INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
R&K Distributors, Inc. 401(k) Deferred Compensation Plan
Longview, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of R&K Distributors, Inc. 401(k) Deferred Compensation Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with accounting principles generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of R&K Distributors, Inc. 401(k) Deferred Compensation Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about R&K Distributors, Inc. 401(k) Deferred Compensation Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of R&K Distributors, Inc. 401(k) Deferred Compensation Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about R&K Distributors, Inc. 401(k) Deferred Compensation Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets Held (at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with accounting principles generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

R&K DISTRIBUTORS, INC. 401(k) DEFERRED COMPENSATION PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF PLAN

The following description of the R&K Distributors, Inc. (“Company” and “Plan Sponsor”) 401(k) Deferred Compensation Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

GENERAL

The Plan is a tax-qualified defined contribution plan under Section 401(a) of the Internal Revenue Code (“IRC”) of 1986, as amended, which provides retirement, disability, and death benefits for eligible employees of the Company. Employees of the Company are eligible to participate in the Plan on the next entry date after completing six months of service and attainment of age twenty and one-half (20 ½). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

PLAN ADMINISTRATION

The Board of Directors of the Company appoints the Plan Administrator and the Plan Trustee. The Plan Trustee is the Company's Chief Executive Officer and is responsible for the governance of the Plan and monitoring the performance of the investments. The Plan Administrator is an employee of the Company. Employees of the Company may perform certain other administrative functions; however, such employees receive no compensation from the Plan.

The Plan's third-party administrator and custodian is Texas Bank & Trust Company (“TB&T”). Administrative duties, such as preparation of the Form 5500, participant record keeping, compliance testing, and enrollment and transaction processing are done by TB&T. Plan assets are managed by Charles Schwab & Co., Inc.

CONTRIBUTIONS

Participants may elect to contribute pre-tax or after-tax amounts from eligible compensation, as defined by the Plan, not to exceed the limits of Internal Revenue Service (“IRS”) Code Section 401(k). In addition, participants that reach age 50 before the close of the plan year may make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. A matching contribution by the Company is discretionary for each Plan year. For the Plan year ended December 31, 2022, matching contributions were equal to 50% of the participant's elective deferrals, including catch-up contributions, not to exceed two and one-quarter percent (2.25%) of the participant's total compensation. Rollover contributions are permitted and remain in segregated, 100% vested, rollover accounts.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and the Company matching contributions. Allocations of Plan earnings and administrative expenses are based on participant account balances as defined in the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in their elective deferral contributions plus actual earnings thereon. Vesting of Company contributions is as follows:

<u>Vesting Schedule</u>	
<u>Years of Service</u>	<u>Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%

NOTE 1 – DESCRIPTION OF PLAN – CONTINUED

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account. Loans bear a reasonable rate of interest as determined by the Plan Administrator based on prevailing interest rates. Principal and interest are paid through payroll deductions.

PAYMENT OF BENEFITS

On termination of service due to death, disability, or normal retirement age, a participant may elect to receive their vested benefit in a lump sum payment either in cash or as a direct rollover to a qualified individual retirement account ("IRA") or another tax-qualified plan. If the value of the participant's vested account balance is less than \$1,000, the form of distribution will be a lump sum distribution. Hardship and in-service distributions are permitted to be made only from accounts that are fully vested. A participant must be age 61 to qualify for an in-service distribution.

FORFEITURES

Forfeited non-vested amounts may be used by the Plan to pay administrative expenses and reduce employer contributions. At December 31, 2022 and 2021, there were no forfeited non-vested account balances. During the year ended December 31, 2022, there were no plan forfeitures used to pay Plan expenses.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan have been prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Trustee determines the Plan's valuation policies utilizing information provided by investment advisors and the third-party administrator. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. As of the date of these financial statements the Plan has not yet distributed the excess contributions but intends to prior to December 31, 2023.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

OPERATING EXPENSES

The Company, at its sole discretion, may pay the administrative expenses (i.e. custodial fees, fund fees, loan fees, recordkeeping fees and other similar expenses) of the Plan and such expenses would be excluded from these financial statements. If such expenses are not paid by the Company, they are paid out of Plan assets. Investment related expenses are included in net appreciation in the fair value of investments.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under the Financial Accounting Standards Board (“FASB”) Accounting Standards Codification Topic (“ASC”) 820 are described as follows: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets. Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of level 2 or 3 inputs for the periods presented.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2022 and 2021:

Money market funds:

The Plan has investments in money market funds which are valued at the per unit price as quoted by the financial institution. As of December 31, 2022 and 2021, the Plan had \$527,031 and \$789,887, respectively in money market funds. The money market funds are considered Level 1 investments.

Mutual funds:

The fair value of mutual funds are based on quoted net asset values of the shares as reported by the funds. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. As of December 31, 2022 and 2021, the Plan had \$5,414,177 and \$5,993,887, respectively, invested in mutual funds. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. The mutual funds are considered Level 1 investments.

NOTE 4 – INFORMATION CERTIFIED BY THE PLAN’S CUSTODIAN

The following information included in the accompanying financial statements and supplemental schedule as of December 31, 2022 and 2021, and for the year ended December 31, 2022, was obtained from data that has been prepared and certified to as complete and accurate by the Trustee and third-party administrator TB&T.

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

TB&T is the Trustee and third-party administrator as defined by the Plan and provides investment management services to the Plan, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in the net depreciation in fair value of investments and administrative expense are shown separately as deductions from net assets on the statement of changes in net assets available for benefits.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 – TAX STATUS

The Plan Sponsor has adopted a prototype standardized profit-sharing plan with a cash or deferred arrangement which received an opinion letter from the IRS that the form of the Plan is acceptable under Section 401(a) of the IRC and is, therefore, not subject to tax under present income tax law. The Plan Administrator and tax counsel believe that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in a variety of investment funds. Investment securities are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Schedule H of Form 5500 at December 31, 2022 and 2021:
