefore, the related transactions qualify as party-in-interest transactions. Fees paid by the plan to the trustee for contract administrator services amounted to \$66,061 in 2022.

7. PLAN TERMINATION

The Company expects to continue the plan indefinitely, but reserves the right to terminate or amend it. In the event of plan termination, participants are entitled to receive the entire amount of their account balances.

8. TAX STATUS

The Internal Revenue Service (IRS) had determined and informed the administrator by a letter dated June 30, 2020 that the Plan is qualified and the trust established under the Plan is tax-exempt, under the appropriate sections of the Internal Revenue Code. The Plan administrator and trustee believe that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Code, and therefore, qualified with the related trust being tax-exempt as of the financial statement dates.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by federal authorities. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken, that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by authorities; however, there are currently no audits in progress for any tax periods.

9. DEFERRED BENEFITS PAYABLE

At December 31, 2022 and 2021, there were \$3,356,568 and \$3,969,166, respectively in accounts for deferred benefits of individuals who had withdrawn from participation in the plan. These amounts are included in net assets available for benefits.

10. EXCESS CONTRIBUTIONS REFUNDABLE

At December 31, 2022 and 2021, liabilities of \$5,091 and \$0, respectively, are recorded for amounts refundable by the Plan to participants for contributions made in excess of amounts allowed by the Internal Revenue Service.
